ANNUAL REPORT 2018

GRANVILLE VANCE public health

At Granville Vance Public Health (GVPH), we prevent disease and promote good health across the lifespan, across the community, and through policy and environmental change, so that making healthy choices becomes easier for everyone. GVPH offers the highest level of quality in our preventive and clinical care, environmental health services, and health promotion efforts.

In addition to our whole-person individual-level clinic care that offers patients the opportunity to visit with our doctors and nurses and behavioral health specialists, we see entire communities as our patients too. We assess our community regularly to determine the priorities we act on.

Public health recognizes the many factors that influence health and we cannot do this work alone. We work in collaboration with new and long-time partners in the community toward the common goal of healthy behaviors and a greater quality of life for all.

Our Vision

Inspiring a culture of health by improving your environment, your community and your health

Our Mission

Protect and promote health in Granville and Vance counties

Our Values

Collaboration, community, compassion, diversity, flexibility, integrity, quality, and respect

Making an Impact in Rural North Carolina

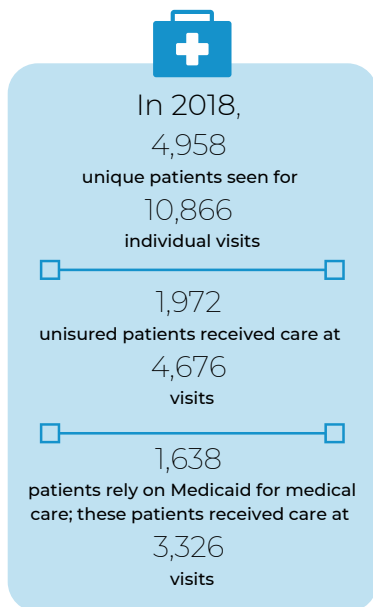

Granville Vance Public Health is a rural, academic health department. GVPH works to translate research into practice to protect and promote the health of its residents and to connect the northern Piedmont region to evidence-based programs and partnerships that bring new resources to the area. Every day, GVPH staff work to elevate the practice of local public health by bringing innovative approaches to address community health needs alongside essential public health services and proven strategies for improving health outcomes.

Working in Partnership

GVPH works with a variety of partners in local government, academia, and local human services agencies. We depend on partners who address the economic development, education, transportation, food security, and housing needs of the communities we serve. Academic partners help provide **capacity** to our underserved region, guide the use of evidence-based strategies and appropriate modifications to suit our rural population, and document the impact and outcomes of the work we do.

Primary Care

GVPH offers primary care to all adults and children, insured and uninsured. We offer everything from sick visits to chronic disease management, well child visits, and sports physicals. By offering comprehensive services to our clients, we can ensure appropriate follow up and truly be our patient's medical home. We are proud to offer care that is evidence-based and judgement-free.

Key Strategies

Systems Thinking

"Every system is perfectly designed to get the results it gets."
-Peter Batalden

Quality Improvement & Systems Change

"We cannot solve our problems with the same thinking we used when we created them."
- Albert Einstein

Science & Art of Public Health

"The health of the people is really the foundation upon which all their happiness and all their powers as a state depend."
- Benjamin Disraeli

Providing Comprehensive Clinical Care

Granville Vance Public Health provides a range of services through clinics in Oxford and Henderson.

- Primary care
- CenteringPregnancy® group prenatal care
- Breastfeeding promotion and support
- Child health
- Family planning
- Immunization
- Communicable disease services

Medication Assisted Treatment

GVPH was the first health department in North Carolina to offer medication assisted treatment (MAT) to treat individuals addicted to opioids. Dr. Shauna Guthrie, GVPH Medical Director, leads this program, using a chronic disease treatment model to provide comprehensive healthcare to those with opioid use disorder. By providing regular visits with a healthcare provider and linking individuals to behavioral healthcare and support resources, MAT reduces the risk of drug overdose and disease transmission and provides a proven solution to the opioid crisis.

Environmental Health

A healthy environment is central to increasing quality of life and years of healthy life. Poor environmental quality has its greatest impact on people whose health status is already at risk. Each member of the team is responsible for inspections for a number of specialty areas over 800 square miles. In 2018, the food and lodging team monitored 706 facilities. Our Environmental Health Specialists also provide permits for wells and septic systems across both Granville and Vance Counties. The on-site team issued 388 septic permits, 260 well permits, and collected 461 water samples last year.

GVPH Environmental Health Inspects

- Restaurants
- Residential Care Homes
- Swimming Pools
- Daycare Centers
- Hospital and School Cafeterias
- Tattoo Parlors

Financial Reporting

Maintaining Essential Services in a Changing Health Care Landscape

The more funds that GVPH receives, the more services and resources we can provide to the community. We have worked hard to partner with local, state and federal entities that can support and expand community health efforts in Granville and Vance counties. During our last fiscal year, GVPH managed over \$2,500,000 in grant funded projects. These funds help us support valuable community-based projects in both counties while also maintaining critical staffing. These grant dollars are essential to ensuring evidence-based care and health promotion practices extend into rural communities in Granville and Vance counties.

Carolina Fellows Family Dentistry

Oral health affects general health as oral disease causes considerable pain and suffering, often changing what people eat, their speech and their overall quality of life. In 2018, Granville Vance Public Health expanded to include a dental clinic. Carolina Fellows Family Dentistry serves the entire family, including children, adults and seniors. The staff is trained to provide preventive, restorative, and emergency services in a timely, caring and affordable manner. The clinic accepts Medicaid, NC Health Choice and private insurance. A sliding fee scale is available for individuals without dental insurance who meet the eligibility criteria.

Preparing for a New Model for Health Care

Responding to NC's Medicaid Transformation

In 2015, the NC General Assembly passed legislation for our state to transfer the direct management of certain Medicaid health services to private corporations or Pre-Paid Health Plans (PHPs). The actual transfer, or "transformation" from a public system to a private one, is taking place in Granville and Vance Counties in February 2020. North Carolina envisions Medicaid Transformation as an opportunity to establish a whole-person-centered, well-coordinated, and sustainable system that improves population health.

Granville Vance Public Health is preparing for this big change in how public health conducts patient care in a number of ways. As Medicaid Transformation happens, there will be opportunities to apply for a Healthy Opportunities Pilot that aims to find new ways Medicaid dollars can help pay for health outcomes beyond paying for medical care in a clinical setting. We are already working together with community-based organizations and small businesses to address factors that affect our health outcomes including: transportation, food security, housing, and inter-personal violence and trauma.

