Vance County Broadband Project Update – March 19, 2020

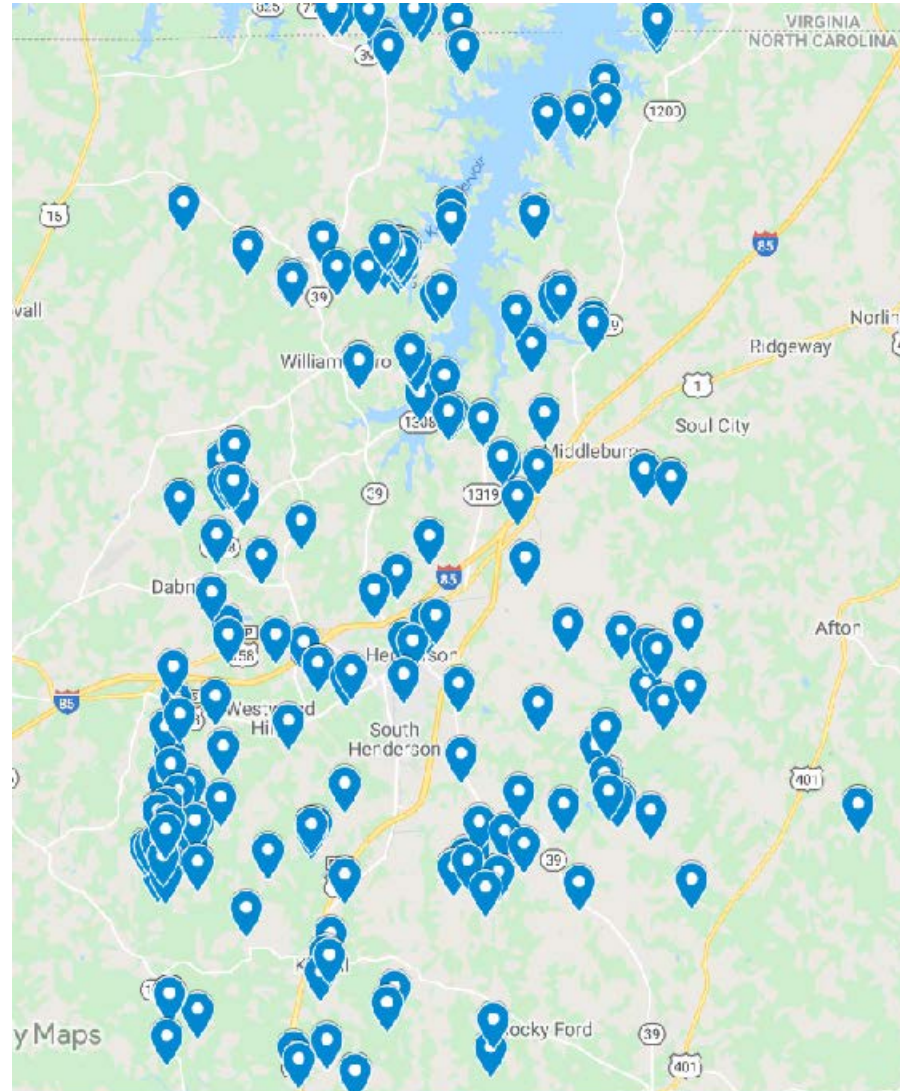

The construction phase has begun.

- A Tower Lease Agreement has been signed for Vance County Water District towers
- A Tower Lease Agreement has been signed with a radio station for access to their privately owned tower.
- Fixed-wireless RF Propagation maps have been created for signal coverage at 3.65 GHz, 5 GHz, and 11 GHz frequencies from each tower, and equipment lists were finalized.
- Met with the Henderson-Vance County Economic Development Commission and presented the scope of the project and discussed how businesses can participate in the broadband expansion.
- Created and distributed a joint marketing flyer with Vance County.
- Presented to Vance County Commissioners on Nov 4.
- Established monthly planning and update meetings with county officials.
- Joint planning of public Wi-Fi zones is in process.
- Open Broadband hired an Area Manager, Alan Helias, who will be overseeing the project.
- Open Broadband created a signup page: <https://openbb.net/vanceco/> As of March 13, 298 sign ups.

Upcoming work plan:

- Identify and define county owned tower locations
- Turn up fiber circuit
- Configuration of all equipment, testing, and initial customer service activation
- Contact with Envirotech for water towers located at Warrenton Rd., Hwy 39 & Morgan Rd., Kittrell

Website Signups: 330 as of May 8, 2020

How it Works

Step 1

Signal Check

An Open Broadband representative will perform a site evaluation to determine if your residence is a candidate for service. If your home is serviceable the representative will let you know what packages and speeds are available.

Step 2

Installation

An Open Broadband installation representative will come to your home to determine the best location for optimal signal and speed. Installation of the high speed fixed wireless antenna will take approximately 1-3 hours.

Step 3

Getting Connected

After installation is complete the Open Broadband representative will setup the provided WiFi router and assist you with connecting your devices. Though we do provide home WiFi routers you may elect to configure and use your own.

Free Public Wi-Fi Zones

Proposed - Henderson Downtown

Leveraging High-Speed Internet

WRAL Weathercam in downtown Angier with 50 Mbps service

Digital Kiosk in downtown Belmont NC with 200 Mb service

Next Steps

- Activate fiber circuit
- Install equipment on towers
- Configure and test equipment and coverage area
- Configure OSS (support, billing, etc.)
- Turn up initial customers early summer
- Initiate Communications Plan
- Initiate Monthly Project Review calls

Setting Expectations

- This will take a while...
- It is not first-in, first-out. Service activations will depend on network readiness for each area
- We won't be able to serve everyone
- Hub sites will be needed to fill in gaps
- Most service will be 25 Mbps
- We will need to hire additional installers

Customer Activations

We are continuing to progress with customer activations in Cedar Grove. We have activated multiple homes on Jessie Lane and have also begun extending service to residents on Lees Chapel Rd. West of the Ruritan Club has been a challenging area for us due to the density of the woods/trees behind the club. Fortunately we have found a path via the Eno River Coon Hunters Association to add a microPOP and extend service westward on Lees Chapel Rd, towards Oakley Rd. We are still reviewing other network enhancement options to reach further down Lees Chapel and also serve homes on Oakley Rd.

We were able to complete one activation on Birdsong Ln. However, the signal was not yet satisfactory to establish a hub home/microPOP. In the remainder of October, we will continue our efforts and network enhancements to serve more homes on Dawn Dr and Birdsong Ln.

Public Hearing: Rezoning Request – Case RZ20200109-1
20.06 Acres on Bullocksville Park Road; Parcel 0586 01010

DEPARTMENT OF PLANNING & DEVELOPMENT

PLANNING BOARD

PLANNING STAFF REPORT

Rezoning – 20.06 acres on Bullocksville Park Rd from AR (Agricultural Residential) to GC1 (General Commercial).

Case RZ20200109-1: CONTINUATION

STAFF PROJECT CONTACT: Angie Blount

March 12, 2020

EXPLANATION OF THE REQUEST

The applicant recently submitted an application for a Conditional Use Permit to operate a rodeo with other family entertainment options, on 120 acres on Bullocksville Park Rd. The request was to operate twice per month from March through November, however, the inclusion of a permanent rodeo structure as well as permanent playground equipment made it necessary for the property to be zoned Commercial, or for the equipment to be temporary. The applicant has chosen to ask for a rezoning of the property rather than to proceed with a Conditional Use Permit and temporary structures. Upon obtaining a recommendation and then an approval of the rezoning, the applicant must also obtain a Conditional Use Permit, as their intended use of the property, Amusement, Outdoor, requires. **The applicant has revised the acreage to be rezoned to 20.6 acres.**

OWNER/APPLICANT

Applicant: Guillermo Rangel Montiel
Blanca Arriga Sotelo
Sandra Faulkner Lawhorne

IMPACTS

The properties that surround this 20.6 acre tract on Bullocksville Park Road are all residentially zoned, either R30 or AR. The property also borders Kerr Lake Property in the rear. The impacts of a commercial rezoning to surrounding property could be minimal or great depending on the use.

STAFF COMMENTS

The allowed uses listed in the Permitted Use Table for property zoned General Commercial vary. Some uses require a Conditional Use Permit as well and could have additional requirements placed by the Board of Adjustment.

