AGENDA APPOINTMENT FORM

February 5, 2024

Public Hearing: Rezoning Request – Case ZMA24-001
23 Ridgeway Drewry Road – PIN 0587 01003

Request of Board: Approve Rezoning Request

Public Notice

In accordance with Section 11.2 (D) (1) of the County Zoning Ordinance and NCGS160D Article 6 inclusive, the Vance County Board of Commissioners has scheduled a public hearing for Monday, February 5, 2024, at 6:00 p.m., or shortly thereafter, in the Commissioners' Meeting Room located on the second floor of the County Administration Building at 122 Young Street, Henderson, NC.

The purpose of the public hearing is to receive the Planning Board recommendation, staff and public comments, and take formal action on the following Zoning Map Amendments:

1. CASE ZMA24-001 Pamela Fleming. Review and make a recommendation on an Applicant initiated Rezoning of 23 Ridgeway Drewry Road (PIN 0587 01003) from R-30 to GC-1.
2. CASE ZMA24-002 Steve Bennerson. Review and make a recommendation on an Applicant initiated Rezoning of 3620 Raleigh Road (PIN 0224 03005) from LI to GC-1.

At its January 11, 2024 regular meeting, the Planning Board voted unanimously to recommend approval of both requests finding the rezoning's were compliant with the adopted Vance County Comprehensive Plan and were reasonable and in the public interest.

The public is invited to attend and offer comment consistent with the County's applicable rules of procedure. Questions can be directed to Vance County Planning Department at (252) 738-2091. For more information visit the Vance County website at:

<https://www.vancecounty.org/departments/planning-and-development/planning-board/>.

Individuals with a disability who wish to attend/participate are asked to contact the Office of the Clerk to the Board at (252) 738-2003 no later than 12:00 noon on February 2, 2024 so that adequate plans for accommodation can be arranged.

Staff Report

February 5, 2024: ZMA24-001 – Zoning Map Amendment 23 Ridgeway Drewry Road

Vance County Board of Commissioners

Case# ZMA24-001

Owner: Pamela Fleming

Applicant: Pamela
Fleming

Parcel Number: 0587
01003

Location: 23 Ridgeway
Drewry Road

Current Zoning: R-30

Requested Zoning:
GC-1

Meeting Date: February
5, 2024

Prepared by: Vance
County Planning

PURPOSE: To hold a duly advertised LEGISLATIVE HEARING to receive the Planning Board recommendation, accept staff and public comments, deliberate and take action on a Zoning Map Amendment (ZMA) request for a parcel of property located at 23 Ridgeway Drewry Road:

