 - a. Semi-Annual Jail Inspection Report**
 - b. Health Department Buildings - Plumbing Project Update**
 - c. Broadband Initiative**
 - d. Schedule Work Session**
 - e. Opioid Forum**

9. Consent Agenda Items

- a. Budget Amendments and Transfers**
- b. Tax Refunds and Releases**
- c. Ambulance Charge-offs**
- d. Monthly Reports**
- e. Minutes**

10. Miscellaneous

- a. Appointments**
- b. September Meeting Date**

11. Closed Session

- a. Water District Board - Legal Matter**
- b. Board of Commissioners - Property Matter and Legal Matter**

AGENDA APPOINTMENT FORM

August 7, 2017

Public Hearing: Rezoning Request - Case RZ1706-01 - Adjacent to 3963 Raleigh Road; Parcels 0224 02015 and 0224 02019

Request of Board: Approve Rezoning Request

DEPARTMENT OF PLANNING & DEVELOPMENT

PLANNING STAFF REPORT

REZONING CASE # RZ1706-01

STAFF PROJECT CONTACT: Sam Hobgood

EXPLANATION OF THE REQUEST

This is a request to amend the zoning map and to rezone two separate parcels from R20 and R30 (Residential Low and Medium Density to HC (Highway Commercial).

OWNER/APPLICANT

OWNER: Billy & Elsie Stanton
3963 Raleigh Road
Henderson, NC 27537

Applicant: Billy Stanton
3963 Raleigh Road
Henderson, NC 27537

PROPERTY INFORMATION

LOCATION: 3963 Raleigh Road; more specifically identified as tax parcels 0224 02015 and 0224 02019.

EXISTING LAND USE: The parcels are currently zoned R-30 and R-20 and both are vacant. The parcels are adjacent to the Bearpond Grocery.

SIZE: The area to be combined and rezoned is 1.44 acres (see included survey).

SURROUNDING LAND USE: The property fronts along Raleigh Road. The adjacent property to the south is zoned HC and is developed as a grocery. Other uses include a church, several vacant structures and residential development.

ZONING HISTORY: All parcels in this area are zoned as they were since countywide zoning was established in November 2011.

IMPACTS

This rezoning will change the allowable uses of the property from being residential in character to allowing uses compatible with highway frontage for the convenience of nearby residential areas. The zoning ordinance specifically calls this zoning classification out as areas located along established or proposed highway corridors; mainly at intersections and interchanges. The minimum lot size for HC zoning is 43,560 sq. ft (1 acre) – Once combined the property will exceed this minimum lot size of the proposed zoning category.

STAFF COMMENTS

The rezoning request is to change the zoning of this parcel from Residential Low Density (R-30) and Residential Medium Density (R-20) to Highway Commercial (HC). The parcel is located in an area that currently consists of a variety of commercial uses along Raleigh Road. The Vance County Land Use Map shows this area defined as a transitional development area so this proposed change would comply with the land use plan.

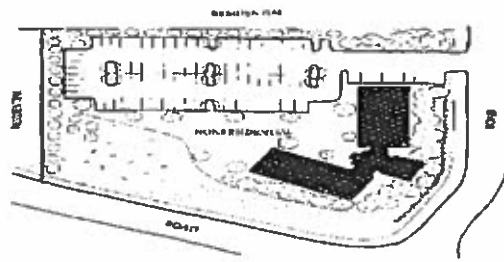

Highway Commercial is defined as:

H-C Highway Commercial: Established primarily for business catering to the auto traveling public requiring large lots, easy access, ample parking and loading space, and little pedestrian movement. Retail trade and services for the convenience of nearby residential areas is also a function of this zone. Generally this zone is located along established or proposed highway corridors – mainly at intersections and interchanges. If rezoned to HC the site will need to conform to the following sections of the Vance County Zoning Ordinance.

4.16 SCREENING AND BUFFERING

- A. A minimum of a one hundred foot (100') vegetative buffer (fifty feet on each side) is required for development activities along all perennial waters indicated on the most recent versions of U.S. Geologic Survey (USGS) 1:24,000 (7.5 minute) scale topographic maps or as determined by local government resources. Desirable artificial stream bank or shoreline stabilization is permitted.
- B. No new development is allowed in the buffer except for water dependent structures and public projects such as road crossings and greenways where no practical alternative exists. These activities should minimize built-upon surface area, direct runoff away from the surface waters and maximize the use of stormwater Best Management Practices (BMP's).
- C. New or expanding uses and other uses subject to this provision must provide a vegetative buffer along the property boundary that separates the proposed or expanding non-residential use and the existing residential use as a means to lessen the impact of non-residential use on the residential use. The buffer shall be a compact evergreen hedge or other type of evergreen foliage to be determined as adequate in width to screen the use, which shall reach the height of at least eight (8) feet within three years, or shall be a combined fence and shrubbery screen, with the shrubbery facing the residential use. It shall be maintained at a minimum of eight (8) feet in height thereafter. The fence shall be at least eight (8) feet, must be opaque, and made of materials normally accepted in the fencing industry. Earth-berms, other topographical features and existing wooded areas may be accepted in lieu of the above requirements, if they conceal the use from public view.
- D. **Buffer Strips:**
 1. Whenever a buffer strip is required by this Ordinance, such strip shall meet the specifications of this section, unless other specifications are given in the section where the buffer strip is required.
 2. Buffer strips shall be required whenever an industrial, commercial, or any other nonresidential use is established adjacent to a different zone. Buffer strips shall be required on three (3) sides (rear and side lot lines) of lot, unless a corner lot, then buffer is not required on any side lot line adjacent to a street right-of-way lot line. The front of the lot, except for ingress/egress, shall have ten (10) feet of landscaping, vegetative or natural that would not pose a hazard for vehicular traffic, but creates a natural looking front (if opaque or semi-opaque screening is used then this can be used in place of the

ten (10) feet of landscaping). Refer to the example:

3. Buffer strips shall become part of the lot(s) on which they are located, or in the case of commonly-owned land, shall belong to the homeowners or property owners association.
4. Buffer strips shall be maintained for the life of the development. Maintenance shall be the responsibility of the property owner, or, if rented, the lessee.
5. If a natural screen is already in place which will adequately fulfill the purpose of the buffer strip, the Zoning Administrator may, in writing, allow a substitution of all or part of this screen for the buffer strip. Written permission of the Zoning Administrator shall be obtained before removing an existing natural buffer in the location of the required buffer strip. If the natural screen is removed, then the buffer screen must comply with the buffer strip requirement.
6. Where a planting screen cannot be expected to thrive because of intense shade or soil conditions, or where lot size will not allow a planted buffer, the Zoning Administrator may, in writing, allow the substitution of a well-maintained wood, masonry wall, or chain link fence with slats at least eight (8) feet in height in place of the planted screen.
7. When such permission is granted in (6) above, the buffer strip may be used for driveway and parking so long as such use does not interfere with the eight (8) foot wall or fence, and no permanent building or structure is allowed to encroach on the buffer.