The planning board should consider the following factors in deciding this case:

- A. The proposal will place all property similarly situated in the area in the same category, or in appropriate complementary categories.
- B. There is convincing demonstration that all uses permitted under the proposed zone classification would be in the general public interest and not merely in the interest of an individual or small group.
- C. There is convincing demonstration that all uses permitted under the proposed zone classification would be appropriate in the area included in the proposed change. (When a new zone designation is assigned, any use permitted in the zone is allowable, so long as it meets zone requirements, and not merely uses which applicants state that they intend to make of the property involved.)
- D. There is convincing demonstration that the character of the neighborhood will not be materially or adversely affected by any use permitted in the proposed change.
- E. The proposed change is in accord with the County Land Use Plan and sound planning principles.

PLANNING BOARD RECOMMENDATION: To approve with the condition that the private access easement leading to the 20.687 acres be brought to a 60' width.

BOARD OF COMMISSIONERS

Whenever the Board of Commissioners makes a decision to adopt or to reject a zoning amendment, the board must approve a written statement describing whether the action is consistent with an adopted comprehensive plan. The statement must also address why the board considers the action taken to be reasonable and in the public interest. The board is not required to follow its adopted plans in zoning decisions, but must consider its reasons for deciding to follow the plan or not.

Draft Motion and Rationale for Board of Commissioners Approval: Motion to approve the rezoning request on the basis that it is reasonable and consistent with the county's land use plan by promoting the county's agricultural character.

Draft Motion and Rationale for Board of Commissioners Disapproval: Motion to deny the rezoning request on the basis that the uses allowed within the proposed zoning category would not be consistent with the surrounding zoning and current uses.

Subject: My letter to Planning Board

REZONING

January 9, 2020

Vance County Planning & Development Department

156 Church Street

Henderson, NC 27536

Angela Blount,

My comments are in regard to the rezoning request for the 120 acre property referred to as pin number 0586 01010 owned by Montiel and Sotelo. The schedule hearing January 9, 2020.

When individuals purchase property they do so with the understanding that the property is zoned for specific usage. They understand that its usage has been "pre-determined" in order to safeguard that a usage will not be proposed that adversely affects both the contiguous neighbors but the community at large. In other words, they knew prior to purchase what the property could be used for. It is also true that they have a right to appeal the zoning to the Planning Board which can recommend to the Board of Commissioners the classification be modified.

As an adjacent property owner I *personally* have no objection to the owner having a rodeo facility which is what I understand is their intended usage. Others may! What I do object to is the property being reclassified to GC1 (General Commercial) as that very broad definition would allow usages that are inconsistent with what Vance County had previously established to be the proper zoning classification.

While the owner may have honorable and desirable intentions, the concern that I have is that once the property is rezoned you must consider that they could utilize the property for whatever the zoning restrictions would potentially allow. **It is not about what they say they are going to do, it is all about what THEY, or future owners, could POSSIBLY do with it.** Changing the zoning opens the door to an uncertainty that must be addressed.

My concern is that the broad definition of GC1 would allow usage that is potentially devastating to area residents and a much larger community. My specific objection is that the GC1 classification would allow such usages as a Junk Yard. Protecting the existing community from the adverse impact this type of usage would create currently exists as AR (Agricultural Residential). **Subjecting the critically vital Kerr Lake watershed to hazardous runoff would be the result of a change to GC1.**

If the owner wants to host a Rodeo and the residents of this area pose no objection then I say "saddle up" **IF...and only IF...** the Planning Board can accommodate that request in a manner that does not open the door for other usages that may disrupt the community and pose harm.

My point is simply this...make certain that the Vance County Planning Board does not take any action that effectively broadens the zoning in such a way that the actual or potential usage could create bigger concerns in the future.

Public Hearing: Proposed Economic Development Incentive Grant

Public Notice

The Vance County Board of Commissioners will hold a public hearing on June 1, 2020 at 6:00 p.m. or shortly thereafter in the Commissioners' Meeting Room, County Administration Building, 122 Young Street, Henderson, NC. In accordance with North Carolina General Statute 158-7.1(c), the purpose of the hearing will be to receive public input on a proposed economic development incentive expenditure to be considered for the expansion of DLP Maria Parham Medical Center, LLC. In return for the commitments of expanding the Cardiac Cath Laboratory and adding 25 Qualified, permanent full time jobs in Vance County; it is proposed that Vance County will provide an Economic Development Grant to DLP Maria Parham Medical Center, LLC, in the maximum amount of \$50,765.60 over a five year period. All persons interested in this matter are invited to attend this public hearing and present their views.

Any person wishing to comment in writing regarding this matter may do so up to 24 hours after the close of the public hearing on June 1, 2020. Written comments may be submitted to Kelly Grissom, Clerk, by email, fax or regular mail: kgrissom@vancecounty.org; 252-738-2039; or 122 Young Street, Suite B, Henderson, NC 27536. To observe the meeting online, please go to <http://www.vancecounty.org/events/vance-county-board-of-commissioners-regular-meeting/> and follow the link provided.

This notice was published on May 20, 2020.

**AGREEMENT
FOR JOB CREATION AND ECONOMIC DEVELOPMENT IN
VANCE COUNTY, NORTH CAROLINA**

June , 2020

This Agreement (“Agreement”) is entered into, effective as of June , 2020, by and between DLP Maria Parham Medical Center, LLC (the Company) and Vance County, (County) and describes the agreement among the parties relating to an economic development project to assist the Company in the location of a manufacturing and distribution facility at the Site (as defined below).

Recitals:

- A. The County is vitally interested in the economic welfare of its citizens and the creation and maintenance of sustainable jobs for its citizens in strategically important industries and therefore wishes to provide the necessary conditions to stimulate investment in the local economy and promote business, resulting in the creation of a substantial number of jobs at competitive wages, and to encourage economic growth and development opportunities which the County has determined will be made possible pursuant to the Project (as defined below).
- B. The Company is engaged in the operation and provision of healthcare, and is in the process of constructing a new Cardiac Cath Lab.
- C. The Company has proposed to make a capital investment of at least Two Million Dollars (\$2,000,000.00) at the Site in the form of building a new Cardiac Cath Lab, and an additional investment of at least One Million, Two Hundred Thousand Dollars (\$1,200,000.00) in equipment and business personal property. These additional investments are referred to herein as the “Project.” The Company represents that the Project will include taxable real estate improvements having an initial taxable value of at least \$2 million for real estate and \$1.2 million for business personal property, will create at least 25 local Qualified Jobs (as defined below) as a result of the Project at an average salary of \$60,580 per year, plus benefits (Employment Benchmark).
- D. The County recognizes that the Project will bring direct and indirect benefits to the City of Henderson and the County, including job creation and retention, further economic and employment diversification and stimulus, increased healthcare services available and an increased level of skilled healthcare professionals locally, and has offered economic development incentives (the “Local Incentives”) to induce the Company to locate the Project at the Site.

- E. The Company fully intends to further, through the Project, an important presence in the City and the County by employing local employees and making a substantial investment in the Project and in the training and development of those employees. The County hereby acknowledges that the terms of this Agreement, including specifically the Local Incentives and other assistance described in this Agreement, constitute a dispositive inducement to the Company to locate the Project at the Site. Similarly, the Company hereby acknowledges that its decision to locate the Project at the Site resulted from the County's offer of Local Incentives and other assistance described in this Agreement.

Now, therefore, for and in consideration of the mutual covenants and agreements set forth herein, the parties hereby agree as follows;

- I. Local Economic Development Incentives** – In consideration of the Company's agreement to locate the Project at the Site, the County will provide the following Local Incentive to the Company, which is in addition to any other economic incentives provided by other organizations.

- A. Local Economic Development Incentive Grants** – For a period of five (5) years beginning with the first fiscal year of the County the Company first pays property taxes on the Project, the County will provide a Local Economic Development Incentive Grant consisting of five Annual Incentive Grant Payments in a cumulative amount not to exceed \$35,600 in Ad Valorem property tax and \$15,165.60 in Business Personal Property taxes, for a total of \$50,765.60 (the "Maximum Total Grant"), in the manner permitted by North Carolina law, which amounts shall be expended only in accordance with N.C.G.S. 158-7.1 and other applicable federal, state and local laws. By way of explanation, it is anticipated the Project will be complete by December, 2020 and the first grant payment will be February, 2022.

1. Payment shall be conditioned upon the execution of all of the Grant Agreements and the continued performance of all requirements of said Grants and payments of all Vance County Ad Valorem Taxes due.
2. The amount of the Annual Incentive Grant payment for each year shall be paid after the current ad valorem taxes have been paid, but shall not be sooner than January 31.
3. The maximum amount of any Annual Incentive Grant Payment shall not exceed \$10,964.80.
4. Such Annual Incentive Grant Payments shall be determined based upon the Ad Valorem Taxes paid during the County fiscal year on the Company's investments pursuant to this agreement as shown by submissions from the Company of appropriate documentation as requested by the County.