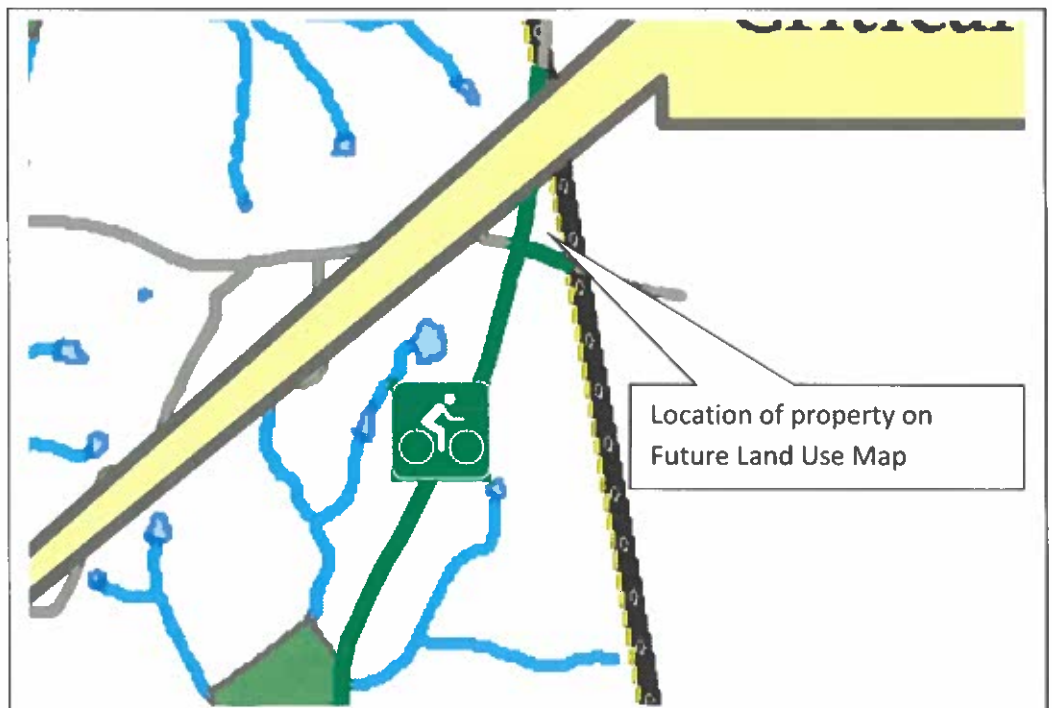

FROM: Residential Low Density (R-30)

TO: General Commercial (GC-1)

BACKGROUND: The Basic facts of the application are as follows:

- Owner/Applicant: Pamela Fleming
- Location: 23 Ridgeway Drewry Road (PIN 0587 01003)
- Size of Parcel: 0.94 acres
- Existing Conditions/Features: The parcel is developed with an existing 1,600 sq.ft. structure supporting a residential land use. Existing topography is flat and there is sparse vegetation throughout the parcel.
- Roads/Access: Access is off Ridgeway Drewry Road, a State maintained roadway.
- Future Land Use Designation: The parcel is within a rural designated area of the County as designated on the adopted Future Land Use Map.

The parcel is not located within a designated Transitional Development or Neighborhood Area or within a defined Development Community as defined in the adopted Land Use Plan.

The parcel in question is near a designated bicycle route as noted on the Future Land Use Map.

g. Surrounding Zoning:

North: R-30 general use zoning with existing residential land uses;

South: Ridgeway Drewry Road, R-30 zoning with existing residential land uses;

West: Jackson Town Road, property zoned R-30 as well as property zoned GC-1, Office Institutional (OI) and Highway Commercial (HC);

East: R-30 general use zoning with an existing residential land use, the Vance County line. The Drewry Fire Department is also to the east of the subject parcel.

Please refer to the attached Vicinity Map for more detail on the zoning of the area in question.

PROPOSAL: Applicant wishes to rezone the property to GC-1. As part of the request, the applicant indicates the area is becoming more commercially oriented from a development standpoint and residential no longer appears to be the most viable use of property.

The development of a large retail land use (Dollar General), the location of a country store and boat storage operation on the vicinity of the property indicates development patterns in the area are shifting to a more commercial focus, justifying the rezoning of the property.

Per Section 3.2.10 of the Zoning Ordinance, the purpose and intent of the GC-1 general use zoning district is: *Established to provide an area of retail and service commercial activities, size will vary according to the trade area. This area will include retail commercial uses that are related to the supply needs and frequent demand/daily requirements of a particular area.*

STAFF COMMENTS:

A. General Use Map Amendment Process: Involves review/action of a rezoning petition in accordance with Section 11 of the Ordinance.

Applications processed in a legislative manner (i. e., does not require sworn testimony or evidence) and decisions are based on the Vance County Board of County Commissioners determination that the project is consistent with the purpose and intent of the Comprehensive Plan and applicable Zoning regulations as embodied within the Ordinance.

Typical procedure for review is as follows:

- First Action — Staff review and analysis.

STAFF COMMENT: Staff's analysis of the request contained herein.

- Second Action — The Planning Board reviews the application at a regular meeting and makes a recommendation to the Board of County Commissioners (BOCC).

- Third Action — The BOCC receives the Planning Board recommendation and decides at a previously advertised legislative hearing.

B. Per Section 11.3 of the Zoning Ordinance, the Planning Board shall follow policy guidelines for all zoning amendments. A proposed zoning amendment will not receive favorable recommendation unless:

- The proposal will place all property similarly situated in the area in the same category, or in appropriate complementary categories.

STAFF COMMENT: There are commercially zoned parcels to the west of the parcel and non-residential land uses in close proximity to the subject property.

- There is convincing demonstration that all uses permitted under the proposed zone classification would be in the general public interest and not merely in the interest of an individual or small group.
- There is convincing demonstration that all uses permitted under the proposed zone classification would be appropriate in the area included in the proposed change. (When a new zone designation is assigned, any use permitted in the zone is allowable, so long as it meets zone requirements, and not merely uses which applicants state that they intend to make of the property involved.)