We look forward to trailblazing a new path forward for North Carolinians to access the resources necessary for a healthy life within our rural region. Together, we hope to learn how to optimize our spending of medical dollars to address community needs with compassion and creativity.

Women, Infants, and Children (WIC)

WIC, the Special Supplemental Nutrition Program for Women, Infants, and Children, is the nation's most successful and cost-effective public health nutrition program. It provides nutrition education, benefits for wholesome food, and community support to income-eligible women who are pregnant and post-partum, infants, and children up to five years-old. WIC participants receive nutrition education through one-on-one counseling with a nutrition professional in person or online. The education is interactive and tailored to meet the participant's needs. The program has transitioned to an electronic WIC benefit system called eWIC, which utilizes an eWIC card that enables the participant to access their families' food benefits at an approved WIC vendor. The monthly food value per participant averages \$41.24. Income eligibility for WIC is determined by household income. Those who receive SNAP benefits, Medicaid, or Temporary Assistance for Needy Families (TANF) meet the income eligibility for WIC.

Child Health

GVPH preventive health services are offered to children from birth to 21 years of age. Services are provided through newborn home visits, well child visits, and pediatric primary care clinics.

GVPH's Child Health Program conducted

1,346

visits for

799

children in 2018

Children are seen for their annual wellness exams based on the recommendations and guidelines of the American Academy of Pediatrics. Routine screenings and health guidance are provided by highly trained nursing, medical, social work, and nutrition staff. During these visits, children's vision, speech, hearing, and development can be screened. Additional evaluations for anemia risk, lead poisoning and lipid profile are based on age and risk assessment. Children can also be seen for acute or chronic conditions within our Pediatric Primary Care clinics. Care is coordinated to meet treatment and overall wellness needs.

Women's Health Services and CenteringPregnancy®

GVPH's Women's Health Services includes the Family Planning and Maternal Health Programs. GVPH provides family planning counseling, clinical services, including long-acting reversible contraceptives to residents at little to no cost.

CenteringPregnancy® brings 8-10 women all due at the same time together for group prenatal care. It is our evidence-based standard of care for all expecting moms, with groups offered in English and Spanish in both Granville and Vance counties. Providing care in this way allows moms and providers to get to know each other on a much deeper and meaningful level. Benefits include better health outcomes, moms more engaged in their own healthcare, more time with providers, increased self-confidence, support, friendship, and fun!

Creating a Culture of Health

A New Charge for Public Health

Public health practice is as much about convening community and changing systems as it is about providing respectful, trauma-informed care to individuals – we value both of these roles in Vance and Granville Counties. As chief health strategists, it is important for us to think differently about the ways we can affect entire systems and make health more equitable. Our role as public health practitioners is to bring partners together from various fields to address community health needs and provide expertise in data and grant writing.

The Health Promotion & Wellness team works to address community needs by simultaneously advancing policies and environments that support healthy choices and engaging individuals through outreach and education. The team collaborates with community stakeholders to plan and implement sustainable evidence-based interventions geared toward improving health outcomes.

Communicable Diseases

- 
- HIV Testing & Counseling
 - Sexually Transmitted Disease Testing & Treatment
 - NC Reportable Disease Surveillance & Investigation
 - Tuberculosis Testing & Monitoring
 - Animal Bite Reporting & Rabies Surveillance

Because communicable diseases can have so much impact on the population, the surveillance and control of such diseases is an important part of protecting the public's health.

GVPH Communicable Disease Nurses are responsible for following up on the initial notification of a reportable disease and beginning an epidemiologic investigation. Responsibilities of communicable disease nurses include:

- Collecting demographic, clinical, epidemiologic and sometimes case contact information
- Verifying that reported cases meet the reporting requirements
- Assuring that affected individuals and their contacts have received appropriate treatment.

Immunizations

Highlights of this work include:

Using the Community Health Assessment to determine our priorities for action

Advancing child health and preventing child obesity in Granville County through the Working on Wellness (WOW) Coalition

Implementing the Coordinated Approach To Child Health (CATCH) program in all elementary schools within Granville County Public Schools

Engaging law enforcement, jail administrators, public health, behavioral health systems to reduce the number of individuals with mental health issues in county jails across a 5 county area

Sustaining funding and organizational support for our teen pregnancy prevention program in Vance County

Building and expanding systems of care for families of children and youth with special healthcare needs to address needs related to education, screening, and patient-centered medical homes

Providing prescription drug take back events, facilitating access to naloxone – the opioid overdose reversal drug – and sending regular Opioid Action Updates to help the area respond to the opioid epidemic

Offering Diabetes Prevention classes in both English and Spanish, which are proven to help people with prediabetes prevent or delay development of type 2 diabetes

Community Health Assessment

*Identifying Important and
Actionable Community Health Priorities*

Every three years, Granville Vance Public Health conducts a Community Health Assessment (CHA) to collect community health information and to prioritize top community health issues. The CHA is the official way that public health investigates and diagnoses our patient - the whole community. GVPH conducted the 2018 Community Health Assessment for Granville and Vance Counties in partnership with the NC Institute of Public Health, Triangle North Healthcare Foundation, and a CHA Steering Committee.

Priority topic areas examined in the CHA included:

- **Access to health care**
- Community safety
- Education, health equity
- **Mental health and substance use disorder**
- Nutrition and physical activity
- Poverty and housing
- Teen pregnancy and sexually transmitted infections
- **Youth well-being**

Top three community health priorities

Over the course of nine months, the group gathered information directly from community residents through door-to-door surveys and reviewed existing county, state, and national data.

Poverty and health equity were identified as cross-cutting themes to be addressed through each priority area.

Accreditation with Honors

*Demonstrating a commitment to
providing quality essential public
health services*

The NC General Assembly established an accreditation system for local health departments to review the capacity of each health department to perform core functions and provide essential services. Granville Vance Public Health was recognized as an accredited health department with honors in December 2017. Local health departments receiving the honors designation excelled in their accreditation assessment, missing one or less activities within each of the 5 standards set by the NC Local Health Department Accreditation program – a total of 148 activities!

The next re-accreditation assessment for GVPH will occur in Fall 2021.

