Vance County Appearance Commission

2014 Accomplishments:

- Worked closely with new county environmental services director
- Promotion of N.C. Adopt-A-Highway Program
- Recognition of outstanding local Adopt-A-Highway groups in January of 2014
- Planning and coordination of annual Henderson-Vance Spring Litter Sweep Week, April 21-26
- Worked with the Rock Bridge Cemetery Preservation group to promote continued renovations of the historic cemetery
- Sponsorship of Henderson-Vance Recycling Day on Saturday, April 26
- Coordination with the Vance County Public School System on recycling efforts in schools by students and staff members throughout the school year
- Sponsorship of the Henderson-Vance Recycling Day on Saturday, September 27
- Worked with the local N.C. DOT office to identify outstanding local Adopt-A-Highway groups and their efforts throughout 2014 for recognition at the meeting of the Board of Commissioners in January of 2015
- Developed certificates for presentation to representatives of Adopt-A-Highway groups and the presentation of the vehicle window decals for their efforts in keeping local roadsides clean throughout the year

2015 Goals:

- Continue to work closely with the county environmental services director to improve the appearance of the county
- Recruit new members for the County Appearance Commission and continue to include student advisors from local high schools
- Work with the Vance County Board of Commissioners to recognize the outstanding efforts of the Rock Bridge Cemetery Preservation Group in improving the appearance of the cemetery
- Continue to promote the N.C. Adopt-A-Highway program and work to increase the number of local groups participating
- Make presentations in local elementary schools to students to promote anti-littering and recycling efforts
- Plan and coordinate the Henderson-Vance Spring Litter Sweep Week with the Henderson Community Appearance Commission for April 20-25, 2015
- Plan and coordinate with the Henderson Community Appearance Commission Recycling Day events on Saturday, April 25, and Saturday, September 26
- Continue to lead efforts to recognize outstanding local Adopt-A-Highway groups

Please offer suggestions on additional ways we can support improvements in the appearance of our county.

RE: Vance County
Phase I Contracts I & II
Status Report for December 2014

Dear Mr. McMillen:

Status Report

The booster pump station is ready for start up, just awaiting completion of SCADA system. The change order to install lines in the Mobile Home Park off of Vincent Hoyle Road and for the installation of landscape screening at the Meter Vault on John Deer Road and at the Tank/Booster Pump site on Warrenton Road has been initiated and is awaiting approval by all parties prior to scheduling a pre-construction conference and the start of construction. The Contractor is anticipating the submission of the final pay request on Contract I soon.

As requested by the Water District Committee, a study of other options for the expenditure of the remaining funds will be forwarded separately. This includes analysis of closing a loop between the deadend lines on Tower Road and Vicksboro Road by installing water lines along Cheatham Mabry Road versus installing additional lines along Rock Mill Road to expend remaining funds.

Should you have any questions or concerns, or need additional information, please contact me by cell phone or email at your convenience.

Sincerely,

Status Update

January 5, 2015

Phase 2A

Work of original scope is complete. Slatting for fences will be complete within the next two weeks. The final inspection with NCDOT and USDA will be scheduled after the holidays. We were unable to get it scheduled before the year end due to vacation schedules.

Phase 2B – Contract 1

Work of original scope is complete. Slatting for fences will be complete within the next two weeks. The final inspection with NCDOT and USDA will be scheduled after the holidays. We were unable to get it scheduled before the year end due to vacation schedules.

Phase 2B - Contract 3 – Tank – The Tank contractor has a few punch list items to complete at the site. The tank has been filled all samples have passed. Envirolink is using the water in the tank to flush the system. The active mixing system is on and operating.

General:

- The SCADA system work is in process. We are awaiting an updated schedule for completion.
- The water main contractors are finalizing their pricing for the road additions (approx. five miles in each phase). Those additional water mains are also still in permit review.
- By the February meeting we will have change orders ready for the BOC review and approval for the additional water mains
- Attached is a list of miscellaneous equipment needs and cost for water system operation. These include equipment for flushing, meter reading, water quality and operational equipment. The list contains item names, cost and vendors. If the BOC approves this equipment this list will be submitted to USDA for approval. The cost of the equipment listed is approximately \$59,000 including estimated tax and shipping costs.

Committee Reports and Recommendations

January 5, 2015

Human Resources Committee

Position Vacancies. (A) Social Services has a position vacancy for a *Social Worker IAT*. This position is responsible for the investigation/assessment and treatment of children and families based on allegations that are reported to Child Protective Services. (B) The Sheriff's Office has a position vacancy for an *Administrative Support Specialist*. This position provides administrative support to the Investigative Division. (C) The Sheriff's Office has a position vacancy for a *Deputy Lieutenant* in the Investigative Division. This position supervises a staff of Detectives and one administrative position. (D) The Sheriff's Office has *two* position vacancies for *Deputy Specialists*. These positions serve as detectives to investigate crimes or to conduct narcotics investigations, performing special crisis intervention programming and training, or performing specialized civil processes in a program for collection of writs of execution. *[Recommendations are contingent upon endorsement by the Human Resources Committee]. Authorize the filling of the vacant positions as requested.*

Education Committee

Board Relations. This committee (Wilder [C], Garrison, and Taylor) met in joint session on Friday, December 5 with their School Board counterparts (Ellis, White, and Wilson). Committee members expressed appreciation that relations between the two boards are positive. As a way to ensure that communication channels remain open, the committee confirmed the need to meet at least quarterly.