STAFF COMMENT: Allowable land uses in the GC-1 appear to complement existing non-residential development in the area. The Board will have to determine if possible impacts to surrounding residential land uses will be addressed by existing development standards.

- There is convincing demonstration that the character of the neighborhood will not be materially or adversely affected by any use permitted in the proposed change.

STAFF COMMENT: There is an argument that the area already supports a large scale retail land use and that additional non-residential development will not overburden existing residential land uses.

- The proposed change is in accord with the County Land Use Plan and sound planning principles.

STAFF COMMENT: As indicated by staff this parcel is not in an area previously identified as serving economic development goals/needs. Having said that, there are existing commercially zoned parcels in close proximity that might indicate a change in the overall development pattern in the area.

C. As detailed in the Table of Permitted Uses, allowable land uses within the GC-1 general use zoning district include:

- i. Farming (greenhouses nurseries, not Bona Fide Farms);

- ii. Daycare facility, Home for the Aged, Retirement Community, Schools (with issuance of Special Use Permit);
- iii. Church, College, Hospital;
- iv. Fire/EMS Station/Police Station;
- v. Medical/Dental Clinics;
- vi. Bed and Breakfast/Country Inn;
- vii. Animal Hospital and Vet Clinic, Kennels;
- viii. Motel/Hotel;
- ix. General Store and Retail operations;
- x. Gas stations;
- xi. Professional offices;
- xii. Vehicle sales and rentals;
- xiii. RV/Auto/Boat Storage
- xiv. Restaurants;
- xv. Salvage Yard;
- xvi. Electronic Gaming Operation (with issuance of Special Use Permit);
- xvii. Indoor Amusement and Theaters (Outdoor Amusement allowed with issuance of Special Use Permit);
- xviii. Convenience Center, Recycling facility, Manufacturing, Machine and Welding shop, Adult Establishments, (with issuance of Special Use Permit);
- xix. Warehousing operations.

D. Per applicable County policy and State law, the County is unable to impose conditions or establish limitations on development activities with a general use rezoning. Presuming rezoning to GC-1, development will be consistent with applicable land use regulations as embodied within the Ordinance.

E. There are goals of the Comprehensive Plan appearing to support the request, namely:

- i. GOAL 1: To encourage development at a rate and in a pattern which can be efficiently and effectively served by existing and planned services and facilities.
- ii. Goal 4: To promote, expand, and diversify the economic base in Vance County to maximize the use of human resources while protecting important natural features and community values

F. There are goals of the Comprehensive Plan suggesting the request is not consistent with the Comprehensive Plan, namely:

- i. GOAL 3: To promote, encourage, and stimulate the conservation of existing housing stock, rehabilitation or replacement of substandard housing, and the construction of new housing stock.

STAFF COMMENT: Rezoning the property to GC-1 would eliminate an existing residential land use.

PLANNING BOARD RECOMMENDATION: The Planning Board reviewed this item at its January 2024 regular meeting and voted unanimously to recommend approval indicating that:

- A. The request was consistent with the provisions of the adopted Vance County Land Use Plan and is supported by the goals and objectives of the plan, including:

GOAL 1: To encourage development at a rate and in a pattern which can be efficiently and effectively served by existing and planned services and facilities.

Goal 4: To promote, expand, and diversify the economic base in Vance County to maximize the use of human resources while protecting important natural features and community values

The area in question has existing non-residentially zoned parcels in the area. The request represents a logical extension of existing non-residential development activities.

- B. The Board determined the request was reasonable and in the public interest by promoting additional economic development activities within the County, allowing for the logical expansion of existing non-residential development activity in the area, and would continue to promote a diverse economic tax base.

ADMINISTRATION RECOMMENDATION: The Administration recommends the Board of County Commissioners:

- A. Open the LEGISLATIVE HEARING to order to receive the staff report, public comments, and the Planning Board recommendation;
- B. Ask questions as appropriate;
- C. Close the LEGISLATIVE HEARING;
- D. Act on the request to either:
 - i. Find the request IS or IS NOT consistent with the ADOPTED 1996 LAND USE PLAN and IS OR IS NOT REASONABLE AND IN THE PUBLIC INTEREST;
 - ii. Approve or Deny the recommend Zoning Ordinance Text Amendment.