Responding to Adverse Childhood Experiences

Creating Healthy and Resilient Communities

Adverse childhood experiences, or ACEs, are traumatic experiences that occur early in life such as physical neglect and abuse, having a parent in prison, or living with someone abusing alcohol or drugs. When children experience adverse experiences early in life, toxic stress damages kids' developing brains and influences the risk of long-term health consequences, including heart disease and several types of cancer. Extensive research shows that ACEs create chronic unrelieved stress that affects central nervous system functions, while coping mechanisms, like smoking and overeating, provide short term releases, but have major long-term impacts on health.

Much more must be done to address health issues tied to chronic adversity, beginning in childhood. GVPH is working with local schools, social services, and the Triangle North Healthcare Foundation to educate our communities about the effects of ACEs and the impact of toxic stress on children's developing brains and bodies. Building local awareness of the need for trauma-informed services will help families engage in services to lessen the impact of toxic stress.

Granville Vance Public Health Board of Health

Granville Vance Board of Health members provide a tremendous service to their communities. Our Board of Health supports and advocates for public health practice in Granville and Vance counties. Volunteering their time to serve a multi-county district health department requires more responsibilities than individual county board members. They ensure budget sustainability and review policy while keeping the best interest of individuals and families across multiple communities in mind.

ABOUT THE CHA

Every three years, Granville Vance Public Health (GVPH) organizes a Community Health Assessment (CHA) to collect community health information and to prioritize top community health issues. The CHA is the official way that public health investigates and diagnoses our patient - the whole community.

We know the health of a community extends far beyond just measuring health outcomes and preventing disease. The conditions in which we live, learn, work, and connect with others, all have an enormous impact on our health. The CHA helps us better understand the most important and actionable issues to address to improve the health and well-being of Granville and Vance County residents.

DEMOGRAPHICS

Granville and Vance are rural counties, with the densest concentrations of population in southern Granville County and around Henderson and Oxford. The population of Granville County is 59,013, and there are 44,244 residents in Vance County. Wealth in Granville County is largely concentrated in the southern part of the county, and the differences in economic resources in different parts of the county can lead to unequal outcomes in health and other measures.

COMMUNITY ENGAGEMENT

Community input is a crucial part of the CHA. GVPH engaged community members at two stages of the process. The Community Health Opinion Survey (CHOS) engaged 352 randomly-selected residents to learn more about their personal health and their concerns for the community as a whole. Residents were also invited to participate in community forums to learn about concerns identified in local health data and to vote on which areas should be chosen as community health priorities.

A COLLABORATIVE PROCESS

GVPH conducted the 2018 Community Health Assessment for Granville and Vance Counties in partnership with the NC Institute of Public Health, Triangle North Healthcare Foundation, and a CHA Steering Committee. Over the course of 9 months, the group gathered information directly from community residents through surveys and forums and reviewed state and national data. The CHA team compared data points from Granville and Vance Counties to two peer counties: Franklin and Warren, which were chosen for their similarity to the district in geography, demographics and economic factors. Data was also compared to state rates, as well as Healthy North Carolina 2020 objectives.

COMMUNITY HEALTH PRIORITIES

Priority topic areas examined in the CHA included: access to health care, community safety, education, health equity, mental health and substance use disorder, nutrition and physical activity, poverty and housing, teen pregnancy and sexually transmitted infections, and youth well-being. After comparing all of these issues against each other in terms of their importance and the ability to influence them, the top three community health priorities were: **mental health and substance use disorder, youth well-being, and access to health care.** **Poverty and health equity** were identified as cross-cutting themes to be addressed through each priority area.

ACCESS TO HEALTH CARE

Access to health care is essential for improving health at the population level and is an important component of health equity. It includes availability, quality, and convenience of services, as well as residents' ability to reach and pay for needed care. Whether or not individuals have insurance, barriers include access to transportation and the many costs associated with health care, including co-pays, lab tests, prescriptions, and unpaid time away from work.

MENTAL HEALTH AND SUBSTANCE USE DISORDER

Addiction to drugs or alcohol is a chronic health condition, and those who suffer from it are at risk for early death, certain diseases, injury and disability. Mental health is an integral part of an individual's health and well-being. Those with poor mental health may have difficulties with relationships, school, work, recreation and self-care. Suicide rates for both Granville and Vance Counties have increased by more than 50% over the past eight years.

LIFE EXPECTANCY

Life expectancy estimates the number of years a person can expect to live in a certain place. Granville County is approaching the Healthy NC 2020 target for life expectancy, but Vance County lags behind Granville County, peer counties and the state for life expectancy.

AVERAGE LIFE EXPECTANCY

Granville County:	78.5 years
Vance County:	74.8 years
North Carolina:	78 years
Healthy North Carolina 2020 target:	79.5 years

> What is Disparity?

A type of health difference that is closely linked with social, economic, and/or environmental disadvantages. Social and economic disadvantages stem from characteristics historically linked to discrimination or exclusion related to race, ethnicity, religion, socioeconomic status, gender, mental health, sexual orientation, geographic location, or cognitive, sensory or physical disability.

MORE INFORMATION

The full CHA is available in hard copy and online at: <https://gvph.org/services/community-services/community-health-assessments/>. The complete document includes extensive data and discussion of the issues addressed in this summary, as well as a list of relevant community resources. To volunteer, make suggestions, advocate for public health resources, or request more information, call us at **919-693-2141 (Granville County)** or **252-492-7915 (Vance County)**, or go online to: <http://www.gvph.org>.

POVERTY

The CHA identified poverty as a key lens through which to examine all community health issues. Those living in poverty are most likely to live in unsafe neighborhoods, with limited access to healthy foods, employment options and quality schools.

