DEPARTMENT OF PLANNING & DEVELOPMENT

Vance County Planning Board Meeting Date 02-21-2019
Rescheduled from 02/14/19
Public Hearing – Case # RZ20190214-1, 8.196 acres, US HWY 1

Staff Project Contact: Angie Blount

EXPLANATION OF THE REQUEST

Planning Board recommendation to rezone one, 8.196 acre tract of land located between US Hwy 1 and Edwards Rd. The property is currently zoned R30 (Residential Low Density) and the proposed zoning is GC1 (General Commercial 1).

OWNER/APPLICANT

The owner of the property is Jean Harris, 211 Par Dr., Henderson, NC 27536, the applicant is Jonathon Edwards, 241 Pinnacle Place, Henderson, NC 27536.

PROPERTY INFORMATION

LOCATION: Between US 1 HWY and Edwards Rd, Pin # 0456 06008

EXISTING LAND USE: Residential, Zoned R30 (Residential Low Density)

SURROUNDING LAND USE: The surrounding tracts are residentially zoned, AR or R30. This property has road frontage on both Edwards Rd. and US 1 Hwy.

ZONING HISTORY: All parcels in this area are zoned as they were since countywide zoning was established in November 2011.

STAFF COMMENTS

This is a large parcel of land, combined with the more restrictive setbacks associated with a GC1 zoning, and access being made from US 1 HWY, plus buffering requirements would further protect surrounding residential areas. These things combined should lessen the impact a potential commercial business might have on residential neighbors.

PLANNING BOARD RECOMMENDATION

The planning board should consider the following factors in deciding this case:

- A. The proposal will place all property similarly situated in the area in the same category, or in appropriate complementary categories.
- B. There is convincing demonstration that all uses permitted under the proposed zone classification would be in the general public interest and not merely in the interest of an individual or small group.
- C. There is convincing demonstration that all uses permitted under the proposed zone classification would be appropriate in the area included in the proposed change. (When a new zone designation is assigned, any use permitted in the zone is allowable, so long as it meets zone requirements, and not merely uses which applicants state that they intend to make of the property involved.)
- D. There is convincing demonstration that the character of the neighborhood will not be materially or adversely affected by any use permitted in the proposed change.
- E. The proposed change is in accord with the County Land Use Plan and sound planning principles.

The planning board unanimously recommended the rezoning at their February 21, 2019 meeting.

BOARD OF COMMISSIONERS

Whenever the Board of Commissioners makes a decision to adopt or to reject a zoning amendment, the board must approve a written statement describing whether the action is consistent with an adopted comprehensive plan. The statement must also address why the board considers the action taken to be reasonable and in the public interest. The board is not required to follow its adopted plans in zoning decisions, but must consider its reasons for deciding to follow the plan or not.

Draft Motion and Rationale for Board of Commissioners Approval: Motion to approve the rezoning request on the basis that it is consistent with the county's land use plan by promoting economic development and growth while preserving the character and community values of the rural area.

Draft Motion and Rationale for Board of Commissioners Disapproval: Motion to deny the rezoning request on the basis that the uses allowed within the proposed zoning category can create negative visual impacts on the surrounding residential areas and the rezoning would not be in the general public interest.

3. What factors justify the proposed amendment?

I propose the request to rezone the property in question for the purpose of building a new facility for my current HVAC business. Ranes Heating & Air Conditioning has been a staple in the community since 1976 and hopes to continue this pattern if the property is available for our expansion. We have seen exponential growth over the last few years and will be needing a new facility very soon. This property is a viable candidate for relocation if rezoned. In moving to this property, we will be visible to more potential clients in the Vance County and surrounding markets. This move also increases tax revenue for the dormant property and even increases surrounding property values. As a HVAC business our level of work will still allow the neighboring property owners to enjoy a quiet atmosphere under all conditions. Our impact to the traffic will be minimal as the nature of our business is conducted at our customers residence.

REZONING CASE RZ03212019-1

May 6, 2019

EXPLANATION OF THE REQUEST

This is a request to rezone one 2.5 acre parcel at the corner of Bullocksville Park Rd. and Jacksontown Rd. from R30 (Residential Low Density) to HC (Highway Commercial).

OWNER/APPLICANT

OWNER: Stephen Jarvis White
208 Brehon St.
Warrenton, NC 27589

Applicant: Par 5 Development, LLC
2075 Juniper Lake Rd
West End, NC 27376

PROPERTY INFORMATION

LOCATION: Southwest intersection of Bullocksville Rd. and Jacksontown Rd, near Kerr Lake, and near the Warren County line. The property is further identified as tax parcel number 0587 03004.

EXISTING LAND USE: The parcel is currently zoned R30 (low density residential) Property is a vacant parcel of land.

SIZE: The tract consists of 2.5 acres. The tract has approximately 396 ft. of road frontage along Bullocksville Rd and 225 ft. along Jacksontown Rd.

SURROUNDING LAND USE: The immediate area consists of AR and R30 zoned property. The area is rural and consists of single family homes and farm land. Directly across Bullocksville Park Rd from this location is a one acre parcel zoned GC1, current use is as a Convenience Store.

ZONING HISTORY: All parcels in this area are zoned as they were since countywide zoning was established in November 2011.

IMPACTS

Rezoning the property to HC would allow a wide range of commercial uses that would serve the residents of the rural community and could include restaurants, gas stations, auto repair, general store and general retail. The HC zoning district was established primarily for properties at intersections and interchanges as there is little pedestrian traffic.

STAFF COMMENTS

The lot, located along an established highway corridor intersection, currently meets or exceeds the road frontage requirements for HC along both roadways. The Highway Commercial zoning designation would allow retail establishments at this intersection that would benefit the citizens of this rural area.

Staff believes it is reasonable for the property to be rezoned from R30 to HC to meet the neighborhood needs.

Attachments: Rezoning Application (A), Deed, Property Description (B), Plat (C)

PLANNING BOARD RECOMMENDATION:

The planning board recommended the rezoning of this property by unanimous vote at their regularly scheduled meeting on March 21st, 2019.

BOARD OF COMMISSIONERS

Whenever the Board of Commissioners makes a decision to adopt or to reject a zoning amendment, the board must approve a written statement describing whether the action is consistent with an adopted comprehensive plan. The statement must also address why the board considers the action taken to be reasonable and in the public interest. The board is not required to follow its adopted plans in zoning decisions, but must consider its reasons for deciding to follow the plan or not.

Draft Motion and Rationale for Board of Commissioners Approval: Motion to approve the rezoning request as reasonable and consistent with the county's land use plan on the basis that it would allow for commercial development within a designated development or rural crossroads community.

Draft Motion and Rationale for Board of Commissioners Disapproval: Motion to deny the rezoning request on the basis that the character of the neighborhood will be materially and adversely affected by uses allowed in the proposed zoning category.

Statement of Justification

1. Would the amendment correct an error in the zoning map? NO YES: *Please explain below:*

2. Have conditions changed in the area to justify the requested amendment? NO YES: *Please explain below:*

The property is currently zoned residential. A potential buyer is interested in constructing a retail store at this location. A commercial use is not allowed in a residential zoning. Property must be rezoned for proposed use.

3. What factors justify the proposed amendment?

The property is located at an intersection as well as across the road from a commercially zoned property.

Planning Board Meeting 03/21/2019

PLANNING STAFF REPORT
REZONING CASE #RZ03212019-2
STAFF PROJECT CONTACT: Angie Blount

EXPLANATION OF THE REQUEST

This is a request to rezone a proposed 21.61 acre tract currently zoned R30 (Residential Low Density) to AR (Agricultural Residential).

OWNER/APPLICANT

OWNER: Second District Religious Educational
and Charitable Development Projects, Inc.
120 East Parrish Rd.
Durham, NC 27705
C/O Loxley O'Connor

Applicant: Same

PROPERTY INFORMATION

LOCATION: 21.61 acres of an 80+ acre tract located on Kittrell College Rd., Parcel ID# 0468 01016

EXISTING LAND USE: The parcel is currently zoned R30 (low density residential) Property is vacant.

SIZE: The total tract of land is 80.21 deeded acres of which 21.61 acres is proposed for this rezoning. The proposed tract has approximately 700' lot width on Kittrell College Rd.

SURROUNDING LAND USE: The immediate area consists of residentially zoned property, AR, R30 and R20. Within close proximity is a parcel zoned EIA (Employment and Institutional Area) which contains Kittrell Job Corp. This property is less than a quarter mile from the Kittrell Town limits. The area is rural and consists of single family homes and farm land.

ZONING HISTORY: All parcels in this area are zoned as they were since countywide zoning was established in November 2011.

IMPACTS

The remaining property is to remain zoned R30. The property contains a stream with a small amount of flood plain for which a 50' riparian buffer will be observed from any type of development. The applicants plan to seek a Conditional Use Permit for the operation of a solar farm.

STAFF COMMENTS

The lot currently meets or exceeds the road frontage requirement and minimum lot size for AR.

PLANNING BOARD RECOMMENDATION: The planning board approved the request to rezone a 21.61 acre tract from R30 to AR provided a survey map is prepared and submitted to the BOC at their next public hearing.

BOARD OF COMMISSIONERS

Whenever the Board of Commissioners makes a decision to adopt or to reject a zoning amendment, the board must approve a written statement describing whether the action is consistent with an adopted comprehensive plan. The statement must also address why the board considers the action taken to be reasonable and in the public interest. The board is not required to follow its adopted plans in zoning decisions, but must consider its reasons for deciding to follow the plan or not.

Draft Motion and Rationale for Board of Commissioners Approval: Motion to approve the rezoning request on the basis that it is reasonable and consistent with the land use plan by promoting, expanding and diversifying the economic base while protecting important natural resources.

Draft Motion and Rationale for Board of Commissioners Disapproval: Motion to deny the rezoning request on the basis that the uses permitted within the proposed zoning category can create negative visual impacts on the surrounding residential area and would not be in the general public interest.

Public Hearing: Proposed Text Amendment to Zoning Ordinance

Request of Board: Approve Amendment

Public Notice

The Vance County Board of Commissioners has scheduled a Public Hearing for Monday, May 6, 2019 at 6:00 p.m., or shortly thereafter, in the Vance County Administration Building, 122 Young Street, Henderson, NC to gain citizen input on a proposed text amendment to the Vance County Zoning Ordinance pertaining to placement of accessory buildings. A copy of the proposed amendment is available for viewing at the County Manager's Office, 122 Young Street, Henderson, NC. *This notice was published on April 21, 2019.*

**ORDINANCE AMENDING THE VANCE COUNTY ZONING ORDINANCE
PERTAINING TO PLACEMENT OF ACCESSORY BUILDINGS**

WHEREAS, the planning board has been asked to review the county's existing zoning regulations pertaining to placement of accessory structures; and

WHEREAS, the planning board met on March 21, 2019, held a detailed conversation on amending the ordinance, and received public comments; and

WHEREAS, the planning board recommended the county consider allowing accessory structures within front yard areas at Kerr Lake where residents commonly place their primary structure in close proximity to the U.S. Corps of Engineers controlled property; and

WHEREAS, the planning board also recommended allowing accessory structures in front yard areas throughout the county in situations where properties contain 5 or more acres; and

WHEREAS, the proposed ordinance amendment is consistent with the county's land use plan by improving the county's visual image while encouraging development of a variety of housing types.