4.17 LIGHTING:

All lighting must be directed away from adjacent property and roadways. Lighting shall be directed onto the individual owners' site only. Height regulations shall be determined as necessary by the Vance County Plan Review staff in complying with all appropriate State and National Building Codes.

The rezoning request is consistent with the land use plan and will amend the zoning map to reflect the actual property. Staff believes it is reasonable for the property to be rezoned from R-30 and R-20 to HC to meet the neighborhood needs.

In reviewing this request the following should be considered prior to giving a favorable recommendation:

- A. The proposal will place all property similarly situated in the area in the same category, or in appropriate complementary categories.
- B. There is convincing demonstration that all uses permitted under the proposed zone classification would be in the general public interest and not merely in the interest of an individual or small group.
- C. There is convincing demonstration that all uses permitted under the proposed zone classification would be appropriate in the area included in the proposed change. (When a new zone designation is assigned, any use permitted in the zone is allowable, so long as it meets zone requirements, and not merely uses which applicants state that they intend to make of the property involved.)
- D. There is convincing demonstration that the character of the neighborhood will not be materially or adversely affected by any use permitted in the proposed change.
- E. The proposed change is in accord with the County Land Use Plan and sound planning principles.

Attachments: Rezoning Application, Survey Map, Aerial map with surrounding zoning

PLANNING BOARD RECOMMENDATION: At the June 29th 2017 meeting of the Planning Board, the Board unanimously voted to recommend the parcels be rezoned to Highway Commercial (HC) on the basis that the rezoning would cause the property to fit the character of the surrounding land use.

BOARD OF COMMISSIONERS

Whenever the Board of Commissioners makes a decision to adopt or to reject a zoning amendment, the board must approve a written statement describing whether the action is consistent with an adopted comprehensive plan. The statement must also address why the board considers the action taken to be reasonable and in the public interest. The board is not required to follow its adopted plans in zoning decisions, but must consider its reasons for deciding to follow the plan or not.

Draft Motion and Rationale for Board of Commissioners Approval: Motion to approve the rezoning request on the basis that it is reasonable and consistent with the county's land use plan by directing commercial development in transitional development areas.

Draft Motion and Rationale for Board of Commissioners Disapproval: Motion to deny the rezoning request on the basis that the character of the neighborhood will be materially and adversely affected by uses allowed in the proposed zoning category.

AGENDA APPOINTMENT FORM

August 7, 2017

Name: Sam Hobgood

Name of Organization: Planning and Development

Purpose of appearance: Violation Fee Settlement

Request of Board: Approve Request

DEPARTMENT OF PLANNING & DEVELOPMENT

PLANNING STAFF REPORT

CASE # 16-00083

STAFF CONTACT: Sam Hobgood

EXPLANATION OF THE REQUEST

This is a request to accept a one-time settlement in the amount of \$1000 for zoning violations from the original fine of \$5,300.

OWNER/APPLICANT

OWNER: Gary Ferringer
62 Shepard's Way Lane
Manson, NC

STAFF COMMENTS

If the Zoning Administrator finds that any of the provisions of this Ordinance are being violated, and when appropriate with consultation of the County attorney, he shall notify in writing by mail using a certified return receipt letter, the person responsible for such alleged violations, indicating the nature of such alleged violation and ordering the action necessary to correct it. He shall order discontinuance of illegal use of land, buildings, or structures or of additions, alterations or structural changes thereto; discontinuance of any illegal work being done; or shall take any other action authorized by this Ordinance or the Board of Commissioners to insure compliance with or to prevent violations of its provisions.

Any act constituting a violation of the provisions of this Ordinance or a failure to comply with any of its requirements, including violations of any conditions and safeguards established in connection with the grants of variances or conditional-use permits, shall also subject the offender to a civil penalty of \$100.00 per day.

Timeline for CASE # 16-00083:

August 30, 2016: Complaint received for Zoning & Building violations @ 62 Shepard's Way Lane.

August 31, 2016: Initial inspection and notice of violation sent out. Zoning & Building Permit violation for erecting a 2 story 16' x 24' storage building without proper permits and violating the required setbacks for accessory structures.

October 13 2016: Staff spoke with Mr. Ferringer; he stated he was out of the US until October 31. Staff established a deadline to submit a certified site plan and apply for permits by November 3. Staff informed the property owner that \$100/day fines would go in effect on that date.

October 26 2016: Mr. Ferringer contacted staff to reschedule the meeting for November 18, 2016. Stated he is planning on hiring a surveyor this week. Staff requested the surveyor to contact the Planner to confirm the project was moving forward. Staff advised again that fines would be enforced beginning November 3rd.

November 16 2016: Applications and plans submitted to Planning & Development. Mr. Ferringer was informed of the violations and the required setbacks necessary for an accessory structure.

November 23, 2016: Zoning and Building permits issued to the tenant. Tenant was notified the building must be moved as soon as possible for setback violations.

February 27, 2017: Follow up inspection was performed by staff. No progress was observed on moving the accessory structure. Notice of violation and fine sent out. **\$100/day fine effective starting this day.**

- Mr. Ferringer called after receiving violation and fine notice stating he plans on moving the building within 2 – 3 weeks.

March 27, 2017: Zoning officer performed a site visit; no change on the location of the accessory structure – still in violation.

March 31, 2017: A footing inspection was performed by the code official; accessory structure was still in the same location.

April 21, 2017: Site visit was made by staff; Accessory structure had not been moved; violations still exist.

April 24, 2017: Mr. Ferringer called to inform staff that he had moved the accessory structure over the past weekend (April 22-23). Staff noted the fines would cease as of April 21, 2017. Total fine = \$5300.