5. A Qualified Job shall be defined as employment by the Company in a permanent, full time position directly connected to the Project, with an average salary of \$60,580 per year, plus benefits
- B. Payment and retention of County Annual Incentive Grant Payments is contingent upon the Company achieving the Project investment goal and taxable valuations and achieving and maintaining employment goals. The Company shall be entitled to the full amount of the Maximum Total Incentive Grant described in paragraph A above only if within twenty four (24) months after the execution of this agreement (i) it has a minimum increase of \$3.2 million in taxable improvements and business personal property from the Project, (ii) it has employed and maintained the Employment Benchmark, and (iii) it is not in arrears in the payment of its annual Ad Valorem property taxes. The Company shall submit to the County Manager, annually during such five-year period, a written statement containing such information as shall be sufficient to reasonably ascertain whether such conditions have been met. Payment of County funds will be proportionately reduced if Company fails to achieve or maintain these commitments in accordance with the methodology described below.
- C. **Investment Step-Down.** In the event the Company does not achieve the \$3.2 million investment threshold within the two years from the execution of this agreement, the “Maximum Total Grant” shall be reduced by the same percentage as such shortfall.
- D. **Employment Step-Down and Claw Back.** Subject at all times to the Maximum Total Grant, Company’s failure to hire and maintain the Employment Benchmark within the ten year period following the first Annual Incentive Grant Payment shall result in the repayment of the Incentive Grant to be calculated as follows:
- (a) For failure to maintain the Employment Benchmark during the five years following the first Annual Incentive Grant Payment, all Incentive Grant Payments made pursuant to the agreement shall be repaid to the County, by the Company.
 - (b) If Company fails to maintain the Employment Benchmark during any calendar year during calendar years six through ten following the first Annual Incentive Grant Payment, the actual number of employees shall be divided by 25. The resulting figure shall be subtracted from 1.00. This new figure shall be the percentage reduction of the Maximum Incentive Grant to be assessed against and repaid by Company, up to the Maximum Local Grant previously paid.

II. Other provisions

- A. **Reimbursement and Refund** – If the Company ceases operations at the Facility or otherwise ceases to use the Site for the purposes contemplated herein, in either case within ten years after the first annual incentive grant payment, for any reason other than nonperformance by the County of its covenants under this Agreement, then, at the County’s request, the Company will refund to the County, a percentage of the Incentive Grant previously paid to the Company, in each case depending on the year in which the Company ceases operations at the Facility as determined in the following table:

Reimbursement	
<u>Year</u>	<u>Percentage</u>
1-5	100%
6	50%
7	40%
8	30%
9	20%
10	10%

- B. **Adverse Change** – The parties acknowledge that the Project is mutually beneficial and supports the substantial investments in the Project by each party as outlined herein. The Project (including the Local Incentives in Inducement thereof) is based on current laws, policies, regulations and commitments. If during the term of the Project, the benefits to the parties as contemplated herein are successfully challenged or are adversely affected by changes resulting from legislative changes or administrative or judicial interpretation of laws, policies or regulations, the parties will, to the extent permitted by law, amend the Project and the Local Incentives so the parties receive at least the same benefits contemplated herein as if such laws, policies, regulations and commitments, or the interpretations thereof, have not changed.
- C. **Changes in Law** - In the event any applicable law, policy or regulations applicable to the Company adversely affects or impacts the effective operation of the Project, the County will endeavor to amend such law, policy or regulation to facilitate effective operation of the Project, so long as such amendment is in the interest of the County and the public.
- D. **Further Action** – The parties acknowledge that the Local Incentives and other assistance described in this Agreement are subject to further actions legally necessary under North Carolina law to implement the Agreement in a lawful manner. The parties agree that if this Agreement is challenged in a court of law, they shall cooperate in defense of Agreement.

- E. **Entire Agreement; Amendment; Authority** – This Agreement is the entire agreement between these parties as to the subject matter referenced herein, without regard to any prior agreements, understandings or undertakings (whether oral, written, electronic or otherwise), and no amendment may be made to this Agreement except with the prior written consent of all parties. The parties, and each person executing this Agreement on behalf thereof, represent and warrant that they have the full right and authority to enter into this Agreement, which is binding, and to sign on behalf of the party indicated, and are acting on behalf of themselves, their constituent members and the successors and assigns of each of them.
- F. **Applicable Law; Construction** – This Agreement shall be governed by and construed in accordance with the laws of the State of North Carolina, without regard to any construction arising from the application of conflicts or choice of law principles, and without regard to any construction arising by virtue of the negotiation or the persons who drafted this Agreement. References to each constituent member comprising the “Community” shall collectively refer to, bind and include their respective representatives, governing boards, the members of such boards and the successors and assigns of each of them, in each case in their official capacities. Furthermore, NO PROVISION OF THIS AGREEMENT SHALL BE CONSTRUED OR INTERPRETED AS CREATING A PLEDGE OF THE FAITH AND CREDIT OF THE COUNTY WITHIN THE MEANING OF ANY CONSTITUTIONAL DEBT LIMITATION. NO PROVISION OF THIS AGREEMENT SHALL BE CONSTRUED OR INTERPRETED AS DELEGATING GOVERNMENTAL POWERS NOR AS A DONATION OR A LENDING OF THE CREDIT OF THE CITY OR COUNTY WITHIN THE MEANING OF THE CONSTITUTION OF THE STATE OF NORTH CAROLINA. THIS AGREEMENT SHALL NOT DIRECTLY OR INDIRECTLY OR CONTINGENTLY OBLIGATE THE COUNTY TO MAKE ANY PAYMENTS BEYOND THOSE APPROPRIATED BY THE COUNTY FOR ANY FISCAL YEAR IN WHICH THIS AGREEMENT SHALL BE IN EFFECT. NO PROVISION OF THIS AGREEMENT SHALL BE CONSTRUED TO PLEDGE OR TO CREATE A LIEN ON ANY CLASS OR SOURCE OF THE COUNTY’S MONIES, NOR SHALL ANY PROVISION OF THE AGREEMENT OPERATE BEYOND ITS INTENDED SCOPE SO AS TO RESTRICT, TO ANY EXTENT PROHIBITED BY LAW, ANY FUTURE ACTION OR RIGHT OF ACTION ON THE PART OF THE CITY OR THE COUNTY GOVERNING BODY. TO THE EXTENT OF ANY CONFLICT BETWEEN THIS SECTION AND ANY OTHER PROVISION OF THIS AGREEMENT, THIS SECTION SHALL TAKE PRIORITY. THE COUNTY HAS HAD THIS AGREEMENT, AND THE INCENTIVES CONTEMPLATED HEREUNDER PRE-AUDITED TO ENSURE COMPLIANCE WITH THE BUDGETARY ACCOUNTING REQUIREMENTS (IF ANY) THAT APPLY. THIS AGREEMENT IS

CONDITIONED UPON, AND SHALL NOT BECOME OPERATIVE UNTIL, ANY REQUIRED PRE-AUDITED CERTIFICATION IS SUPPLIED.

- G. **Severability** – If any court of competent jurisdiction holds any provision of this Agreement invalid or unenforceable, then (a) such holding shall not invalidate or render unenforceable any other provision of this Agreement, unless such provision is contingent on the invalidated provisions; and (b) the remaining terms hereof shall, in such event, constitute the parties' entire agreement.
- H. **Assignment** – The Company shall not assign this Agreement or any portion thereof without the written consent of the other parties, nor shall the Company assign any funds due or to become due to it hereunder without the prior written consent of the other parties; provided however, the Company shall be permitted to assign this Agreement or any portion thereof, or any funds due or to become due to it hereunder, to any direct or indirect wholly-owned subsidiary of the Company. However, in the event of such assignment, the Company will still remain ultimately responsible and liable for the performance of the Company's obligations hereunder.
- I. **Counterparts; Jurisdiction** – This Agreement may be executed in any number of counterparts, each of which when so executed and delivered shall be deemed an original. The parties submit to the exclusive jurisdiction of the state courts sitting in the County.

III. Other Assurances

- A. **Audit Right** – The County reserves the right to require a certified audit or may perform the audit through the use of its staff pertaining to the Company's compliance with the Capital Investment Condition described in this Agreement and the ongoing compliance with the Job Creation Condition described in this Agreement.
- B. **Annual Report** – In the event the Company should cease to be a public company, with its annual report publicly available on line for review, the Company shall furnish to the County a copy of its annual audit report performed by a certified public accountant as soon as it becomes available to the Company, but no later than six months following the Company's fiscal year end.
- C. **Due Authorization** – Each of the parties hereto represents and warrants to each of the other parties that the execution, delivery and performance of this Agreement has been duly and validly authorized by all necessary corporate or governmental action on its part.