NOW, THEREFORE, BE IT RESOLVED BY THE BOARD OF COUNTY COMMISSIONERS, that:

A. The Vance County Zoning Ordinance be amended as follows (additions shown as underlined text, deletions shown with strike through):

1) AMEND Section 4.12 as follows:

Accessory structures/buildings shall not be placed any closer to the front right of way than any portion of the dwelling. For all lots facing on more than one road, all accessory structures shall meet the front setback requirements for each road right of way. The following exceptions apply to this rule:

A. Accessory structures located on properties containing 5 or more acres may be placed closer to the front setback than the dwelling, but may not be within the front setback stated for that zoning district.

B. Accessory structures located on properties that border land owned by the U.S. Government under the control of the U.S. Army Corps of Engineers for the John H. Kerr Dam and Reservoir may be placed closer to the front setback than the dwelling, but may not be within the front setback stated for that zoning district.

A survey showing all improvements and proposed improvements shall be presumptive evidence of compliance with this section.

B. The above amendments are effective upon adoption of this ordinance.

Adopted this ____th day of _____, 2019.

Public Hearing: Proposed Amendment to Zoning Ordinance

Request of Board: Approve Amendment

Public Notice

The Vance County Board of Commissioners has scheduled a Public Hearing for Monday, May 6, 2019 at 6:00 p.m., or shortly thereafter, in the Vance County Administration Building, 122 Young Street, Henderson, NC to gain citizen input on an amendment to the Vance County Zoning Ordinance that would prohibit the use of recreational vehicles and campers for temporary or recreational occupation unless it is within an approved RV park. A copy of the proposed amendment is available for viewing at the County Manager's Office, 122 Young Street, Henderson, NC. *This notice was published on April 21, 2019.*

**ORDINANCE AMENDING THE VANCE COUNTY ZONING ORDINANCE
PROHIBITING THE USE OF RECREATIONAL VEHICLES AND CAMPERS FOR
TEMPORARY OR PERMANENT OCCUPATION.**

WHEREAS, a resident in the Pool Rock Subdivision has raised concerns regarding the use of campers being used as temporary living quarters; and

WHEREAS, the planning board was asked to review the county's existing zoning regulations pertaining to the use of recreational vehicles and campers; and

WHEREAS, the planning board met on November 8, 2018 and February 21, 2019 to discuss the matter and provide a public meeting for input; and

WHEREAS, the planning board recommended the county consider a prohibition on the use of campers for temporary or permanent occupancy or for any other purpose other than storage of the camper by the property owner; and

WHEREAS, the zoning ordinance would continue to allow campers within approved RV parks and in emergency situations or disasters when a governmental program provides temporary recreation vehicles while homes are being replaced; and

WHEREAS, the proposed ordinance amendment is consistent with the county's land use plan by minimizing detrimental effects of incompatible land uses, is reasonable, and is in the public interest.

NOW, THEREFORE, BE IT RESOLVED BY THE BOARD OF COUNTY COMMISSIONERS, that:

A. The Vance County Zoning Ordinance be amended as follows (additions shown as underlined text, deletions shown with strike through):

- 1) AMEND Section 12 by revising the following definitions:

Camper: A structure manufactured of metal, wood, canvas, plastic, or other materials, or any combination thereof, mounted on wheels, which includes a living area and is designed for travel, recreation or vacation use. A camper is not designed or intended to be used as a permanent dwelling and is synonymous with recreational vehicles. (See also recreational vehicle definition)

Recreational Vehicle: A vehicle which is: (a) built on a single chassis; (b) 400 square feet or less when measured at the largest horizontal projection; (c) designed to be self-propelled or permanently towable by a truck; and, (d) designed primarily not for use as a permanent dwelling, but as temporary living quarters for recreational, camping, travel, or seasonal use. ~~Recreational vehicles and camping trailers shall not be used as temporary living quarters for more than ninety (90) days in any twelve (12) month period except if~~

~~these are placed in an approved RV/Camper park or in the event of an emergency or disaster when a governmental grant/program provides a temporary recreational vehicle while the damaged/destroyed home is being replaced. Recreational vehicles must be ready, willing, and able to move off site within 48 hours.~~

- 2) AMEND Section 3.2 F to remove provisions that define allowable periods for temporarily occupying campers when more than one utility is present on a vacant lot:
 1. Wells and/or water supplies, septic tanks and/or temp/power poles shall not be installed for campers/recreational vehicles ~~use unless installed in accordance with other regulations herein.~~
 2. ~~If a combination of a well (other water supplies included), septic tank or temp/power pole is located on the lot, without a primary dwelling:
 - a. A camper may not be present on the lot for more than 14 consecutive calendar days; and
 - b. If a camper is present for more than 3 consecutive calendar days (or more than 4 consecutive calendar days for the Labor Day and/or Memorial Day holidays), it shall not return to the lot within 30 calendar days from the day of removal.~~

- 3) ADD Section 4.13 D
D. CAMPER, RECREATIONAL VEHICLE: Recreational vehicles and campers shall not be used as temporary living quarters except if these are placed in an approved RV/Camper park or in the event of an emergency or disaster when a governmental grant/program or equivalent provides a recreational vehicle or camper while the damaged/destroyed home is being replaced.

B. The above amendments are effective upon adoption of this ordinance.

Public Hearing: Proposed Addressing Ordinance

Request of Board: Approve Ordinance

Public Notice

The Vance County Board of Commissioners has scheduled a Public Hearing for Monday, May 6, 2019 at 6:00 p.m., or shortly thereafter, in the Vance County Administration Building, 122 Young Street, Henderson, NC to gain citizen input on a proposed Addressing Ordinance to provide formality to the current addressing process. **VANCE COUNTY, NORTH CAROLINA
PROPOSED ADDRESSING ORDINANCE
DOCUMENT HIGHLIGHTS**

VANCE COUNTY BOARD OF COMMISSIONERS

The first three Articles of the Ordinance simply spell out our procedures for assigning addresses and for the naming of roads. These are processes and practices that have used by our department for over 10 years with great success. We are simply outlining those processes in the Ordinance.

Article I – General Provisions

These sections speak to the purpose of the document, which is to protect the safety and welfare of the general public through the orderly assignment of structure addresses to facilitate the location of and access to individual dwellings and businesses by emergency response personnel. It also speaks to the governing authority and sites the General Statute behind that authority, the jurisdiction that it pertains to and how the Ordinance will be administered.

Article II – Definitions

This section simply identifies and explains certain terms that are used through the document.

Article III – Roadway Naming Procedures

These sections speak to how roads are actually named and where the names of all roads are maintained. It discusses the specifics of road name suffixes, directional names, duplicated road names and clarifies other aspects of the road naming process explaining how important it is that firm processes exist to ensure only valid, usable road names are assigned. Additionally, these sections speak to the application process for the naming of a new roadway and the specific paperwork required for a road to be named, the renaming process and the road sign installation process.

Article IV – Street Numbering and Address Assignment

These sections discuss the address numbering and renumbering process as well as the road ranges and how the addresses of structures directly correlate to their exact distance from the beginning of a given road. Additionally, these sections discuss the requirement to post addresses in order for responders to locate the property during an emergency. The ordinance also makes it a requirement that all house numbers be of a certain size and that be reflective so they can be seen by our responders at night.

Article V – Violations and Enforcement

This section speaks to compliance with the Ordinance itself and references fines that will be imposed for noncompliance.

There are essentially two considerations for this section. The first is the requirement for existing structures to post their house numbers and the second is the requirement for new construction or new occupancy.

New structures or occupancies will be denied the certificate of occupancy until their address is posted. In the case of existing structures, responders shall notify the 911 center in any situation in which they respond to a call and encounter a property with no address posted. The communications center will leave word for the Addressing Coordinator. Who will in turn notify the property owner.

Article VI - Appeals

This section gives the property owner the right to appeal any action associated with the ordinance to the Addressing Coordinator with final appeals made to the Vance County Board of Commissioners. It discusses the process of filing an appeal and establishes time frames for that process.

ARTICLE IX EFFECTIVE DATE AND ADOPTION

ARTICLE I – GENERAL PROVISIONS

SECTION 101 – Title

This ordinance shall be known as the "Addressing and Road Naming Ordinance of Vance County, North Carolina," and may be referred to as the "Addressing Ordinance".

SECTION 102 – Purpose

The purpose of the this ordinance is to protect the safety and welfare of the general public through the orderly assignment of structure addresses to facilitate the location of and access to individual dwellings and businesses by emergency response personnel.

This ordinance shall establish a uniform system of road naming and re-naming along both public and private roadways to ensure road names are not phonetically or visually similar or duplicated. It also establishes a uniform system of addressing and numbering all houses and buildings while establishing a process for changing existing addresses and roadway names to improve emergency response to all parts of the County.

SECTION 103 – Authority

This ordinance is hereby adopted under the authority and provisions of General Statutes of North Carolina GS 153A-238 and 153A-239.1(a) and GS 147-54.7, and the Police Powers of the county to protect the health, safety and welfare of its citizens.

SECTION 104 – Jurisdiction

The provisions and regulations provided by this Ordinance shall apply within the ordinance-making jurisdiction of Vance County. Enforcement of this Ordinance within a municipal jurisdiction shall require an intergovernmental agreement between said municipality and the County of Vance.

SECTION 105 – Application

It shall be unlawful for any person(s) without the written consent of Vance County to:

- A. Name or designate the name of any roadway subject to this Ordinance.
- B. Number or assign a number to any structure in violation of this Ordinance.
- C. Erect any roadway name sign, remove, deface, damage, or obscure any number or sign in the jurisdiction of this Ordinance.

SECTION 106 – Administration

The Vance County Board of Commissioners hereby assigns primary authority and responsibility for addressing of roadways as directed by the provisions of this ordinance to the Addressing Coordinator. In accordance with the general direction of the Vance County Commissioners, County Manager and County GIS Administrator, it shall be the duty of the Addressing Coordinator to prepare and maintain the address database for the entire County and to assign new addresses when a new building is built, or for any reason a number is required. It shall be the duty of the Addressing Coordinator from time to time, and upon request, to review roadway number assignments, resolve conflicts in address numbering, reassign numbers or propose any

changes which, in his/her opinion, are necessary for the public safety, welfare and mail delivery. This includes any authorized staff representative acting on the Coordinator's behalf, and hereby assigns primary responsibility for all activities necessary for the implementation, enforcement, interpretation and administration of this Ordinance to the Addressing Coordinator.

The County GIS Administrator shall maintain the database required for the implementation of the aforementioned maps. Requests or petitions for changing street names will be filed with the Addressing Coordinator who will then transmit such requests to the necessary departments for approval.

The Addressing Coordinator in addition to the other responsibilities set forth herein shall:

- A. Keep a record of the date, copy of the notation, and the address to which the new address was assigned.
- B. Ensure that all streets which require naming have street identification signs, and that all signs are uniform in construction, that all signs are placed at proper locations and properly installed, and that all signs that are either destroyed or lost are reinstalled in a timely manner.
- C. Compile a database of fiscal addresses for each property or building in conjunction with the County Tax Department.
- D. Compile the Master Street Address Guide (MSAG) as required for the E911 Database.

Article II. Definitions

For the purposes of this Ordinance, certain terms of words used herein shall be defined as follows:

Addressing Coordinator -The employee of Vance County charged with the administration of this ordinance.

Article III. Roadway Naming Procedures

SECTION 301. Names

The names of roadways currently in place and listed in the current Master Street Address Guide (MSAG) that are located within the jurisdiction of Vance County, shall be assigned/changed in accordance with this ordinance. A copy of this ordinance and a list of street names shall be forwarded to the Department of Transportation pursuant to G.S. 153A-239.1.