May 18, 2017: Staff contacted tenant to discuss payment of the fine. Mr. Ferringer asked for a settlement of the fine in the amount of \$1000.

May 23, 2017: Staff sent out a letter of agreement for Mr. Ferringer to sign and have notarized. Letter states the settlement would have to be approved by the Board of County Commissioners. (See attached letter)

June 27, 2017: Staff received signed and notarized letter from Mr. Ferringer.

Attachments: Letter of request for settlement.

Dear Mr. Ferringer:

This letter is to confirm our previous conversations regarding the zoning violation on your property located at 62 Shepards Way and identified as parcel id number 0583 01059. You have accrued zoning fines in excess of \$5000 and are requesting the Vance County Board of Commissioners to accept a one-time final settlement of \$1000.

Please sign and notarize this letter to verify you agree with this proposal and I shall submit it to the Board of County Commissioners for approval. You may return the notarized original to my attention at the address listed above.

Sincerely,

Water District Board

Vance County Water Board Report August 7, 2017

Committee Report

Phase 3 Update. The water committee (Wilder [C], Brummitt & Hester) met Tuesday, August 1st and received an update on Phase 3. During the past month the engineer and staff reviewed the entire length of the project to ensure proposed locations for waterlines, hydrants, and blow off valves are best placed to serve the customer and to allow efficient operation of the system. Surveying has begun for easements in the Gillburg area, and due to the time it is taking to obtain easements, it is anticipated the project will begin in late 2017 or early 2018. The committee recognized that the proposed waterline will be reduced in size in the Gillburg area and requested clarification from the engineer to ensure the risk of blow outs are reduced and to ensure that the line can be tapped within the private easement area near Gillburg. The committee reiterated a desire to keep the project schedule moving and requested that staff ensure there are no imminent time limits with the USDA funding. *For Your Information.*

Reduction in Connection Fees. The committee discussed reducing the connection fees within all phases to incentivize and encourage additional customers to connect to the system. The committee was informed that a total of six customers have signed up since the connection fees were moved to the post-construction rate in January 2017 and that 17 customers are necessary at the reduced rate to bring equal revenue as six at the regular rate. Over the long term, the goal is to add 100 customers per year beginning in FY19-20 to allow the system to be self-sufficient within seven years. A majority of the committee members favored reducing the connection fees to the incentivized pre-construction rates for all three phases of the project on a retroactive basis to cover the six customers since January, while one member favored waiting until phase 3 construction begins to make the reduction. The committee also requested that staff review the current capacity charge for 1 inch meters with the idea of distinguishing between commercial and residential customers and lowering the charge for residential customers.

Current and Proposed Water Connection Costs					
Current 3/4 inch meter	Proposed 3/4 inch meter	Current 1 inch meter	Proposed 1 inch meter		
\$1,100	\$125	\$1,500	\$285	Connection Fee	
\$500	\$0	\$5,000	\$0	Capacity Charge	
\$150	\$150	\$150	\$150	Security Deposit (Refundable)	
\$195	\$0	\$285	\$0	Meter Cost and Installation	
\$50	\$50	\$50	\$50	Plumbing Permit	
\$1,995	\$325	\$6,985	\$485	Total Cost	

Recommendation: *Approve a reduction in the connection fee, capacity charge, meter cost and installation to \$125 for 3/4 inch meters and \$285 for 1 inch meters retroactive to January 1, 2017.*

Closed Session – Legal Matter. The committee entered closed session to discuss a legal matter. This will be discussed further in closed session with the full water board. *[Further discussion with full board in closed session].*

Committee Reports and Recommendations

Vance County

Committee Reports and Recommendations

August 7, 2017

Properties Committee

REO Property - Offer to Purchase. The committee (Brummitt[C], Wilder & Kelly) met Monday, July 31st and reviewed the following offer to purchase a county owned REO property:

➤ 1807 Nicholas Street (Parcel 0111 04017) - \$750 offer from Daisy P Zambrano Angelino
The committee discussed the offer and was informed that the mobile home shown on the aerial is no longer on the property as it was removed prior to the foreclosure in 2014. The committee recommended proceeding with the upset bid process for the property. ***Recommendation:*** *Approve the offer to purchase and the resolution authorizing the upset bid process for the sale of 1807 Nicholas Street (tax parcel 0111 04017).*

Change Order #1 - Administration Building Window Replacement. The committee met with the project engineer (Bob Tomlinson – REI Engineers) and was informed that the existing security bars for 12 windows must be removed to allow replacement of the windows. The change order totals \$7,565 and includes refinishing the bars offsite and reinstalling them for the existing first floor windows. The total project cost remains within the budget of \$125,000 and the committee recommended approval of change order #1. ***Recommendation:*** *Approve change order #1 with Bar Construction increasing the contract by \$7,565 for the removal, restoration, and reinstallation of security bars as a part of the window replacement project.*

Urban Homesteading Program. The committee reviewed and discussed the urban homesteading program which was recently approved by the City Council for reducing the inventory of jointly owned properties and encouraging homeownership. The program is designed to offer properties to individuals who are willing to construct a dwelling on a vacant lot or bring an existing structure to minimum housing standards within 2½ years. The owner would be required to occupy the property for three years following the property restoration. The city currently has a waiting list of individuals for the program and is prepared to handle all administration duties. The committee was informed that the county's involvement would include conveying the county's property interest to the city at the point a property is selected and approved for the program. The committee was supportive of the program and requested that staff provide property information and photos for each property prior to including in the program. ***For Your Information.***

Parking Lot Access Easement. The committee reviewed and recommended approval of an easement agreement between the county and the First United Methodist Church allowing the public to cross the church parking lot to enter the new public parking lot at the former teacherage site. The county's new public parking lot is currently under construction and is anticipated to be complete within the next 30 days. ***Recommendation:*** *Approve the easement agreement with the First United Methodist Church for shared access to the new public parking lot at the former teacherage site.*

Closed Session – Property Matter. The committee entered closed session to discuss a property matter. This will be discussed further in closed session with the full board. ***[Further discussion with full board in closed session].***

FOR SALE OF REAL PROPERTY
1807 Nicholas Street, Henderson, NC 27536**

WHEREAS, Vance County owns certain real property with an address of **1807 Nicholas Street, Henderson, North Carolina**, and more particularly described by the Vance County Tax Department as Parcel Number **0111 04017**; and,

WHEREAS, North Carolina General Statute §160A-269 permits the county to sell real property by upset bid, after receipt of an offer for the property; and,

WHEREAS, the County has received an offer to purchase the real property described herein above in the amount of **\$750.00** subject to the terms and conditions as included in the submitted offer to purchase bid, submitted by *Daisy P. Zambrano Angelino*; and,

WHEREAS, the County has made a counteroffer to amend the terms of the Offer to Purchase County Owned Property; and,

WHEREAS, *Daisy P. Zambrano Angelino* has paid the required deposit in the amount of **\$750.00** with her initial offer.