Statement of Justification

1. Would the amendment correct an error in the zoning map? NO YES: Please explain below:

2. Have conditions changed in the area to justify the requested amendment? NO YES: Please explain below:

Boat storage across the street, and a Dollar general on opposite corner. — as well as, country store across the street, Drewry Fire department and waste facility behind it to the left of the property.

3. What factors justify the proposed amendment?

There are businesses at every other corner and isn't conducive for a single family home, I am contemplating a business there myself in the future.

CASE ZMA24-001

STATEMENT OF CONSISTENCY AND REASONABLENESS
Zoning Map Amendment
Vance County Zoning Ordinance

WHEREAS Vance County (hereafter 'the County') is in receipt of a Zoning Map Amendment for a parcel of property at 23 Ridgeway Drewry Road (PIN 0587 01003), which is located within a rural designated area of the County per the adopted County Comprehensive Plan; and

WHEREAS The property owner, Ms. Pamela Fleming, wishes to rezone the 0.94 acre parcel of property from Residential Low Density (R-30) to General Commercial (GC-1)

WHEREAS The Planning Board completed its review on January 11, 2024 and recommended approval finding the amendment was reasonable, in the public interest, and consistent with the adopted 1996 Vance County Comprehensive Plan; and

WHEREAS, the Staff advertised the Legislative Hearing, scheduled to occur on February 5, 2024, consistent with the provisions of the Ordinance and NC General Statute 160D-601; and

WHEREAS, All Zoning Map Ordinance Amendments are required to comply with the provisions of the Ordinance and processed in accordance with Article 5 of G.S. 160D of the State of North Carolina General Statutes:

NOW THEREFORE BE IT RESOLVED The Vance County Board of Commissioners hereby makes the following finding(s):

- 1. CONSISTENCY WITH LAND USE PLAN: The Board determines the proposed test amendments (ARE / ARE NOT) consistent with the adopted 1996 Comprehensive Plan (hereafter 'the Plan') finding that:

Table with 2 columns: Sample language finding request 'is' consistent: and Sample language finding request 'is not' consistent:.

<p>1. GOAL 1: To encourage development at a rate and in a pattern which can be efficiently and effectively served by existing and planned services and facilities.</p> <p>2. Goal 4: To promote, expand, and diversify the economic base in Vance County to maximize the use of human resources while protecting important natural features and community values</p> <p>The Board finds the area in question has existing non-residentially zoned parcels in the area. The request represents a logical extension of existing non-residential development activities.</p>	<p>1. GOAL 3: To promote, encourage, and stimulate the conservation of existing housing stock, rehabilitation or replacement of substandard housing, and the construction of new housing stock.</p> <p>The Board finds the area in question is surrounded by residential land uses. Rezoning this property to a non-residential zoning designation will not be in character with adjacent land uses and create incompatible development activities.</p>
<p>OTHER:</p> <hr/> <hr/> <hr/> <hr/> <hr/>	<p>OTHER:</p> <hr/> <hr/> <hr/> <hr/> <hr/>

2. STATEMENT OF REASONABLENESS: The Board of County Commissioners finds:

<p>Sample language finding request 'is' reasonable and in the public interest:</p> <p>The Board has determined the request is reasonable and in the public interest by promoting additional economic development activities within the County, allowing for the logical expansion of existing non-residential development activity in the area, and will continue to promote a diverse economic tax base.</p>	<p>Sample language finding request 'is not' reasonable and in the public interest:</p> <p>The Board has determined the request is unreasonable and not in the public interest. While there may be non-residential zoning to the west of the subject property, the area in question is surrounded by residential land uses. Rezoning the property to GC-1 will create a situation where this property could have an adverse impact on adjacent residential land uses.</p>

Public Hearing: Rezoning Request – Case ZMA24-002
3620 Raleigh Road – PIN 0224 03005

Request of Board: Approve Rezoning Request

Public Notice

In accordance with Section 11.2 (D) (1) of the County Zoning Ordinance and NCGS160D Article 6 inclusive, the Vance County Board of Commissioners has scheduled a public hearing for Monday, February 5, 2024, at 6:00 p.m., or shortly thereafter, in the Commissioners' Meeting Room located on the second floor of the County Administration Building at 122 Young Street, Henderson, NC.