SECTION 302. New Names

- A. No new roadways shall be named without review of the Addressing Coordinator. In the event a roadway name is denied, a written explanation as to why the name was denied will be provided.
- B. Any new name shall not be duplicative or be phonetically similar to any other name in the Vance County MSAG, including municipalities located within Vance County.
- C. Directional names cannot be part of any name (examples - WESTOVER RD or NORTHFIELD DR are not acceptable).
- D. Abbreviations in the name cannot be used except for the following; MT for Mount, ST for Saint.
- E. Name suffixes may not be used as part of a name (examples - DEER RUN DR or EAGLE WAY CT are not acceptable)
- F. Alternate spelling and homonyms (dear and deer) are not acceptable. Additionally, all names must use the common spelling as found in a standard dictionary.
- G. Names must not contain any punctuation or symbols. Only letters of the alphabet and blank spaces may be included in names.
- H. Names that are numbers must be expressed spelled out and not numeric (for example, Second Street is acceptable, not 2nd Street). State and federal highways numbered are not to be used as names.
- I. Roadways shall be required to be named when providing vehicular access to apartment complexes, mobile home parks, or two (2) or more parcels.

- J. Street names, not including the suffix, must be limited to a maximum of fifteen (15) characters.
- K. Only one name may be assigned along a continuous roadway. Where permanent breaks exist, a new name must be assigned to each segment. A permanent break may consist of but is not limited to a river, stream where continuous access is not available between the two (2) segments without using another street.
- L. The applicant for new roadway names shall be responsible for the sign costs as established by the County Fee Schedule. These fees, once paid, are non-refundable. Roadway signs shall be required at each intersection with another named roadway and shall be placed in accordance with the latest edition of the Manual of Uniform Traffic Control Devices for Streets and Highways.

SECTION 303. Application Process for New Roadway Names

The initial naming of new roadways shall be assigned upon the recordation of an approved subdivision plat in accordance with the Vance County Subdivision Ordinance. The following items shall be included on any map submitted for subdivision approval which creates a new roadway:

- A. The name proposed for each roadway identified on the map, and
- B. Completed Vance County Application for new road name

SECTION 304. Roadway Suffixes

The following name suffixes and their official abbreviations may be used in the naming of new roadways:

- AVE = Avenue - Any thoroughfare that is continuous and not limited to a single subdivision.
- BLVD = Boulevard - Roadway with a landscaped median dividing the roadway.
- CIR = Circle.
- CT = Court - Dead-end roadway or a roadway terminating in a cul-de-sac no longer than 600 feet.
- DR = Drive - For a curving, continuous thoroughfare.
- HWY = Highway - State, Interstate, or Federal Highway.

SECTION 305. Roadway Directionals

Roadway Directionals can be used with the approval of the Addressing Coordinator based on the following standards:

- A. Directions must be placed ahead of the street name in a separate field separate from the street name (for example, E SMITH ST).
- B. Directionals cannot be used as a suffix or placed after the street name.
- C. Directionals must be used in a complimenting set. If a North directional is used there must also be a South directional. If an East directional is used their must be a West directional.
- D. The prefix "N" (for North) shall be used for the northern portion of roadways having the same name.
- E. The prefix "S" (for South) shall be used for the southern portion of roadways having the same name.
- F. The prefix "E" (for East) shall be used for the eastern portion of roadways having the same name.
- G. The prefix "W" (for West) shall be used for the western portion of roadways having the same name.

SECTION 306. Renaming Procedures and Requirements

- A. Property owners who want to have the name of a roadway changed shall submit a petition to the Addressing Coordinator. The petition shall comply with this ordinance and include the following:
 - 1. Existing roadway name.
 - 2. Proposed new name in accordance with this ordinance.
 - 3. Basis why the petitioner is requesting the change.
 - 4. List of all individuals owning property adjacent to the subject roadway or whose driveway abuts the subject roadway.
 - 5. Signatures from 75% of those individuals listed in item 4 above which must encompass 75% of the roadway frontage.

Upon receiving a completed petition, the Addressing Coordinator shall verify the information submitted in the petition and shall inform the County Manager of the pending petition and need for Board of Commissioners action pursuant to N.C.G.S. 153A 239.1 or its replacement, along with a recommendation of the petition.

- B. When renaming a roadway, the following should be taken into consideration:

1. The County may not change the name of any name given to a roadway by the Department of Transportation unless the Department of Transportation agrees to such changes.
2. Any number assigned to a roadway by Department of Transportation may not be changed, although a roadway name may be assigned in addition to its DOT Number.
3. Largest Impact - In most cases, the roadway with the larger number of homes, dwellings, or commercial structures along the roadway should have priority and retain the name in order to minimize the number of people affected.
4. Oldest Roadway - When renaming a roadway which conflicts with this Ordinance and between two roadways the impact will be equal, then the roadway that has been consistently signed for the longest period of time should retain the name.
5. Historical Significance - In some cases, the roadway with a name of historical significance should retain the disputed name.

SECTION 307. Notice of Roadway Name Assignment or Changes

Upon the assignment or re-assignment of any roadway name, the Addressing Coordinator shall give notice to all owners and occupants of the abutting property, to the local postmaster with jurisdiction over the roadway, to the Board of Transportation, and to any city within five miles of the roadway, and others as set forth in NCGS 153A-239.1(a). The Addressing Coordinator shall also provide notice to any utilities serving the area, and emergency services agencies serving Vance County.

SECTION 308. Installation of Roadway Signs

All road name sign blades shall be a minimum of six inch vertical dimension sign with a minimum of four inch letters. The “blades” shall be made of reflective green sheeting with the road name in reflective white letters on both sides. Developers of new major subdivisions as defined by the Vance County Subdivision Ordinance are permitted to propose and install a reflective blade with an alternative color as long as it contains white lettering and is approved by the Addressing Coordinator and the Vance County Planning Board.

It shall be unlawful for any person to establish or erect any road sign that does not comply with the standards set forth in this article and without receiving prior approval from the addressing coordinator. It shall be unlawful for any person to intentionally destroy, mar, or deface any county road name sign.

Article IV. Street Numbering and Address Assignment

SECTION 401.

The rules and guidelines in this section should be followed to facilitate the orderly assignment of addresses to properties. Properties and structures must be assigned addresses in a logical, easy to

understand manner in order to help citizens and emergency personnel quickly locate people, places and events.

- A. When to assign address numbers - After a new roadway is approved, it must be assigned an address range and each individual property with a building, assigned numbers in accordance with the standards defined in this Ordinance. Addresses should not be assigned to structures that are simply accessory to another building or are insubstantial in nature.
- B. Street addressing process in Vance County, NC - Address block ranges will be assigned to roadways shown on approved preliminary plans. Individual physical addresses must be assigned to structures prior to approval of zoning permits as required by the Vance County Zoning Ordinance.

SECTION 402. Guidelines for Numbering and Renumbering Street Addresses

A. Assignment of Addresses for New Development

- 1. Address Ranges - All primary structures shall be assigned an address number that reflects the established addressing formula. No address range in Vance County shall conflict with another address range in a contiguous locality. For those rare duplicate street names in the county, the address range will be different for each street. The range will be assigned consecutively for all duplicate street names; however, the numbering of the second street will have a break of a minimum of one thousand (1,000) addresses.
- 2. Addressing Interval – Primary structure addresses shall be assigned consecutively so that a new address is created ideally every 5.28 linear feet. Addresses will be assigned at the point of access (driveway) or to a structure point along the front of the structure. If the driveway enters from the side or rear of the property, the structure shall be addressed on the roadway that the structure fronts/faces at the approximate middle of the structure.
- 3. Even and odd numbering. Odd numbered addresses shall be assigned to the left in the direction of increase and even numbered addresses shall be assigned to the right in the direction of the increase.
- 4. Each unit within a multiple housing unit and mobile homes within Mobile Home Parks shall be assigned a primary 911 address. Addresses shall be assigned from internal drives, using even and odd addressing. A Mobile Home Park owner may assign lot numbers, but the lot number shall not be used in the address of the lot.
- 5. Addresses in Sequential Order. All addresses need to be in sequential numeric order, always increasing from the point of origin, and should numerically balance on both sides of the roadway.
- 6. Addresses will be established as whole numbers and will not have fractions or decimals of a number.

7. Vacant properties shall, upon request, be assigned addresses during pre-development for location purposes only, but once zoning approval pursuant to the Vance County Zoning Ordinance occurs it may have to be readdressed based on the final layout or plan.

B. Renumbering/Readdressing a Roadway:

1. It shall be the duty of the Addressing Coordinator from time to time, and upon request, to review address numbers, identify conflicts in number assignment and make changes which, in their opinion, are necessary or as follows:
 - a. Due to conflicts with other addresses, or
 - b. Change in character or density of occupancy of any block, or
 - c. Lack of availability of additional numbers when the need arises, or
 - d. Addresses are determined to be out of sequence creating a potential public safety concern, or
 - e. In conjunction with the changing of a roadway name.
2. Upon the request of the Planning Director the Addressing Coordinator shall review the section of roadway or roadways requested by the Planning Director.
3. While undertaking any reviews, the Addressing Coordinator will take into consideration the Public's Health, Safety and General Welfare. In the event an existing address has jeopardized the public's health, safety, or general welfare by impeding timely emergency response, or in the event an existing roadway name reasonably could be perceived to jeopardize the public's health, safety, or general welfare by impeding timely emergency response, the Addressing Coordinator may make changes.
4. When renumbering/reassigning addresses along a roadway it shall be done in accordance with Section 402 A of this Ordinance.
5. The Addressing Coordinator shall provide notice to all affected property owners by certified mail, return receipt requested, to the current mailing address as listed with the Vance County Tax Office for the affected parcels of property. Each notice shall include:
 - a. The prior and new address assigned to the property.
 - b. Notice of right to appeal and appeal process.

SECTION 403. Posting of Street Address Numbers

The owner, occupant or agent of the primary structure shall place or cause to be placed and maintained upon each primary structure the numbers assigned under the addressing system as provided in this article. The following criteria must be used to properly display the number:

- A. The address numbers shall be placed on the primary structure within 30 days from the date of notification by the Addressing Coordinator after approval of such assignment as required by this Ordinance.

- B. The numbers shall be conspicuously placed immediately above, on, or at the side of the proper door of each primary structure addressed so that the number can be seen plainly from the roadway on which the address is based and shall be a minimum of four (4) inches in height. Whenever any primary structure is more than one hundred twenty (120) feet from the roadway which the address is based upon, and the number is not clearly discernible from the roadway right of way, or vision of the primary structure from the roadways is otherwise obscured, the number assigned shall be placed on a sign (minimum of six inches (6) x eighteen inches (18) attached near the walk, driveway or common entrance to such primary structure. It shall be affixed upon a gatepost, fence, post or other appropriate place so as to be easily discernible, and to clearly identify the entrance to a property. Alternatively, numbers can be posted on an individual US mailbox or US mailbox stand/post for the building if:
1. The US mailbox is distant and separate from any other US mailbox so as to eliminate confusion as to specific ownership, and;
 2. The US mailbox is located along the roadway on which the address is based, and is adjacent to the driveway or access to the primary structure, and;
 3. The address numbers are affixed to the US mailbox or US mailbox post/stand in such a manner as to be visible and readable from any and/or all directions from the roadway which it fronts, and;
 4. The address numbers on the US mailbox or US mailbox post/stand are no less than three (3) inches in height.