THEREFORE, THE VANCE COUNTY BOARD OF COMMISSIONERS RESOLVES THAT:

1. The Board of County Commissioners declares the real property described above surplus and authorizes its sale through the upset bid procedure of North Carolina General Statute §160A-269.

2. Upon acceptance of the County's counter offered terms and conditions, a notice of the proposed sale shall be published which shall describe the property and the amount of the offer and shall require any upset offer be subject to the same terms and conditions as contained therein except for the purchase price.

3. Any person may submit an upset bid to the Clerk to the Board of County Commissioners within 10 days after the notice of sale is published. Once a qualifying higher bid has been received, that bid will become the new offer.

4. If a qualifying upset bid is received, a new notice of upset bid shall be published, and shall continue to do so until a 10-day period has passed without any qualifying upset bid having been received. At that time, the amount of the final high bid shall be reported to the Board of County Commissioners.

5. A qualifying higher bid is one that raises the existing offer by the greater of \$750 or ten percent (10%) of the first \$1,000.00 of that offer and five percent (5%) of the remainder of the offer and is subject to the same terms and conditions of the previous bid.

6. A qualifying higher bid must also be accompanied by a deposit in the amount of the greater of \$750 or five percent (5%) of the bid, which may be made by cash, cashier's check or certified funds. The County will return the deposit of any bid not accepted and will return the bid of an offer subject to upset if a qualifying higher bid is received.

7. The terms of the final sale are that the Board of County Commissioners must approve the final high offer before the sale is closed and the buyer must pay with certified funds or wire transfer the bid amount and any other amounts as required pursuant to the terms and conditions of the bid at the time of closing, which shall be no later than 30 days following the approval by this Board of the final bid. The real property is sold in its current condition, as is, and the County gives no warranty with respect to the usability of the real property or title. Title will be delivered at closing by **a Non Warranty Deed**, subject to exceptions for ad valorem taxes, assessments, zoning regulations, restrictive covenants, street easements, rights of others in possession and any other encumbrances of record. Buyer shall pay for preparation and recording of the Deed and revenue stamps.

8. The County reserves the right to withdraw the property from sale at any time before the final high bid is accepted **and the right to reject all bids at any time.**

9. If no qualifying upset bid is received, the Board of County Commissioners will accept or reject the bid submitted within 60 days after the close of the 10-day upset period.

This the 7th day of August, 2017.

R. Dan Brummitt, Chairman
Vance County Board of Commissioners

City of Henderson – Urban Homesteading Program Summary

Eligibility

1. Applicant(s) must be individuals 18 years of age or older unless emancipated
2. Cannot be delinquent on any City or County real estate taxes at the time of application
3. Solely the Applicant's responsibility to determine if they have access to resources and/or skills to provide agreed upon renovation or new construction
4. Applicant does not pay rent to either the City or County

Process

1. Application for available properties is on a *first come* basis
2. Mandatory orientation meeting with the Program Administrator, must sign a general waiver of liability to review properties or receive title
3. Applicant then has 14 calendar days to make a first and second choice selection from available properties
4. Once a property is reserved to the applicant, they then have 60 calendar days to submit a proposed plan of renovation and/or new construction
5. List of items requiring abatement (if any) within six months of possession will be provided to the applicant by the City for inclusion in the proposed plan
6. The Applicant and Urban Homesteading Program Administrator must agree on the proposed plan scope of work and time for execution, cannot exceed 30 months

Closing

1. Applicant (Grantee) receives title to the property by quitclaim deed with the stipulation that the property is transferred in *as-is* condition
2. Grantee pays all closing costs including that of deed preparation, reimbursement of asbestos/lead paint report
3. Grantee provides a \$500 refundable security deposit for the City's use in offsetting legal costs should reversion occur and the Grantee does not voluntarily exit the premises
4. City/County will subordinate its reversionary contingent interest in the property to any security interest granted by the Grantee to a lender of funds for the purpose of purchase, new construction and/or rehabilitation of the property

Extenuating Circumstances

1. Time extensions for the program are available; but renovation and/or new construction cannot generally exceed 36 months in total
2. Loss of employment, acts of God, extended hospitalization are all examples of extenuating circumstances

Principal Residence

1. Grantee must occupy the property as their principal residence for a period of 36 months after renovation or new construction has been completed
2. Urban Homesteading Program Administrator may request proof of occupation by the Grantee

Adopt-a-Property Provision

1. Intended to allow for low or moderate income participants to accumulate funds and make plans to complete the program
2. Chosen property is reserved for the applicant provided they keep liability insurance in force and keep the grass cut per City ordinance
3. Applicant may use the property for a personal or community garden during this phase of the program

NORTH CAROLINA
COUNTY OF VANCE

EASEMENT AGREEMENT

This Agreement, made and entered into this day of July, 2017, by and between as members of the Board of Trustees of the **First United Methodist Church, fka First Methodist Church** (hereinafter "Church") whose address is 114 Church Street, Henderson, North Carolina, parties of the first part and **County of Vance, North Carolina**, (hereinafter "County") whose address is 122 Young Street, Henderson, NC, party of the second part;

W I T N E S S E T H :

WHEREAS, the Church is the owner of record of a certain tract of land shown and delineated on that plat recorded in Plat Book "U", Page 164, Vance County Registry and being further identified as Vance County Tax Parcel 0004 01002 (the "Church Property"); and,

WHEREAS, the County is the owner of certain tract of land as described in Book 1048, Page 119, Plat Book "Y", Page 711, Vance County Registry and being located adjacent to the north boundary of the Church Property and being further identified as Vance County Tax Parcel 0004 01001 (the "County Property"); and,