The purpose of the public hearing is to receive the Planning Board recommendation, staff and public comments, and take formal action on the following Zoning Map Amendments:

1. CASE ZMA24-001 Pamela Fleming. Review and make a recommendation on an Applicant initiated Rezoning of 23 Ridgeway Drewry Road (PIN 0587 01003) from R-30 to GC-1.
2. CASE ZMA24-002 Steve Bennerson. Review and make a recommendation on an Applicant initiated Rezoning of 3620 Raleigh Road (PIN 0224 03005) from LI to GC-1.

At its January 11, 2024 regular meeting, the Planning Board voted unanimously to recommend approval of both requests finding the rezoning's were compliant with the adopted Vance County Comprehensive Plan and were reasonable and in the public interest.

The public is invited to attend and offer comment consistent with the County's applicable rules of procedure. Questions can be directed to Vance County Planning Department at (252) 738-2091. For more information visit the Vance County website at:

Staff Report

February 5, 2024: ZMA24-002 – Zoning Map Amendment 3620 Raleigh Road

Vance County Planning Board

Case# ZMA24-002

Owner: Steve Bennerson

Applicant: Steve
Bennerson and Synergy
Building Group LLC

Parcel Number: 0224
03005

Location: 3620 Raleigh
Road

Current Zoning: LI

Requested Zoning:
GC-1

Meeting Date: February
5, 2024

Prepared by: Vance
County Planning

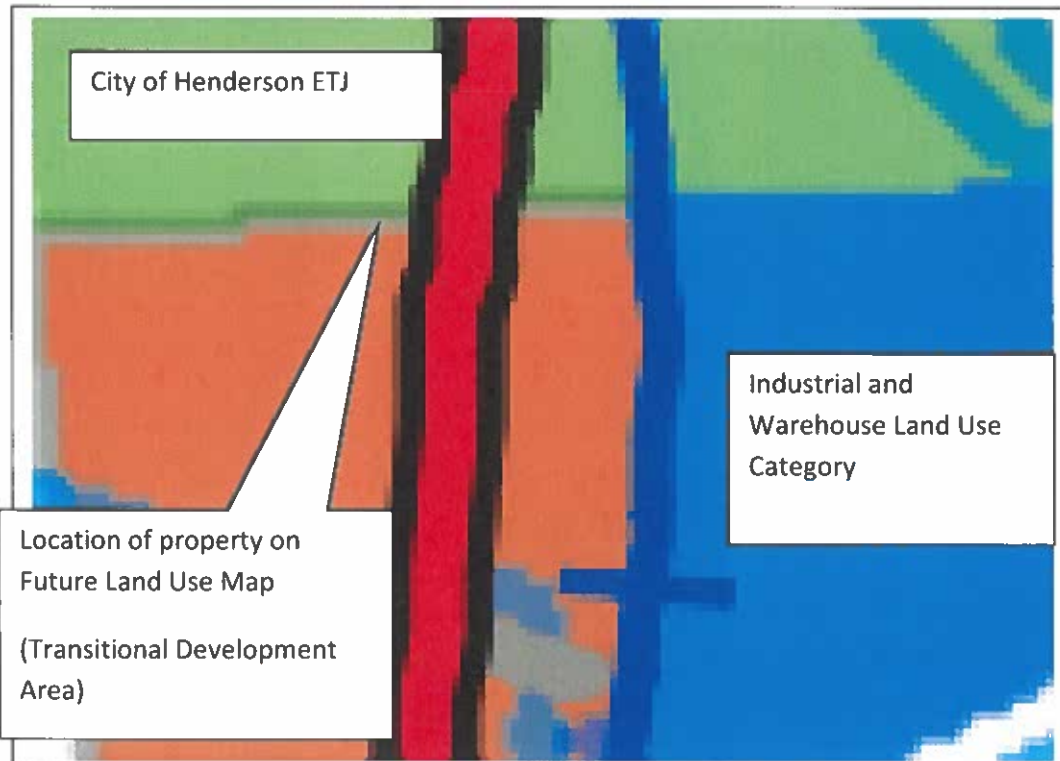

PURPOSE: To hold a duly advertised LEGISLATIVE HEARING to receive the Planning Board recommendation, accept staff and public comments, deliberate and take action on a Zoning Map Amendment (ZMA) for a parcel of property located at 3620 Raleigh Road

FROM: Light Industrial (LI)

TO: General Commercial (GC-1)

BACKGROUND: The Basic facts of the application are as follows:

- a. Owner/Applicant: Steve Bennerson
- b. Location: 3620 Raleigh Road (PIN 0224 03005)
- c. Size of Parcel: 21.98 acres
- d. Existing Conditions/Features: The parcel is developed with existing structures supporting a storage unit land use. Existing topography is flat and there is sparse vegetation throughout the parcel.
- e. Roads/Access: Access is off Raleigh Road, a State maintained roadway.
- f. Future Land Use Designation: The parcel is within a Transitional Development Area as designated on the adopted Future Land Use Map.