Local Funding. School Board members and staff pointed out that the County's local funding for Current Expense and Capital Outlay has remained stagnant for the past few years, which prevents them from adequately meeting needs of students. The need to discuss funding needs early during the budget was emphasized.

State Funding. The plight of rural and financially distressed counties was also discussed. Urban counties seem to be on the path to restoration of economic prosperity while many counties do not seem to be headed in that direction. Discussion centered on educating our local legislative delegation of the needs that Vance County has for additional state funding. The committee talked about the possibility of having Representative Nathan Baskerville and Senator Angela Bryant meet with the two full boards as a means of trying to obtain such state funding.

Facilities. There was discussion regarding use of lottery funds for a multi-purpose room at Carver Elementary School. As a means of determining how much lottery money is unobligated and available, School board members requested an analysis of lottery funds for the coming years as some of the proceeds have been dedicated for reduction of bonded

indebtedness. The Schools relayed that a Facilities Study was completed in October, 2014 by the NC Department of Public Instruction – School Planning Section, and that they will provide copies to County Commissioners and staff. Included in the study is an assessment of the two-story former Eaton-Johnson Middle School building that is no longer being used. The School Board is interested in revitalizing that building and the adjacent auditorium. The study states that both buildings are structurally sound and can be effectively renovated for use by the Schools, along with the potential the auditorium has for community use as well. Further, an updated copy of the Schools’ internal short and long range facilities plan was distributed to the committee by the Superintendent.

School Security. School security measures were discussed, including the lottery funds that the County previously agreed to use for security entrances and locks. Those funds have not yet been expended because the technology has changed. The Schools are working on determining the most responsible way to proceed. In addition, Commissioner Garrison asked if there is a plan in response to recent security concerns expressed by parents at Northern Vance High School. Superintendent Gregory responded that in FY 2013-14 almost \$350,000 was spent for Schools Resource Officers (SRO) in the middle and high schools combined. Each high school has a SRO and police officer.

Public Safety Committee

Internal Procedures/Records for Animal Control. As requested by the Board of Commissioners, this committee (Brummitt [C], Brown, and Hester) met on Thursday, December 11 to review Animal Control procedures in response to complaints presented to the Board in its December 1st meeting. The committee thoroughly discussed the concerns with staff. It was decided that Chief Animal Control Officer Frankie Nobles and his staff will proceed to develop written policies and procedures, have them reviewed by the Animal Advisory Committee, and then have the Public Safety Committee also review them, all within an approximate three month time frame. To be included in the procedures would be an opportunity for owners of animals attacked by other animals to submit a written statement that will be attached to the case file to ensure information is accurate and comprehensive (this practice will also be implemented immediately). ***Committee Recommendation: For Board information only.***

Facility Needs. The committee discussed the need to move forward with plans for a new animal shelter facility. Five acres of land were donated three years ago with the condition that a new shelter would be built on it within five years, obviously now leaving only two more years. The County had a general building design done in the past two years. The committee suggested that the plan be updated. The importance of donations and grants was emphasized by all commissioners. Constructed in the mid-70’s, the current shelter is outdated, is undersized, does not provide accommodations to adequately comply with current regulations and practices, and continues to require ongoing

maintenance. The discussion included the fact that there are considerable human needs throughout the County with only limited resources, and whether or not available resources should be invested in an animal shelter instead of meeting those human needs. After that discussion and on a 2-1 basis, the committee agreed upon the need to move ahead with planning for a new shelter and obtaining grants, donations, and loans as appropriate. Possible financing scenarios were discussed and it was determined that USDA Rural Development funding (grants and loans) is a reasonable option to explore. Should the Board of Commissioners choose to move forward with plans for a new shelter, an architect will need to be selected through a Request for Qualifications (RFQ) process. ***Committee Recommendation:*** *(1) Move forward with planning for a new animal shelter, including submission of a pre-application to USDA for all available grants and loans; (2) seek other related grants and donations; and (3) advertise and send out Requests for Qualifications in order to obtain a project architect.*