WHEREAS the County has removed the former structure known at the "Teacherage" from the County Property and is desirous of developing a public parking lot in place of the former structure and can maximize the number of spaces constructed if a portion of the Church Property is used to provide access to the County Property; and,

WHEREAS, the Church is willing to grant and convey unto the County an access easement that will run from Church Street to the County Property over and across that portion of the Church Property upon which the currently existing paved driveway/parking area is located, which easement area is shown and delineated as the "Easement Tract" on the attached Exhibit "A" which is incorporated herein by reference; and,

NOW, THEREFORE, for and in consideration of the sum of ONE DOLLAR and other good and valuable considerations, the receipt of which is hereby acknowledged, the Church does hereby grant and convey unto the County, a non-exclusive permanent easement appurtenant over the Church's paved parking lot situated upon the Easement Tract, subject to the following terms and conditions:

1. The County, at its sole expense, will develop and construct the new parking area on the County Property with paving, striping, curbing, guttering, storm drainage and other matters generally as shown on the attached Exhibit "A", and will connect the new parking area to the current parking area on the Church Property.
2. The County will make all of the new parking area constructed on the County Property available to and for the use of the general public, which includes the Church and its members; and the County agrees not to restrict, reserve or designate any parking spaces located on the County Property for specific use.

3. The Church agrees not to block, impede or otherwise attempt to dissuade members of the public from utilizing the parking area located on the County Property.
4. Each party hereto shall be responsible for the maintenance and upkeep of the improvements located on its respective property.
5. This Agreement is a covenant running with the land and shall be binding upon the parties hereto, their heirs, administrators, or executors, successors and/or assigns; provided however, in the event the County shall fail to complete the construction of the parking improvements upon the County Property within 365 days after the date of this Easement Agreement, or if, once completed, the improvements upon the County Property shall thereafter cease to be used for the purpose of general public parking for a period of 180 consecutive days, then, and in either event, the Church shall have the unilateral right to cancel and terminate this Easement Agreement by filing written notice of such termination in the office of the Register of Deeds of Vance County, and upon the filing of such written notice, this Easement Agreement shall be deemed to be null and void and of no further effect.

IN WITNESS WHEREOF, each party herein has set their hand and seal the day and year first above written.

Vance County

County Manager's Report to the Board

August 7, 2017

A. Semi-Annual Jail Inspection Report. The NC Division of Health Service Regulation, Construction Section, conducts inspections of county detention facilities twice a year. The Vance County Jail was inspected on June 20, 2017 and the deficiencies noted involved a water leak, a need to update the operations manual, and communication issues within a portion of the jail. A plan for corrective action was submitted July 19, 2017 and all deficiencies have been addressed. *Recommendation: Accept the June 20, 2017, Vance County Jail Inspection Report for informational purposes.*

B. Health Department Buildings – Plumbing Project Update. Surveying and design work has begun at the health department buildings related to the project to replace internal plumbing lines and install a sewer pump. The engineer (Kilian Engineering) anticipates completion of design work within the next few weeks at which time the construction project will be released for bids. The properties committee will review the bids and provide a recommendation for proceeding once bids are received. *For Your Information.*

C. Broadband Initiative. Broadband or “high-speed internet” remains a high priority at the federal, state, and local government levels. The federal government’s plan in 2010 followed by the state plan in 2014 recognizes high speed internet as the most significant innovation of the late 20th century which has profound benefits for stimulating economic growth, creating jobs, and transforming education. The state plan highlights the ability of local governments to lower deployment costs by forming partnerships with private sector internet service providers, leveraging existing infrastructure and investing in next-generation infrastructure.

The Kerr-Tar Council of Governments held a broadband summit in April and there is interest from surrounding counties for a regional broadband study. The Kerr-Tar board has reviewed a proposal from Mighty River, LLC to inventory available assets, determine actual broadband availability and create a strategic road map for the region. The study would go beyond the federal and state broadband plans by bringing internet service providers to the table through an RFP process to improve coverage and available speeds. The proposed study would take one year, include four counties, and position each county for future grant funding to assist with implementation. Vance County’s portion of the study would cost \$30,000 and the COG is interested in receiving input from the county boards prior to moving forward with the study.

For Your Information and Input.

D. Schedule Upcoming Work Session. Board members attending the NACO conference and the upcoming NCACC conference have expressed an interest in a work session to debrief and discuss conference takeaways. A suggested timeframe would be the week of August 14th or 21st. *Schedule Work Session.*

E. Opioid Forum. Granville and Vance Counties are collaborating for a county leadership forum on Opioid Abuse. The forum is scheduled for October 17th from 2-5PM at the VGCC Civic Center. The forum is a result of work by the Association of County Commissioners and its president, Fred McClure to engage local elected leaders in an informed discussion about the opioid

epidemic while developing collaborative strategies that enhance prevention, education, and treatment. In North Carolina, drug overdose deaths increased by over 14% between 2014 and 2015. Between 2010 and 2016, North Carolina babies born opioid dependent increased 55% from 832 to 1,287. Emergency doses of the opioid overdose reversal medication, Naloxone/Narcan increased from 6,067 in 2010 to 13,069 in 2016. In Vance County alone there are 83 opioid pills per resident or 1.16 opioid prescriptions per resident.

The following video produced by New Hanover County provides an idea of the wide ranging impacts of opioids, both legal and illegal, on our communities.

<https://www.youtube.com/watch?v=hUhXuYtuO04&feature=youtu.be>

WRAL recently completed the following documentary titled “Searching for a Fix” which details North Carolina’s addiction epidemic. <http://www.wral.com/news/video/16854118/>

HOME ▶ BROADBAND BENEFITS

BROADBAND BENEFITS

WHY SHOULD YOU CONNECT?

AN EVER GROWING WORLD

Broadband's benefits are constantly multiplying, but for a quick-guide to some of the most common benefits of a connected neighborhood, town, county or state.

As the technology around broadband connectivity continues to grow, so do the benefits of getting connected. Here are some examples of how broadband connectivity can benefit your home or business:

Economic Development

- Broadband enables local communities, regions and nations to develop, attract, retain and expand job-creating businesses and institutions. It also improves the productivity and profitability of large, small and home-based businesses and allows them to compete in local, national and global markets.

Government Services

- Broadband assists government agencies in improving quality, lowering the cost and increasing transparency by making it easier for citizens to interact with them online and improving internal operations.