Numbers painted or stenciled on the curb shall not be a lawful substitute for the display of address numbers prescribed by this section.

- C. Numbers for multiple dwelling units and nonresidential buildings shall be at least six (6) inches in height and shall be placed on the primary structure so as to be easily and readily seen facing the roadway nearest the street in which the building is accessed.
- D. All numbers must be made of a durable, clearly visible material and must contrast with the color of the house, building, or other structure. Numbers must also be reflective for night time identification.
- E. Address numbers should be plain block numeric numbers and not in alpha print or any type of script writing.
- F. The Addressing Coordinator shall be authorized to approve alternate methods of displaying the address numbers on primary structures that meet the intent of this Ordinance.

SECTION 404. Notice of Final Address Change

After all rights to appeal a notice of address change pursuant to this ordinance have expired or been heard, the Addressing Coordinator shall give notice to the owners and occupants of all

affected addresses, the local Postal Service, to any major utilities serving the addressed area, to any emergency services agencies such as police, sheriff, fire departments and ambulance service with jurisdiction over the addressed area.

Article V. Violations and Enforcement

- A. Owners of real property upon which primary structures are already constructed will be required to comply with this ordinance. Those person(s) who do not comply with this ordinance will be notified and requested, by the Addressing Coordinator, to meet the requirements within 30 days from the date of notification. If the owner does not comply voluntarily with this Ordinance within 30 days of receiving delivery of the notice by registered or certified mail or by hand delivery, enforcement action pursuant to G.S. 153A-123 may be initiated. A fine of twenty-five dollars (\$25.00) shall be imposed on the property owner for each day that the address is not posted.
- B. No building permit shall be issued unless an official address number has been assigned for a lot.
- C. The certificate of occupancy for any structure erected, repaired or modified after the effective date of this Ordinance shall be withheld by the Planning and Development Department until the address is posted on the structure as outlined in this Ordinance.
- D. Any violation of the provisions of this Ordinance not specifically addressed in Article V. A., shall be guilty of a misdemeanor and shall be subject to a fine of not more than fifty dollars (\$50) or imprisonment of not more than thirty (30) days, as provided by North Carolina General Statutes 14-4C. Violations of this Ordinance may also be subject to further civil remedies as set forth in North Carolina General Statute 153A-123.

Article VI. Appeals

Appeals of proposed street renaming/renumbering, individual addressing number changes or denial of a street name request must be filed with the Address Coordinator, in writing, within thirty (30) days of written notification of required owner action. In the event of a denial by the Address Coordinator(s), individuals affected by proposed changes or denials may file appeal to the Vance County Board of Commissioners. This final appeal must be filed in writing within 30 days of the denial with the Address Coordinator(s) and will be placed on the next available Board of County Commissioner meeting agenda.

Article VII. Amendments

The provisions of this ordinance may from time to time be amended, supplemented, changed, modified, or repealed by the Board of Commissioners. The Vance County Board of Commissioners may also authorize a variance from these regulations when in its opinion the interests of the public would best be served by such variance.

Article VIII. Closing Provisions

Section 801. Severability

Should any section or provision of this Ordinance be declared by the courts to be unconstitutional or invalid, such decisions shall not affect the validity of the Ordinance as a whole, or any part thereof other than the part so declared to be unconstitutional or invalid.

Section 802. Conflict with Other Laws

Insofar as the provisions of this Ordinance are inconsistent with the provisions or any other law except a provision of state or federal law, the provisions of this Ordinance shall control.

Article IX. Effective Date and Adoption

This ordinance shall take effect and be in force from and after its adoption.

Duly adopted by the Board of County Commissioners, Vance County, North Carolina, this the 6th day of May, 2019.

Archie B. Taylor, Jr., Chairman
Vance County Board of Commissioners

OWNER/BUSINESS NAME: Sherie D. Ayscue and William H. Williams Jr.

PARCEL(s): 0540 01006

DATE OF APPEAL: 03/01/2019

OPENING STATEMENT:

Appellant statement of reason (s) for the appeal:

Appellant is appealing the untimely Continuous Present Use Forestry application for 2019 real property. The taxpayers did not know the process or time constraints to submit an application. The notices regarding the Present-Use were sent to the incorrect address. Once they were made aware of the process to continue in Present-Use, they quickly got the paperwork into the tax office. They also wanted it to be noted that the property has been in the Present-Use Value Program since January 16, 1992. They thank you for your consideration in advance.

STAFF REVIEW:

Appellant failed to apply for the exemption by January 31, 2019. Therefore the assessor must deny their 2019 untimely application submitted March 1, 2019.

ASSESSOR'S RECOMMENDATION:

If application would have been turned in by January 31st, it would have met the qualifications and would have been approved.

DATE OF APPEAL: 05/01/19

OPENING STATEMENT:

Appellant statement of reason (s) for the appeal:

Appellant is appealing the untimely exemption application for 2019 real property. Please accept their apology for the delay. They originally submitted the Property Tax Exemption form on 10/26/16 but was denied because the construction had not begun on the property. They were instructed to re-submit the request once construction had begun. The actual date construction began was in September 2018.

STAFF REVIEW:

The Salvation Army failed to apply for the exemption by January 31, 2019. Therefore the assessor must deny their 2019 untimely application submitted May 1, 2019.

ASSESSOR'S RECOMMENDATION:

If application would have been submitted timely it would have met the requirements and been approved.

2019 Late List Penalties

OWNER/BUSINESS NAME: Cole T. Faulkner and Rosa H. Faulkner

Parcel/Property Description: 0542 02020 406 Faulkner Town Rd

DATE OF APPEAL: 04/30/2019

PENALTY APPEALED: 2018 20% 396.46, 2017 30% 582.21 and 40% 776.28

OPENING STATEMENT:

Appellant statement of reason (s) for the appeal:

Appellant is appealing the late listing penalties on the discovery of his improvement.

He is also requesting that the Board waive the retroactive taxes.

STAFF REVIEW:

On 3/14/19 our appraiser discovered that an improvement had not been taxed on the above parcel. The appraiser discovered that the certificate of occupancy was issued on 2/10/2015. For this reason the discovered improvement had to be taxed for 2016, 2017 and 2018 including penalties.

ASSESSOR'S RECOMMENDATION:

Assessor recommends that the penalties of 20, 30 and 40% stands according to NCGS 105-312(h) which states that "having computed each year's taxes separately as provided in subsection (g), there shall be added a penalty of 10% of the same amount for each subsequent listing period that elapsed before the property was discovered or not timely listed.

Assessor also recommends that the taxes stand according to NCGS 105-312(g) which states that "when property is discovered, it shall be taxed for the year in which discovered and for any of the preceding five years during which it escaped taxation...."

Re: Vance County Water District, Phase 3
Contractor: HG Reynolds Company, Inc.
Description of Change Order #1

Dear Mr. McMillen,

This letter is to provide you and the Vance County Water District Board with a description of the proposed Change Order #1 related to the Vance County Water District – Phase 3 project which is under construction. To date, approximately 50% of the total length of water main associated with the project has been installed.

The subject change order covers several items which related to the subject construction contract. Below is an item-by-item discussion on each of the items to be included in this change order:

1. Item #1 - Modifies the contract quantities and scope to install 8" water main and associated appurtenances along Rock Mill Rd (from Sta 0+00 to 20+00) instead of 12" water main as originally planned. The change results after discovering the connecting water main on Rock Mill Rd was installed as an 8" line which was install as part of a previous project. Enclosed with the change order items is a detailed tabulation showing changes in contract amounts which result in a total deduct of \$19,282.70.
2. Item #2 - Cost covers the installation of an additional 350 feet of 8" water main along NC 39 Hwy just south of Foster Rd intersection. The additional water main is necessary to serve additional residents interested in connecting to the water system. This item also includes additional time for construction of the added scope. Enclosed with the change

order items is a detailed tabulation showing the additional quantities and total cost. This item results in an adder of \$15,592.00 and 10 addition calendar days.

3. Item # 3 - Time Only Extension - Covers additional contract time requested by Contractor due to the impact of abnormal weather conditions experience from Notice to Proceed date of 11/26/18 through 3/31/19. Enclosed with the change order is the supporting documentation showing the specific impacts to the contract time. This item results in a request for an additional 22 days calendar days.

Our team has reviewed the above items and feel the request is acceptable and in line with contract requirements. **The total change order amount is a deduct of -\$3,690.70 with an additional 32 calendar days of contract time.**

*Finance Director's
Report*

Vance County
Finance Director's Report to the Board
May 6, 2019

A. Surplus Property. The board previously approved donating a used police vehicle to VGCC. The vehicle has been identified and preparations are being made to turn it over to the VGCC campus police. The other vehicles presented as surplus will be sold through an online auction site. The County has received an offer to purchase the Xerox 3001 Engineering Copier in the Register of Deeds office that has not been used in several years. ***Recommendation:** Approve the property presented as surplus and authorize the Finance Director to dispose of said property accordingly as allowed by state statute. Also, approve resolution and authorize the Finance Director to execute a negotiated sale of the Xerox 3001 Engineering Copier.*

B. Audit Contract for FY 2018-19. Thompson, Price, Scott, Adams & Co. has presented a contract to continue as the auditors for the county for the fiscal year ending June 30, 2019. The fee for the audit will be \$47,000 which is the same fee as the prior year. Additionally, the Office of the State Auditor now requires a separate engagement for testing of Medicaid and other DSS programs for all counties. This testing goes beyond the scope of a typical audit. There is a separate engagement letter and an additional fee for that work which will be provided at a later date. ***Recommendation:** Approve the contract with Thompson, Price, Scott, Adams, & Co. to perform the annual financial audit for the fiscal year ending June 30, 2019.*

C. Capital Improvement Plan 2020-2024. The Capital Improvement Plan (CIP) is a five year planning tool used to identify capital projects and coordinate the financing and timing of those projects. The CIP has gone through its annual review and update process. A draft of the CIP was presented to the Board during the annual planning retreat for review and comments. The draft you received at that time has undergone minor changes including moving back the installation of a fire alarm system in the Administration Building basement one year to FY 2020-21, moving the replacement of voting machines for Elections back one year to FY 2020-21, the replacement of VIPER radios for all public safety departments will now occur over a three year period instead of a two year period, and VIPER console radio replacements at 911 were moved back one year and the purchase will now be split half between FY 2020-21 and FY 2021-22. The first year of the CIP (FY 19-20) mirrors the manager's recommended budget. ***Recommendation:** Adopt the Capital Improvement Plan for fiscal years 2020-2024 as presented.*

**Resolution Approving Sale of Personal Property
Pursuant to G.S. 160A-267**

WHEREAS, Vance County owns a certain item of personal property described as a Xerox 3001 Engineering Copier, that has now become surplus for its current needs; and,

WHEREAS, North Carolina General Statute § 160A-266 permits the county to sell such property by private sale, upon authorization by the Board of Commissioners at a regular meeting and notice to the public; and,

WHEREAS, the Vance County Board of Commissioners desires to authorize the Finance Director to conduct a private sale by means of negotiated sale or any other manner in which the process is designed to obtain the fair market value to the County for the personal property and to convey the same after compliance with this resolution.