- D. **E-Verify** - The Company and the Company's contractors shall comply with the requirements of Article 2 of Chapter 64 of the North Carolina General Statutes, and shall sign the Owner's Affidavit certifying compliance therewith as requested.
- E. **Iran Divestment List** - The Company does hereby certify that they are not a person identified on the Iran Divestment List as defined in North Carolina General Statutes 147-86.58.

In Witness whereof, the parties have caused this Agreement to be executed effective as of the date first written above.

Public Hearing: LGC Installment Financing Agreement

Public Notice

The Board of Commissioners for the County of Vance, North Carolina (the “County”) has determined to consider whether to enter into an installment financing agreement (the “Agreement”) pursuant to Section 160A-20 of the General Statutes of North Carolina obligating the County to make installment payments thereunder in a principal amount not to exceed \$7,000,000 to finance the cost of the up fitting of a former elementary school to a Department of Social Services building and for reimbursement of funds advanced for the purchase of land to expand the Vance County Industrial Park. The obligations of the County under the Agreement will be secured by a deed of trust on all or a portion of the former elementary school property, together with any improvements or fixtures located or to be located thereon.

Please take notice that the Board of Commissioners for the County will conduct a public hearing in the Commissioners’ Meeting Room in the Vance County Administration Building located at 122 Young Street in Henderson, North Carolina at 6:00 p.m., or shortly thereafter, on June 1, 2020 at which time any person may be heard regarding the proposed Agreement described above.

Any person wishing to comment in writing regarding the proposed agreement may do so up to 24 hours after the close of the public hearing on June 1, 2020. Written comments may be submitted to Kelly Grissom, Clerk, by email, fax or regular mail: kgrissom@vancecounty.org; 252-738-2039; or 122 Young Street, Suite B, Henderson, NC 27536.

AGENDA APPOINTMENT FORM

June 1, 2020

Name: Sheriff Curtis Brame

Name of Organization: Vance County Sheriff's Office

Purpose of Appearance: Request for New Vehicles

Request of Board: Approve Request

Request for new vehicles annually

- Requested 8 new vehicles for 2020-2021 budget
- Purpose: Maintain a safe operating fleet of vehicles
- Rotation: Every 4-5 years or replaced due to accident or emergency need.
- Operational Fleet: 60 Vehicles, Sheriff's & Detention
- Standby: 4 vehicles for applicants processed to be hired
- Vehicles need to be replaced due to a number of factors
 1. Age: un-safe, front end struts, steering rods, other major mechanical issues, motor and transmission, AC Units, Alternator's
 2. Repairs: 2019-2020 Budget \$37,807.00
 3. Mileage: Patrol Deputy 22,000 to 25,000 per/year
Investigator 15,000 to 20,000 per/year
6-Vehicles 90 to 100,000 miles
9-Vehicles 100,000 to 125,000 miles
3-Vehicles 144,000 to 178,000 miles
 4. Mental transport Mileage only: 19/20 Budget 50,000 +
 5. Aged Vehicles: 16-Over 7 years old, 10-Over 6 years old
 6. Retail Sale: Older vehicles with high mileage sold for junk or a little to nothing. Sold at \$900.00 to \$1,300.00
- In order to maintain a safe operating motor fleet, I am requesting that our County Commissioner's approve my original request.
- Requesting that our County Commissioners would consider rotating the Sheriff's Office/Detention Center fleet annually at the rate of 8-10 vehicles a year. I truly believe this would cut back on costly repairs, reassure officer's safety and the chance of higher retail sale.

Finance Director's Report

Vance County
Finance Director's Report to the Board
June 1, 2020

- A. Audit Contract for FY 2019-20.** Thompson, Price, Scott, Adams & Co. has presented a contract to continue as the auditors for the county for the fiscal year ending June 30, 2020. The fee for the audit will be \$49,000. Additionally, the Office of the State Auditor now requires a separate engagement letter for testing of Medicaid and other DSS programs for all counties. This testing goes beyond the scope of a typical audit. There is a separate engagement letter and an additional fee for that work which will be provided at a later date. ***Recommendation:** Approve the contract with Thompson, Price, Scott, Adams, & Co. to perform the annual financial audit for the fiscal year ending June 30, 2020.*
- B. Grant Project Ordinance-Coronavirus Relief Funding.** The state has approved funding for Coronavirus Relief in the amount of \$974,599 for Vance County. The grant project ordinance sets the budget for the project and budgets funds for the grant proceeds once they are received. ***Recommendation:** Adopt the grant project ordinance for various purchases utilizing Corona Relief Funds.*
- B.1 Coronavirus Relief Fund Budget.** The state required a budget to be submitted by June 1st on how Vance County will spend Relief Funds. Enclosed is the preliminary plan for round one of spending. Prior to proceeding, we are looking for board approval. We will be bringing a revised budget to the Board on a regular basis until all funds have been disbursed. ***Recommendation:** Approve round one of spending for the CRF Budget.*
- C. Grant Project Ordinance-Vance County United.** The Department of Justice has approved funding for Coronavirus Relief for the Sheriff's Office. This grant project ordinance sets the budget for the project and budgets funds for the grant proceeds once they are received. ***Recommendation:** Adopt the grant project ordinance for Overtime and PPE at the Sheriff's Office.*

RESOLUTION ACCEPTING BID FOR COUNTY OWNED REAL PROPERTY

WHEREAS, the Vance County Board of County Commissioners received an offer in the amount of \$4,000.00 from David Bullock for the purchase and sale of County owned real property, which is more particularly described below:

404 Whitten Avenue, Henderson, North Carolina 27536, Vance County Tax Department Parcel Number 0098 04006.

WHEREAS, pursuant to NCGS 160A-269, a notice was published in the *Daily Dispatch* on **May 16, 2020**, stating that said offer from David Bullock in the amount of \$4,000.00 had been received and that any person wishing to submit an upset bid should do so within 10 days; and

WHEREAS, no upset bids were received within the statutorily prescribed time period;

THEREFORE, BE IT RESOLVED by the Vance County Board of Commissioners, pursuant to NCGS 160A-269 that:

The bid submitted by **David Bullock** in the amount of **\$4,000.00** subject to the terms and conditions contained in the submitted Offer to Purchase Contract, attached hereto as Exhibit "A", is hereby accepted for the property described herein and the Board's Chairperson shall execute the documents necessary to complete the transfer of title to such property.

Adopted this the 1st day of June, 2020.

County Manager's Report

Vance County
County Manager's Report to the Board
June 1, 2020

- A. Jail Electronic Medical Records.** The sheriff intends to transition medical services to a new provider July 1st with approval of the budget. As a part of this transition, it is essential for the jail to transition from paper to electronic medical records (EMR). The new provider utilizes CorEMR software which would integrate with the jail's current southern software system. Staff recommends purchasing CorEMR outside of the contract with the medical provider in order to save over the long term. The purchase cost to include onsite training is \$24,500 with an annual maintenance/license fee of \$3,000 and a fee of \$850 to bridge the software with the jail's current software. After the first year, the county would save approximately \$20,000 per year by making the purchase independent of the provider contract. Funding from the Coronavirus Relief Fund can be utilized for purchase of the EMR. ***Recommendation:** Approve the purchase of CorEMR in order to transition the jails medical records to electronic records beginning July 1, 2020.*
- B. HVIP Phase III Project.** Work is underway for grading and installing a roadway and utilities into the county owned land adjacent to the Henderson Vance Industrial Park. Thus far erosion control measures have been installed, the new road has been cut in and graded, and a good portion of the sewer and waterlines have been installed. See the attached report from the engineer for full details as well as photos. In order for electric to be installed to the new pump station, the county will need to approve an easement agreement with Duke Energy (see enclosed). Additionally, in order to provide power to the sewer pump an address is necessary which necessitates naming of the new road through the property. A proposed name of "Industrial Park Drive" would meet 911 road naming standards and once directed by the board, staff will begin the process for assigning the road name.
***Recommendation:** Authorize the manager to carry out the road naming process and to submit Industrial Park Drive as the proposed road name to serve Phase III of Henderson-Vance Industrial Park.*
***Recommendation:** Approve the necessary easement agreements with Duke Energy Progress, LLC to provide electric into the sewer pump and across Phase III of the Henderson-Vance Industrial Park subject to attorney review.*
- C. Health Insurance.** The county was fortunate to receive a 0% increase in our insurance premium for the coming year from our provider Medcost. We were expecting an increase of nearly 25%, but due to performance of the entire pool as well as a commitment to the county, our costs remained level. For the upcoming year an optional Health Savings Account (HSA) will be offered for employees. This will allow employees to contribute pre-tax dollars to an account for health expenses for themselves or their families. The HSA plan will have higher deductibles, coinsurance and out of pocket maximums but will lower the premium cost for the employee as well as dependents. The HSA plan will cost \$121 less per month per employee and this amount will be deposited in the employees HSA to ensure equality across the plans. Long term it is believed the HSA will help the county save on health insurance while lowering premiums for dependents. Open enrollment for employees has begun and will run until June 26th for the new plan year which begins August 1st. Benefit meetings will be held virtually this year and will occur during the month of June. ***For Your Information.***