Per the adopted Land Use Plan, this Transitional Development Area is defined as follows:

The third potential transitional development area is located south of the ETJ along Raleigh Road leading to and beyond its intersection with US 1. While currently much of this area is residential in use, there are several instances of office industrial mixed in. Most of the development in this area appears to either abut Raleigh Road or be located very close by. The Henderson – Vance Industrial Park in close proximity appears to also have an effect on the development of this area. As Raleigh Road is a major route for obtaining access to and from US-1, the natural progression is to have development on either side of this roadway leading from Henderson to US-1. The completion of the second phase of the western outer loop would contribute significantly to the future development and connectivity of this area.

g. Surrounding Zoning:

North: City of Henderson Zoning (mix of retail and industrial land uses);

South: Agricultural Residential (AR), Light Industrial (LI) and Residential Medium Density (R-20);

West: AR and LI;

East: Raleigh Road, R-20, Residential Low Density (R-30).

Please refer to the attached Vicinity Map for more detail on the zoning of the area in question.

PROPOSAL: Applicant wishes to rezone the property to GC-1. As part of the request, the applicant indicates development of the parcel for wholesale activities, industrial land uses, and warehousing activities is not the most viable land use given adjacent development in the City of Henderson's planning jurisdiction or the residential development east of the parcel (across Raleigh Road).

The applicant(s) believe recent development of a Dollar General at 3740 Raleigh Road indicates there is more opportunities for retail development activities along the Raleigh Road corridor and a rezoning to the GC-1 general use zoning designation would represent a more suitable zoning designation.

Per Section 3.2.10 of the Zoning Ordinance, the purpose and intent of the GC-1 general use zoning district is: *Established to provide an area of retail and service commercial activities, size will vary according to the trade area. This area will include retail commercial uses that are related to the supply needs and frequent demand/daily requirements of a particular area.*

STAFF COMMENTS:

A. General Use Map Amendment Process: Involves review/action of a rezoning petition in accordance with Section 11 of the Ordinance.

Applications processed in a legislative manner (i. e., does not require sworn testimony or evidence) and decisions are based on the Vance County Board of County Commissioners determination that the project is

consistent with the purpose and intent of the Comprehensive Plan and applicable Zoning regulations as embodied within the Ordinance.

Typical procedure for review is as follows:

- First Action — Staff review and analysis.

STAFF COMMENT: Staff's analysis of the request contained herein.

- Second Action — The Planning Board reviews the application at a regular meeting and makes a recommendation to the Board of County Commissioners (BOCC).
- Third Action — The BOCC receives the Planning Board recommendation and decides at a previously advertised legislative hearing.

B. Per Section 11.3 of the Zoning Ordinance, the Planning Board shall follow policy guidelines for all zoning amendments. A proposed zoning amendment will not receive favorable recommendation unless:

- The proposal will place all property similarly situated in the area in the same category, or in appropriate complementary categories.

STAFF COMMENT: There are commercially zoned parcels and development to the north (City of Henderson planning jurisdiction). The area in question is located within a Transition Area as defined within the adopted Land Use Plan which is intended to support mixed use development activities (i.e., general business, office, and industrial).

This rezoning would still support this vision.

- There is convincing demonstration that all uses permitted under the proposed zone classification would be in the general public interest and not merely in the interest of an individual or small group.
- There is convincing demonstration that all uses permitted under the proposed zone classification would be appropriate in the area included in the proposed change. (When a new zone designation is assigned, any use permitted in the zone is allowable, so long as it meets zone requirements, and not merely uses which applicants state that they intend to make of the property involved.)

STAFF COMMENT: Allowable land uses in the GC-1 appear to complement existing non-residential development in the area.

- There is convincing demonstration that the character of the neighborhood will not be materially or adversely affected by any use permitted in the proposed change.

STAFF COMMENT: There are existing LI zoned parcels within the area as well as residentially zoned parcels. Rezoning the parcel to GC-1 would not appear to allow for development activities that would be out of character for the area.