NOW THEREFORE, the Vance County Board of Commissioners resolves as follows:

1. The Board of Commissioners authorizes the County Finance Officer to sell by private sale the following items of surplus personal property:

Xerox 3001 Engineering Copier

2. The Finance Officer shall be authorized to convey the described equipment for a negotiated price after a sales process which is designed to obtain the fair market value of the equipment.
3. The clerk to the Board of Commissioners shall publish a notice summarizing this resolution, and no sale may be executed pursuant to this resolution until at least 10 days after the day the notice is published.

Adopted May 6, 2019.

To Management and Those Charged With Governance:

We are pleased to confirm our understanding of the services we are to provide the Vance County for the year ended June 30, 2019. We will audit the financial statements of the governmental activities, business-type activities, the aggregate discretely presented component units, each major fund, and the aggregate remaining fund information, including the related notes to the financial statements, which collectively comprise the basic financial statements, of the Vance County as of and for the year ended June 30, 2019. Accounting standards generally accepted in the United States provide for certain required supplementary information (RSI), such as management's discussion and analysis (MD&A), to supplement the Vance County's basic financial statements. Such information, although not a part of the basic financial statements, is required by the Governmental Accounting Standards board who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. As part of our engagement, we will apply certain limited procedures to the Vance County's RSI in accordance with auditing standards generally accepted in the United States of America. These limited procedures will consist of inquiries of management regarding the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We will not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance. The following RSI is required by generally accepted accounting principles and will be subjected to certain limited procedures, but will not be audited:

1. Management's discussion and analysis.
2. Law Enforcement Officers' Special Separation Allowance Schedule of Total Pension Liability (Asset) and Schedule of Total Pension Liability (Asset) as a Percentage of Covered-Employee Payroll
3. Other Postemployment Benefits Schedules
4. Schedule of the Proportionate Share of the Net Pension Liability (Asset) and Schedule of County Contributions - LGERS
5. Schedule of the Proportionate Share of the Net Pension Liability (Asset) and Schedule of County Contributions - ROD

We have also been engaged to report on supplementary information other than RSI that accompanies the Vance County's financial statements. We will subject the following supplementary information to the auditing procedures applied in our audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America and will provide an opinion on it in relation to the financial statements as a whole:

1. Schedule of Expenditures of Federal and State Awards.
2. Combining Statements, Individual Fund Statements, and Supporting Schedules

Our responsibility for other information included in documents containing the entity's audited financial statements and auditors' report does not extend beyond the financial information identified in the report. We have no responsibility for determining whether such other information contained in these documents is properly stated.

Audit Objectives

The objective of our audit is the expression of opinions as to whether your financial statements are fairly presented, in all material respects, in conformity with U.S. generally accepted accounting principles and to report on the fairness of the supplementary information referred to in the second paragraph when considered in relation to the financial statements as a whole. The objective also includes reporting on-

- Internal control related to the financial statements and compliance with the provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a material effect on the financial statements in accordance with *Government Auditing Standards*.
- Internal control over compliance related to major programs and an opinion (or disclaimer of opinion) on compliance with federal statutes, regulations, and the terms and conditions of federal awards that could have a direct and material effect on each major program in accordance with the Single Audit Act Amendments of 1996 and Title 2 U.S. Code of Federal Regulations (CFR) Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance).

The *Government Auditing Standards* report on internal control over financial reporting and on compliance and other matters will include a paragraph that states (1) that the purpose of the report is solely to describe the scope of testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance, and (2) that the report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. The Uniform Guidance report on internal control over compliance will include a paragraph that states that the purpose of the report on internal control over compliance is solely to describe the scope of testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Both reports will state that the report is not suitable for any other purpose.

Our audit will be conducted in accordance with auditing standards generally accepted in the United States of America; the standards for financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; the Single Audit Act Amendments of 1996; and the provisions of the Uniform Guidance, and will include tests of accounting records, a determination of major program(s) in accordance with the Uniform Guidance, and other procedures we consider necessary to enable us to express such opinions. We will issue written reports upon completion of our Single Audit. Our reports will be addressed to the Board of Commissioners and management of Vance County. We cannot provide assurance that unmodified opinions will be expressed. Circumstances may arise in which it is necessary for us to modify our opinions or add emphasis-of-matter or other-matter paragraphs. If our opinions on the financial statements or the Single Audit compliance opinions are other than unmodified, we will discuss the reasons with you in advance. If circumstances occur related to the condition of your records, the availability of sufficient appropriate audit evidence, or the existence of a significant risk of material misstatement of the financial statements caused by error, fraudulent financial reporting, or misappropriation of assets, which in our professional judgment prevent us from completing the audit or forming an opinion on the financial statements, we retain the right to take any course of action permitted by professional standards, including declining to express an opinion or issue a report, or withdrawing from the engagement.

Audit Procedures-General

An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements; therefore, our audit will involve judgment about the number of transactions to be examined and the areas to be tested. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements. We will plan and perform the audit to obtain reasonable rather than absolute assurance about whether the financial statements are free of material misstatement, whether from (1) errors, (2) fraudulent financial reporting, (3) misappropriation of assets, or (4) violations of laws or governmental regulations that are attributable to the entity or to acts by management or employees acting on behalf of the entity. Because the determination of abuse is subjective, *Government Auditing Standards* do not expect auditors to provide reasonable assurance of detecting abuse.

Because of the inherent limitations of an audit, combined with the inherent limitations of internal control, and because we will not perform a detailed examination of all transactions, there is a risk that material misstatements or noncompliance may exist and not be detected by us, even though the audit is properly planned and performed in accordance with U.S. generally accepted auditing standards and *Government Auditing Standards*. In addition, an audit is not designed to detect immaterial misstatements or violations of laws or governmental regulations that do not have a direct and material effect on the financial statements or major programs. However, we will inform the appropriate level of management of any material errors, any fraudulent financial reporting, or misappropriation of assets that come to our attention. We will also inform the appropriate level of management of any violations of laws or governmental regulations that come to our attention, unless clearly inconsequential, and of any material abuse that comes to our attention. We will include such matters in the reports required for a Single Audit. Our responsibility as auditors is limited to the period covered by our audit and does not extend to any later periods for which we are not engaged as auditors.

Our procedures will include tests of documentary evidence supporting the transactions recorded in the accounts, and may include tests of the physical existence of inventories (if material), and direct confirmation of receivables and certain other assets and liabilities by correspondence with selected individuals, funding sources, creditors, and financial institutions. We will request written representations from your attorneys as part of the engagement, and they may bill you for responding to this inquiry. At the conclusion of our audit, we will also require certain written representations from you about your responsibilities for the financial statements; schedule of expenditures of federal awards; federal award programs; compliance with laws, regulations, contracts, and grant agreements; and other responsibilities required by generally accepted auditing standards.

Audit Procedures-Internal Controls

Our audit will include obtaining an understanding of the entity and its environment, including internal control, sufficient to assess the risks of material misstatement of the financial statements and to design the nature, timing, and extent of further audit procedures. Test of controls may be performed to test the effectiveness of certain controls that we consider relevant to preventing and detecting errors and fraud that are material to the financial statements and to preventing and detecting misstatements resulting from illegal acts and other noncompliance matters that have a direct and material effect on the financial statements. Our tests, if performed, will be less in scope than would be necessary to render an opinion on internal control and, accordingly, no opinion will be expressed in our report on internal control issued pursuant to *Government Auditing Standards*.

As required by the Uniform Guidance, we will perform tests of controls over compliance to evaluate the effectiveness of the design and operation of controls that we consider relevant to preventing or detecting material noncompliance with compliance requirements applicable to each major federal award program. However, our tests will be less in scope than would be necessary to render an opinion on those controls and, accordingly, no opinion will be expressed in our report on internal control issued pursuant to the Uniform Guidance.

An audit is not designed to provide assurance on internal control or to identify significant deficiencies or material weaknesses. Accordingly, we will express no such opinion. However, during the audit, we will communicate to management and those charged with governance internal control related matters that are required to be communicated under AICPA professional standards, *Government Auditing Standards*, and the Uniform Guidance.

Audit Procedures-Compliance

As part of obtaining reasonable assurance about whether the financial statements are free of material misstatement, we will perform tests of the Vance County's compliance with provisions of applicable laws, regulations, contracts, and agreements, including grant agreements. However, the objective of those procedures will not be to provide an opinion on overall compliance and we will not express such an opinion in our report on compliance issued pursuant to *Government Auditing Standards*.

The Uniform Guidance requires that we also plan and perform the audit to obtain reasonable assurance about whether the auditee has complied with federal statutes, regulations, and the terms and conditions of federal awards applicable to major programs. Our procedures will consist of tests of transactions and other applicable procedures described in the *OMB Compliance Supplement* for the types of compliance requirements that could have a direct and material effect on each of Vance County's major programs. The purpose of these procedures will be to express an opinion on Vance County's compliance with requirements applicable to each of its major programs in our report on compliance issued pursuant to the Uniform Guidance.

Other Services

We will also assist in preparing the financial statements, schedule of expenditures of federal and State awards, and related notes of Vance County in conformity with U.S. generally accepted accounting principles and the Uniform Guidance based on information provided by you. These nonaudit services do not constitute an audit under *Government Auditing Standards* and such services will not be conducted in accordance with *Government Auditing Standards*. We will perform the services in accordance with applicable professional standards. The other services are limited to the financial statements, schedule of expenditures of federal awards, and related notes services previously defined. We, in our sole professional judgment, reserve the right to refuse to perform any procedure or take any action that could be construed as assuming management responsibilities.

Management Responsibilities

Management is responsible for (1) designing, implementing, and maintaining effective internal controls relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error, including internal controls over federal and State awards, and for evaluating and monitoring ongoing activities, to help ensure that appropriate goals and objectives are met; (2) following laws and regulations; (3) ensuring that there is reasonable assurance that government programs are administered in compliance with compliance requirements; and (4) ensuring that management and financial information is reliable and properly reported. Management is also responsible for implementing systems designed to achieve compliance with applicable laws, regulations, contracts, and grant agreements. You are also responsible for the selection and application of accounting principles; for the preparation and fair presentation of the financial statements, schedule of expenditures of federal and State awards, and all accompanying information in conformity with U.S. generally accepted accounting principles; and for compliance with applicable laws and regulations (including federal statutes) and the provisions of contracts and grant agreements (including award agreements). Your responsibilities also include identifying significant contractor relationships in which the contractor has responsibility for program compliance and for the accuracy and completeness of that information.

Management is also responsible for making all financial records and related information available to us and for the accuracy and completeness of that information. You are also responsible for providing us with (1) access to all information of which you are aware that is relevant to the preparation and fair presentation of the financial statements, (2) access to personnel, accounts, books, records, supporting documentation, and other information as needed to perform an audit under the Uniform Guidance, (3) additional information that we may request for the purpose of the audit, and (4) unrestricted access to persons within the government from whom we determine it necessary to obtain audit evidence.

Your responsibilities include adjusting the financial statements to correct material misstatements and confirming to us in the management representation letter that the effects of any uncorrected misstatements aggregated by us during the current engagement and pertaining to the latest period presented are immaterial, both individually and in the aggregate, to the financial statements taken as a whole.

