Public Hearing: NCDOT Road Abandonment

Request of Board: Approve resolution to abandon a portion of Bryant Abbott Road.

Public Notice

The Vance Board of Commissioners has scheduled a public hearing for Monday, August 5, 2019 at 6:00 p.m. or shortly thereafter in the Commissioners' Meeting Room, County Administration Building, 122 Young Street, Henderson, NC. The public hearing is to receive comments regarding a petition to abandon the end portion (approximately 800 feet) of Bryant Abbott Road (SR1563) from NCDOT state maintenance.

This notice was published on July 21, 2019.

RESOLUTION

by the

Vance County Board of Commissioners

***Requesting the North Carolina Department of Transportation
to Abandon a Portion of Bryant Abbott Road (State Road 1563)***

WHEREAS, the Vance County Board of County Commissioners has heretofore received a petition from Lawrence T. Elliott, property owner along SR 1563 to abandon that portion of the road which is surrounded entirely by his property and is at the end of said road; and

WHEREAS, Pursuant to NCGS 136-63, the Board of County Commissioners may, upon receipt of said petition, request the North Carolina Department of Transportation to abandon any road in the secondary road system when the best interest of the people of the county will be served thereby; and

WHEREAS, at the time of termination of the maintenance agreement with the North Carolina Department of Transportation, this portion of the road will revert back pursuant to state law.

NOW THEREFORE BE IT RESOLVED, by the Board of Commissioners for the County of Vance as follows:

1. Pursuant to NCGS 136-63, the abandonment of the end portion (approximately 800 feet) of SR 1563 is in the best interest of the people of the county served thereby; and
2. The North Carolina Department of Transportation is requested to abandon this section of SR 1563; and
3. This resolution shall be effective upon its adoption.

ADOPTED this the 5th day of August, 2019.

DATE OF APPEAL: 06/10/2019

OPENING STATEMENT:

Appellant statement of reason (s) for the appeal:

Appellant is appealing the untimely Present Use Forestry application for 2019 real property. Mr. and Mrs. Harris just became aware that this option was available and did not know that the application was to be filed in January.

STAFF REVIEW:

Appellant failed to apply for the exemption by January 31, 2019. Therefore the assessor must deny their 2019 untimely application submitted June 10, 2019.

ASSESSOR'S RECOMMENDATION:

If application would have been turned in by January 31st, it would have met the qualifications and would have been approved.

Committee Report

Phase 3 – Amendment #1 to Engineer Services Agreement. The committee (Wilder[C], Brummitt, & Taylor) met on Monday, July 22, 2019 to discuss an amendment to the county’s engineering agreement with LKC for Phase 3 of the water system. The amendment increases the engineering budget by \$44,500 due to additional inspection services as well as easement surveying and mapping that has been needed. The additional inspections are necessary as the project was extended from a six to a ten month construction period when the project was bid out. This additional cost will be absorbed by underruns in the existing construction budget. The committee discussed the potential project underrun and expressed a desire to maximize the use of remaining grant funds. ***Recommendation: Approve Amendment #1 to Phase 3 Engineering Services Agreement with LKC adding \$44,500 to the contract for additional inspection services, easement surveying and mapping.***

Phase 1B Financial Analysis. The committee met with the project engineers (LKC engineering) and reviewed an updated financial/signup analysis for Phase 1B (Kittrell Expansion Phase). The engineer informed the committee there are currently a total of 217 signups in Phase 1B with approximately 40 of those properties changing ownership since the Kittrell Water Association began taking signups in 2010. The county manager expressed concern with the lack of signups relative to the proposed project cost as well as the inability to require new property owners to connect to the system. The manager believes this phase will be extra difficult due to the extended time that has passed since signups were taken and due to the fact that KWA and not the county took nearly all of the signups. The engineers reviewed the financial analysis which indicates an estimated loss of \$113,982 per year to the water fund as a result of proceeding with Phase 1B. The committee recommended reaching out and offering county signup forms to the properties that have changed ownership and felt it was important to continue moving forward with Phase 1B. The committee mentioned the need to invest in the southern part of the county and the long term benefit of having infrastructure in the ground for future growth. ***For your information.***

Staff Report

Capital Project Ordinance – Phase 1B. The Board approved the engineering contract for Phase 1B in March, 2019 and following attorney and USDA reviews, it is ready for execution. Prior to execution, it is necessary for a capital project ordinance to establish the engineering budget. The budget previously reviewed by the board was \$355,000 which includes \$146,000 for basic engineering services, up to \$181,000 for project inspection, and \$28,000 in additional engineering services. The funding will be reimbursed by USDA funding at a later time if the project proceeds. ***Recommendation: Approve Capital Project Ordinance designating funds for Phase 1B Engineering services.***

Resolution Formalizing General Fund Loan to Water Fund. As of the end of FY2019, the Vance County water system has undergone five years of operation. To date the system has a total of 1,635 customers with 1,228 metered customers committed to the system. Over this period the general fund has provided a total of \$1.67 million (est. subject to FY18-19 audit being completed) to the water fund with the general understanding that this will be repaid at such time that the water

fund becomes self-sufficient. The interim finance director has recommended that we officially book this and future transactions as a loan to allow for future repayment to the general fund. The enclosed resolution to be approved by both the water board and board of commissioners will formalize this loan to the water fund to include allowing future repayment to the general fund.

Recommendation: *Approve resolution formalizing past and future general fund loans to the water fund to include repayment at such time in the future when the water system is self-sufficient.*

Water District Phase 1B Capital Project Ordinance

BE IT ORDAINED by the Governing Board of the Vance County Water District, North Carolina, that, pursuant to Section 13.2 of Chapter 159 of the General Statutes of North Carolina, the following capital project ordinance is hereby adopted:

Section 1. The project authorized is to pay the cost of engineering services associated with the Water District Phase 1B water lines to be financed by the sale of revenue bonds, grant funds, and reserves.

Section 2. The officers of this unit are hereby directed to proceed with the capital project within the terms of the bond resolution and the budget contained herein.

Section 3. The following amounts are appropriated for the project:

Engineering/Inspection/Other	355,000
Total	355,000

Section 4. The following revenues are anticipated to be available to complete this project:

USDA Water Grant – Loan	355,000
Total	355,000

Section 5. The Finance Director is hereby directed to maintain within the Capital Project Fund sufficient detailed accounting records to satisfy the requirements of the grantor agency, the grant agreements, and federal regulations. The terms of the installment resolution also shall be met.