Horses. Animal Control responds to animal cruelty reports, including horses. The frequency of these cases has increased significantly during the past several years. The committee discussed the special challenges posed by horses for Animal Control. It was agreed that either the current Animal Control Ordinance should be amended to address requirements for proper care of horses or to have a separate ordinance, which will be further discussed with the County Attorney. Accordingly, the staff will work with the County Attorney and the Public Safety Committee to draft appropriate language and a public hearing by the Board of Commissioners is suggested for the February 2, 2015 meeting. ***Committee Recommendation:*** *Schedule a public hearing for the February meeting of the Board of Commissioners for the purpose of establishing requirements by ordinance for care of horses.*

Unused Chamber. Animal Control discontinued its use of the euthanasia chamber at the Animal Shelter in late 2012. The NC Department of Agriculture has just announced that such chambers are to no longer be used in shelters as of February 15, 2015 except in times of natural disaster. The committee agreed with staff that the chamber should be removed for proper disposition. ***Committee Recommendation:*** *Declare the metal euthanasia chamber as surplus and authorize the County Finance Director to properly dispose of it.*

WHEREAS, Vance County owns certain real property with an address of **149 Horner Street, Henderson, North Carolina**, and more particularly described by the Vance County Tax Department as Parcel Number **0003-08003A**; and,

WHEREAS, North Carolina General Statute §160A-269 permits the county to sell real property by upset bid, after receipt of an offer for the property; and,

WHEREAS, the County has received an offer to purchase the real property described herein above in the amount of **\$750.00** subject to the terms and conditions as included in the submitted offer to purchase bid, submitted by *Susan Silva*; and,

WHEREAS, *Susan Silva* has paid the required deposit in the amount of **\$750.00** with her offer.

THEREFORE, THE VANCE COUNTY BOARD OF COMMISSIONERS RESOLVES THAT:

1. The Board of County Commissioners declares the real property described above surplus and authorizes its sale through the upset bid procedure of North Carolina General Statute §160A-269, after the City of Henderson agrees to convey their interest as well.

2. A notice of the proposed sale shall be published which shall describe the property and the amount of the offer and shall require any upset offer be subject to the same terms and conditions as contained therein except for the purchase price.

3. Any person may submit an upset bid to the Clerk to the Board of County Commissioners within 10 days after the notice of sale is published. Once a qualifying higher bid has been received, that bid will become the new offer.

4. If a qualifying upset bid is received, a new notice of upset bid shall be published, and shall continue to do so until a 10-day period has passed without any qualifying upset bid having been received. At that time, the amount of the final high bid shall be reported to the Board of County Commissioners.

5. A qualifying higher bid is one that raises the existing offer by the greater of \$750 or ten percent (10%) of the first \$1,000.00 of that offer and five percent (5%) of the remainder of the offer and is subject to the same terms and conditions of the previous bid.

6. A qualifying higher bid must also be accompanied by a deposit in the amount of the greater of \$750 or five percent (5%) of the bid, which may be made by cash, cashier's check

or certified funds. The County will return the deposit of any bid not accepted and will return the bid of an offer subject to upset if a qualifying higher bid is received.

7. The terms of the final sale are that the Board of County Commissioners must approve the final high offer before the sale is closed and the buyer must pay with certified funds or wire transfer the bid amount and any other amounts as required pursuant to the terms and conditions of the bid at the time of closing, which shall be no later than 30 days following the approval by this Board of the final bid. The real property is sold in its current condition, as is, and the County gives no warranty with respect to the usability of the real property or title. Title will be delivered at closing by **a Non Warranty Deed**, subject to exceptions for ad valorem taxes, assessments, zoning regulations, restrictive covenants, street easements, rights of others in possession and any other encumbrances of record. Buyer shall pay for preparation and recording of the Deed and revenue stamps.

8. The County reserves the right to withdraw the property from sale at any time before the final high bid is accepted **and the right to reject all bids at any time**.

9. If no qualifying upset bid is received, the Board of County Commissioners will accept or reject the bid submitted within 60 days after the close of the 10-day upset period.