You are responsible for the design and implementation of programs and controls to prevent and detect fraud, and for informing us about all known or suspected fraud or illegal acts affecting the government involving (1) management, (2) employees who have significant roles in internal control, and (3) others where the fraud or illegal acts could have a material effect on the financial statements. You responsibilities include informing us of your knowledge of any allegations of fraud or suspected fraud affecting the government received in communications from employees, former employees, grantors, regulators, or others. In addition, you are responsible for identifying and ensuring that the entity complies with applicable laws, regulations, contracts, agreements, and grants. Management is also responsible for taking timely and appropriate steps to remedy fraud and noncompliance with provisions of laws, regulations, contracts, and grant agreements, or abuse that we report. Additionally, as required by the Uniform Guidance, it is management's responsibility to evaluate and monitor noncompliance with federal statutes, regulations, and the terms and conditions of federal awards; take prompt action when instances of noncompliance are identified including noncompliance identified in audit findings; promptly follow up and take corrective action on reported audit findings; and prepare a summary schedule of prior audit findings and a separate corrective action plan. The summary schedule of prior audit findings should be available for our review by May 15, 2019.

You are responsible for identifying all federal and State awards received and understanding and complying with the compliance requirements and for the preparation of the schedule of expenditures of federal awards (including notes and noncash assistance received) in conformity with the Uniform Guidance. You agree to include our report on the schedule of expenditures of federal and State awards in any document that contains and indicates that we have

reported on the schedule of expenditures of federal and State awards. You also agree to make the audited financial statements readily available to intended users of schedules of expenditures of federal and State awards no later than the date the schedule of expenditures of federal awards is issued with our report thereon. Your responsibilities include acknowledging to us in the written representation letter that (1) you are responsible for presentation of the schedule of expenditures of federal and State awards in accordance with the Uniform Guidance; (2) you believe the schedule of expenditures of federal and State awards, including its form and content, is stated fairly in accordance with the Uniform Guidance; (3) the methods of measurement or presentation have not changed from those used in the prior period (or, if they have changed, the reasons for such changes); and (4) you have disclosed to us any significant assumptions or interpretations underlying the measurement or presentation of the schedule of expenditures of federal and State awards.

You are also responsible for the preparation of the other supplementary information, which we have been engaged to report on, in conformity with U.S. generally accepted accounting principles. You agree to include our report on the supplementary information in any document that contains and indicates that we have reported on the supplementary information. You also agree to make the audited financial statements readily available to users of the supplementary information no later than the date the supplementary information is issued with our report thereon. Your responsibilities include acknowledging to us in the written representation letter that (1) you are responsible for presentation of the supplementary information in accordance with GAAP; (2) you believe the supplementary information, including its form and content, is fairly presented in accordance with GAAP; (3) the methods of measurement or presentation have not changed from those used in the prior period (or, if they have changed, the reasons for such changes); and (4) you have disclosed to us any significant assumptions or interpretations underlying the measurement or presentation of the supplementary information.

Management is responsible for establishing and maintaining a process for tracking the status of audit findings and recommendations. Management is also responsible for identifying and providing report copies of previous financial audits, attestation engagements, performance audits, or other studies related to the objectives discussed in the Audit Objectives section of this letter. This responsibility includes relaying to us corrective actions taken to address significant findings and recommendations resulting from those audits, attestation engagements, performance audits, or studies. You are also responsible for providing management's views on our current findings, conclusions, and recommendations, as well as your planned corrective actions, for the report, and for the timing and format for providing that information. With regard to using the auditors' report, you understand that you must obtain our prior written consent to reproduce or use our report in bond offering official statements or other documents. With regard to electronic dissemination of audited financial statements, including financial statements published electronically on your website, you understand that electronic sites are a means to distribute information and, therefore, we are not required to read the information contained in these sites or to consider the consistency of other information in the electronic site with the original document.

You agree to assume all management responsibilities relating to the financial statements, schedules of expenditures of federal and State awards, related notes, and any other nonaudit services we provide. You will be required to acknowledge in the management representation letter our assistance with preparation of the financial statements, schedule of expenditures of federal and State awards, and related notes prior to their issuance and have accepted responsibility for them. Further, you agree to oversee the nonaudit services by designating an individual, (David Beck), who possesses suitable skill, knowledge, or experience; evaluate the adequacy and results of those services; and accept responsibility for them.

Engagement Administration, Fees, and Other

We may from time to time, and depending on the circumstances, use third-party service providers in serving your account. We may share confidential information about you with these service providers, but remain committed to maintaining the confidentiality and security of your information. Accordingly, we maintain internal policies, procedures, and safeguards to protect the confidentiality of your personal information. In addition, we will secure confidentiality agreements with all service providers to maintain the confidentiality of your information and we will take reasonable precautions to determine that they have appropriate procedures in place to prevent the unauthorized release of your confidential information to others. In the event that we are unable to secure an appropriate confidentiality agreement, you will be asked to provide your consent prior to the sharing of your confidential information with the third-party service provider. Furthermore, we will remain responsible for the work provided by any such third-party service providers.

We understand that your employees will prepare all cash, accounts receivable, or other confirmations we request and will locate any documents selected by us for testing. We will schedule the engagement based in part on deadlines, working conditions, and the availability of your key personnel. We will plan the engagement based on the assumption that your personnel will cooperate and provide assistance by performing tasks such as preparing

requested schedules, retrieving supporting documents, and preparing confirmations. If for whatever reason your personnel are unavailable to provide the necessary assistance in a timely manner, it may substantially increase the work we have to do to complete the engagement within the established deadlines, resulting in an increase in fees over our original fee estimate. We will not undertake any accounting services (including but not limited to reconciliation of accounts and preparation of requested schedules) without obtaining approval through a written change order or additional engagement letter for such additional work.

At the conclusion of the engagement, we will complete the appropriate sections of the Data Collection Form that summarizes our audit findings. It is management's responsibility to submit the reporting package (including financial statements, schedule of expenditures of federal awards, summary schedule of prior audit findings, auditors' reports, and corrective action plan) along with the Data Collection Form to the federal audit clearinghouse. We will coordinate with you the electronic submission and certification. If applicable, we will provide copies of our report for you to include with the reporting package you will submit to pass-through entities. The Data Collection Form and the reporting package must be submitted within the earlier of 30 days after receipt of the auditors' report or nine months after the end of the audit period, unless a longer period is agreed to in advance by the cognizant or oversight agency for audits.

We will provide copies of our reports to the Board; however, management is responsible for distribution of the reports and the financial statements. Unless restricted by law or regulation, or containing privileged and confidential information, copies of our reports are to be made available for public inspection.

The audit documentation for this engagement is the property of Thompson, Price, Scott, Adams & Co., P.A. and constitutes confidential information. However, subject to applicable laws and regulations, audit documentation and appropriate individuals will be made available upon request in a timely manner to Oversight Agencies (or its designee), a federal agency provided direct or indirect funding, or the U.S. Government Accountability Office for purposes of a quality review of the audit, to resolve audit findings, or to carry out oversight responsibilities. We will notify you of any such request. If requested, access to such audit documentation will be provided under the supervision of Thompson, Price, Scott, Adams & Co., P.A. personnel. Furthermore, upon request, we may provide copies of selected audit documentation to the aforementioned parties. These parties may intend, or decide, to distribute the copies or information contained therein to others, including other governmental agencies.

The audit documentation for this engagement will be retained for a minimum of five years after the report release or for any additional period requested by the federal cognizant agency. If we are aware that a federal awarding agency, pass-through entity, or auditee is contesting an audit finding, we will contact the party contesting the audit finding for guidance prior to destroying the audit documentation.

We expect to begin our audit by approximately May 14, 2019 and to issue our reports no later than October 31, 2019. Alan Thompson is the engagement partner and is responsible for supervising the engagement and signing the reports or authorizing another individual to sign them.

Our fee for these services will be at our standard hourly rates plus out-of-pocket costs (such as report reproduction, word processing, postage, travel, copies, telephone, etc.) except that we agree that our gross fee, including expenses, should not exceed \$47,000. Also, any excessive additional fees incurred in obtaining required audit evidence (i.e. bank confirmations) will be billed directly to the Board. Our standard hourly rates vary according to the degree of responsibility involved and the experience level of the personnel assigned to your audit. Our invoices for these fees will be rendered each month as work progresses and are payable on presentation. In accordance with our firm policies, work may be suspended if your account becomes 60 days or more overdue and may not be resumed until your account is paid in full. If we elect to terminate our services for nonpayment, our engagement will be deemed to have been completed upon written notification of termination, even if we have not completed our report(s). You will be obligated to compensate us for all time expended and to reimburse us for all out-of-pocket costs through the date of termination. The above fee is based on anticipated cooperation from your personnel and the assumption that unexpected circumstances will not be encountered during the audit.

The Office of State Auditors has requested significant changes to the Single Audit process to include removing direct benefits from the Schedule of Federal and State Awards. Since this will be a new process for everyone, we cannot adequately estimate the amount of additional time that may be required to perform Single Audit testing under the new guidelines. If additional programs are required to be tested that have not been identified as major programs for testing in previous years, additional fees may be charged at standard hourly rates. If significant additional time is necessary, we will discuss it with you and arrive at a new fee estimate before we incur the additional costs. However, we believe our contract as it is will be sufficient to cover, but we do want to reserve the right to discuss this issue.

We appreciate the opportunity to be of service to the Vance County and believe this letter accurately summarizes the significant terms of our engagement. If you have any questions, please let us know. If you agree with the terms of our engagement as described in this letter, please sign the enclosed copy and return it to us.

Very truly yours,

The of and	Governing Board BOARD OF COMMISSIONERS
	Primary Government Unit VANCE COUNTY
	Discretely Presented Component Unit (DPCU) (if applicable) N/A

Primary Government Unit, together with DPCU (if applicable), hereinafter referred to as Governmental Unit(s)

and	Auditor Name THOMSPON, PRICE, SCOTT, ADAMS & CO, P.A.
	Auditor Address 1626 SOUTH MADISON STREET, WHITEVILLE, NC 28472

Hereinafter referred to as Auditor

for	Fiscal Year Ending 06/30/19	Audit Report Due Date 10/31/19
-----	---------------------------------------	--

Must be within four months of FYE

hereby agree as follows:

1. The Auditor shall audit all statements and disclosures required by U.S. generally accepted auditing standards (GAAS) and additional required legal statements and disclosures of all funds and/or divisions of the Governmental Unit(s). The non-major combining, and individual fund statements and schedules shall be subjected to the auditing procedures applied in the audit of the basic financial statements and an opinion shall be rendered in relation to (as applicable) the governmental activities, the business- type activities, the aggregate DPCUs, each major governmental and enterprise fund, and the aggregate remaining fund information (non-major government and enterprise funds, the internal service fund type, and the fiduciary fund types).

2. At a minimum, the Auditor shall conduct his/her audit and render his/her report in accordance with GAAS. The Auditor shall perform the audit in accordance with *Government Auditing Standards* if required by the State Single Audit Implementation Act, as codified in G.S. 159-34. If required by OMB *Uniform Administration Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance) and the State Single Audit Implementation Act, the Auditor shall perform a Single Audit. This audit and all associated audit documentation may be subject to review by Federal and State agencies in accordance with Federal and State laws, including the staffs of the Office of State Auditor (OSA) and the Local Government Commission (LGC). If the audit requires a federal single audit performed under the requirements found in Subpart F of the Uniform Guidance (§200.501), it is recommended that the Auditor and Governmental Unit(s) jointly agree, in advance of the execution of this contract, which party is responsible for submission of the audit and the accompanying data collection form to the Federal Audit Clearinghouse as required under the Uniform Guidance (§200.512).

If the audit and Auditor communication are found in this review to be substandard, the results of the review may be forwarded to the North Carolina State Board of CPA Examiners (NC State Board).