Section 6. Funds may be advanced from the General Fund for the purpose of making payments as due. Reimbursement requests should be made to the grantor agency in an orderly and timely manner.

Section 7. The Finance Director is directed to report, on a monthly basis, on the financial status of each project element in Section 3.

Section 8. The Budget Officer is directed to include a detailed analysis of past and future costs and revenues on this capital project in every budget submission made to this Board.

Section 9. Copies of this capital project ordinance shall be furnished to the Clerk to the Governing Board, and to the Budget Officer and the Finance Director for direction in carrying out the project.

Adopted this 5th day of August, 2019

Archie, B. Taylor, Jr., Chairman

RESOLUTION

Formalizing Past and Future County General Fund Loans to the Vance County Water District Water Fund and Authorizing Reimbursement for Said Loans as the Water System Becomes Self-Sustaining

WHEREAS, the Vance County Water District proceeded with construction of a new water system in Vance County and began serving customers in October, 2013; and

WHEREAS, since that time the County General Fund has subsidized the water fund as it begins to grow and add the necessary customers to reach a point of self-sustainability; and

WHEREAS, through FY2017-2018 a total of \$1,326,965.98 has been transferred/loaned to the water fund with additional amounts anticipated in future years until the water system becomes self-sustaining; and,

WHEREAS, the previous amounts transferred to the Vance County Water District were always understood to have been a loan to the Water District, and at such time as the Water District was financially able to repay these amounts, the same would be repaid.

WHEREAS the Vance County Board of Commissioners and the Vance County Water District wish to formally adopt this resolution to clearly establish the basis of the former and future transfers of funds to the Water District.

NOW, THEREFORE BE IT RESOLVED, THAT

1. The Vance County Board of Commissioners will, subject to their approval of the annual budget to determine any such amounts, continue to provide an annual allocation to the Vance County Water District's Water Fund to cover operations and debt service until such time as the water fund becomes self-sustaining.
2. The Vance County Water District Water Fund has and will continue to accept these funds as a loan with the stipulation that the proceeds will be repaid to the Vance County General Fund at such future time that the water fund becomes self-sustaining.

This, the 5th day of August, 2019.

Technology Committee

Broadband Kickoff Meeting. The committee (Brummitt[C], Taylor & Feimster[absent]) met with representatives from Open Broadband, LLC on Monday, July 15, 2019 to discuss short and long term goals for the county's broadband deployment. The committee was informed that the state GREAT grant will assist in covering areas in the northwest and southwest of the county by way of the New Hope water tank and the Kittrell water tank respectively. The committee identified these and the Warrenton Road tank as logical beginning points for use of county assets. Open Broadband and the committee brainstormed potential vertical assets in the county and property owners who may have private towers, billboards, church steeples, and other tall structures on their property are encouraged to reach out to Open Broadband or the County. Open Broadband has set up a website (<https://openbb.net/vanceco/>) where citizens can join a waitlist for their high speed internet service. The waitlist will assist in determining areas for initial deployments. The lowest level of service (25MB download/3MB upload) would be \$39.99 monthly with no contracts or data caps for residential service. Business service is also available. Their plan is to deploy two sectors of the county per year with a goal of having coverage across the entire county within four years with the initial deployment occurring by January 1, 2020. A press release is included in the agenda packet and will be released August 6, 2019.

In addition to the broadband deployment, the committee discussed potential areas for free WiFi hotspot zones. The committee members discussed Kittrell as a good location due to the existing water tank, the Kittrell Job Corps, and the existing commercial area along US 1. The committee asked Open Broadband to develop a propagation study for potentially deploying the second WiFi zone near the I-85, shopping, and restaurant areas adjacent to Dabney Drive. The committee members expressed a desire to partner with the City if they can assist with funding coverage for the downtown area. Once areas for WiFi deployment are determined, the committee will provide a recommendation for proceeding with this contract. *For your information.*

Properties Committee

REO Property Offer and Minimum Bid Policy Amendment. The committee (Brummitt [C], Taylor, & Wilder) met Monday, July 22nd to discuss a recent offer and redevelopment plan for county owned property on County Home Road. The redevelopment plan proposed using the property for garden space for a fresh food initiative. The property is the location of the former Vance Manor facility which the county demolished in FY2017 at a total cost of \$105,815. The committee recommended rejecting the \$750 offer and recommended amending the existing county policy to include covering 50% of any county costs in the property in addition to the existing policy of covering 50% of any attorney fees. The adjustment in policy would make the minimum offer \$52,908 for this property. *Recommendation: Reject offer from Dwan Alston and Lateef Phoenix for tax parcel 0093 03002.*

Recommendation: Revise the county's policy to set minimum property bids at the greater of \$750 or 50% of attorney's fees paid and other county costs in the property.

Construction Plan Review – Warrenton Road Convenience Site. The committee met with the county’s engineer (Preston Royster with Coulter, Jewell, Thames Engineers) to review final plans for construction of the new Warrenton Road Solid Waste Convenience site. The project includes site development and construction of a turn-lane as required by NCDOT with NCDOT agreeing to provide up to \$100,000 reimbursement to the county for the turn-lane construction. The committee was informed the property has been rezoned, a conditional use zoning permit has been obtained, a watershed permit has been obtained and the construction permitting process is currently underway. The engineer anticipates the project will be ready for bidding in the next 30-45 days and barring any setbacks in bidding, construction could begin by late fall. A final budget will be determined with bidding, although the engineer provided an updated project cost of \$442,892 which is higher than the previous estimate of \$369,216 within the FY19-20 solid waste budget. The committee recommended increasing the vegetative buffer along the front and side of the property to ensure it is better concealed from public view. *For your information.*