Education

- Broadband networks enhance educational experiences by providing students and teachers with access to an array of resources including text-based materials, photos, videos, music, animations, interactive lessons and oral history collections. It also opens the walls of classrooms, allowing students to participate in distance learning opportunities anytime from any location they can access the Internet, such as a library, school or home.

Healthcare

- Broadband makes remote access to clinical services possible for patients and provides significantly improved, cost-effective access to quality healthcare. It also allows physicians to monitor their patients through innovative home-health devices, which avoids expensive house calls and provides patients with real-time feedback.

Public Safety

- Broadband, particularly wireless broadband, is becoming increasingly indispensable to the interoperability of police, fire, health and other government entities that protect the public from both day-to-day and crisis situations. This includes systems to support rapid responses to disasters, effective early warning and public alert systems, disaster preparation programs, remote security monitoring and backup systems for public safety communications networks.

Environmental Sustainability

- Broadband enables buildings to communicate with utilities, utilities to communicate with each other and the energy market to provide real-time information to both buildings and homes. This includes smart buildings and smart grids, which hold great promise for dramatic reductions and greater efficiencies in energy consumption.

Telework

- Broadband allows teleworkers the opportunity to more readily live and work in locations of their choosing, without having to be within commuting distance of a corporate center or another base location. Studies show that commuters drive 53% to 77% less on days they telecommute than on days when they drive into work and a three-day-a-week telecommuter could save an average of \$5,878 per year in commuting costs and would avoid putting 9,060 pounds of pollutants into the environment.

Urban Revitalization

- Broadband can play a significant role in revitalizing a previously blighted urban community. Fully wired communities in these reinvigorated neighborhoods can provide citizens with the opportunity to take classes at community centers in career and skill development, allow for more effective public safety and contribute to greater economic growth, entrepreneurship and increased job creation.

Senior Citizens

- Broadband allows senior citizens to gain access to services in their homes, such as home-based rehabilitation and health monitoring devices, rather than in an institutional setting. It also allows seniors to live anywhere they choose and still stay connected with their families and friends, participate in online educational classes or start new careers or projects after retirement.

Young People/Adults

- Broadband allows young people and adults to actively participate in all aspects of a global society. Research shows that most young people obtain their news from online sources as well as use the Internet to participate in social networking. Broadband also results in less out-migration of youth and adults in rural areas. Connectivity allows young people and adults to remain in their hometowns through the establishment of small or home-based businesses or by working remotely for larger companies or organizations.

Disabled Persons

- Broadband is an important tool in addressing the needs of disabled individuals. Through various broadband-based applications and supporting technologies, deaf and hearing impaired individuals can communicate with one another through sign language using webcams and blind and visually impaired people can use “screen reader” programs that audibly describe website material to users. Software programs now exist to interpret screen content into Braille. Broadband also permits users of Telecommunications Relay Services (TRS) to use Video Relay Services (VRS) to communicate more readily with voice telephone users.

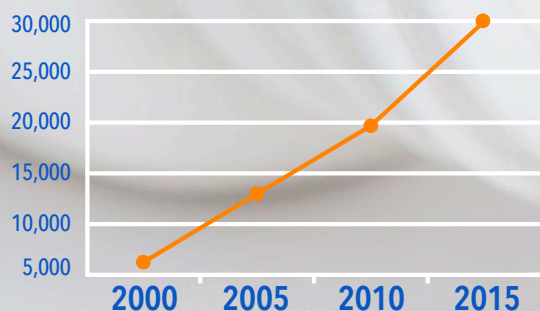

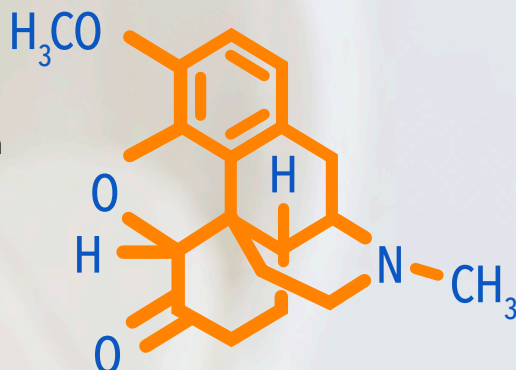

Entertainment

- Broadband is essential to enjoy 21st century entertainment. Streaming video, connecting with friends and relatives via social media, and online gaming are only possible because of Broadband.

Fact and Figures on the Opioid Crisis

WHAT IS AN OPIOID?

As used in this report, opioid refers broadly to substances that bind to opioid receptors in the brain and body. This includes drugs commonly prescribed to relieve pain like hydrocodone (e.g., Vicodin) and oxycodone (e.g., OxyContin, Percocet), as well as substances like heroin that are produced and sold illicitly.

THE SCALE OF THE CRISIS

In 2014, the latest year for which national data is available, nearly 30,000 individuals died from opioid overdose in the U.S. This number increased steadily during the last two decades, from 6,242 deaths in 2000, to 12,991 in 2005, and 19,687 in 2010.

Source: Centers for Disease Control and Prevention

In 1991, health professionals wrote

76 MILLION

opioid prescriptions in the U.S.

In 2011, they wrote

219 MILLION.

In **12 STATES**, the number of prescriptions written for painkillers exceeded the number of people in the state.

Meanwhile, Mexican heroin production increased from

8 METRIC TONS
TO 
50 METRIC TONS
between 2005 and 2009.

Source: National Institute on Drug Abuse

OVERALL, AMERICANS CONSUME
UP TO 80% OF THE WORLD'S
PRESCRIPTION OPIOIDS.

Source: Centers for Disease Control and Prevention

On an average day
in the U.S., according
to the Department
of Health and Human
Services, health care
professionals
dispense more than

650,000
OPIOID
PRESCRIPTIONS.

EACH DAY:

3,900

People initiate nonmedical use of
prescription opioids for the first time.

580

People use heroin for the first time.

78

People die from an opioid-
related overdose.