County and Multi-County Health Departments: The Office of State Auditor will require Auditors of these Governmental Units to perform agreed upon procedures (AUPs) on eligibility determination on certain programs. Both Auditor and Governmental Unit agree that Auditor shall complete and report on these AUPs on

eligibility determination as required by OSA and in accordance with the instructions and timeline provided by OSA.

3. If an entity is determined to be a component of another government as defined by the group audit standards, the entity's auditor shall make a good faith effort to comply in a timely manner with the requests of the group auditor in accordance with AU-6 §600.41 - §600.42.

4. This contract contemplates an unmodified opinion being rendered. If during the process of conducting the audit, the Auditor determines that it will not be possible to render an unmodified opinion on the financial statements of the unit, the Auditor shall contact the LGC staff to discuss the circumstances leading to that conclusion as soon as is practical and before the final report is issued. The audit shall include such tests of the accounting records and such other auditing procedures as are considered by the Auditor to be necessary in the circumstances. Any limitations or restrictions in scope which would lead to a qualification should be fully explained in an attachment to this contract.

5. If this audit engagement is subject to the standards for audit as defined in *Government Auditing Standards*, 2011 revisions, issued by the Comptroller General of the United States, then by accepting this engagement, the Auditor warrants that he/she has met the requirements for a peer review and continuing education as specified in *Government Auditing Standards*. The Auditor agrees to provide a copy of the most recent peer review report to the Governmental Unit(s) and the Secretary of the LGC prior to the execution of an audit contract. Subsequent submissions of the report are required only upon report expiration or upon auditor's receipt of an updated peer review report. If the audit firm received a peer review rating other than pass, the Auditor shall not contract with the Governmental Unit(s) without first contacting the Secretary of the LGC for a peer review analysis that may result in additional contractual requirements.

If the audit engagement is not subject to *Government Accounting Standards* or if financial statements are not prepared in accordance with U.S. generally accepted accounting principles (GAAP) and fail to include all disclosures required by GAAP, the Auditor shall provide an explanation as to why in an attachment to this contract or in an amendment.

6. It is agreed that time is of the essence in this contract. All audits are to be performed and the report of audit submitted to LGC staff within four months of fiscal year end. If it becomes necessary to amend this due date or the audit fee, an amended contract along with a written explanation of the delay shall be submitted to the Secretary of the LGC for approval.

7. It is agreed that GAAS include a review of the Governmental Unit's (Units') systems of internal control and accounting as same relate to accountability of funds and adherence to budget and law requirements applicable thereto; that the Auditor shall make a written report, which may or may not be a part of the written report of audit, to the Governing Board setting forth his/her findings, together with his recommendations for improvement. That written report shall include all matters defined as "significant deficiencies and material weaknesses" in AU-C 265 of the *AICPA Professional Standards (Clarified)*. The Auditor shall file a copy of that report with the Secretary of the LGC.

8. All local government and public authority contracts for audit or audit-related work require the approval of the Secretary of the LGC. This includes annual or special audits, agreed upon procedures related to internal controls, bookkeeping or other assistance necessary to prepare the Governmental Unit's (Units') records for audit, financial statement preparation, any finance-related investigations, or any other audit-related work in the State of North Carolina. Invoices for services rendered under these contracts shall not be paid by the Governmental Unit(s) until the invoice has been approved by the Secretary of the LGC. (This also includes any progress billings.) [G.S. 159-34 and 115C-447] All invoices for Audit work shall be submitted in PDF format to the Secretary of the LGC for approval. The invoice marked 'approved' with approval date shall be returned to

the Auditor to present to the Governmental Unit(s) for payment. Approval is not required on contracts and invoices for system improvements and similar services of a non-auditing nature.

9. In consideration of the satisfactory performance of the provisions of this contract, the Governmental Unit(s) shall pay to the Auditor, upon approval by the Secretary of the LGC, the fee, which includes any costs the Auditor may incur from work paper or peer reviews or any other quality assurance program required by third parties (federal and state grantor and oversight agencies or other organizations) as required under the Federal and State Single Audit Acts. This does not include fees for any pre-issuance reviews that may be required by the NC Association of CPAs (NCACPA) Peer Review Committee or NC State Board of CPA Examiners (see Item 12).

10. If the Governmental Unit(s) has/have outstanding revenue bonds, the Auditor shall submit to LGC staff, either in the notes to the audited financial statements or as a separate report, a calculation demonstrating compliance with the revenue bond rate covenant. Additionally, the Auditor shall submit to LGC staff simultaneously with the Governmental Unit's (Units') audited financial statements any other bond compliance statements or additional reports required by the authorizing bond documents, unless otherwise specified in the bond documents.

11. After completing the audit, the Auditor shall submit to the Governing Board a written report of audit. This report shall include, but not be limited to, the following information: (a) Management's Discussion and Analysis, (b) the financial statements and notes of the Governmental Unit(s) and all of its component units prepared in accordance with GAAP, (c) supplementary information requested by the Governmental Unit(s) or required for full disclosure under the law, and (d) the Auditor's opinion on the material presented. The Auditor shall furnish the required number of copies of the report of audit to the Governing Board upon completion.

12. If the audit firm is required by the NC State Board, the NCACPA Peer Review Committee, or the Secretary of the LGC to have a pre-issuance review of its audit work, there shall be a statement in the engagement letter indicating the pre-issuance review requirement. There also shall be a statement that the Governmental Unit(s) shall not be billed for the pre-issuance review. The pre-issuance review shall be performed prior to the completed audit being submitted to LGC Staff. The pre-issuance review report shall accompany the audit report upon submission to LGC Staff.

13. The Auditor shall submit the report of audit in PDF format to LGC Staff when (or prior to) submitting the final invoice for services rendered. The report of audit, as filed with the Secretary of the LGC, becomes a matter of public record for inspection, review and copy in the offices of the LGC by any interested parties. Any subsequent revisions to these reports shall be sent to the Secretary of the LGC along with an Audit Report Reissued Form (available on the Department of State Treasurer website). These audited financial statements, excluding the Auditors' opinion, may be used in the preparation of official statements for debt offerings by municipal bond rating services to fulfill secondary market disclosure requirements of the Securities and Exchange Commission and for other lawful purposes of the Governmental Unit(s) without requiring consent of the Auditor. If the LGC Staff determines that corrections need to be made to the Governmental Unit's (Units') financial statements, those corrections shall be provided within three business days of notification unless another deadline is agreed to by LGC staff.

If the OSA designates certain programs to be audited as major programs, as discussed in Item 2, a turnaround document and a representation letter addressed to the OSA shall be submitted to LGC Staff.

14. Should circumstances disclosed by the audit call for a more detailed investigation by the Auditor than necessary under ordinary circumstances, the Auditor shall inform the Governing Board in writing of the need for such additional investigation and the additional compensation required therefore. Upon approval by the

Secretary of the LGC, this contract may be modified or amended to include the increased time, compensation, or both as may be agreed upon by the Governing Board and the Auditor.

15. If an approved contract needs to be modified or amended for any reason, the change shall be made in writing, on the Amended LGC-205 contract form and pre-audited if the change includes a change in audit fee (pre-audit requirement does not apply to charter schools). This amended contract shall be completed in full, including a written explanation of the change, signed and dated by all original parties to the contract. It shall then be submitted to the Secretary of the LGC for approval. No change to the audit contract shall be effective unless approved by the Secretary of the LGC, the Governing Board, and the Auditor.

16. A copy of the engagement letter, issued by the Auditor and signed by both the Auditor and the Governmental Unit(s), shall be attached to this contract, and shall be incorporated by reference as if fully set forth herein as part of this contract. In case of conflict between the terms of the engagement letter and the terms of this contract, the terms of this contract shall take precedence. Engagement letter terms that conflict with the contract are deemed to be void unless the conflicting terms of this contract are specifically deleted in Item 26 of this contract. Engagement letters containing indemnification clauses shall not be accepted by LGC Staff.

17. Special provisions should be limited. Please list any special provisions in an attachment.

18. A separate contract should not be made for each division to be audited or report to be submitted. If a DPCU is subject to the audit requirements detailed in the Local Government Budget and Fiscal Control Act and a separate audit report is issued, a separate audit contract is required. If a separate report is not to be issued and the DPCU is included in the primary government audit, the DPCU shall be named along with the parent government on this audit contract. DPCU Board approval date, signatures from the DPCU Board chairman and finance officer also shall be included on this contract.

19. The contract shall be executed, pre-audited (pre-audit requirement does not apply to charter schools), and physically signed by all parties including Governmental Unit(s) and the Auditor, then submitted in PDF format to the Secretary of the LGC.

20. The contract is not valid until it is approved by the Secretary of the LGC. The staff of the LGC shall notify the Governmental Unit and Auditor of contract approval by email. The audit should not be started before the contract is approved.

21. Retention of Client Records: Auditors are subject to the NC State Board of CPA Examiners' Retention of Client Records Rule 21 NCAC 08N .0305 as it relates to the provision of audit and other attest services, as well as non-attest services. Clients and former clients should be familiar with the requirements of this rule prior to requesting the return of records.

22. This contract may be terminated at any time by mutual consent and agreement of the Governmental Unit(s) and the Auditor, provided that (a) the consent to terminate is in writing and signed by both parties, (b) the parties have agreed on the fee amount which shall be paid to the Auditor (if applicable), and (c) no termination shall be effective until approved in writing by the Secretary of the LGC.

23. The Governmental Unit's (Units') failure or forbearance to enforce, or waiver of, any right or an event of breach or default on one occasion or instance shall not constitute the waiver of such right, breach or default on any subsequent occasion or instance.

24. There are no other agreements between the parties hereto and no other agreements relative hereto that shall be enforceable unless entered into in accordance with the procedure set out herein and approved by the Secretary of the LGC.

25. E-Verify. Auditor shall comply with the requirements of NCGS Chapter 64 Article 2. Further, if Auditor utilizes any subcontractor(s), Auditor shall require such subcontractor(s) to comply with the requirements of NCGS Chapter 64, Article 2.
26. All of the above paragraphs are understood and shall apply to this contract, except the following numbered paragraphs shall be deleted (See Item 16 for clarification).
27. The process for submitting contracts, audit reports and invoices is subject to change. Auditors and units should use the submission process and instructions in effect at the time of submission. Refer to the N.C. Department of State Treasurer website at <https://www.nctreasurer.com/slg/Pages/Audit-Forms-and-Resources.aspx>.
28. All communications regarding audit contract requests for modification or official approvals will be sent to the email addresses provided on the signature pages that follow.

FEEES FOR AUDIT SERVICES

For all non-attest services, the Auditor shall adhere to the independence rules of the AICPA Professional Code of Conduct and *Governmental Auditing Standards* (as applicable). Bookkeeping and other non-attest services necessary to perform the audit shall be included under this contract. However, bookkeeping assistance shall be limited to the extent that the Auditor is not auditing his or her own work or making management decisions. The Governmental Unit shall designate an individual with the suitable skills, knowledge, and/or experience necessary to oversee the services and accept responsibility for the results of the services. Financial statement preparation assistance shall be deemed a "significant threat" requiring the Auditor to apply safeguards sufficient to reduce the threat to an acceptable level. The Auditor shall maintain written documentation of his or her compliance with these standards in the audit work papers.

Fees may not be included in this contract for work performed on Annual Financial Information Reports (AFIRs), Form 990s, or other services not associated with audit fees and costs. Such fees may be included in the engagement letter, but may not be included in this contract or in any invoices requiring approval of the LGC. See Items 8, 9, and 12 for details on other allowable and excluded fees.