Public Safety Committee

Fire Engine Donation. The committee (Wilder [C], Brummitt, & Faines [absent]) met and discussed donating the county’s 1994 model fire engine to Hicksboro Volunteer Fire Department and the county’s 1984 model unit to Watkins Volunteer Fire Department. The 1994 engine was recently taken out of service by the county fire department when the new fire engine was purchased and the 1984 unit has been used by Townsville and Hicksboro since the Kerr Lake Department folded and provided its assets and liabilities to the county. The 1984 unit is currently tied up in the debt associated with the Kerr Lake Substation and staff will research this further to see if its ownership can be released by the county. The committee was agreeable to donating the trucks to Hicksboro and Watkins. The committee discussed the minimal monetary value of the trucks and felt it was better for them to be used locally than sold as surplus. Staff has determined a donation resolution will be required as per NC General Statutes which requires a public notice prior to approving. Staff will prepare the resolution for approval at a future meeting. ***Recommendation:*** *Declare the 1994 fire engine (VIN #1FV6JLCB1SL740118) as surplus property for the purpose of being donated to the Hicksboro Volunteer Fire Department and authorize staff to prepare the necessary donation resolution.*

Fire District Boundary Changes. The committee briefly discussed the need to begin the process of updating the fire district boundaries and associated protocols. The committee intends to begin looking at this over their next few meetings. *For your information.*

Emergency Operations Plan Update. The committee met with Emergency Operations staff to receive proposed updates to the county’s emergency operations plan. The plan dates to 1976 and has been revised several times over the years with the vast majority of methodology remaining the same. The plan outlines roles and responsibilities for each agency/position in the event of a proclaimed State of Emergency and having a plan is a requirement for the county to receive federal Emergency Management grants. The committee was presented with the complete plan with changes noted for review with the intention of discussing and providing recommendations at a future meeting. Due to the large size, a hard copy of the plan updates is available in the County Manager’s office for review. *For your information.*

Open Broadband, LLC Will Expand Broadband Service into Vance County NC

Contract supports job creation and economic development

WAXHAW, NC (August 6, 2019) – Open Broadband, LLC (www.openbb.net) is pleased to announce our upcoming expansion of fixed-wireless broadband internet service into Vance County NC. The deployment plan will address areas within the county which lack sufficient broadband service to meet the needs of government, residences and commercial businesses.

In August 2018, the Kerr-Tar Regional Council of Governments (Kerr-Tar COG) led a joint broadband enhancement Request for Proposal (RFP) for Vance, Granville and Vance Counties. North Carolina based Open Broadband, LLC was selected, and has entered a seven-year contract with Vance County to provide internet speeds of at least 25Mbps download and 3 Mbps upload to unserved areas.

In addition to the Vance County contract, Open Broadband was also awarded a North Carolina GREAT grant to provide broadband to unserved areas of Vance County. The GREAT grant funds will go toward specific underserved areas in the Northwest and Southwest corners of Vance County, while the county's funds will pay for the remaining areas.

“This is a big deal for the county,” said Vance County Manager Jordan McMillen. “The FCC defines broadband as a minimum 25 Mbps speed. However, many of our citizens are limited to DSL, which is not a “true” high-speed service. Our primary goal is to serve the unserved and the underserved areas of the county, but once you have fixed-wireless broadband, many more residents can be served. At a starting price of \$39.99/month the service is affordable for most residents.”

Open Broadband provides hybrid fiber and fixed-wireless internet service, up to gigabit speed, to many communities across North Carolina. Service is provided to residents, small and medium sized businesses, technology incubators, universities, and government locations including police, fire, town hall, and airport facilities. Open Broadband also provides free public Wi-Fi zones in downtown areas, parks, and campuses. Network deployment in Vance County will take place in phases over the next four years. The first customer service activation is planned for the end of 2019.

“We are excited to bring our fixed-wireless broadband service into Vance County,” said Open Broadband CEO Alan Fitzpatrick. “The need for higher internet speeds is universal as the internet has become a core component of our daily lives. Applying for jobs, access to medical records, access to student coursework, and online banking all require good internet infrastructure. Affordable internet options also help address the Digital Divide. We believe everyone should have access to home broadband internet

openbroadband

service and are pleased to be awarded the contract with Vance County to bring service to those in need.”

Open Broadband is now accepting waitlist signups on the Vance County tab of the website: <https://openbb.net/vanceco/> Those on the waitlist will receive regular updates on the progress of the network build and will be contacted once service is made available in their area.