D. Budget. The recommended budget was presented to the board at the May 4th meeting and work sessions took place on May 12th and 13th. The following changes have been made to the recommended budget since it was presented:

- Increased revenue into general fund due to transferring \$41,903 from economic development fund as result of revenue from Triangle North to offset expenses.
- Increased EMS capital outlay \$1,400 to account for increased cost of camera installation.
- Increased revenue and expenditures by \$12,295 due to Emergency Management COVID-19 grant.
- Moved \$6,000 from 4H budget to Cooperative Extension budget to cover salary for 4H position.
- Adjusted state revenues and expenditures for Juvenile Crime Prevention Council (JCPC) based upon approved funding grid approved by JCPC board on May 28, 2020.

With these changes, the revised general fund budget totals \$49,290,783 with \$1,390,709 appropriated from fund balance to balance the budget. The board has a special meeting scheduled for June 15th at 6PM for approval of the budget along with a few other agenda items. Staff is preparing a draft budget ordinance for approval of the budget and would recommend any budget changes from the board be made prior to June 15th to allow ample time for the budget ordinance to be updated accordingly. *For Your Information.*

E. Extra Territorial Jurisdiction (ETJ) Line – Proposed Changes from City of Henderson. The City of Henderson has requested a change to the ETJ line in the Vicksboro Road and Carey Chapel Road area (see included map). The request is a part of an overall effort to fix the ETJ boundary in order to follow property lines as opposed to splitting properties. This will assist in simplifying the development approval process for those situations where development occurs on property half in and half out of the ETJ. It is anticipated this is the first of several requests that will come from the city as they are looking to fix small sections at time. Since the county has zoning in place, the board of commissioners will have to approve any changes to the city ETJ by resolution. We intend to notify the affected property owners and have the planning board provide a recommendation to the board in the future. Prior to beginning this process, staff felt it appropriate to inform the board and to seek any initial input from board members. *For Your Information and Discussion.*

F. Research Triangle Research Partnership (RTRP). During the budget work session the board asked for background information on RTRP in order to consider rejoining the organization. RTRP is made up of 11 counties and the Research Triangle Park with each paying an annual \$0.30 per capita membership fee. The organization was formed in 1994 by the state and Vance County was a member from 1994 until 2016. The county re-evaluated our membership in RTRP when the membership fee was raised from \$0.10 per capita to \$0.30 per capita in 2014-2015 which raised the county's fee from approximately \$4,500 to \$13,361. During the evaluation the EDC recommended forgoing the membership as the county had paid over \$62,000 since 2000 and had not seen real value and could not identify a single job or investment created as a direct result of the organization. After leaving RTRP, the county undertook a significant effort to rebrand our EDC with a new website and marketing presence. RTRP reinvented itself in 2016-2017 and now focuses primarily on “market[ing] the Triangle Region known worldwide as the home of the Research Triangle Park, the largest research park in the United States.” If the county were to rejoin RTRP, the county would get a dedicated marketing page on the RTRP website and the EDC director would be invited to participate in site selector visits throughout the year with other EDC directors. Additionally the EDC director would participate in monthly EDAC (Economic Development Advisory Committee) meetings with other directors, the county would be provided three seats on the organization's board of directors that meets twice per year and one seat on their executive committee which meets each quarter. *For Your Information.*

EMR Proposal

A Budgetary Proposal for an Electronic Health Records System for Vance County, North Carolina

Attention: Major Shelton

May 4, 2020 - Version 1.0

Proprietary Notice

© 2020 CorEMR, Inc. All rights reserved. The ideas and designs set forth in this proposal are the sole property of CorEMR and are not to be disseminated, distributed, discussed, or otherwise conveyed to third persons without the express written permission of CorEMR LC.

CorEMR Costs

CorEMR includes two fees associated with our Electronic Medical Record System. The first is a one-time implementation and Set-up fee and the second is a monthly service and support fee. What is included in each of these fees is outlined below:

One-Time Implementation and Set-up Fee - \$25,000.00 - \$7,000.00 = \$18,000.00

- **Installation** – We install the **CorEMR** software onto your server and ensure it is working properly on your network. Database setup.
- **Training** – **CorEMR** has experienced staff members who are able to provide effective online training to your medical staff to quickly familiarize them with the **CorEMR** system.
- **Customized Forms/Protocols** – **CorEMR** staff will take your existing forms (screening forms, medical forms, exam forms, etc.) and transform them to electronic format for use on our system. Other templates and pre-built forms are also available.
- **Site Configuration** - This includes, but is not limited to setting up task categories, Medication distribution schedules (electronic MAR), Users and password groups, Drug List, Problem list, form triggers, and Medication macro's.
- **Offender Management System Integration** - **CorEMR** will work with your facility's OMS to integrate inmate demographic information into **CorEMR**. This will automatically create medical charts for new inmates, previous inmates, record housing location changes and booking status. (Omnigo)
- **Pharmacy Integration** – **CorEMR** will integrate with the pharmacy to ensure online ordering and medication check-in capabilities.

Laboratory Results Interface - \$5,000.00

This feature allows the receipt of Laboratory results from LabCorp, Quest, Garcia or BioReference.

Additional Integrations (optional) - \$5,000.00

Any additional integration such as labs or x-ray will be an additional \$5,000 per integration.

Custom Programming Requests

If your facility requires additional custom programming, the fee will be \$150/hour (with a minimum of 1 hour per instance).

Optional On-site Support/Training -

Upon request, **CorEMR** will provide on-site training and/or support. The cost for this is \$1,500 per **CorEMR** representative per day.

Offender Manage System Integration Support

After the initial integration is established, if your facility's Jail Management system changes and/or **CorEMR** technical representative are required to edit/modify the upgraded/changed integration, **CorEMR** will charge \$150 per hour with a minimum of 1 hour to re-establish communication between the two systems.

Monthly Service and Support Fee – \$250.00 month base on ADP of 148

- **24/7 Tech Support** – **CorEMR** has a highly rated support staff whose main concern is the customer. CorEMR uses an e-mail, telephone and on-call system to provide the highest level of customer support.
- **CorEMR Software License** – The monthly service fee pays for a license to the CorEMR software. This software was built specifically for corrections and is unmatched in the industry.
- **Future CorEMR Product Enhancements** – **CorEMR** is always listening to our customers and enhancing our product to better meet their needs. All upgrades, product enhancements, and feature improvements are included in the monthly service fee. Online training for existing products and upgrade products are also included.

The monthly service and support fee is based solely on the number of inmates per day. Because the average daily population (ADP) of each facility fluctuates, **CorEMR** would simply negotiate with the facility an estimated ADP for the year and would re-calculate this number on an annual basis.

Cost Proposal Summary

Quantity	Description	Unit Costs	County Costs
SOFTWARE			
1	System Set-up Fee	\$18,000.00	\$18,000.00
	System Installation

CorEMR – Hardware Requirements Mar 2019

Server Hardware

The CorEMR server software will run on most current server hardware. CorEMR recommends a Dell PowerEdge R520 or R530 rack mountable server or equivalent from a different vendor (HP, IBM, etc). The most recent version of Microsoft Windows Server is recommended. Server 2016 will work, with a minimum of Windows 2012 (Note: Windows 2012 has an End of Life (EOL) of Oct. 10, 2023.). For SQL, the most recent version (currently 2017) is always preferred with a minimum of 2014. Our standard recommendations based on facility size are as follows:

Application Server:

1-600 Inmates minimum

Processor: Dual Core 2.0GHZ

Memory: 6GB RAM

Hard Disk: 2 x 1,000GB (Raid-1 configuration)

600-1200 Inmates minimum

Processor: Dual Core 3.0GHZ

Memory: 8GB RAM

Hard Disk: 2 x 1,000GB (Raid-1 configuration)

1200-3000 Inmates minimum

Processor: Quad Core 3.0GHZ

Memory: 12GB RAM

Hard Disk: 4 x 1TB drives (Raid-10 or Raid-5 configuration)

3000-6000 Inmates minimum

Processor: XEON 2.5GHZ

Memory: 12GB RAM

Hard Disk: 4 x 2TB drives (Raid-10)

CorEMR–Hardware Requirements SQL Server

For a facility of 500+ Inmates we recommend a second server for the DB.