Prior to submission of the completed audited financial report, applicable compliance reports and amended contract (if required) the Auditor may submit invoices for approval for services rendered, not to exceed 75% of the total of the stated fees below. If the current contracted fee is not fixed in total, invoices for services rendered may be approved for up to 75% of the prior year audit fee. Should the 75% cap provided below conflict with the cap calculated by LGC staff based on the prior year audit fee on file with the LGC, the LGC calculation prevails.

20 NCAC 03 .0505: All invoices for services rendered in an audit engagement as defined in 20 NCAC 3 .0503 shall be submitted to the Commission for approval before any payment is made. Payment before approval is a violation of law.

Vance County
County Manager's Report to the Board
May 6, 2019

- A. Award of Service Weapon and Badge.** Sheriff Curtis Brame has requested the award of the service weapon and badge to Major Weldon Bullock following his retirement May 1, 2019. He has served Vance County for 27 years. As per county policy, he is eligible to receive his service weapon and badge. *Recommendation: Award service weapon and badge to retired Major Weldon Bullock, according to County policy.*
- B. Demolition – County Owned Property.** Last month the properties committee recommended proceeding with asbestos abatement and further research to determine the viability of a controlled burn for structures on county owned property along Warrenton Road (former People's Grocery - tax parcel 0526 02008). Staff does not recommend a controlled burn due to the dangerous nature of the structures as well as the need for access in and around the structures and due to a stream being located on the property. A demolition contractor has been identified which has the ability to appropriately dispose of the asbestos negating the need to proceed with the separate asbestos abatement as discussed last month. Staff recommends contracting with Faulkner Grading and Landscaping for disposal of asbestos containing materials and demolition of structures on the property. *Recommendation: Authorize the county manager to contract with Faulkner Grading and Landscaping totaling \$16,000 for the removal and disposal of asbestos and demolition of structures on county owned property identified as tax parcel 0526 02008.*
- C. Fireworks Permit.** The Cokesbury Volunteer Fire Department is requesting approval of a fireworks permit for its annual Independence Day celebration on S. Cokesbury Road. According to Cokesbury VFD Chief Adam Pegram, the work will be performed by three licensed and insured shooters. Cokesbury is asking for a waiver of the \$125 permit fee. The county fire marshal has approved the permit subject to board approval. *Recommendation: Approve the request from Cokesbury Volunteer Fire Department for a permit and fee waiver to discharge fireworks at its annual Independence Day celebration on S. Cokesbury Road on Saturday, July 6, 2019.*
- D. Presentation of FY 2019-20 Recommended Budget.** The FY2019-20 recommended budget will be presented on Monday evening. We will provide a brief overview of the budget and ask that you consider setting work sessions on May 13 and 15 to review the budget in detail. The public hearing on the budget will be set for the evening of June 3rd, which is the date of your regular meeting. *Receive the FY 2019-20 recommended budget, schedule budget work sessions, and schedule budget hearing for the June 3rd regular meeting.*

Objectives	Outcomes
<p>1. Producers will increase sales of food locally to more agriculturally aware consumers through market development, producer and consumer education, and new farmer and infrastructure support.</p>	<ul style="list-style-type: none"> ● The Vance County Regional Farmers Market will open for the season on April 27 with our annual Spring Fling event. We anticipate over 30 vendors of produce, plants, hand crafted food items, handmade crafts and much more. ● Kerr- Tar Beekeepers held their April meeting with 8 members attending. The program was titled Bee Swarms and Splitting Hives. The members stated their knowledge of preventing swarm activity and how to split hives had increased after this program.
<p>2. Agricultural producers, workers, food handlers and consumers will adopt safer food and agricultural production, handling, and distribution practices that reduce workplace and home injuries/illnesses, enhance food security, and increase the quality and safety of food that North Carolinians prepare and consumers.</p>	<ul style="list-style-type: none"> ● Spring Vegetable Production meeting was conducted with 6 small farmers attending. Post meeting evaluations from these farmers stated 100% increased their spring vegetable knowledge and would adopt Cooperative Extension recommendations this year.
<p>3. Individuals and groups will acquire leadership and decision making capacities needed to guide and actively participate in local and state organizations.</p>	<ul style="list-style-type: none"> ● 3 teens attended the North Central District Teen Retreat. ● Allie Akers, the North Central District Reporter planned and led Teen Retreat.
<p>4. Youth and adults will address community issues and/ or challenges through volunteerism.</p>	<ul style="list-style-type: none"> ● Young Sprouts 4-H Club hosted their last meeting of the school year on april 10th, they dedicated this time to community beautification by painting flower pots for decorate their school gardens with.
<p>5. North Carolina's plant, animal and food systems will become more profitable and sustainable.</p>	<ul style="list-style-type: none"> ● Throughout the growing season, Cooperative Extension staff provides new, established and aspiring farmers with timely advice on pest management, crop fertility, new enterprise development and more. Technical assistance is provided remotely via phone and email, and also through on-site farm visits.

<p>6. Parents and caregivers will effectively use recommended parenting, self-care practices, and community resources.</p>	<ul style="list-style-type: none"> • Our Granville County class is going well. We have 6 registered parents and 10 children every Thursday night from 5pm - 7:30pm
<p>7. Futures that Work: School to Career Pathways</p>	<ul style="list-style-type: none"> • Young Sprouts 4-H Club traveled to the JC Raulston Arboretum and learned about plant systems, toured the facility, learned about career opportunities, and engaged in hands on learning.
<p>8. Youth and adult program participants will make healthy food choices, achieve the recommended amount of physical activity and reduce risk factors for chronic diseases</p>	<ul style="list-style-type: none"> • Kiki Dudley from Guilford County Cooperative Extension is continuing her work with the Teens Fit 4 Life program. Serving young teen moms and expecting mothers, the program aims to teach healthy eating practices, food safety tips, and recommendations on physical activity. She is doing an amazing job supporting these young women.
<p>9. Consumers and communities will enhance the value of plants, animals, and landscapes while conserving valuable natural resources and protecting the environment.</p>	<ul style="list-style-type: none"> • Approximately 50 landscape professionals attended the Triangle Landscape School in Henderson on April 5th. This event, sponsored by Triad Equipment, instructs commercial landscapers on sound management practices that enhance the environment. Participants also learn about measures they can take to manage pests effectively while safeguarding the environment and protecting human health. • Master Gardener volunteers took a field trip to NCSU’s Turf Field Lab in Raleigh. There they learned about the cutting edge research being conducted on good performing cultivars, pest management, fertility practices and more. The knowledge they gain will be shared with the community as they conduct outreach events throughout the year. • Progress continued on the Memorial Garden at the Vance County Regional Farmers Market, which highlights drought tolerant plants that provide valuable pollinator habitat. An Inaugural Garden Celebration is being planned for June 12 to dedicate the garden and celebrate the great work of the Extension Master Gardener volunteers and many supporters.
<p>10. Community Outreach</p>	<ul style="list-style-type: none"> • The Vance County Food Giveaway had another successful month at the Farmer’s Market. Moving forward both churches have agreed to combine to

	sponsor each food giveaway. The event will still take place each month but will no longer be separated.

How do we analyze new data moving forward?

The EDC is recommending purchasing a CRM (Customer Relationship Management) to assist the office in managing and organizing perspective leads. We will be purchasing a license for Claritysoft CRM.

The Claritysoft platform will allow us to:

- Access to multiple platforms for access to your data anytime, anywhere including desktop with full offline capabilities, a mobile platform optimized for smart phones and hand-held devices, and a full browser for access
- Allow client contact integration with Outlook and Gmail.
- Allow us to create targeted email blasts that are sent out as a single, individual email (not spam!) from the sender to the recipient, allowing for fast, mass communication with a personal feel
- Claritysoft offers List Actions and Group Edit among other unique features, allowing you to select a group of contacts or accounts and take some action on them. This increases productivity and streamlines your day.
- We will have one platform to conduct analysis of new clients and track BRE visitation for the community as well.

Board/Commission/Committee Applying For (list only one per form) Appearance Commission

Why are you interested in serving on this Board/Commission/Committee? I would like to help improve the appearance of the county to attract more businesses and jobs to the area. I would also like to continue the work my Mom did to beautify Henderson and Vance County.

Generally, the Board desires to broaden participation on Boards/Commissions/Committees for as much citizen involvement as possible; therefore, a goal is to limit appointees to no more than 3 Boards/Commissions/Committees. Therefore, please list any other Boards/Commissions/Committees on which you currently serve:

None

DO NOT SUBMIT RESUMES/ATTACHMENTS

Interests/Skills/Areas of Expertise/Professional Organizations/Activities:

Former member of Dig 'N Dream Junior Garden Club and Girl Scouts (20yrs.)
Member of Society for Human Resources Management, World at Work,
Artisan Society of NC

Affirmation of Eligibility:

Has any formal charge of professional misconduct, criminal misdemeanor or felony ever been filed against you?

Yes _____ No If yes, please explain disposition: _____

Is there any conflict of interest or other matter that would create problems or prevent you from fairly and impartially discharging your duties as an appointee of the Board of Commissioners? Yes _____ No If yes, please explain: _____

I understand that any situation which may arise to cause conflict of interest may create serious ethical or legal implications if appropriate discretion is not exercised or responsible action is not taken.

I understand this application is public record and I certify that the facts contained in this application are true and correct to the best of my knowledge. I authorize and consent to background checks and to the investigation and verification of all statements contained herein as deemed appropriate. I further authorize all information concerning my qualifications to be investigated and release all parties from all liability for any damages that may result from this investigation. I understand and agree that any misstatement may be cause for my removal from any Board/Commission/Committee. I understand regular attendance to any Board/Commission/Committee is important and, accordingly, I further understand that if my attendance is less than the standards established for any such body that this is cause for removal. Lacking any written standards for attendance by any Board/Commission/Committee it is expected that I will attend at least 75% of all meetings during any one calendar year to maintain my seat on any Board/Commission/Committee to which I may be appointed. This form will remain on file in the Office of the Clerk and requests for updates will be sought prior to any consideration for reappointment (or future appointment) to any Board/Commission/Committee.

Signature: Katherine P. Williamson Date: 4/9/2019

Form is invalid if not signed and dated.

Has any formal charge of professional misconduct, criminal misdemeanor or felony ever been filed against you?

Yes _____ No If yes, please explain disposition: _____

Is there any conflict of interest or other matter that would create problems or prevent you from fairly and impartially discharging your duties as an appointee of the Board of Commissioners? Yes _____ No If yes, please explain: _____

I understand that any situation which may arise to cause conflict of interest may create serious ethical or legal implications if appropriate discretion is not exercised or responsible action is not taken.

I understand this application is public record and I certify that the facts contained in this application are true and correct to the best of my knowledge. I authorize and consent to background checks and to the investigation and verification of all statements contained herein as deemed appropriate. I further authorize all information concerning my qualifications to be investigated and release all parties from all liability for any damages that may result from this investigation. I understand and agree that any misstatement may be cause for my removal from any Board/Commission/Committee. I understand regular attendance to any Board/Commission/Committee is important and, accordingly, I further understand that if my attendance is less than the standards established for any such body that this is cause for removal. Lacking any written standards for attendance by any Board/Commission/Committee it is expected that I will attend at least 75% of all meetings during any one calendar year to maintain my seat on any Board/Commission/Committee to which I may be appointed. This form will remain on file in the Office of the Clerk and requests for updates will be sought prior to any consideration for reappointment (or future appointment) to any Board/Commission/Committee.