About Open Broadband, LLC

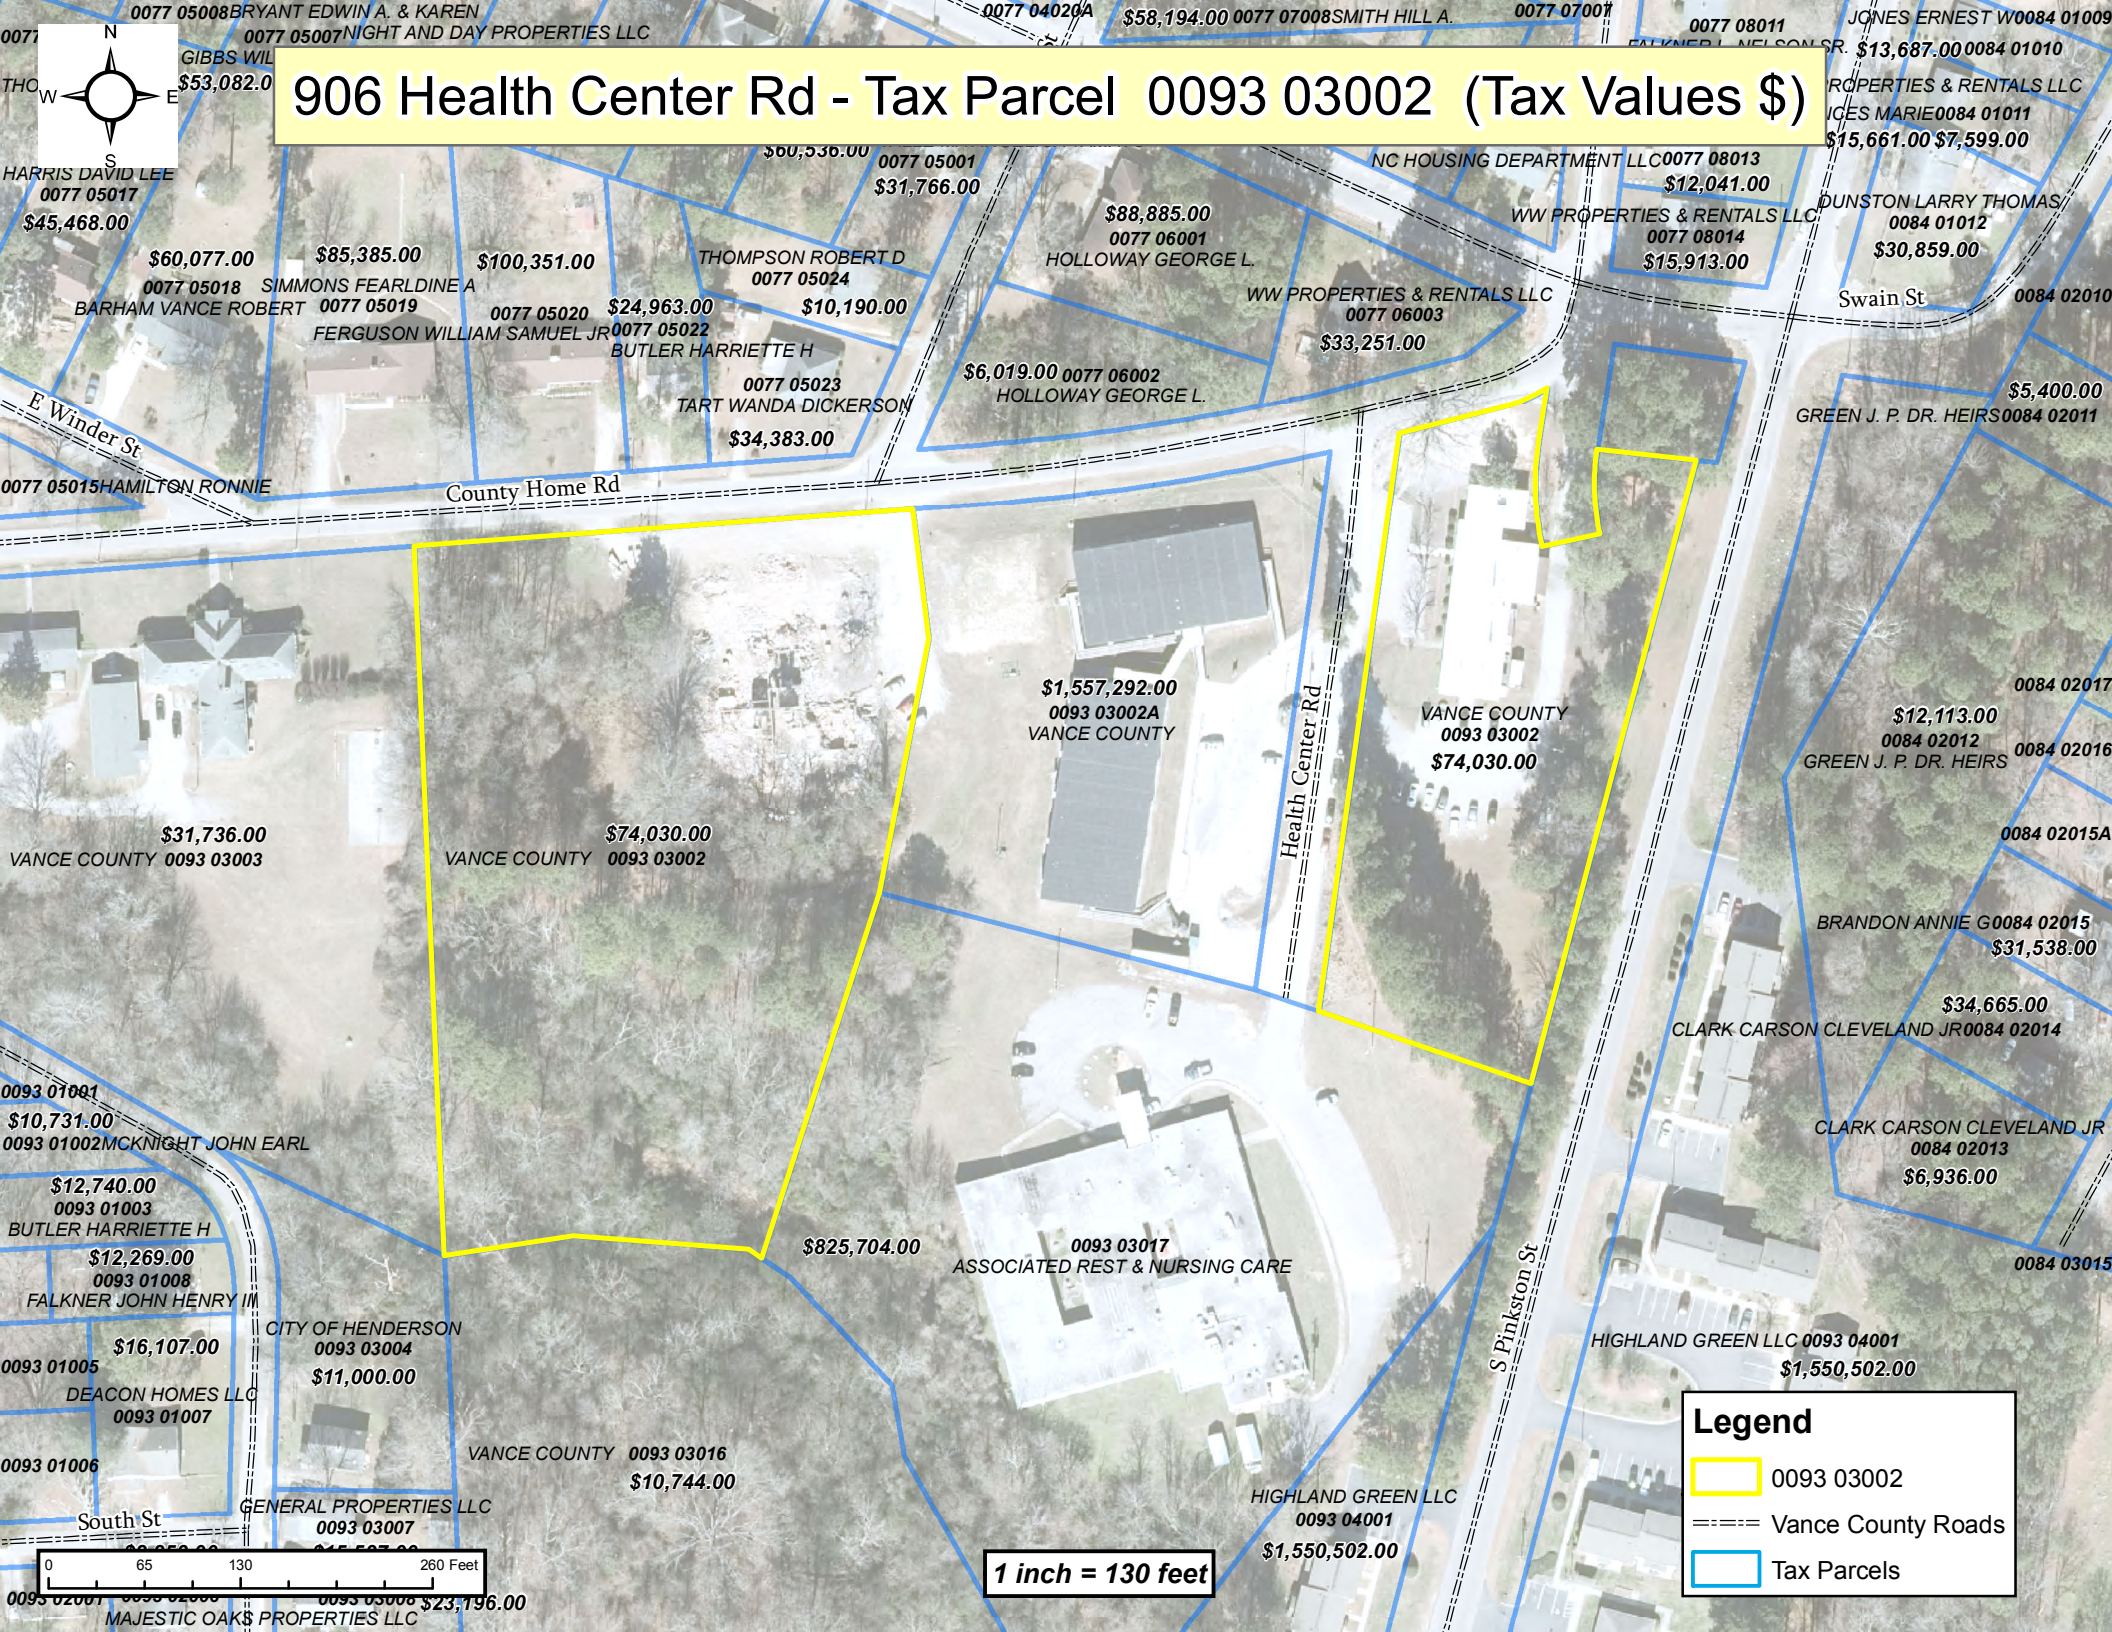

Open Broadband, LLC is an ISP delivering high-speed internet service in underserved communities. We are a team of highly experienced telecom and internet veterans with one simple goal in mind – provide affordable high-speed internet service to those areas with little choice in broadband service providers. Open Broadband is North Carolina owned and operated. Visit us at <https://openbb.net> or follow us on LinkedIn and Twitter @OpenBBNet. For questions, email info@openbb.net or call 919-205-5400.

Introduction

The City of Henderson is located in Vance County, North Carolina. The City is bordered by Durham, Wake, Granville and Franklin counties. The City's population is slightly under 45,000 with about 45.2% white, 51.5% African American and less than 5% of other ethnicities. According to the US Census Bureau, the City's per capita income in 2017 was \$21,188, which is over \$10,000 less than that of Durham County (\$33,151) and \$7,000 less than the State of North Carolina (\$28,123). The City also has a significant portion of the population (23.4%) below the poverty line, which is almost 10% greater than the overall state of North Carolina's overall poverty line at (14.7%). This significant poverty gap has been a driving factor in the preparation of this Land Redevelopment Plan (LRP).

Income & Poverty	North Carolina	Durham County	Vance County
Median household income (in 2017 dollars), 2013-2017	\$50,320	\$56,393	\$35,246
Per capita income in past 12 months (in 2017 dollars), 2013-2017	\$28,123	\$33,151	\$21,188
Persons in poverty, percent	14.7%	15.7%	23.4%

Purpose of the Redevelopment Plan

This vision statement provides the City with a general outline for future planning. I plan to develop a Fresh food initiative to increase the availability of fresh produce to economically disadvantaged and low-income Vance county residents.

I plan to develop the available acreage into a garden space with the purpose of growing vegetables to donate as well as sell to the surrounding communities. The fresh food initiative would allow for the donation and distribution of fresh fruit and vegetables to economically disadvantaged Vance county residents and low income households to include families experiencing situational food crisis such as loss of income or hardships.

