Chairperson Shaw opened the October 10, 2019 meeting of the Vance County Planning Board at a little past 4 pm. He announced the first order of business would be to approve the minutes of the August 8, 2019 meeting. Board member Mrs. Phyllis Stainback made a motion to approve the minutes as written, which was seconded by board member Mrs. Ruth Jones. A vote was taken and the minutes were approved unanimously.

Chairperson Shaw announced the next item on the agenda would be to approve the road name "Peacehaven Lane" to be assigned to a private access easement off Glebe Rd. Chairperson Shaw asked Angie Blount, County Planner to present. Mrs. Blount explained that the petition is to name a private access easement which would serve 3 lots and a 14 acre residual from state maintained Glebe Rd. Mrs. Blount advised the minor subdivision met all lot width and lot size requirements, and that the easement met all width requirements as set forth in the Vance County Subdivision and Zoning Ordinance. Board member Mrs. Jones made a motion to approve the road naming, which was seconded by board member Mr. Logan Darensburg. A vote was taken and the road name "Peacehaven Lane" was approved unanimously.

Chairperson Shaw asked if there was any further business for the board. Angie Blount, County Planner, announced that Sherry Moss, current Vance County Special Projects Coordinator, would be acting as the interim Director of Planning with the recent departure of Sam Hobgood from the position. The board members extended their welcome and best wishes to Mrs. Moss. Mrs. Moss stated that she looked forward to working with planning and development and invited the board to contact her if she could be of any service.

Chairperson Shaw declared the October 10, 2019 meeting of the Vance County Planning Board adjourned at 4:25 p.m.