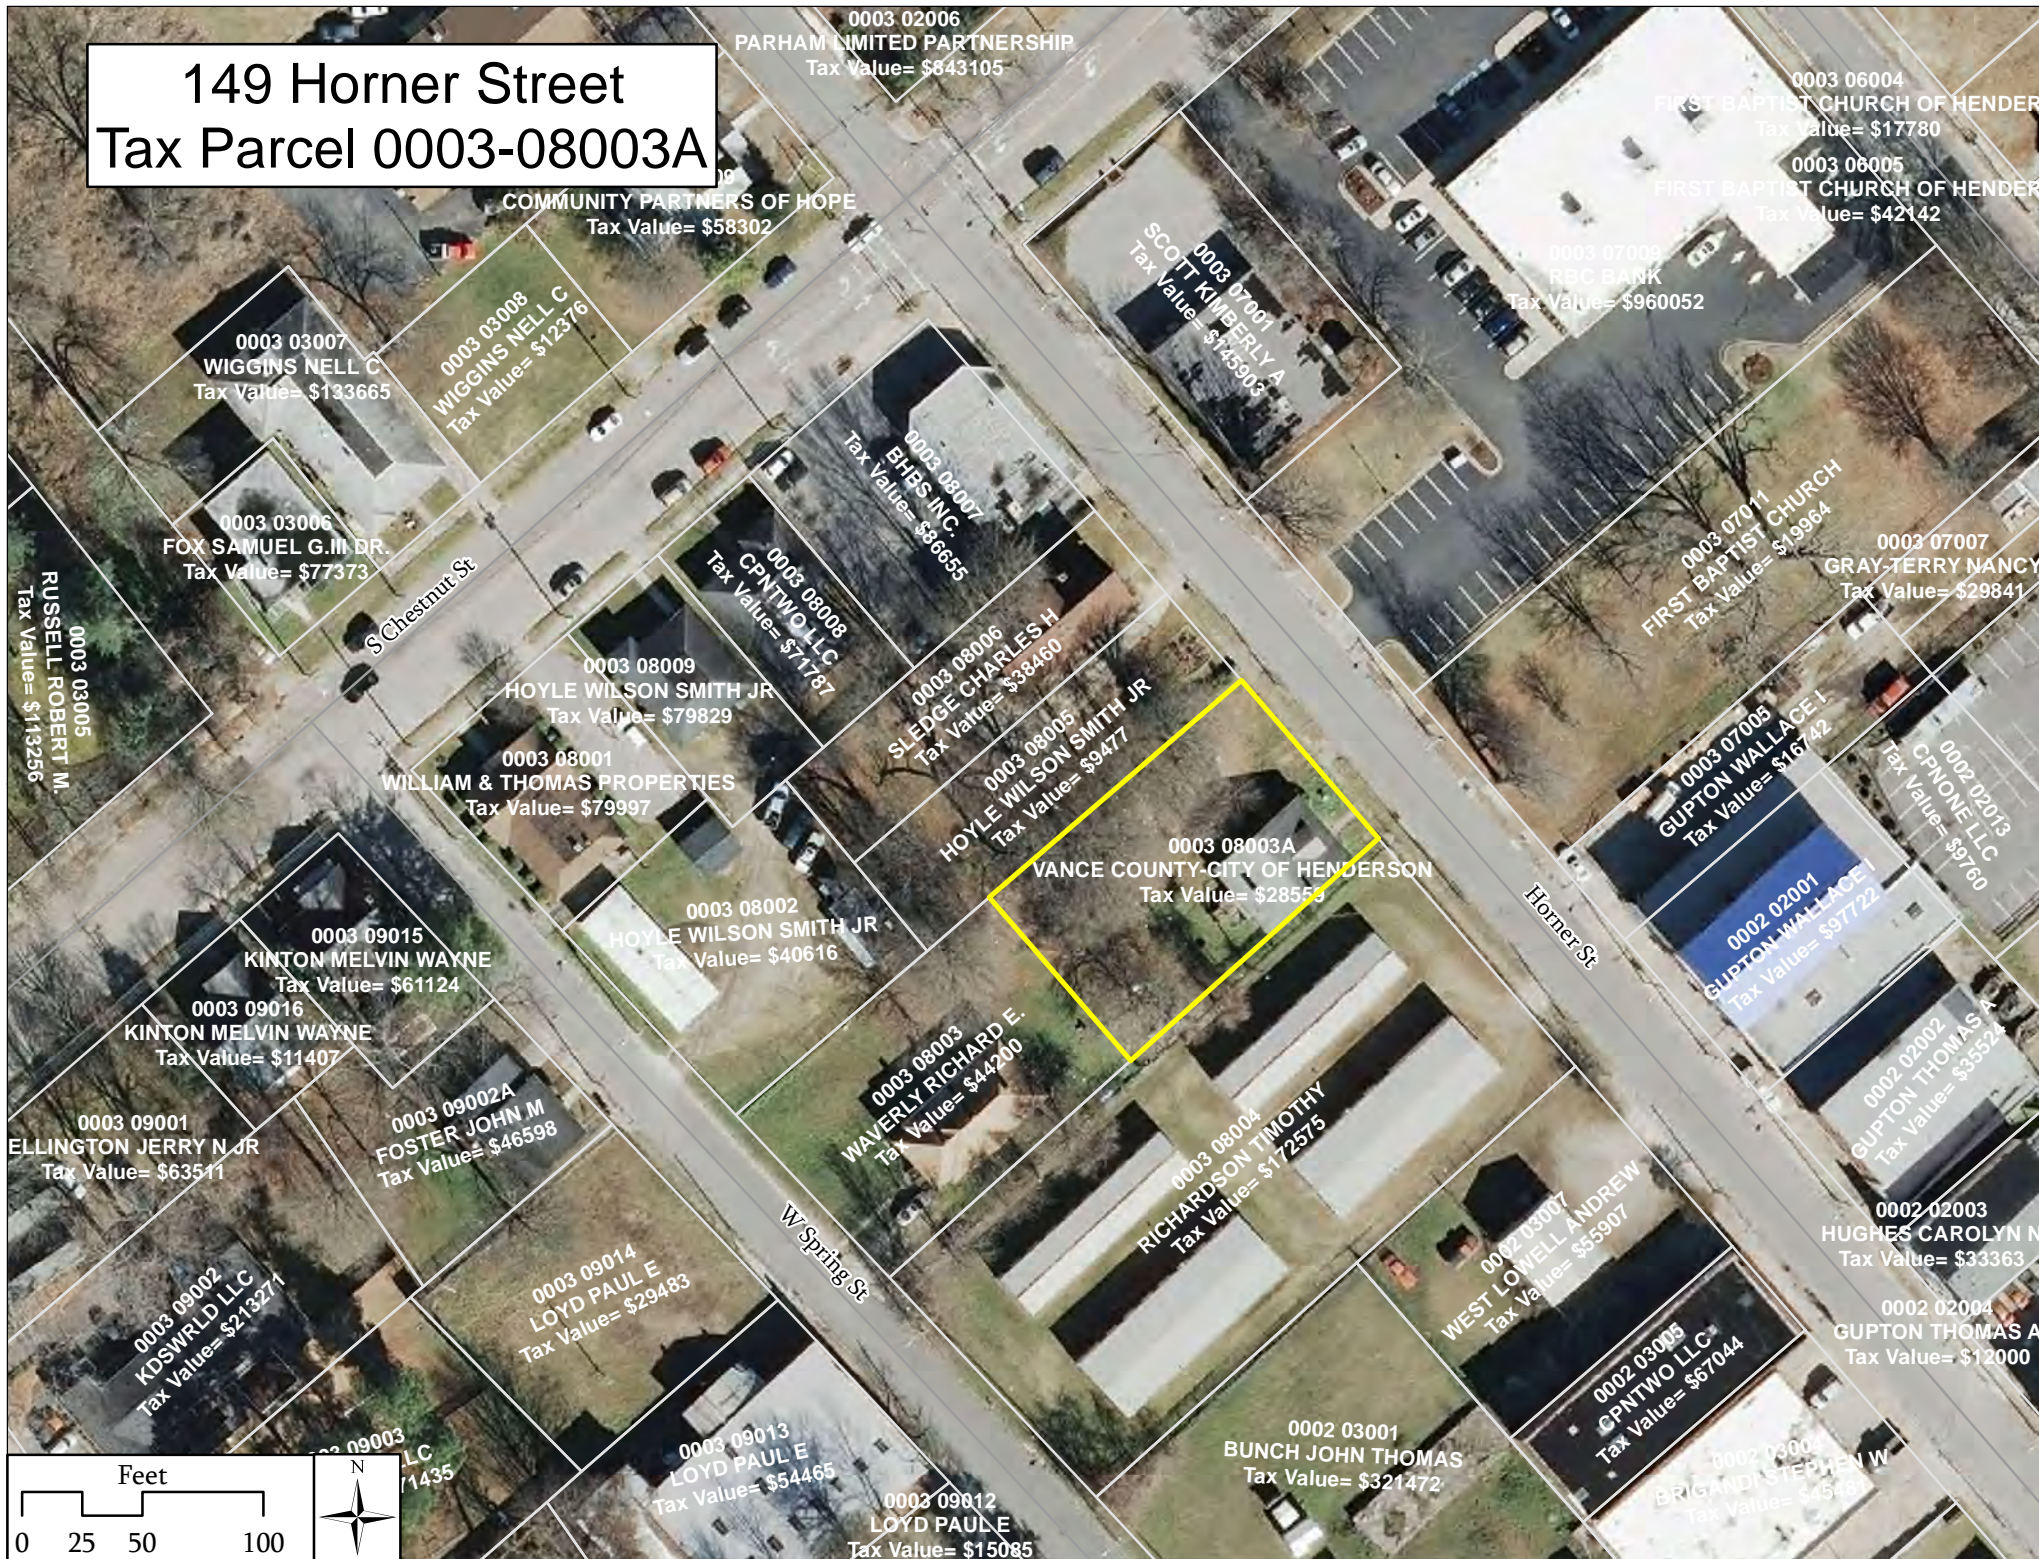

This the 5th day of January, 2015.