Statistics obtained from the Granville Vance Public Health reflect an increase of county residents struggling to access fresh fruits and vegetables. Granville Vance Public Health conducted a Community Health Assessment that polled individuals in Vance and Granville counties to assess health outcomes. According to Granville Vance Public Health, "The vast majority of respondents in both counties eat fruits and vegetables at least once a day, and the majority eat vegetables two or more times a day. However, some residents struggle with food insecurity: 7.9% of households in Granville County and 7.1% in Vance County have cut the size of a meal, used a food pantry or sought reduced cost community meals, or skipped meals because there wasn't enough money for food. Feeding America estimates that 15.6% of households in Granville and 21.3% in Vance are considered to be food insecure, which means they lack access, at times, to enough food or to nutritionally adequate food for all members of the household (2018) ."

Fresh food initiative would include identifying family needs and providing referrals to local community collateral supports and programs within Vance and surrounding counties to increase nutritionally adequate food sources and assist individuals in supplementing food insecurities.

According to Granville Vance Public Health, "Vance County has higher mortality rates for heart disease and stroke than the state and peer counties, but the county is showing a downward trend for the diseases, along with Granville County and the state at large (2018)."

Access to fruits and vegetables can be expensive for individuals living below the poverty line. Being able to access fresh fruits and vegetables could significantly decrease the potential for developing conditions leading to heart disease or stroke.

Granville Vance Public Health. Year 2018. Retrieved from: <https://gvph.org/wp-content/uploads/2019/03/GVPH-2018-CHA-Report-Final-no-appendices.pdf>

The Center for Disease Control suggests, "Choosing healthy meal and snack options can help you prevent stroke. Be sure to eat plenty of fresh fruits and vegetables (March 27, 2018)."