Processor: Dual Core 2.0GHZ

Memory: 8GB RAM

Hard Disk: 2 x 500GB (Raid-1 configuration) 200gb would be adequate but 500gb drives are more common

CorEMR recommends configuring server(s) using some form of disk redundancy. We also recommend using redundant power supplies. These two points of configuration along with scheduled backups (facility responsibility) should provide adequate data protection. Virtualization of the servers is also a supported method of redundancy. Configuration of the disk access is critical in that virtual machines have direct disk access on the host server that the virtual server is running on.

NOTE: A small facility (< 500 inmates) may use SQL Express installed with the application server. SQL Express is limited to one processor, 1 GB of RAM and 10GB disk size. A DB size over 1 G can affect SQL performance.

A 1000 bed facility will typically grow the db 200mb per year. Document storage will grow about 20gb per year.

Client Hardware

Most any client computer (Desktop, Laptop, Tablet) with network access to the CorEMR server should be able to access the application using an up-to-date web browser (Chrome, IE 11+, or Firefox 53+). Cookies must be enabled, in addition to JavaScript, Java Applets and pop-up windows. Internet Explorer additionally requires that ActiveX be enabled. Please note that newer versions of Firefox and Chrome disable Java permanently. Minimum requirements for hardware are as follows:

Processor: Pentium G series 3.0 Ghz (or newer)

Memory: 6GB (recommended); 4GB RAM (minimum)

Hard Disk: 300GB

Operating System: Windows 10 (recommended); Windows 7+ (minimum)

Hardware inventory recommendations:

Laptops:

- 1 per medication cart
- 1 or 2 for Doctor Sick Calls

Desktops:

- 1 for Health Services Administrator
- 1 for Secretary
- 1 or 2 for general access for medical staff

Desktop document scanner:

- 1 or 2 for general access for medical staff

Document Scanner Specs:

CorEMR suggests purchasing a document scanner to scan and save paper documents into the Electronic Medical Record. To be compatible with CorEMR, the scanner needs to be a true TWAIN driver scanner. CorEMR recommends using a sheet-fed scanner. CorEMR recommends the Fujitsu fi-7160 scanner.

CorEMR has also tested and have had some success in using the Epson ES400.

Barcode scanner (handheld):

If your facility uses inmate wristbands or badges with UPC codes that can identify the inmate and be read by a scanner, CorEMR can use these to aid in Medication distribution and inmate identification. The Symbol brand LS2208 is compatible.

Signature Pad

CorEMR has successfully tested Topaz Signature Pad Models T-L462-HSB-R (viewing screen) and T-S261-HSB-R (no viewing screen).

Progress Report #1
Henderson Vance Industrial Park Expansion
Vance County, NC

The project has been moving along fast so far ELJ has working 12-hr days, which has us ahead of schedule. We had our first progress meeting on Thursday 3/23/2020 on site. Up until that meeting all storm and utility submittals have been reviewed and approved by LKC and Clark (City of Henderson Engineer). All erosion control measures had been installed including the silt fences and outlets, temporary skimmer basins, swales, and rip rap dissipaters. The new road had been cut in and graded to subgrade elevation. The road passed all proof roll test and is awaiting to be density tested, which will happen after all utilities are installed, then the stone will be added. The road to the pump station has been cleared and graded to subgrade elevation as well.

Now up until todays date 5/21/2020, approximately 1,150 linear feet of the 8-inch gravity sewer has been installed starting from the pump station and stopped at manhole #6. Five manholes have been installed including the wet well at the pump station. The bore and jack behind the pond for the 8-inch gravity sewer has been completed. Approximately 470 linear feet of the 6-inch force main has been installed leaving the wet well toward air release vale #1. This is toward the south end of Commerce Dr where we will eventually connect to an existing force main. ELJ submitted their first pay app for \$219,343.60 which has been approved and sent to the county.

Upcoming work to be expected complete prior to our next progress meeting will be the continuation of installing gravity sewer from manhole #6 up the new road toward Bear Pond Rd. The bore and jack at Bear Pond Rd should be complete and they will continue working on installing the 6-ich force main along the easement when they can.

I have also included some progress photos.

New road cut in and graded.

Road to pump station being cleared.

Jack and bore behind the pond being installed.

The wet well for the pump station being installed.

THIS EASEMENT ("Easement") is made this _____ day of _____, 20_____
("Effective Date"), from VANCE COUNTY, ("GRANTOR," whether one or more), to Duke Energy Progress, LLC, a North Carolina limited liability company ("DEP"); its successors, licensees, and assigns.

WITNESSETH:

THAT GRANTOR, for and in consideration of the sum of ONE DOLLAR (\$1.00), the receipt and sufficiency of which are hereby acknowledged, does hereby grant unto DEP, its successors, licensees, and assigns, the perpetual right, privilege, and easement to go in and upon the land of GRANTOR situated in Henderson Township, described as follows: containing 80.76 acre, more or less and being the land described in a deed from, James M. Elmore, Jr. and wife Connie W. Elmore, et al, to Vance County, dated September 24, 2018, recorded in Deed Book 1349 Page 659, Vance County Registry (the "Property"), LESS AND EXCEPT any prior out-conveyances, and to construct, reconstruct, operate, patrol, maintain, inspect, repair, replace, relocate, add to, modify and remove electric and/or communication facilities thereon including but not limited to, supporting structures such as poles, cables, wires, guy wires, anchors, underground conduits, enclosures/transformers, vaults and manholes, and other appurtenant apparatus and equipment (the "Facilities") within an easement area being thirty (30) feet wide for the overhead portion of said facilities and twenty (20) feet wide for the underground portion of said facilities together with an area ten (10) feet wide on all sides of the foundation of any DEP enclosure/transformer, vault or manhole (the "Easement Area"), for the purpose of transmitting and distributing electrical energy and for communication purposes of DEP and Incumbent Local Exchange Carriers. The centerline of the Facilities shall be the center line of the Easement Area.

The right, privilege and easement shall include the following rights granted to DEP: (a) ingress and egress over the Easement Area and over adjoining portions of the Property (using lanes, driveways and paved areas where practical as determined by DEP); (b) to relocate the Facilities and Easement Area on the Property to conform to any future highway or street relocation, widening or improvement; (c) to trim and keep clear from the Easement Area, now or at any time in the future, trees, limbs, undergrowth, structures or other obstructions, and to trim or clear dead, diseased, weak or leaning trees or limbs outside of the Easement Area which, in the opinion of DEP, might interfere with or fall upon the Facilities; (d) to install guy wires and anchors extending beyond the limits of the Easement Area; and (e) all other rights and privileges reasonably necessary or convenient for DEP's safe, reliable and efficient installation, operation, and maintenance of the Facilities and for the enjoyment and use of the Easement Area for the purposes described herein.

It is understood and agreed that the general location of the Easement Area is shown on the sketch attached hereto as Exhibit A and recorded herewith. The final and definitive location of the Easement Area shall become established by and upon the final installation and erection of the facilities by DEP in substantial compliance with Exhibit A hereto.

TO HAVE AND TO HOLD said rights, privilege, and easement unto DEP, its successors, licensees, and assigns, forever, and GRANTOR, for itself, its heirs, executors, administrators, successors, and assigns, covenants to and with DEP that GRANTOR is the lawful owner of the Property and the Easement Area in fee and has the right to convey said rights and Easement.

IN WITNESS WHEREOF, this EASEMENT has been executed by GRANTOR and is effective as of the Effective Date herein.

APPROVED MINUTES HENDERSON PLANNING BOARD MONDAY APRIL 15, 2019 – 3:30 P.M. CITY HALL – COUNCIL CHAMBERS

Members Present: Chairman Michael Rainey, Horace Bullock, Michael Venable, Tom Englehart, James O’Geary, Jimmie Ayscue, and Arnold Bullock.

Members Absent Marguerite Anduze, Phil Walters, and Keith Coffey.

Staff Present Corey Williams (Development Service Director), Robert Harris (Planner), Karen Foster (Zoning Administrator), and Rix Edwards (City Attorney).

CALL TO ORDER Meeting was called to order by Mr. Rainey. Roll was called. A quorum was present.