- The proposed change is in accord with the County Land Use Plan and sound planning principles.

STAFF COMMENT: As indicated by staff this parcel is within a Transition Area where the County is looking to promote additional economic development activities.

C. As detailed in the Table of Permitted Uses, allowable land uses within the GC-1 general use zoning district include:

- i. Farming (greenhouses nurseries, not Bona Fide Farms);
- ii. Daycare facility, Home for the Aged, Retirement Community, Schools (with issuance of Special Use Permit);
- iii. Church, College, Hospital;
- iv. Fire/EMS Station/Police Station;
- v. Medical/Dental Clinics;
- vi. Bed and Breakfast/Country Inn;
- vii. Animal Hospital and Vet Clinic, Kennels;
- viii. Motel/Hotel;
- ix. General Store and Retail operations;
- x. Gas stations;
- xi. Professional offices;
- xii. Vehicle sales and rentals;
- xiii. RV/Auto/Boat Storage
- xiv. Restaurants;
- xv. Salvage Yard;
- xvi. Electronic Gaming Operation (with issuance of Special Use Permit);
- xvii. Indoor Amusement and Theaters (Outdoor Amusement allowed with issuance of Special Use Permit);
- xviii. Convenience Center, Recycling facility, Manufacturing, Machine and Welding shop, Adult Establishments, (with issuance of Special Use Permit);
- xix. Warehousing operations.

D. Per applicable County policy and State law, the County is unable to impose conditions or establish limitations on development activities with a general use rezoning. Presuming rezoning to GC-1, development will be consistent with applicable land use regulations as embodied within the Ordinance.

E. There are goals of the Comprehensive Plan appearing to support the request, namely:

- i. GOAL 1: To encourage development at a rate and in a pattern which can be efficiently and effectively served by existing and planned services and facilities.
- ii. Goal 4: To promote, expand, and diversify the economic base in Vance County to maximize the use of human resources while protecting important natural features and community values.

PLANNING BOARD RECOMMENDATION: The Planning Board reviewed this item at its January 2024 regular meeting and voted unanimously to recommend approval indicating that:

- A. The request is consistent with the provisions of the adopted Vance County Land Use Plan and is supported by the goals and objectives of the plan, including:

GOAL 1: To encourage development at a rate and in a pattern which can be efficiently and effectively served by existing and planned services and facilities.

Goal 4: To promote, expand, and diversify the economic base in Vance County to maximize the use of human resources while protecting important natural features and community values

The area in question has existing non-residentially zoned parcels in the area. There is existing retail and office development to the north in the City of Henderson Planning jurisdiction and approval of the rezoning request would constitute a logical extension of this development activity.

The area has been designed by the County as being a Transition Area where additional non-residential development activities are intended to be encouraged. The request represents a logical extension of existing non-residential development activities.

- B. The Board determined the request is reasonable and in the public interest by promoting additional economic development activities within the County, allowing for the logical expansion of potential retail and office land use activities in close proximity to residential land uses, and would continue to promote a diverse economic tax base.

ADMINISTRATION RECOMMENDATION: The Administration recommends the Board of County Commissioners:

- A. Open the LEGISLATIVE HEARING to order to receive the staff report, public comments, and the Planning Board recommendation;
- B. Ask questions as appropriate;
- C. Close the LEGISLATIVE HEARING;
- D. Act on the request to either:

- i. Find the request IS or IS NOT consistent with the ADOPTED 1996 LAND USE PLAN and IS OR IS NOT REASONABLE AND IN THE PUBLIC INTEREST;
- ii. Approve or Deny the recommend Zoning Ordinance Text Amendment.

1. Would the amendment correct an error in the zoning map?

Current parcel that 3629 Raleigh Rd. is sitting on is Light Industrial. We have a reason to believe that the principal land use for wholesale activities, industrial research and warehouse has been compromised.

2. Have conditions changed in the area to justify the requested amendment?

To the left of this parcel sits a newly opened Dollar General on 3740 Raleigh Rd., making this parcel a commercial land use building. The landowner of 3620 Raleigh Rd. sold 5 of his original 26 acres to the owners of Dollar General in order for this business open. In addition, approximately 12 minutes from this location is a Walmart Supercenter with Retail shopping centers.