VANCE COUNTY BUDGET AMENDMENT REQUEST
2017 - 2018 Fiscal Year

A request to amend the 2017-2018 Vance County Budget is hereby submitted to the Vance County Board of Commissioners as follows:

Department Name: Farmer's Market

Revenue Amendment Request

ACCOUNT TITLE	ACCOUNT NUMBER	REVENUE INCREASE (DECREASE)
Fund Balance Appropriated	10399-439900	1,585.00

TOTAL REVENUE INCREASE (DECREASE) \$ 1,585.00

Reason for Revenue Amendment Request: The Master Gardener club donated \$1,585 in the prior fiscal year
for an education landscape project at the Farmer's Market. The project was delayed and unable to be completed in the prior fiscal year.
The donated funds became part of fund balance at June 30, 2017. The funds are being carried forward to the current year to complete the project.

Expenditure Amendment Request

ACCOUNT TITLE	ACCOUNT NUMBER	EXPENSE INCREASE (DECREASE)
Master Gardener	10605-500159	1,585.00

TOTAL \$ 1,585.00

Reason for Expense Amendment Request: See above.

Objectives	Outcomes
1. Producers will increase sales of food locally to more agriculturally aware consumers through market development, producer and consumer education, and new farmer and infrastructure support.	<ul style="list-style-type: none">● Kerr- Tar Beekeepers Association conducted their July meeting with six members attending. The educational program was a demonstration on the extraction of honey from honeycomb using a mechanical honey extractor. The members stated they had increased their knowledge have how to extract honey. This knowledge would help them extract more honey from their own beehives this year.● Paul McKenzie continued participating with the Local Foods Local Places Steering Committee which is looking at ways to enhance the Henderson downtown area through event spaces and retail outlets that feature locally grown farm products.
2. Agricultural producers, workers, food handlers and consumers will adopt safer food and agricultural production, handling, and distribution practices that reduce workplace and home injuries/illnesses, enhance food security, and increase the quality and safety of food that North Carolinians prepare and consumers.	<ul style="list-style-type: none">● Each month NC Cooperative Extension reaches hundreds of local residents with research-based garden and landscape management information and advice through electronic newsletters, social media, radio programs, news articles and more. The information helps local residents manage their landscapes in a way that enhances their property, protects the environment and safeguards human health.
3. Individuals and groups will acquire leadership and decision making capacities needed to guide and actively participate in local and state organizations.	<ul style="list-style-type: none">● On July 13th, 2017; Vance County Cooperative Extension, St. James Baptist Church, Vance County DSS, and Vance/Warren USDA participated in the Vance County Food Giveaway. With the food from the Food Bank the volunteers were able to serve over 400 families. Some food items offered were pickles, mushrooms, melons, etc. We also offered recipe ideas from our EFNEP Program Assistant Rodney Sterverson. The 4-H program served as youth volunteers for the event.

4. Youth and adults will address community issues and/or challenges through volunteerism.	<ul style="list-style-type: none">• EFNEP Program has conducted several programs at various locations, such as the Boys and Girls Club, Parks and Recreation, Vance County Farmers Market, Mobile Farmers Market, and Community Work Solutions. At these locations, participants were able to learn more about the EFNEP Program, receive detailed instruction on My Plate, provided lessons on how to increase physical activity with Zumba fitness sessions, and displayed how to make healthier eating habits with food demonstrations.
5. North Carolina's plant, animal and food systems will become more profitable and sustainable.	<ul style="list-style-type: none">• A Drip Irrigation For Gardens workshop was conducted with six small farmers attending the workshop. Post workshop evaluations from these farmer stated they had increased their knowledge of drip irrigation principles and planned to use drip irrigation techniques recommended by Cooperative Extension during the workshop. The farmers stated by using drip irrigation they could improve yields of their vegetables and this would increase their profit from their vegetables.
6. Parents and caregivers will effectively use recommended parenting, self care practices and community resources.	<ul style="list-style-type: none">• Parenting Educators are planning the next year's parenting classes. We will be offering classes tailored to parents and caregivers of children ages birth to 3, and ages 3 to 5. Classes will begin in September. A workshop on getting ready for school is planned for August.
7. Futures that Work: School to Career Pathways	<ul style="list-style-type: none">• 4-H Etiquette Week worked with youth on various topics that will make them successful during and after school. We worked on positive social skills, performed community service, learned about good interview practices, and conducted a tea party. Youth learned proper manners, were allowed to show for interview clothes and performed a mock interview. The idea was to give them transferrable skills to use in their everyday lives.
8. Youth and adult program participants will make healthy food choices, achieve the recommended amount of physical activity and reduce risk factors for chronic diseases	<ul style="list-style-type: none">• EFNEP Program has conducted several programs at various locations, such as the Boys and Girls Club, Parks and Recreation, Vance County Farmers Market, Mobile Farmers Market, and Community Work Solutions. At these

	locations, participants were able to learn more about the EFNEP Program, receive detailed instruction on My Plate, provided lessons on how to increase physical activity with Zumba fitness sessions, and displayed how to make healthier eating habits with food demonstrations.
9. Consumers and communities will enhance the value of plants, animals, and landscapes while conserving valuable natural resources and protecting the environment.	<ul style="list-style-type: none">• The biennial training class for Extension Master Gardener Volunteers got underway on July 25th. The 14 week session will train 10 new volunteers to participate in a variety of community service projects through the Extension Master Gardener Volunteer program, such as demonstration gardens, seminars, outreach and more.• Each month NC Cooperative Extension reaches hundreds of local residents with research-based garden and landscape management information and advice through electronic newsletters, social media, radio programs, news articles and more. The information helps local residents manage their landscapes in a way that enhances their property, protects the environment and safeguards human health.
10. Community Outreach	<ul style="list-style-type: none">• On July 13th, 2017; Vance County Cooperative Extension, St. James Baptist Church, Vance County DSS, and Vance/Warren USDA participated in the Vance County Food Giveaway. With the food from the Food Bank the volunteers were able to serve over 400 families. Some food items offered were pickles, mushrooms, melons, etc. We also offered recipe ideas from our EFNEP Program Assistant Rodney Sterverson.