PLEDGE OF ALLEGIANCE

MINUTES: The motion was made by Mr. James O’Geary and second by Mr. Jimmie Ayscue. Minutes for February 25, 2019 were approved unanimously.

Public Hearing:

- Redefine eastern boundary of Extra-Territorial Jurisdiction (ETJ) from Furman Lane & Vicksboro Rd. to the intersection of Carey Chapel Rd & Stewart Farm Rd.

Mr. Robert Harris introduced the item and provided information to the Planning Board.

Mr. Williams communicated to the Planning Board the new proposed line Mr. Walters requested had some concerns. The issues were the separation of all Mrs. Patricia Rose properties, and the non-conforming lots within the Zoning Ordinance. Planning staff proposal is to go back to the original line on Vicksboro Road & Hughes Hollow Lane and follow Carey Chapel Road (option 1, see map).

Mr. Harris provided another option which includes following the property near Hughes Hollow Lane north to Mr. Joe Adcock Sr. property, east approximately 335 feet to the rear of the property line and follows the property line to the center of Stewart Farm Road (option 2, see map).

Mr. Rainey opened the public hearing and was in favor of the option 2 to exclude lots 14-17.

Mary Lambert (172 Gupton Lane/ Henderson NC 27537): Mr. Harris asked Mary Lambert that GG Meadows Subdivision is proposed to be rezoned R-15M, which is residential for manufactured home. Mr. Williams replied the City of Henderson and Vance County has jurisdiction within the subdivision. Currently the city zoning for the subdivision is R-20 (Low Density Residential) and is not allowed for manufactured homes. Mrs. Lambert’s interest

wanted to know if Gupton Lane is going to get repaired. Mr. Williams replied the road will not be repaired unless the developer decides to repair it.

Mr. Rix Edwards (City Attorney) communicated to the Planning Board to keep the existing Extra-Territorial Jurisdiction line.

Trisha Parrish (616 Carey Chapel Road/ Henderson NC 27537): had a question concerning her property being grandfathered in. Mr. Williams replied that the applicant can replace a home if and when it is needed.

Mrs. Patricia Rose (169 Furman Lane/ Henderson NC 27537): communicated to the Planning Board to keep all her properties outside the Extra-Territorial Jurisdiction (ETJ) line.

Mr. Williams explained to the Planning Board there are 2 options. The first option is the black and white line on the map. The second option is the gold line (see map).

Mr. Rainey closed the public hearing.

The Planning Board approved to follow the second option (see map). The motion was made by Mr. Jimmie Ayscue and second by Mr. Michael Venable. It was a unanimous vote.

Mr. Williams reminded the Planning Board the next steps in the process. The Planning staff will forward this information to the City Manager and then it will be sent to Vance County for approval.

ADJOURNMENT:

At 4:00 PM, a motion was made to adjourn the Planning Board meeting by Mr. James O'Geary and second by Mr. Horace Bullock. The motion carried.

NEXT TENTATIVE MEETING: Monday, May 20, 2019 @ 3:30 PM.

Minutes respectfully submitted by

Re: RTRP Membership consideration

The Henderson-Vance EDC has been asked to reconsider membership in the RTRP. The RTRP is an economic development organization sustained by and committed to eleven core counties and the RTP located in Central North Carolina. The RTRP serves as a marketing companion for the counties and the RTP.

The eleven counties comprised in the RTRP are:

- Chatham County
- Durham County
- Franklin County
- Granville County
- Harnett County
- Johnston County
- Lee County
- Person County
- Wake County
- Warren County
- Wilson County
- And the Research Triangle Park (RTP)

On Monday June 4, 2018 the RTRP director and two board members of the HVEDC, Bob Herford and Commissioner Dan Brummitt conducted a conference call with the director of the RTRP, Ryan Combs to review the goals and the mission of the organization and how they relate to Vance County. I presented a few questions to Ryan and he was kind enough to email me his thoughts:

Ryan Combs responses:

- What is important to mention is that the board decided to change the priorities of the organization before I started a year ago.
- With EDPNC working projects, as well as individual county economic developers, there was a perception that there was a duplication of services between RTRP and those organizations.
- The EDAC (Economic Dev. Advisory Committee) meets once a month and they drive the mission and priorities of the RTRP.

Re: RTRP Membership consideration

Question 1: What is the mission of the RTRP?

The mission of the RTRP is simple:

We are an 11 county, regional economic development organization whose primary focus is to market the region externally, driving interest to our region.

Question 2: Please cite some examples of marketing and brand development that the RTRP currently has in place.

- Site-consultant trips: We had three last year, Boston, Atlanta, and Charlotte/Greenville. We will do three more this year. Our local developers go with us on those.
- We are putting together a marketing plan for this year to keep information streaming into site-selection consultants. Sending them quarterly updates, target-marketing campaigns. Continuing to pump money into our website to drive traffic to the local sites.
- Cluster marketing: Life Sciences, Tech, Manufacturing/logistics, and Agtech
- Any collateral we put together they have available for their use. (Video's, brochures, infographics, etc.)
- Networking opportunities to participate in lunches with consultants and foreign government: example Richie and Mike Elder joining us when we flew in Mike Bennett.

Question 3: If Vance County is a member of the RTRP would we be considered a full member? Meaning would we be an active partner with voting privileges and be able to participate in discussions of the mission and the development of the marketing plan for the RTRP?

If Vance County were to become a member, you would have 3 board slots. The EDAC is front and center in assisting with the development of the marketing plan.

Re: RTRP Membership consideration

Question 4: How will the RTRP assist Vance County? Can you cite examples?

I, (Ryan Combs) can be a resource in multiple ways:

- I can come in and Assist Dennis when he hosts clients (reg. presentation, access to regional assets) Open doors to site-selection consultants, access to capital in the Triangle
- Partnerships with our universities.
- Every county has different needs: Last week I was sitting in a group discussion at GKN Driveline in Person County talking about workforce issues they are experiencing.
- While my primary role is develop and implement marketing strategies, I pride myself on answering individual needs of individual counties.
- We hosted the USDA rural development state director and his staff a few weeks ago in Granville County.
- I put together an event last year in Vance County to discuss Broadband, shell building space, and assets at NC State and UNC that could help with industry expansion and downtown revitalization

Question 5: Do the resources and assets of Vance County compare with the member communities?

Vance County is a member of Triangle North. You are strong in manufacturing and logistics. You fit perfectly into the marketing priorities

In 2016 the HVEDC organized a committee to review the membership of the EDC in the RTRP. The following is a summary of the report from the minutes of the September 14, 2016 HVEDC meeting:

5. RTRP Discussion

Mr. Bob Herford reported to the Board the outcome of the RTRP Committee meeting. He stated that upon reviewing every correspondence between Vance County and the RTRP, there is no evidence of any positive contribution from the RTRP to Vance County. It was determined that there are no substantial benefits for the County to remain members of the RTRP. Mr. Herford explained that the committee prepared a motion requesting that we remove ourselves from the RTRP and that we request that the County Commissioners approve those funds that were previously used for membership to be used in other marketing activities. He explained the committee members voted unanimously to present the Board with the motion.

Re: RTRP Membership consideration

Mr. Church asked for feedback from the two other members of the RTRP Board.

Mr. Garrison stated that he has a different view of the committee's decision. He expressed that he would like to wait until the end of the fiscal year to see how things pan out for the RTRP before we make a final decision.

Ms. Harris agreed with Mr. Garrison to at least wait until the end of the calendar year before making a final decision to withdraw membership. She stated that if the decision to leave the RTRP is made, the resources should be allocated to a specific product for a specific purpose such as paying for consulting help to complete the broadband initiative.

Mr. Church stated that he will maintain a neutral position but will support whatever decision is made by the Board.

Mr. Church allowed the motion to come to the floor to be voted on. The motion was read which stated to request that the Board address the County Commissioners to approve the allocation of funds previously designated for RTRP for use in other promotional activities.

Mr. Church asked for clarification of the requested motion. He stated based on the motion read we are giving the decision whether or not to remain with the RTRP back to the County Commissioners who had already voted on and approved the EDC Budget which had language allowing the EDC to redirect the allocated funds. He asked that the motion be amended.

Mr. Herford made an amended motion requesting that the Board approves the termination of the RTRP membership and that funds previously allocated for this purpose be used for other promotional activities. Mr. Rivers seconded the motion. Mr. Garrison requested an amendment to the amended motion. He asked that the Board delays the motion to leave the RTRP and allow it to take effect in January 2017 meaning we will remain members for six months.