% OF INDIVIDUALS LIVING IN POVERTY

Granville County: 16.5%

Vance County: 25.6%

North Carolina: 13.9%

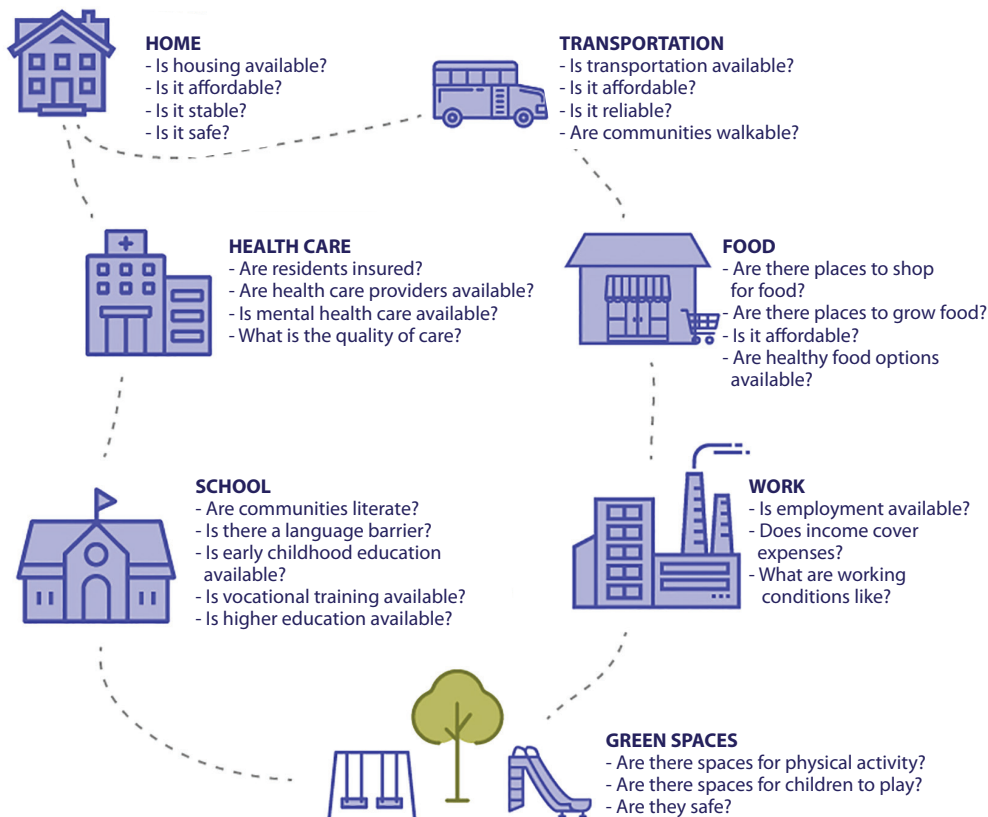

Healthy North Carolina 2020 target: 12.5%

YOUTH WELL-BEING

Childhood is a crucial time for physical, cognitive, and social-emotional growth. Ensuring the healthy growth and development of children is essential to ensuring a healthy future for our communities.

WHAT DETERMINES HEALTH?

The health of individuals and the overall communities are affected by the conditions in which they live, work, play, worship, and age. They include factors such as community safety, poverty, housing, education, and transportation. Health equity is achieved when every community member has the opportunity to attain their full health potential and no one's health is disadvantaged because of socially determined circumstances.

Public Hearing: Rezoning Request – Case RZ2016114-1
Big Ruin Creek Lake; Parcels 0404 03013 and 0404 03014

Request of Board: Approve Rezoning Request

DEPARTMENT OF PLANNING & DEVELOPMENT

PLANNING STAFF REPORT

December 9, 2019

Rezoning Request

STAFF PROJECT CONTACT: Angie Blount

EXPLANATION OF THE REQUEST

This is a request to rezone two parcels on Big Ruin Creek Road, currently zoned GC1 (General Commercial) to R30 (Residential Low Density).

BACKGROUND INFORMATION

The property has been zoned commercially since zoning was introduced in Vance County in 2011. At the time the parcels were assigned a commercial zoning designation, a nursery/greenhouse operation was located on the property. The property has not been used commercially since 2010. The applicant wishes to remove an old site built dwelling from one of the parcels, and replace it with a manufactured dwelling which will trigger the need to rezone the property to residential. The surrounding properties are zoned R30 and contain single family dwellings, with the exception of two parcels which are zoned OI (Office Institutional) which contain a church and a school. The rezoning of the applicant's property to residential will allow the applicant to have residential use of his property as he intended when purchased.

PLANNING BOARD PROPOSAL AND RECOMMENDATION

The planning board unanimously voted to recommend this rezoning at their regular meeting, Thursday, November 14, 2019. They commented that they felt the rezoning would place the property in the same category as surrounding properties.

STAFF COMMENTS AND RECOMMENDATION

Staff supports the rezoning of this property and believes it will have no negative impact on surrounding properties.

BOARD OF COMMISSIONERS

Whenever the Board of Commissioners makes a decision to adopt or to reject a zoning amendment, the board must approve a written statement describing whether the action is consistent with an adopted comprehensive plan. The statement must also address why the board considers the action taken to be reasonable and in the public interest. The board is not required to follow its adopted plans in zoning decisions, but must consider its reasons for deciding to follow the plan or not.

Draft Rationale for Board of Commissioners Approval: This rezoning is consistent with the character and land uses of the surrounding area and will promote residential development.

Vance County Water Board Report December 9, 2019

Committee Report

Purchase of Meters. The committee (Wilder[C], Brummitt, & Taylor) met on Monday, December 2, 2019 with Envirolink and were informed of the need to purchase additional water meters for the Water District's system in Kittrell. The Kittrell system utilizes a different meter type and electronic reading system from the remainder of the water district's system. Staff will be proceeding with the purchase of 24 meters at an estimated cost of \$8,000 from the water system budget, but it is anticipated that a budget amendment may be necessary later as this was not an expense included within the original budget this fiscal year. ***For Your Information.***

Committee Reports and Recommendations

Vance County
Committee Reports and Recommendations
December 9, 2019

Properties Committee

Carpet Replacement (Courthouse & Administrative Building). The committee (Brummitt[C], Taylor, & Wilder) met on Monday, December 2, 2019 to review quotes for replacement of carpet within two courtrooms at the courthouse as well as the hallways at the administrative building. The project is included within the capital improvement program (CIP) and is funded within the current year budget. The committee recommended proceeding with the low bidder (A.B. Hair Carpets) for both projects.

Recommendation: Award contract to A.B. Hair Carpets totaling \$30,538 for replacement of carpet in two courtrooms at the courthouse.

Recommendation: Award contract to A.B. Hair Carpets totaling \$29,652 for replacement of carpet at the administrative building.

Courthouse HVAC Unit Replacements. The committee reviewed bids for replacement of five HVAC units at the courthouse. The project is included within the capital improvement program (CIP) and is funded within the current year budget. The committee recommended proceeding with the low bidder (Gupton Services) for this 60 day project. ***Recommendation:*** Award contract to Gupton Services totaling \$56,935 for replacement of 5 HVAC units at the courthouse.