Redevelopment Areas

Area identified to be included in the redevelopment plan is described as 4.96 acres at physical address 906 Health Center Rd. Henderson, NC. Parcel ID: 0093 03002.

Land pictured appears to include a tree lined area bordering a demolished parking lot. As a result, each area has unique development characteristics and varying needs as it relates to the desired type of redevelopment strategy.

- Given the broad section of trees on $\frac{3}{4}$ of the lot, trees would be removed by professional landscaping company.
- Remaining parking lot concrete rubble would be removed.
- Soil would be tested to address agriculture needs for growing.
- Land would be tilled and prepared for crops.
- City approved fencing would be installed to protect crops.

Proposed Revision – 2019
*Executive Summary***

The origin of the EOP dates back to 1976 in Vance County. Then it was called the Emergency Operations Plan for War and was written on a typewriter.

Having been revised several times over the years, 1986, 1990, 1992, 1994, 2002 and to a limited degree in 2009 the plan has seen a lot of changes but a good bit of the methodology has remained sound since its inception.

The plan is intended to serve as a daily guidance document that can be used for interagency coordination and planning but really only comes into play when it is enacted through the local Proclamation of a State of Emergency.

Having an approved EOP is also a federal requirement on which many federal grants are contingent.

Though the current rendition is 115 pages in total length, please look at this EOP as three (3) separate documents and a glossary of terms.

The first section is the Basic Plan. This section begins with tab C and it identifies our various hazards as well as different situations that could occur and outlines certain assumptions that we believe will exist as a result of those situations either by rational conclusion or real world experience. It speaks to the four (4) phases of Emergency Management and how they work together and to the way our jurisdiction is organized. Further, this section speaks to the authority given under the plan to the jurisdiction and to those whose responsibility it is to implement the plan. This section is the cornerstone of the EOP.

The second section begins with tab D and is the Roles and Responsibilities section. This section identifies all of the principal players and community leaders whose organizations play a vital role in single or multiple elements of the plan. Each individual now has their own page and signature line making it easier when a particular person leaves to have their replacement re-sign the document.

The third section begins with tab E and goes all the way through tab X. These are the functional elements of plan. This section of the EOP is structured so that each section can be its own standalone plan if needed. They are in alphabetical order making searching through them easier and each one references its corresponding document in the federal EOP also known as the National Response Framework. This document allows for the seamless integration of local and civilian assets with federal assets such as the US military. The glossary of terms begin with tab Y.

The plan contains no specific tactics. Rather it outlines roles and responsibilities for each agency and discipline. These agencies will work together and develop the tactics to carry out these tasks.

In order to better assist you with reviewing the document, we have highlighted all of our changes in yellow. Most of these changes are minor but some do have real substance and needed to change in order for the EOP to continue to function as well as possible.

We submit this plan to you now for your review and would like to come back and answer any questions that anyone may have at a later date.

2019 Vance County DSS Relocation Project Ordinance

BE IT ORDAINED by the Governing Board of the County of Vance, North Carolina that, pursuant to Section 13.2 of Chapter 159 of the General Statutes of North Carolina, the following capital project ordinance is hereby adopted:

Section 1. The project authorized is to pay the cost of financing engineering cost associated with the project. The County will enter into an installment financing agreement with a bank to provide funding for the project.

Section 2. The officers of this unit are hereby directed to proceed with the capital project within the terms of the budget contained herein.

Section 3. The following amounts are appropriated for the project:

Contracted Services	\$188,800
TOTAL	\$188,800

Section 4. The following revenues are anticipated to be available to complete this project:

Loan Proceeds	\$188,800
TOTAL	\$188,800

Section 5. The Finance Director is hereby directed to maintain within the Capital Project Fund sufficient detailed accounting records to satisfy the requirements of the grantor agency, the grant agreements, and federal regulations.

Section 6. Funds may be advanced from the General Fund for the purpose of making payments as due. Reimbursement requests should be made to the grantor agency in an orderly and timely manner.

Section 7. The Finance Director is directed to report, on a monthly basis, on the financial status of each project element in Section 3.

Section 8. The Budget Officer is directed to include a detailed analysis of past and future costs and revenues on this capital project in every budget submission made to this Board.

Section 9. Copies of this capital project ordinance shall be furnished to the Clerk to the Governing Board, and to the Budget Officer and the Finance Director for direction in carrying out the project.

Adopted this 5th day of August, 2019.

Report*

**RESOLUTION ACCEPTING BID FOR
COUNTY OWNED REAL PROPERTY**

WHEREAS, the Vance County Board of County Commissioners received an offer for the purchase and sale of County owned real property, which is more particularly described below:

803-809 N. Garnett Street, Henderson, North Carolina 27536, Vance County Tax Department Parcel Number 0075 03031.

WHEREAS, pursuant to NCGS 160A-269, a notice was published in the *Daily Dispatch* on **July 4, 2019**, stating that said offer had been received and that any person wishing to submit an upset bid should do so within 10 days; and

WHEREAS, no upset bids were received within the statutorily prescribed time period;

THEREFORE, BE IT RESOLVED by the Vance County Board of Commissioners, pursuant to NCGS 160A-269 that:

The bid submitted by **Tamer Attia** in the amount of **\$950.00** subject to the terms and conditions contained in the submitted bid, attached hereto as Exhibit "A", is hereby accepted for the property described herein and the Board's Chairperson shall execute the documents necessary to complete the transfer of title to such property.

Adopted this the 5th day of August, 2019.

Archie B. Taylor, Jr., Chairman
Vance County Board of Commissioners

ATTEST:

Kelly H. Grissom, Clerk to the Board

**RESOLUTION AUTHORIZING UPSET BID PROCESS
FOR SALE OF REAL PROPERTY
340 Davis Street, Henderson, NC 27536**

WHEREAS, Vance County owns certain real property with an address of **340 Davis Street, Henderson, North Carolina**, and more particularly described by the Vance County Tax Department as Parcel Numbers **0027 07015**; and,

WHEREAS, North Carolina General Statute §160A-269 permits the county to sell real property by upset bid, after receipt of an offer for the property; and,

WHEREAS, the County has received an offer to purchase the real property described herein above in the amount of **\$1,088.00** subject to the terms and conditions as included in the submitted offer to purchase bid, submitted by *Kevin Martinez-Galmiche*; and,

WHEREAS, *Kevin Martinez-Galmiche* has paid the required deposit in the amount of **\$760.00** with his initial offer.