County Manager's Report

Vance County

County Manager's Report to the Board

January 5, 2015

A. Vendor Selection for Heating System – Farmers Market. As authorized by the Board in its December 2014 meeting, the COG has completed and submitted the pre-application to USDA for funding of a heating system of the vendor area at the Vance County Regional Farmers Market. Four quotes were received and reviewed by the Farmers Market Advisory Board, which determined that only three of the four quotes were valid. The Advisory Board selected Gupton Services as its recommendation to the Board of Commissioners and suggested that the County budget a total of \$20,000 to allow for a small project contingency. USDA will make its funding determination in the coming months; therefore, it is necessary for the County to make its award contingent upon receiving funding from USDA and having contributions and remaining construction funds to apply as the local 25% match. ***Recommendation:** Contingent upon USDA approval of the grant application, (1) award the bid to Gupton Services per its quote for installation of the heating system for the vendor area of the Vance County Regional Farmers Market in the amount of \$18,600; (2) establish a project contingency in the amount of \$1,400 of; and (3) allocate up to \$5,000 of contributions and remaining construction funds as local match.*

B. Confirmation of Grant Application for Paving – Farmers Market. In order to meet a December 19th deadline, a grant application was submitted to the NC Department of Commerce for funding of the driveway and parking lot paving at the Vance County Regional Farmers Market. The application was for \$50,000 and requires no local match. A funding decision is expected on or around January 16, 2015. It is appropriate for the Board of County Commissioners to go on record in confirmation of the grant application that has been already submitted. ***Recommendation:** Approve the previously submitted application to the NC Department of Commerce for \$50,000 for paving of the driveway and parking lot at the Vance County Farmers Market.*

C. Electronics Storage Building and Pad. Electronics are now banned from landfills. Counties receive limited state funds for the management of discarded electronics, with the obvious emphasis on recycling. Vance County contracts with a private electronics recycling firm and has implemented the use of “pods” at two convenience sites in order to get the program underway. Now that electronics recycling efforts are well-established in the County, a larger and improved collection facility is needed. The construction of a concrete pad and metal shed at the Brodie Road Solid Waste Convenience Site is proposed. ***Recommendation:** Award the bid to Michael Leonard Builders in the amount of \$5,937 for the construction of a concrete pad and 18' x 20' metal shed at the Brodie Road Solid Waste Convenience Site for the purpose of collection of discarded electronics, using funding from the State Electronics Management Fund.*

D. Renewal of Real Estate Contract. The contract with Century 21 Hancock Properties (Tonya Hester) to market/sell Neighborhood Stabilization Program (NSP) houses needs to be extended. Real Estate Agent Tonya Hester has been successful in selling three houses of the six houses, and is working on the remaining three. *Recommendation: Renew the existing contract with Century 21 Hancock Properties (Tonya Hester) through June 30, 2015 for the marketing and sale of Neighborhood Stabilization Program houses.*

E. Annual Planning Retreat. The Board of County Commissioners' planning retreat will be held on Wednesday, January 28 from 8:00 a.m. until 3:00 p.m. at the Fellowship Hall of the First Presbyterian Church in Henderson. *For information only.*

F. Public Schools Request for Lottery Funds. The Vance County Board of Education took action in December to use Education Lottery funds for the design and construction of a multi-purpose room addition at Carver Elementary School at a projected cost of \$883,469. Use of lottery funds requires no local match and must be approved in a joint application by the local board of education and board of county commissioners. Therefore, similar action is required by the Vance County Board of Commissioners in order for the application to proceed. The County Finance Director is working on a financial analysis to determine how much funding is available for this project. *Recommendation: Refer the request to the appropriate committee for review and a report back to the Board of Commissioners.*

VEHICLE/EQUIPMENT PROCUREMENT

A Committee of THIRTEEN* Persons was selected by the Governing Board of VANCE COUNTY to solicit bids and make a recommendation of award to the Board for the purchase of INSTALLED HEATING SYSTEM FOR VANCE COUNTY REGIONAL FARMERS MARKET VENDOR SALES AREA .

The Committee developed a set of basic specifications for the equipment to be purchased. The basic specifications and a request for proposals were sent to the following manufacturers:

1. VENDOR 1: A.R.E. MECHANICAL INC.
2. VENDOR 2: GUPTON SERVICES, INC.
3. VENDOR 3: PSNC ENERGY
4. VENDOR 4: CAROLINA COOLING & HEATING
5. _____

FOUR proposals were received as outlined below:

<u>Manufacturer</u>	<u>Price Quoted</u>	<u>Basic Specifications Met</u>
<u>A.R.E. MECHANICAL</u>	<u>\$ 10,513</u>	<u>NO</u>
<u>GUPTON SERVICES</u>	<u>\$ 18,600</u>	<u>YES</u>
<u>PSNC (EXCLUDING ELECTRICAL)</u>	<u>\$ 15,078.65</u>	<u>YES</u>
<u>CAROLINA COOLING & HEATING</u>	<u>\$ 23,350.00</u>	<u>YES</u>

*PROPOSALS REVIEWED 12/11/14 WITH 8 MEMBERS PRESENT, A QUORUM

The Committee carefully evaluated each proposal. The committee selected the proposal from GUPTON SERVICES, INC. for the following reasons:

- >MEETS SPECIFICATIONS
- >EXPERTISE AS ROOFING CONTRACTOR (UNITS ARE EXHAUSTED THROUGH ROOF)
- >VENDOR MANAGES ENTIRE PROJECT, INCLUDING ELECTRICAL WORK

In a Board of Directors meeting on _____, the findings and recommendations of the Committee were presented to the Board. A motion was made by _____ to accept the Committee's recommendation, a second to the motion was made by _____. Motion was discussed and voted on. The vote was:
FOR _____ AGAINST _____ ABSENT _____.