EDC Office Relocation – Lease Agreement. The committee reviewed a proposed lease agreement for moving the Economic Development Commission (EDC) department to space adjacent to the Sadie's Coffee shop on main (Garnett) street. The committee made note the existing space (500 square feet) on Graham Avenue is too small and is not visible, does not include space for a board room, and is leased at a higher per square footage rate. The new space includes 1,126 square feet at \$10 per square foot per year, will afford the opportunity for a board room/meeting space and is in a good location relative to downtown, the chamber of commerce, the downtown development commission and county offices. The lease is to begin January 1, 2020 or such time that the premises are ready for occupancy and accepted by the county and will run through June 30, 2023. The lease includes the cost of water and sewer utility service and staff anticipates potential minor costs for new furniture and moving expenses. The committee discussed the need for highly visible signage for the office and made note that the Economic Development Commission unanimously recommended moving to this location. The committee recommended moving forward with the lease. ***Recommendation:*** Approve lease agreement with Garnett Street Apartments, LLC for relocation of the Economic Development Office to the Sadie's Coffee Building in downtown Henderson subject to final attorney review.

District Attorney Office Renovation. The county manager presented a plan to renovate the courthouse to include additional space for growing staff at the District Attorney's (DA's) office. The plan would include renovating and converting the existing law library adjacent to the DA's office to create additional office space and a new public access point for the office. An existing space on the third floor of the courthouse adjacent to the courtroom could then be converted into the new law library. The Clerk of Court and the District Attorney are in agreement on the project. Staff anticipates a potential project cost of \$100,000 and intends to include this within the County's Capital Improvement Project prioritization for next fiscal year. ***For Your Information.***

Eaton Johnson Gym. The committee was informed the Henderson Parks and Recreation Department has inquired about using the gym at Eaton Johnson for the winter basketball season. The recreation department has an existing shared use agreement with the school system and has used the space in previous years at no cost. The manager informed the committee the recreation department would be using the space under the existing shared use agreement for this winter season while the county and school system finalize a deed for transferring the property to the county. In the meantime, a draft agreement will be developed with the city to allow the recreation department to utilize and manage use of the space in the future as the county has done for other county owned gym facilities (i.e. Old Aycock Gym). The committee was agreeable to the idea and suggested including provisions in the agreement for maintenance of the space as well as allowing the county priority use of the space when needed. ***For Your Information.***

Former Henderson Laundry. The committee was informed the city has an interest in working with the county to cleanup and remove the former Henderson Laundry facility at the corner of Chestnut and Andrews Avenue. The property has been in arrears on taxes since 2011 and the city will be working to determine potential cleanup options and costs utilizing the state's Dry Cleaning Solvent Cleanup Program. The program would cover the majority of cleanup costs outside and around the building limiting the financial impact for the city and county. The program does not cover demolition costs or cleanup cost for fluids within existing equipment or stored within the building. City staff will be determining final costs for cleanup and potential demolition and reporting back to the county. Depending upon timing of the city's research, this could be a potential budget item for next fiscal year. ***For Your Information.***

NORTH CAROLINA
COUNTY OF VANCE

LEASE AGREEMENT

THIS LEASE AGREEMENT ("LEASE AGREEMENT") is made and entered into as of the 1st day of January, 2020, by and between **Garnett Street Apartments, LLC**, (Landlord) and **Vance County, North Carolina**, Tenant.

Certain Definitions. The following definitions and specifications shall apply in this Lease Agreement:

1. **Building:** The structures located at 324 and 326 South Garnett Street, Henderson, North Carolina.
2. **Demised Premises:** Shall be the structure located at 326 South Garnett Street consisting of 1,126 square feet and further identified on the attached Exhibit "A", Office Plan.
3. **Term:** From the Commencement Date through June 30, 2023.
4. **Annual Rent** shall be as follows: \$10 per square foot per year
5. **Rental Commencement Date:** January 1, 2020 or such time following when the premises are complete, ready for occupancy and accepted by the Tenant.
6. **Security Deposit:** \$ n/a No security deposit shall be required nor has a security deposit been given.
7. **Use:** Tenant may use the Demised Premises for office purposes related to the stated goals and operations of Tenant, but for none other without Landlord's prior written consent, but in no event shall Tenant make use of the property which is in violation of any lawful governmental laws, rules or regulation insofar as they might relate to Tenant's use and occupancy of the premises, or which is or might constitute a nuisance or trespass to the other occupants of the building, or which increases the fire insurance premiums (or makes such insurance unavailable to Landlord) on the building.
8. **Renewal Option:** Tenant shall have an option to renew this lease for one additional Three (3) Year Lease Period following the initial term as set forth herein above at the rates set forth herein. Notice of intent to exercise such option will be given at least sixty (60) days prior to the expiration of the current term in writing to Landlord.

Lease of Premises. Pearson Holdings, LLC, is the owner of the real property described herein. Garnett Street Apartments, LLC subleases the real property owned by Pearson Holdings, LLC and therefore is the Landlord herein. Landlord, in consideration of the covenants and agreements to be performed by Tenant, and upon the terms and conditions hereinafter stated, does hereby rent and lease to Tenant, and Tenant does hereby rent and lease from Landlord, the Demised Premises

Up-fitting. Landlord is presently constructing and up-fitting the premises based upon the plans and specifications as shown on the final construction plans for the project. Tenant shall be required to install and bear all associated costs thereto for all required Tenant improvements ("Tenant Improvements") needed or required and not included on the referenced plans.

Rent. (a) Tenant shall pay to Landlord as rent, in legal tender of the United States, in the manner hereinafter provided, Annual Rent specified herein above, which shall be payable in equal monthly installments of one-twelfth of the Annual Rent in advance on the first day of every calendar month from and after the Rental Commencement Date and throughout the remainder of the Lease

Term.

Services to be Provided by Tenant. Landlord shall include and pay for water and sewer utility services. Tenant shall pay for all other utilities and services which it requires for its purposes.

Use. Tenant shall have the right to use and occupy the Demised Premises for the purpose described herein. In addition, the remaining portions of 320, 322 and 324 South Garnett Street shall be used only for residential purposes as shown on the referenced plans, and a retail coffee store with related accessory sales, and no other purpose unless approved by Tenant, which such approval shall not be unreasonably withheld but any activities which constitute a disturbance to Tenant's use shall not be approved.

Maintenance. Tenant shall be responsible for the maintenance, upkeep and replacement of Tenant's property and any repairs under \$100.00 to the Demised Premises. All repairs or aggregate thereof in excess of \$100.00 to the structure, and all systems, except for Tenant installed items, located in and connected to the leased premises shall be the responsibility of Landlord. Landlord and Tenant agree to promptly address any maintenance and repairs.