THEREFORE, THE VANCE COUNTY BOARD OF COMMISSIONERS RESOLVES THAT:

1. The Board of County Commissioners declares the real property described above surplus and authorizes its sale through the upset bid procedure of North Carolina General Statute §160A-269.

2. A notice of the proposed sale shall be published which shall describe the property and the amount of the offer and shall require any upset offer be subject to the same terms and conditions as contained therein except for the purchase price.

3. Any person may submit an upset bid to the Clerk to the Board of County Commissioners within 10 days after the notice of sale is published. Once a qualifying higher bid has been received, that bid will become the new offer.

4. If a qualifying upset bid is received, a new notice of upset bid shall be published, and shall continue to do so until a 10-day period has passed without any qualifying upset bid having been received. At that time, the amount of the final high bid shall be reported to the Board of County Commissioners.

5. A qualifying higher bid is one that raises the existing offer by the greater of \$750 or ten percent (10%) of the first \$1,000.00 of that offer and five percent (5%) of the remainder of the offer and is subject to the same terms and conditions of the previous bid.

6. A qualifying higher bid must also be accompanied by a deposit in the amount of the greater of \$750 or five percent (5%) of the bid, which may be made by cash, cashier's check

or certified funds. The County will return the deposit of any bid not accepted and will return the bid of an offer subject to upset if a qualifying higher bid is received.

7. The terms of the final sale are that the Board of County Commissioners must approve the final high offer before the sale is closed and the buyer must pay with certified funds or wire transfer the bid amount and any other amounts as required pursuant to the terms and conditions of the bid at the time of closing, which shall be no later than 30 days following the approval by this Board of the final bid. The real property is sold in its current condition, as is, and the County gives no warranty with respect to the usability of the real property or title. Title will be delivered at closing by a **Non Warranty Deed**, subject to exceptions for ad valorem taxes, assessments, zoning regulations, restrictive covenants, street easements, rights of others in possession and any other encumbrances of record. Buyer shall pay for preparation and recording of the Deed and revenue stamps.

8. The County reserves the right to withdraw the property from sale at any time before the final high bid is accepted **and the right to reject all bids at any time.**

9. If no qualifying upset bid is received, the Board of County Commissioners will accept or reject the bid submitted within 60 days after the close of the 10-day upset period.

This the 5th day of August, 2019.

Vance County
County Manager's Report to the Board
August 5, 2019

A. Revised Fireworks Permit – City of Henderson. The board previously approved a fireworks permit for a fireworks display at Fox Pond Park on Friday, July 5th. Due to inclement weather, the show did not occur and a make-up date has been scheduled for Saturday, August 31st to correspond with the Labor Day holiday with a rain date of September 1st. The display will be handled by the same professional pyrotechnics firm (Zambelli Fireworks Mfg. Co.). The appropriate credentials and insurance coverage has been provided and the county fire marshal has approved the revised permit subject to board approval. *Recommendation: Approve request from the City of Henderson and Zambelli Fireworks Mfg. Co. for a permit to discharge fireworks at Fox Pond Park on Saturday, August 31, 2019.*

B. Resolution Formalizing General Fund Loan to Water Fund. As of the end of FY2019, the Vance County water system has undergone five years of operation. To date the system has a total of 1,635 customers with 1,228 metered customers committed to the system. Over this period the general fund has provided a total of \$1.67 million (est. subject to FY18-19 audit being completed) to the water fund with the general understanding that this will be repaid at such time that the water fund becomes self-sufficient. The interim finance director has recommended that we officially book this and future transfers as a loan to allow for future repayment to the general fund. The enclosed resolution to be approved by both the water board and board of commissioners will formalize this loan to the water fund to include allowing future repayment to the general fund. *Recommendation: Approve resolution formalizing and accounting for past and future general fund transfers to the water fund to include repayment at such time in the future when the water system is self-sufficient.*

RESOLUTION

Formalizing Past and Future County General Fund Loans to the Vance County Water District Water Fund and Authorizing Reimbursement for Said Loans as the Water System Becomes Self-Sustaining

WHEREAS, the Vance County Water District proceeded with construction of a new water system in Vance County and began serving customers in October, 2013; and

WHEREAS, since that time the County General Fund has subsidized the water fund as it begins to grow and add the necessary customers to reach a point of self-sustainability; and

WHEREAS, through FY2017-2018 a total of \$1,326,965.98 has been transferred/loaned to the water fund with additional amounts anticipated in future years until the water system becomes self-sustaining; and,

WHEREAS, the previous amounts transferred to the Vance County Water District were always understood to have been a loan to the Water District, and at such time as the Water District was financially able to repay these amounts, the same would be repaid.

WHEREAS the Vance County Board of Commissioners and the Vance County Water District wish to formally adopt this resolution to clearly establish the basis of the former and future transfers of funds to the Water District.

NOW, THEREFORE BE IT RESOLVED, THAT

1. The Vance County Board of Commissioners will, subject to their approval of the annual budget to determine any such amounts, continue to provide an annual allocation to the Vance County Water District's Water Fund to cover operations and debt service until such time as the water fund becomes self-sustaining.
2. The Vance County Water District Water Fund has and will continue to accept these funds as a loan with the stipulation that the proceeds will be repaid to the Vance County General Fund at such future time that the water fund becomes self-sustaining.

This, the 5th day of August, 2019.