Re: Electronics Storage Building and Pad

- N.C. General Statutes 130A-309.130 through 130A-309.141 "Discarded Computer Equipment and Television Management" establishes an electronics recycling program for the State of North Carolina with shared responsibility between computer manufacturers, television manufacturers, retailers, local and state government, and consumers with the general goal of fostering a statewide recycling infrastructure for these materials. In conjunction with this program, the law bans televisions, computers, monitors, printers, scanners, and computer peripherals such as keyboards and mice from disposal in landfills.
- Session Law 2010-67 requires that local governments establish separate local budget accounts for the receipt and expenditures of funds from the Electronics Management Fund, and specifies that these funds are to be used only in support of programs to manage discarded computer equipment, televisions and other electronics devices.

Vance County is seeking bids for the construction of a concrete pad (18'X20') along with a prefabricated metal A-Frame building (18'x20') to be installed on top of concrete pad. The metal building should have a warranty metal sheet life of at least 20 years. The concrete should be formed and poured at a minimum of 3,000 psi with wire matting/chairs and 4" inches thick. A one, (1') foot and eight, (8") inch deep footer will be required along each side and front of the building. Contractor will also place one, (1) #4 rebar on chairs at 4" in footer trench. No footer required for back of building. Saw joints to industry standard should be cut to minimize cracking. Two (2), 4" inch pipe bollards will need to be buried at 2 feet encased in 18 inches of concrete at the side entrance(s) of the finished shed to at least 42" and filled with concrete. The bollards should be filled with concrete and finished with concrete in a smooth, domed pattern. Bollards should be painted a safety yellow from top of dome to 2" inches below gravel.

The pre-fab metal building should be colored Forest Green, with a roof in addition to having sheet metal of same color on all three sides with the front being open. The building should be anchored to the concrete floor by installers to industry standard. The front should remain to allow residents to walk in and unload scrap electronics. Pipe bollards should be placed and painted in front of the corners of the building where loading and unloading of scrap electronics will occur.

2014 Untimely Application Filed

CASE DATE/TIME: 01/05/2015

ACCOUNT REF#: 1020344

OWNER/BUSINESS NAME: Delores M. Talley

PARCEL(s): 0607 02001

DATE OF APPEAL: 12/09/14

OPENING STATEMENT:

Appellant statement of reason (s) for the appeal:

Appellant is appealing the untimely Present Use-Agriculture application for 2014 real property.

STAFF REVIEW:

Appellant failed to apply for the exemption by January 31, 2014. Therefore the assessor must deny their 2014 untimely application submitted December 9, 2014.

ASSESSOR'S RECOMMENDATION:

If application would have been turned in by January 31st, it would have met the qualifications and would have been approved.

[2014 VANCE COUNTY EXTENSION PLAN OF WORK/MONTHLY UPDATE]

**November
2014**

Objectives	Outcomes
<p>1. Producers will increase sales of food locally to more agriculturally aware consumers through market development, producer and consumer education, and new farmer and infrastructure support.</p>	<ul style="list-style-type: none"> ● To date, the new Vance County Regional Farmers Market has received over 10,000 customer visits for the year. We have 25 individual vendors, with an average of 10 participating each sales day. ● In a partnership with Vance Granville Community College, an agricultural entrepreneurship program has been offered at the Farmers Market. This seven week class has approximately 15 students, learning about all aspects of business planning, management, marketing, etc. ● Kerr- Tar Beekeepers met with 13 members attending the November meeting. Beekeeper problems were discussed. The educational program was “ Cooking Healthy With Honey” .
<p>2. Agricultural producers, workers, food handlers and consumers will adopt safer food and agricultural production, handling, and distribution practices that reduce workplace and home injuries/illnesses, enhance food security, and increase the quality and safety of food that North Carolinians prepare and consume</p>	<ul style="list-style-type: none"> ● A pesticide safety class was held in Warrenton to educate farmers, landscapers, and other licensed pesticide applicators on safe practices. Approximately 15 people attended, including several from Vance County.
<p>3. Individuals and groups will acquire leadership and decision making capacities needed to guide and actively participate in local and state organizations.</p>	<ul style="list-style-type: none"> ● Over this past month, Vance County 4-H has created and facilitated a Agricultural Leadership program at Southern