Insurance. Tenant shall, at no cost to Landlord, during the term of this Lease and any extensions thereto, keep in full force and effect a policy of public liability and property damage insurance with respect to the Premises, in which the public liability coverage shall not be for less than One Million and No/100 Dollars (\$1,000,000.00) per person and incident; and in which the property damage liability shall not be for less than Five Hundred Thousand and No/100 Dollars (\$500,000.00).

Default. The following events shall be deemed to be events of default by Tenant under this Lease Agreement: (i) if Tenant shall fail to pay within ten (10) days of when due, any installment of rent or any other charge or assessment against Tenant pursuant to the terms hereof, (ii) Tenant shall fail to comply in any material respect with any term, provision, covenant or warranty by Tenant under this Lease Agreement, other than the payment of the rent or any other charge or assessment payable by Tenant, and shall not cure such failure within thirty (30) days after written notice thereof to Tenant, unless such matter cannot reasonably be cured within thirty (30) days, in which event Tenant shall not be in default so long as Tenant undertakes such cure within thirty (30) days and completes such cure in a timely and diligent manner thereafter.

Landlord shall not be in default unless Landlord fails to perform obligations required of Landlord within a reasonable time, but in no event later than thirty (30) days after written notice by Tenant to Landlord.

Assignment – Sublease. Tenant may not encumber this Lease, and may not assign this Lease, sublet any part or all of the Demised Premises without the written consent of Landlord first had and obtained. Any assignment or sublease to which Landlord may consent (one consent not being any basis to contend that Landlord should consent to a further change) shall relieve Tenant of its obligations hereunder. In no event shall this Lease be assignable by operation of any law, and Tenant's rights hereunder may not become, and shall not be listed by Tenant as an asset under any bankruptcy, insolvency or reorganization proceedings. Tenant is not, may not become, and shall never represent itself to be an agent of Landlord, and Tenant expressly recognizes that Landlord's title is paramount, and that it can do nothing to affect or impair Landlord's title.

Destruction of the Premises. If the Premises, or any portion thereof, are at any time destroyed or damaged (including, without limitation, smoke and water damage) as a result of fire, the elements, accident or other casualty Landlord shall immediately begin to repair, reconstruct or rebuild the premises. During such time of repair and rebuilding, Tenant's rent shall be proportionately reduced by the area of the premises rendered unable to be used as needed by Tenant due to the destruction and rebuilding. Should the damaged and unusable area exceed 50% of Tenant's leased area, Tenant shall have the right to terminate this lease.

Landlord shall not be required to repair any injury or damage by fire or other cause, or to make any repairs or replacements of any leasehold improvements, fixtures, or other personal property of Tenant.

Quiet Possession. Upon Tenant paying the rent reserved hereunder and observing and performing all of the covenants, conditions and provisions on Tenant's part to be observed and performed hereunder, Tenant shall have quiet possession of the Premises for the entire term hereof, subject to all the provisions of this Lease.

Attorney's Fees and Exemptions. Should either Landlord or Tenant prevail in any legal or arbitration proceedings instituted for a breach of any provision of this Lease, the prevailing party shall be entitled to recover from the other party the costs and expenses incurred by the prevailing party with respect to that proceedings, including the prevailing party's reasonable attorney's fees at hourly rates customarily charged.

Time. Time is of the essence of this Lease Agreement, and whenever a certain day is stated for payment or performance of any obligation of Tenant or Landlord, the same enters into and becomes a part of the consideration hereof.

Subordination, Attornment and Non-disturbance. Landlord shall provide Tenant, and Tenant, upon request shall execute, an instrument as is reasonably required to provide for the subordination, attornment and non-disturbance of Tenant's lease to all secured parties.

Surrender of Premises. Upon the expiration or other termination of this Lease Agreement, Tenant shall quit and surrender to Landlord the Demised Premises, broom clean, in the same condition as at the Rental Commencement Date, reasonable wear and tear, damage by fire or other casualty and omitted repairs of the Landlord only excepted, and Tenant upon written notice from Landlord shall remove all of its personal property from the Demised Premises. Tenant's obligation to observe or perform this covenant shall survive the expiration or other termination of this Lease Agreement. Landlord may require Tenant to restore the Premises so that the Premises shall be as they were on the commencement date except ordinary wear and tear, provided that Tenant shall in no event be required to remove floor coverings, wall coverings, demising walls or other improvements constructed as part of the Tenant Improvements. Any personal property of the Tenant which shall remain in the Premises after the expiration or termination of the term or the Tenant's right of possession shall be deemed to have been abandoned by the Tenant and may be retained by the Landlord as its property or disposed of in such manner as Landlord may see fit; any proceeds from the sale thereof shall belong to the Landlord.

Early Termination. Tenant may have the option of early termination of this agreement provided Tenant has such a significant expansion in the employment of staff wherein the space presently leased, combined with any additional space available for rent at the then current rental rate will not be sufficient to accommodate such expansions in staff. Tenant shall, in accordance with the

notice provisions as set forth herein, provide notice at least six (6) months in advance of Tenant intention to exercise this option, and shall also include the final date of occupancy. Should Tenant exercise such option, all other terms and conditions as set forth herein shall apply.

Notices. All notices required or permitted to be given hereunder shall be in writing and shall be deemed given, whether actually received or not, on the third day after the date deposited, postage prepaid, in the United States Mail, certified, return receipt requested, and addressed to Landlord or Tenant at their respective address set forth hereinabove or at such other address as either party shall have theretofore given to the other by notice as herein provided or upon receipt if hand-delivered to such address.

Damage or Theft of Personal Property. All personal property brought into Demised Premises by Tenant, or Tenant's employees or business visitors, shall be at the risk of Tenant only, and Landlord shall not be liable for theft thereof, or any damage thereto, occasioned by any act of co-tenants, occupants, invitees or other users of the Building.

Severability. If any clause or provision of the Lease Agreement is illegal, invalid or unenforceable under present or future laws, the remainder of this Lease Agreement shall not be affected thereby.

Entire Agreement. This Lease Agreement contains the entire agreement of the parties and no representations, inducements, promises or agreements, oral or otherwise, between the parties not embodied herein shall be of any force or effect. No failure of either party to exercise any power given either party hereunder, or to insist upon strict compliance by either party with any obligation of the other party hereunder, and no custom or practice of the parties at variance with the terms hereof, shall constitute a waiver of each party's right to demand exact compliance with the terms hereof.