Objectives	Outcomes
<p>1. Producers will increase sales of food locally to more agriculturally aware consumers through market development, producer and consumer education, and new farmer and infrastructure support.</p>	<ul style="list-style-type: none"> • Vermicomposting (Composting with earthworms) workshop was conducted with four small farmers. Post workshop evaluations from these farmers stated all four farmers increased their knowledge of vermicomposting. They also stated they would adopt vermicomposting recommendations taught by Cooperative Extension during the workshop.
<p>2. Agricultural producers, workers, food handlers and consumers will adopt safer food and agricultural production, handling, and distribution practices that reduce workplace and home injuries/illnesses, enhance food security, and increase the quality and safety of food that North Carolinians prepare and consumers.</p>	<ul style="list-style-type: none"> • Kerr-Tar Beekeepers held their July meeting with 10 members present. The meeting was devoted to future association plans and projects,insurance needs for beekeepers were discussed. • 4-H members learned kitchen safety and farm safety at our Farm to table and our Carlee Farm 4-H camp.
<p>3. Individuals and groups will acquire leadership and decision making capacities needed to guide and actively participate in local and state organizations.</p>	<ul style="list-style-type: none"> • 4-H members will participate in the democratic process at the 2019 NC 4-H congress when they vote their 2019-2020 NC 4-H state officers into office. • 4-H members will learn leadership skills in the various workshops offered at NC 4-H congress.
<p>4. Youth and adults will address community issues and/ or challenges through volunteerism.</p>	<ul style="list-style-type: none"> • 4-H members will package meals at the 2019 NC 4-H congress and be able to bring those meals back home to vance county and donate them to the ACT food bank.
<p>5. North Carolina's plant, animal and food systems will become more profitable and sustainable.</p>	<ul style="list-style-type: none"> • Vermicomposting (Composting with earthworms) workshop was conducted with four small farmers. Post workshop evaluations from these farmers stated all four farmers increased their knowledge of vermicomposting. They also stated they would adopt vermicomposting recommendations taught by Cooperative Extension during the workshop.

<p>6. Parents and caregivers will effectively use recommended parenting, self-care practices, and community resources.</p>	<ul style="list-style-type: none"> ● The IY Parenting Program is currently planning for the first session of 2019-2020 program year.
<p>7. Futures that Work: School to Career Pathways</p>	<ul style="list-style-type: none"> ● 4-H members learned about “value added products” and how to be an entrepreneur at the Carlee Farm 4-H camp. They learned how to take homemade goods and market them to turn it into a career. ● 4-H members will tour NCSU and will be encouraged to further their education during their time at NC 4-H congress.
<p>8. Youth and adult program participants will make healthy food choices, achieve the recommended amount of physical activity and reduce risk factors for chronic diseases</p>	<ul style="list-style-type: none"> ● 4-H members participated in Farm To table, a camp in which we learned about local foods, cooked the local foods, learned about healthy living, kitchen safety and did a lot of walking when we toured a farm! ● 4-H members participated in our Fishing Rodeo Camp and got lots of physical activity as a result.
<p>9. Consumers and communities will enhance the value of plants, animals, and landscapes while conserving valuable natural resources and protecting the environment.</p>	<ul style="list-style-type: none"> ● Kerr-Tar Beekeepers held their July meeting with 10 members present. The meeting was devoted to future association plans and projects, insurance needs for beekeepers were discussed.
<p>10. Community Outreach</p>	<ul style="list-style-type: none"> ● The Community Food Giveaway had another successful month serving the people of Vance County. Some of the products available were cucumbers, cantelope, water, etc. The food bank continues to be a great partner and provides our community with healthy, nutritious foods.

100 Waters Edge Loop
Henderson, NC 27537

Chairman, Vance County Board of Commissioners
122 Young St. Suite B
Henderson, NC 27536

Dear Col. Taylor

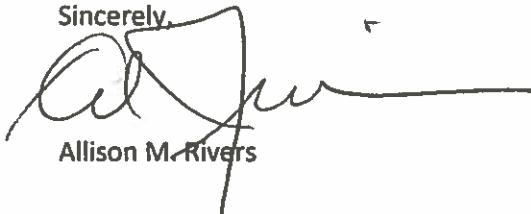

Hope this finds you doing great and things going your way.

I understand that my term on the Vance County EDC is up in August of this year. I herewith request to be reappointed to another term. I guess my best qualities are that I love Vance County, have a longstanding history of success here, and I want nothing more than for us to grow and prosper as a community. I feel this, along with my background and current situation put me in a position to bring something to the table and make a contribution.

Your consideration is appreciated. If you want to talk with me I am certainly available at your convenience.

I look forward to conversation soon.

Sincerely,

A handwritten signature in black ink, appearing to read 'Al Rivers', with a long horizontal line extending to the right.

I understand that any situation which may arise to cause conflict of interest may create serious ethical or legal implications if appropriate discretion is not exercised or responsible action is not taken.

I understand this application is public record and I certify that the facts contained in this application are true and correct to the best of my knowledge. I authorize and consent to background checks and to the investigation and verification of all statements contained herein as deemed appropriate. I further authorize all information concerning my qualifications to be investigated and release all parties from all liability for any damages that may result from this investigation. I understand and agree that any misstatement may be cause for my removal from any Board/Commission/Committee. I understand regular attendance to any Board/Commission/Committee is important and, accordingly, I further understand that if my attendance is less than the standards established for any such body that this is cause for removal. Lacking any written standards for attendance by any Board/Commission/Committee it is expected that I will attend at least 75% of all meetings during any one calendar year to maintain my seat on any Board/Commission/Committee to which I may be appointed. This form will remain on file in the Office of the Clerk and requests for updates will be sought prior to any consideration for reappointment (or future appointment) to any Board/Commission/Committee.

RESOLUTION
by the
Vance County Board of Commissioners
Changing the Date of the September 2019 Commissioners' Meeting

WHEREAS, the Vance County Board of Commissioners normally holds its regular meetings on the first Monday of each month at 6:00 p.m.; and

WHEREAS, North Carolina General Statute 153A-40 provides that in the event the Board of Commissioners desires to change the date and time of a regular meeting, that the Board may do so by adopting a resolution at least ten (10) days before such meeting; and

WHEREAS, the Vance County Board of Commissioners desires to change its regular meeting scheduled for Monday, September 2, 2019 at 6:00 p.m. to Monday, September 9, 2019 at 6:00 p.m.

NOW, THEREFORE, BE IT RESOLVED by the Vance County Board of Commissioners that it does hereby change its regular meeting date from September 2, 2019 at 6:00 p.m. to September 9, 2019 at 6:00 p.m. at the usual place, the Commissioners' Conference Room, Vance County Administration Building, Henderson, NC.

BE IT FURTHER RESOLVED that a copy of this resolution is to be posted on the Administration Building bulletin board, and the news media within Vance County is to be made aware of this change.

This, the 5th day of August, 2019

Archie B. Taylor, Jr., Chairman