	Vance High School. The purpose of the program is to expose students to the various careers in agriculture as well as provide some leadership training that can be used as they reach the next stages in their lives. Youth have been exposed to various careers including Cooperative Extension, Vance County Soil and Water, USDA, etc.
4. Youth and adults will address community issues and/or challenges through volunteerism.	<ul style="list-style-type: none"> ● Vance County 4-H Teen Council is organizing the YOUTH can drive which is our annual food drive done at the Food Lion on Dabney Dr. The food collected will be donated to a local food pantry.
5. North Carolina's plant, animal and food systems will become more profitable and sustainable.	<ul style="list-style-type: none"> ● In partnership with the USDA Farm Service Agency, Vance County Cooperative Extension hosted a meeting at the Farmers Market to educate farmers about the new farm bill. Farmers have important decisions to make regarding their participation in "safety net" programs, and Cooperative Extension will continue its outreach efforts so that producers can make informed decisions. ● During Farm/City Week A Cover Crops Workshop was conducted with 5 farmers attending. These participants stated that their knowledge of cover crops increased and they would use cover crops to be more sustainable on their farms.
6. Parents and caregivers will effectively use recommended parenting, self care practices and community resources.	<ul style="list-style-type: none"> ● Parent Educators Vickie Jones and Jean Bell collaborated with E. O. Young Elementary School to conduct a parent night workshop in which the spotlight was given to Jones

	<p>and Bell to illustrate Incredible Years Parenting Program skills.</p> <ul style="list-style-type: none"> • The parenting program is continuing two Incredible Years parenting series that will conclude next month, December 2014, with a total of 13 parents who will complete post assessments to determine the number of participants that have learned to effectively use recommended parenting, self care practices and community resources.
7. Futures that Work: School to Career Pathways	<ul style="list-style-type: none"> • Vance County 4-H facilitated the Agricultural Leadership Institute at Southern Vance High School focusing on exposing youth the various careers in agriculture. Some of the sessions included a agriculture panel, a ag business store simulation, and will conclude with a trip to NC State to tour the College of Agriculture and Life Sciences. The program also touched on different leadership styles and strategies to help students once they leave high school with translated skills for their career or schooling experience.
8. Youth and adult program participants will make healthy food choices, achieve the recommended amount of physical activity and reduce risk factors for chronic diseases	<ul style="list-style-type: none"> • Participants from the parenting program participated in the EFNEP program.
9. Consumers and communities will enhance the value of plants, animals, and landscapes while conserving valuable natural resources and protecting the environment.	<ul style="list-style-type: none"> • Master Gardeners were trained about plant selection and management. • Master Gardeners provided farmers market customers with information about environmentally sound garden and landscape management practices through seminars

Monthly Activities Report for the Information Technology Department
December, 2014
Kevin M. Brown, IT Director.

1. Reconfigured Firewall logging to enable more information and higher volume of logs. Necessary after recent code updates changed the logging facility.
2. Worked with ATCOM to supply telephone quotes for DSS and e911 that will enhance current phone system operations in those departments.
3. Worked with DSI at the Senior Center to install a new network printer/copier.
4. Resolved many post-rollout compatibility issues with IE11, especially in the tax office and the finance office.
5. Worked with NCOL to resolve intermittent email issues that have occurred since the update/upgrade of our mail server.
6. Setup VCSO MDTs to work with the new VPN device. All access to VCSO is in compliance with CJIS regulations.
7. Worked with that Deeds Office and the county attorney to fulfill a public records request by the company Zillow.com.
8. Attended a security seminar in Raleigh sponsored by Sophos, Inc.
9. Installed a replacement monitor in Processing at the VC Jail.
10. Help the Veterans Service office with remote access problems while trying to connect to VA online services.
11. Repaired corrupt files on EDC computer.
12. Fixed minor issues with computers at the Animal Shelter.
13. Participated in a conference call with Jordan McMillen, Brian Short and Envirolink regarding the installation of the SCADA monitoring system required by the county water project.
14. Worked at the Back Up PSAP to insure patching and configuration changes are ready for failover operations.

15. Began the process of wiping data off of old DSS computers in preparation of donating those PCs to a non-profit redistribution company.
16. Ran vendor patch installation on CSI finance server.
17. Continued research into possible policies for county technology operations based upon current regulations and laws in the state of North Carolina. Began developing a desktop security manual for possible use throughout the county.
18. Finished migration of old VPN services to a new VPN server.
19. Worked on gathering data for the auditors regarding IT infrastructure.
20. Regular monitoring of the main firewall that includes content filtering, intrusion prevention, application control and gateway AV and malware protection.
21. Monitor the anti-virus servers for possible virus problems.
22. Continue to assist employees in the use of the content management system.
23. Continued to perform internal and external network security vulnerability checks.
24. Continued daily monitoring of server and firewall logs and backup jobs.
25. Helped users upload documents to the CMS and make those documents available to the public.