County Manager's Report

Vance County
County Manager's Report to the Board
December 9, 2019

- A. Surplus Property – Police Canine.** Sheriff Brame has requested that the Board declare police canine Richie as surplus property and allow him to be sold to his handler, Officer Bobby Martin for \$3,000. Officer Martin is leaving the Sheriff's Office and the Sheriff estimates canine Richie could provide two more years of service before retirement. The Sheriff's budget includes purchase of a new canine this fiscal year and the Sheriff anticipates they are in need of purchasing two canines in the future. ***Recommendation:** Declare police canine Richie as surplus property and sell him to his handler Officer Bobby Martin for the sum of \$3,000.*
- B. Resolution – Removal of Register of Deeds Records for Preservation.** The board approved a contract last month for preservation of vital records in the Register of Deeds Office. NC law requires approval from the board for removing the records for greater than 24 hours. The records will be taken to the office of Kofile in Greensboro for approximately 18-22 weeks to complete the preservation process. ***Recommendation:** Approve resolution authorizing documents to be removed offsite from the register of deeds office for purpose of preservation.*
- C. Joint Venture Agreement with City of Henderson.** The County is receiving bids for installation of water and sewer lines, and a roadway as a part of expanding the Henderson Vance Industrial Park. In order to proceed with the project, it is essential for the City to take ownership, operation, and maintenance responsibilities for the newly installed water and sewer lines as well as a proposed sewer pump station. Due to the stations close proximity to another pump station within the park, flow will be minimal and maintenance costs will be significant until new industry is recruited and added to the system. The joint agreement includes the city taking ownership of the lines and agreeing to operate and assume maintenance responsibilities for the lines and pump station as required by the state. To assist with a portion of initial maintenance costs, the county will provide \$22,500 to the City when the new construction is ready and able to be put in service. The \$22,500 will then be reimbursed to the county from future revenue generated on the sewer system. The City Council has already taken action to approve the agreement and county approval will allow the project to proceed subject to bids being within budget. The bid opening for the project has been moved to December 17th. ***Recommendation:** Approve joint venture agreement with the City of Henderson relative to a new pump station being installed for the Henderson-Vance Industrial park expansion.*

RESOLUTION
by the
Vance County Board of Commissioners
To Authorize Documents to be Removed Off-site from Register of Deeds Office
for Purpose of Preservation

WHEREAS, the Register of Deeds is an elected official with primary duties deemed to be a major custodian of records in county government, including maintenance and protection of such records; and

WHEREAS, Vance County Register of Deeds Cassandra D. Neal has determined the need for preservation of Original Marriage Licenses which are currently stored in the Vance County Register of Deeds Office dated from (1895-1920), whereas the years, number of records, and volume of pages including any documentary attachments as follows : (1895 (2), 1911 (1), 1912 (37), 1913 (250) Vol. 1 Pg.1-250, 1914 (266) Vol. 1 Pg. 251-516a, 1915 (263) Vol. 2 Pg. 1-263, 1916 (241) Vol. 3 Pg. 1-241, 1917 (344), Vol. 4 Pg. 1-334, 1918 (295) Vol. 5 Pg. 1-292; 1919 (1) Vol. 6 Pg. 1 and 1920 (13) Vol. 7 Pg. 1-13); and

WHEREAS, such preservation requires said records to be taken to the office of Kofile, in Greensboro, N.C., 18-22 weeks or until marriage preservation is completed; and

WHEREAS, North Carolina General Statutes 153A-436(b) only allows a register of deeds to approve removal of public records for a maximum of twenty-four hours, with a longer absence to be approved only by the board of county commissioners.

NOW THEREFORE BE IT RESOLVED, that the Vance County Board of Commissioners does approve the request of duly elected Vance County Register of Deeds Cassandra D. Neal for the removal from the Vance County Register of Deeds Office of Original Marriage Licenses dated from (1895-1920), whereas the years, number of records, and volume of pages including any documentary attachments as follows : (1895 (2), 1911 (1), 1912 (37), 1913 (250) Vol. 1 Pg.1-250, 1914 (266) Vol. 1 Pg. 251-516a, 1915 (263) Vol. 2 Pg. 1-263, 1916 (241) Vol. 3 Pg. 1-241, 1917 (344), Vol. 4 Pg. 1-334, 1918 (295) Vol. 5 Pg. 1-292; 1919 (1) Vol. 6 Pg. 1 and 1920 (13) Vol. 7 Pg. 1-13); and to be transported by Kofile staff to and from its Greensboro office for the purpose of preservation of said documents.

This, the 9th day of December, 2019.

Chairman
Vance County Board of Commissioners

STATE OF NORTH CAROLINA

COUNTY OF VANCE

THIS JOINT VENTURE PROJECT AGREEMENT, made and entered into this the _____ day of November, 2019 by and between the City of Henderson (a municipal corporation organized under the laws of the State of North Carolina and situated in Vance County, North Carolina), hereinafter referred to as "City"; and the County of Vance (a North Carolina political subdivision), hereinafter referred to as "County".

WITNESSETH:

WHEREAS, the City and the County have entered into several joint ventures and projects in the past; and

WHEREAS, the County is proposing to construct and install additional water and sewer infrastructure and service lines connected to the City of Henderson's systems to service the Henderson-Vance County Industrial Park expansion to aid in the economic development of the City of Henderson and Vance County; and

WHEREAS, the City and the County desire to enter into a joint venture project agreement relative to a new sewer pump station to be installed for the Henderson-Vance County Industrial Park expansion.

NOW, THEREFORE, for and in consideration of the mutual promises herein set forth (and the reliance to be placed by each party on the performance by the other), the City of Henderson and Vance County agree as follows:

- (1) Vance County shall be responsible for the construction and funding of the proposed water distribution and sewer collection system including a new sewer pump station located as shown in the plans and specifications that are [JMI] approved by the City to insure that it meets the requirements of the City to be considered for dedication to the City.
- (2) Upon the completion of the construction and installation of said infrastructure and lines, in accordance with the plans and specifications, including as-built drawings, the ownership of said infrastructure and lines will be tendered to the City of Henderson, and the City will, upon completion of the construction accept ownership and operations of said infrastructure and lines.
- (3) As partial consideration for operation of the proposed sewage pump station, Vance County shall pay to the City of Henderson Twenty-Two Thousand, Five Hundred Dollars (\$22,500) once the new construction is ready and able to be put into service to assist with the initial maintenance and upkeep of the pump station.
- (4) The City of Henderson agrees that once the sewer revenue from the newly constructed properties located within the Henderson-Vance County Industrial Park expansion exceed the equivalent of 1000 gallons per day, that the City will reimburse the County annually up to the amount paid by the County to the City.