The amendment to the amended motion requesting a delay in terminating membership failed at a vote of 4 to 5. The amended motion passed at a vote of 5 to 4 for the EDC to terminate their membership with RTRP.

Objectives	Outcomes
1. Producers will increase sales of food locally to more agriculturally aware consumers through market development, producer and consumer education, and new farmer and infrastructure support.	<ul style="list-style-type: none">• Cooperative Extension recognizes that the Vance County Regional Farmers Market is an invaluable source of healthy food, and a critical community resource. Thus, Cooperative Extension staff worked closely with the Market Manager to establish operating protocols that would minimize risk to customers, vendors and staff. After extensive preparations, the Market opened successfully on April 25th. The protocols include an extra hand wash station, increased vendor spacing, special customer procedures, pre-orders and more, and were publicized in an extensive marketing campaign. The convenience and effectiveness of our systems rival those of any major retailer, and community support has been high.• Cooperative Extension arranged a zoom meeting with the Kerr-Tar Beekeepers Association so they could conduct their May meeting virtually. Seven members participated in this meeting. The members were able to discuss bee problems and beehive management for May. The beekeepers requested Cooperative Extension continue this virtual format for the June meeting because it was informative, increased their knowledge, and was invaluable to them while beekeeping under Covid-19 restrictions.
2. Agricultural producers, workers, food handlers and consumers will adopt safer food and agricultural production, handling, and distribution practices that reduce workplace and home injuries/illnesses, enhance food security, and increase the quality and safety of food that North Carolinians prepare and consumers.	<ul style="list-style-type: none">• The Small Farms program has been providing small farmers with information on grants and loans that can help them obtain funding due to the Covid-19 crisis. These farmers were also provided information on how to keep themselves and their farm workers safe during this pandemic.
3. Individuals and groups will acquire leadership and decision making capacities needed to guide and actively participate in local and state organizations.	<ul style="list-style-type: none">• The COVID-19 pandemic has apparently led to increased interest in skills related to self-reliance, including vegetable gardening. Nurseries and garden centers are reporting unprecedented sales of plants and seeds, for example. In

	<p>order to support the many novice gardeners, the Horticulture Extension Agent partnered with Extension Agents from surrounding counties to develop an on-line course entitled Backyard Ag 101. Approximately 100 people registered for the 8-week series, which has covered vegetables, fruits, woodlots and even small-scale livestock. An evaluation is conducted for each session, results indicating that the participants are gaining valuable new knowledge and implementing recommended practices.</p>
4. Youth and adults will address community issues and/ or challenges through volunteerism.	<ul style="list-style-type: none">• Volunteers have not been utilized as frequently as of late. As we continue to phase in we will get back to incorporating them using all social distancing policies.
5. North Carolina's plant, animal and food systems will become more profitable and sustainable.	<ul style="list-style-type: none">• The COVID-19 pandemic has created unprecedented challenges for area farmers. In addition to severe market disruptions, farmers are faced with the challenge of modifying operations to protect employees and customers. In this time, NC Cooperative Extension has served as a critical source of reliable information. We have provided timely updates on safety protocols, relief programs and other relevant topics, all while continuing to provide technical assistance on crop production questions.
6. Parents and caregivers will effectively use recommended parenting, self-care practices, and community resources.	<ul style="list-style-type: none">• Incredible Years is in the process of recruiting for next year's series of classes, using social media and community partnerships.
7. Futures that Work: School to Career Pathways	<ul style="list-style-type: none">• Vance County 4-H is putting together the Virtual Summer Fun program. We are also in the process of applying for a grant with the Community College to offer Ag Entrepreneurship courses and programming.
8. Youth and adult program participants will make healthy food choices, achieve the recommended amount of physical activity and reduce risk factors for chronic diseases	<ul style="list-style-type: none">• EFNEP is posting the importance of different types of physical activity. Also posting "Whip it Up" Wednesday segments weekly to educate the community to make healthy food choices.
9. Consumers and communities will enhance the value of plants, animals, and landscapes while conserving valuable natural	<ul style="list-style-type: none">• The COVID-19 pandemic has apparently led to increased interest in skills related to self-reliance, including vegetable gardening. An evaluation is conducted for each session, results indicating that the participants are gaining valuable new knowledge and implementing recommended practices.</p> <ul style="list-style-type: none">• While NC State mandated that all face-to-face volunteer activities be postponed, the Extension Master Gardener volunteers have continued to be engaged. They have conducted video-conferences to receive continuing education and discuss plans for future and on-going projects such as the Memorial Garden at the Vance County Regional Farmers Market. Beginning on May 22nd, the Master Gardener volunteers resumed garden maintenance activities on a limited basis following special protocols.• Both Paul McKenzie and Wayne Rowland have continued to provide timely and relevant garden care information to the general public. We remain accessible via phone and email to provide individual assistance, and have also worked to disseminate updates via newspaper, radio and social media.
10. Community Outreach	<ul style="list-style-type: none">• EFNEP is posting the importance of different types of physical activity. Also posting “Whip it Up” Wednesday segments weekly to educate the community to make healthy food choices.• Incredible Years is in the process of recruiting for next year’s series of classes, using social media and community partnerships. Also offering 1 on 1 consultations to young couples via Zoom in the meantime.

Dear Mr. Wilder:

This letter serves as a recommendation to reappoint **Mrs. Sara C. Wester** as a Vance County Board of Commissioners' appointed member of the Vance-Granville Community College Board of Trustees.

Mrs. Wester has been a faithful member of the Vance-Granville Community College Board of Trustees. She currently chairs the board's Personnel Committee and serves on both the Budget Committee and Executive Committee. Her depth of knowledge and experience serving the college has been very beneficial. Mrs. Weser is well-regarded in the community and on the board of trustees.

Mrs. Wester's contact information is as follows: Mrs. Sara C. Wester; 2107 Fernbrook Place, Henderson, NC 27536; and phone number 252-492-7396.

Thank you for your favorable consideration of Mrs. Wester as a Vance County Board of Commissioners' appointed member of the Vance-Granville Community College Board of Trustees.

Sincerely,

A handwritten signature in black ink that reads "Danny W. Wright".

Danny W. Wright, Chair
Vance-Granville Community College
Board of Trustees

pc: Vance County Board of Commissioners

Board/Commission/Committee Applying For (list only one per form) Vance-Granville Community College

Why are you interested in serving on this Board/Commission/Committee? The community college provides a pipeline of qualified talent into the local workforce. I believe my experience both in the community college

classroom and in the local workforce would provide valuable insight to fulfilling the mission of the college.

Generally, the Board desires to broaden participation on Boards/Commissions/Committees for as much citizen involvement as possible; therefore, a goal is to limit appointees to no more than 3 Boards/Commissions/Committees. Therefore, please list any other Boards/Commissions/Committees on which you currently serve:

n/a

DO NOT SUBMIT RESUMES/ATTACHMENTS

Interests/Skills/Areas of Expertise/Professional Organizations/Activities:

American Society of Clinical Pathologists (ASCP), American College of Healthcare Executives (ACHE)

Clinical Preceptor for VGCC (phlebotomy), Wake Tech/Halifax CC (MLT), and WSSU (MT) programs.

FPC Youth Leader, FPC Soup Kitchen and Mission Trip

Affirmation of Eligibility:

Has any formal charge of professional misconduct, criminal misdemeanor or felony ever been filed against you?

Yes _____ No ☒ _____ If yes, please explain disposition: n/a

Is there any conflict of interest or other matter that would create problems or prevent you from fairly and impartially discharging your duties as an appointee of the Board of Commissioners? Yes _____ No ☒ _____ If yes, please explain: n/a

I understand that any situation which may arise to cause conflict of interest may create serious ethical or legal implications if appropriate discretion is not exercised or responsible action is not taken.

I understand this application is public record and I certify that the facts contained in this application are true and correct to the best of my knowledge. I authorize and consent to background checks and to the investigation and verification of all statements contained herein as deemed appropriate. I further authorize all information concerning my qualifications to be investigated and release all parties from all liability for any damages that may result from this investigation. I understand and agree that any misstatement may be cause for my removal from any Board/Commission/Committee. I understand regular attendance to any Board/Commission/Committee is important and, accordingly, I further understand that if my attendance is less than the standards established for any such body that this is cause for removal. Lacking any written standards for attendance by any Board/Commission/Committee it is expected that I will attend at least 75% of all meetings during any one calendar year to maintain my seat on any Board/Commission/Committee to which I may be appointed. This form will remain on file in the Office of the Clerk and requests for updates will be sought prior to any consideration for reappointment (or future appointment) to any Board/Commission/Committee.