RECREATION/PARKS

JULY 2017 RECREATION PROGRAM SUMMARY

RECREATION PROGRAM DIVISION

YOUTH ATHLETICS

SPORT	GAMES	PRACTICES	SPECTATOR	PARTICIPANT HOURS	COACHES MEETINGS
All-Star practices	10	35	987	1,393	11
RBI Long Ball ages (16-18)	10	17	325	425	3

- ✚ HVRPD 16-18 Team partnering with RBI Durham Long Ball Association.
- ✚ 3 Players from the HVRPD Team was selected and participated in the RBI Durham Long Ball Association All-Star Team in Philadelphia, PA on July 21-23, 2017.
- ✚ Currently offered our 2nd session basketball skills and drills camp which resulted in 4 participants registered.
- ✚ Currently offering Fall Baseball and Softball Registration with a partnership with Warren County Parks and Recreation Department and Oxford Parks and Recreation Department.
- ✚ Currently offering Fall Football/Flag Football/Soccer/Volleyball Registration with a partnership with Warren County Parks and Recreation Department and Oxford Parks and Recreation Department.

RECREATION PROGRAMS

- ✚ Golden Age Club – The Golden Age Club conducted 4 weekly meetings that included a trip to the Farmers Market in Raleigh where they ate and shopped. There was a monthly attendance of about 38 members.
- ✚ Visually Impaired Program (VIP) – this program working with visually impaired citizens and volunteers provides recreational activities, a support group, and this month a trip to Red Lobster and Kristy Kreme Doughnut for dessert. There were 6 VIP members that attended.
- ✚ Rec Players –Rehearsals began for four weeks for the upcoming show of “To kill a Mockingbird” involving a cast and crew of about 38 at Henderson Middle School.

The performance of "The Wizard of Oz" was performed July 7-9th and July 15th and 16th at McGregor Hall with a total attendance of 2,470 for all five shows.

- ✚ Special Olympics – Crystal Allen, Recreation Program Supervisor attended a local coordinator meeting at the Clayton Center in Clayton, NC on July 18th. There she met with other local coordinators to discuss upcoming events and activities. Crystal also attended a Med Fest meeting on July 12th at the Vance County Health Department to discuss upcoming events in October. Med Fest was created to offer the physical exam for all athletes need prior to participating in Special Olympics sports programming and to hopefully gain new athletes.

AYCOCK RECREATION CENTER

- ✚ The Henderson-Vance Recreation and Parks Department is helping the City, County, and Vance County Schools with an employee wellness program by providing free memberships to all City, County, and Vance County School employees. There were a total of 26 registered city members and 48 registered County Employees. There were no Vance County employees registered for the month of July.
- ✚ There were a total of 2632 citizens who visited/used Aycock Recreation Center for the month of July. This excludes numbers for rentals, meetings, classes, aquatic events, and youth athletics.
- ✚ Slide and Glide is a fitness class designed for participants to learn the newest slides while working up a sweat. There were a total of 17 participants registered for the month of July.
- ✚ Beginning Yoga is a fitness class designed for participants to learn the basic techniques of Yoga and to inspire physical, mental, and spiritual peace from within. There were 9 participants registered for the month of July.
- ✚ There were no gym rentals or meetings held in the multi-purpose room for the month of July.
- ✚ There were 3 multi-purpose room rentals with a total of 9 hours of usage.
- ✚ Youth services used the multi-purpose room every Monday afternoon for their C.O.R.E. Program and every Wednesday and Friday afternoon for D.R.E.A.M. Dance practices.
- ✚ Summer Camp held Weeks 4 through Week 7 with an average of 42+ participant attendance per day.

AQUATICS

- ✚ Water Aerobics Class was held 24 times with a total of 419 participants.
- ✚ A total of 4 rentals were scheduled with 14.5 hours of usage and 128 participants.
- ✚ AM open swim was held 7 times with 18 participants and 26 hours of usage.
- ✚ Group swimming lessons were held 12 times with 112 participants and 33.5 hours of usage.
- ✚ Swim groups were scheduled 11 times with 165 hours of usage and 518 participants.
- ✚ Summer Day Camp swim lessons were scheduled 5 times with 43 participants and 2.5 hours of usage.
- ✚ Practice for VAC was held 4 times with 114 participants and 8 hours of usage.
- ✚ Summer day camp swim was held 18 times with 651 participants and 28 hours of usage.
- ✚ Lifeguards documented 7 water rescues this month.

YOUTH SERVICES

Community Service/Restitution

- ✚ There was one admission for the month with four youth that was terminated. There are currently four youth working Community Service hours.
- ✚ Currently Community Service/Restitution Program is cleaning Brodie Road as needed.

Teen Court

- ✚ The members of the Teen Court competition were recognized at the City of Henderson City Council meeting on July 10, 2017 at City Hall.
- ✚ CORe Project was held three times this month at the Aycock Recreation Center.

D.R.E.A.M

- ✚ Six girls were requested and performed at a wedding reception held at the Oxford Shriners Club on July 15, 2017.
- ✚ Twelve girls auditioned for Apollo Show on July 22, 2017 and were selected to move on to the next round for selections.

COMMUNITY INVOLVEMENT

- ✚ There were numerous community board participation by staff: Safe Kids, Boys & Girls Club, Juvenile Crime Prevention Council, North Carolina Teen Court Association, Judicial Attendance Council and Youth Council.
- ✚ Summer Youth Employment began on Monday, July 17 with ten youth selected to participate.

Economic Development Commission - three year term

Re-appoint Tom Church - appointed 08/2009
 Tommy Hester - appointed 06/2016

R E S O L U T I O N
by the
Vance County Board of Commissioners
Changing the Date of the September 2017 Commissioners' Meeting

WHEREAS, the Vance County Board of Commissioners normally holds its regular meetings on the first Monday of each month at 6:00 p.m.; and

WHEREAS, North Carolina General Statute 153A-40 provides that in the event the Board of Commissioners desires to change the date and time of a regular meeting, that the Board may do so by adopting a resolution at least ten (10) days before such meeting; and

WHEREAS, the Vance County Board of Commissioners desires to change its regular meeting scheduled for Monday, September 4, 2017 at 6:00 p.m. to Tuesday, September 5, 2017 at 6:00 p.m.

NOW, THEREFORE, BE IT RESOLVED by the Vance County Board of Commissioners that it does hereby change its regular meeting date from September 4, 2017 at 6:00 p.m. to September 5, 2017 at 6:00 p.m. at the usual place, the Commissioners' Conference Room, Vance County Administration Building, Henderson, NC.

BE IT FURTHER RESOLVED that a copy of this resolution is to be posted on the Administration Building bulletin board, and the news media within Vance County is to be made aware of this change.

This, the 7th day of August, 2017.

R. Dan Brummitt, Chairman