The reimbursement payments shall be the amount in excess of the standard in-City sewer rates received during the previous fiscal year by the City system from the subject properties. The reimbursement to the County will end at the time the \$22,500 is paid to the County.

- (5) This Agreement may be amended only with the written consent of both the City of Henderson and Vance County (or their assignees).

IN TESTIMONY WHEREOF, THE CITY OF HENDERSON AND THE COUNTY OF VANCE have each caused this Agreement to be executed, all pursuant to authorities given by their respective governing bodies, this the day and year first above written.

Objectives	Outcomes
1. Producers will increase sales of food locally to more agriculturally aware consumers through market development, producer and consumer education, and new farmer and infrastructure support.	<ul style="list-style-type: none">• Kerr-Tar Beekeepers met on November 11, 2019 with 9 members attending. The educational program was on how to prevent other bees from robbing your hives honey.
2. Agricultural producers, workers, food handlers and consumers will adopt safer food and agricultural production, handling, and distribution practices that reduce workplace and home injuries/illnesses, enhance food security, and increase the quality and safety of food that North Carolinians prepare and consumers.	<ul style="list-style-type: none">• A regional workshop on Chainsaw Safety was held on November 15th at the Granville Expo. Approximately 25 woodland owners from Vance and Granville Counties received expert instruction on how to safely operate a chainsaw.• Garlic Production workshop was conducted with six small farmers attending. Post workshop evaluations stated all 6 farmers had increased their knowledge of Garlic production. The farmers also stated they would adopt Garlic production practices taught by Cooperative Extension during the workshop.
3. Individuals and groups will acquire leadership and decision making capacities needed to guide and actively participate in local and state organizations.	<ul style="list-style-type: none">• The Young Sprouts Garden Club hosted a business meeting in which they learned parliamentary procedure to make decisions in a business setting.
4. Youth and adults will address community issues and/ or challenges through volunteerism.	<ul style="list-style-type: none">• Vance County High School students came to volunteer at the Vance County Food Giveaway. Students assisted in feeding over 500 families.
5. North Carolina's plant, animal and food systems will become more profitable and sustainable.	<ul style="list-style-type: none">• Vance County Cooperative Extension celebrated Farm City Week on November 22nd, where approximately 80 people came out to recognize the contributions of agriculture and celebrate our farming community.
6. Parents and caregivers will effectively use recommended parenting, self-care practices, and community resources.	<ul style="list-style-type: none">• Incredible Years is off to an incredible start. We just started our second session on November 7th and both classes are full. We have eight parents in the first and 11 in the 2nd. We've created a Facebook page and are actively

	creating new community partnerships.
7. Futures that Work: School to Career Pathways	<ul style="list-style-type: none">• Young Sprouts Garden Club created a business the “Aycock Herbs” created business cards, discussed budget and prices, grew herbs in customized pots to market and sell at the farmers market. Once at the market the kids learned to count and manage money, customer service skills and got to experience the hustle and bustle of the market. This prepares them for ventures into sales and entrepreneurship in the future!
8. Youth and adult program participants will make healthy food choices, achieve the recommended amount of physical activity and reduce risk factors for chronic diseases	<p>EFNEP is hosting Adult classes at the office for Community Workforce Solutions teaching them healthy meal alternatives and the importance of a daily routine of physical activities. EFNEP has also paired with the Incredible Years program teaching how to prepare healthy meals. The Incredible Years adults should graduate from the program this month.</p> <p>The boys and girls club participated in Acres of Adventure with 4-H during afterschool programs. They learned where food comes from and how to turn it into healthy meals and grow things at home.</p>
9. Consumers and communities will enhance the value of plants, animals, and landscapes while conserving valuable natural resources and protecting the environment.	<ul style="list-style-type: none">• The training class for new Master Gardener volunteers concluded on November 5th, with eleven people completing the program. They will now join our group as interns, contributing service in our various educational projects over the coming year. They also continued to make improvements to the Memorial Garden at the Vance County Regional Farmers Market.
10. Community Outreach	<ul style="list-style-type: none">• EFNEP is reaching out to charter schools in the community to offer Health and Nutrition and Physical Activity classes while students are tracked out.

Board/Commission/Committee Applying For (list only one per form) Dentist - Public Health Board

Why are you interested in serving on this Board/Commission/Committee? was asked to.

Generally, the Board desires to broaden participation on Boards/Commissions/Committees for as much citizen involvement as possible; therefore, a goal is to limit appointees to no more than 3 Boards/Commissions/Committees. Therefore, please list any other Boards/Commissions/Committees on which you currently serve:

DO NOT SUBMIT RESUMES/ATTACHMENTS

Interests/Skills/Areas of Expertise/Professional Organizations/Activities:

Dental Academy of General Dentistry, American Dental Association, Numerous

Affirmation of Eligibility:

Has any formal charge of professional misconduct, criminal misdemeanor or felony ever been filed against you?

Yes _____ No ☒ If yes, please explain disposition: _____

Is there any conflict of interest or other matter that would create problems or prevent you from fairly and impartially discharging your duties as an appointee of the Board of Commissioners? Yes _____ No ☒ If yes, please explain: _____

I understand that any situation which may arise to cause conflict of interest may create serious ethical or legal implications if appropriate discretion is not exercised or responsible action is not taken.

I understand this application is public record and I certify that the facts contained in this application are true and correct to the best of my knowledge. I authorize and consent to background checks and to the investigation and verification of all statements contained herein as deemed appropriate. I further authorize all information concerning my qualifications to be investigated and release all parties from all liability for any damages that may result from this investigation. I understand and agree that any misstatement may be cause for my removal from any Board/Commission/Committee. I understand regular attendance to any Board/Commission/Committee is important and, accordingly, I further understand that if my attendance is less than the standards established for any such body that this is cause for removal. Lacking any written standards for attendance by any Board/Commission/Committee it is expected that I will attend at least 75% of all meetings during any one calendar year to maintain my seat on any Board/Commission/Committee to which I may be appointed. This form will remain on file in the Office of the Clerk and requests for updates will be sought prior to any consideration for reappointment (or future appointment) to any Board/Commission/Committee.