3. What factors justify the proposed amendment?

- We would like to encourage development in which it can be efficiently and effectively served by existing and planned services and facilities. In doing so, it will help minimize detrimental effects of incompatible land uses. The current zoning would allow development inconsistent with existing development patterns that could impact existing residential land uses in a more extreme manner.
- Lacking in the logical progression of the need for commercial service-oriented businesses that still serve the need not only for the tenants and customers of those industrial land uses but also for the residents of the surrounding areas. By not providing and servicing the commercial services, these customers are having to drive longer distances to find the particular businesses that we would like to offer.
- By driving longer distances, this is not supporting Vance county's goal of reducing congestion and transportation impacts. We would like to provide service-related industrial growth with the development of commercial land use activities that provides central public services to a base population that has no access to them in the current environment. The main goal is to promote, expand and diversify the economic base in the county in order to maximize the use of human resources while protecting important natural features and community values. Objectively, we would be encouraging industrial and commercial development to increase the tax base and job supply in development communities or areas.

CASE ZMA24-002

**STATEMENT OF CONSISTENCY AND REASONABLENESS
Zoning Map Amendment
Vance County Zoning Ordinance**

WHEREAS Vance County (hereafter ‘the County’) is in receipt of a Zoning Map Amendment for a parcel of property at 3620 Raleigh Road (PIN 0224 03005), which is located within a Transitional Development Area of the County per the adopted County Comprehensive Plan; and

WHEREAS The property owner, Mr. Steve Bennerson, wishes to rezone the 21.98 acre parcel of property from Light Industrial (LI) to General Commercial (GC-1)

WHEREAS The Planning Board completed its review on January 11, 2024 and recommended approval finding the amendment was reasonable, in the public interest, and consistent with the adopted 1996 Vance County Comprehensive Plan; and

WHEREAS, the Staff advertised the Legislative Hearing, scheduled to occur on February 5, 2024, consistent with the provisions of the Ordinance and NC General Statute 160D-601; and

WHEREAS, All Zoning Map Ordinance Amendments are required to comply with the provisions of the Ordinance and processed in accordance with Article 5 of G.S. 160D of the State of North Carolina General Statutes:

NOW THEREFORE BE IT RESOLVED The Vance County Board of Commissioners hereby makes the following finding(s):

- 1. CONSISTENCY WITH LAND USE PLAN:** The Board determines the proposed test amendments (ARE / ARE NOT) consistent with the adopted 1996 Comprehensive Plan (hereafter ‘the Plan’) finding that:

Re: Vance County Water District – Phase 1B
Engineer's Recommendation to Award – Contract 1 – Water Mains

Dear Ms. Perry,

After much review and discussion, this letter is to provide a summary the bid results and provide our recommendation to award for the Vance County Water District, Phase 1B – Contract 1 project. The scope of work for Contract 1 the installation of approximately 23.6 miles of 8", 6", 4", and 2" new water mains and appurtenances to serve residents within the Kittrell Township of Vance County with public water.

The project was initially advertised with an unsuccessful attempt of a bid opening on March 21, 2023, (initial bid date adjusted by Addendum #1), due to the minimum number of bids not received. The project was re-advertised with a bid date of April 6, 2023, where one bid for Contract 1 was received and accepted. The bid was reviewed and determined to be responsive and submitted by responsible bidder. Certified bid summary and tabulations are enclosed with this letter.

The low bidder is H.G. Reynolds Company, Inc. (HGR) with a local office in Henderson, NC. HGR has completed numerous successful projects in Vance County, several of which LKC has served as the engineer. Their low bid amount of \$8,785,559.00 exceeded the estimated amount and project budget. LKC, HGR, and County staff evaluated all options for reducing scope and value engineering in attempt to bring the contract amount within budget. Fortunately, Vance County / Vance County Water District was awarded a direct appropriation from SL 2023-134. NC DEQ – Division of Water Infrastructure was designated as the administrator of the directed funds. Utilizing the existing project funding from USDA and Owner contribution, paired with the new funding, the project now has sufficient funds to award the full scope of the project as bid.

HGR has provided written concurrence their company is willing to hold their bid pricing until the end of February 2024. The letter from HGR is enclosed for reference.

Therefore, LKC recommends a tentative award be made to H.G. Reynolds Company, Inc for their low bid amount of \$8,785,559.00. The award must be made contingent on the final authorization and approval from USDA – Rural Development and NC DEQ – Division of Water Infrastructure.

Project- Vance County Contract 1 Waterline
Subject: Unit Pricing Valid for limited time

Logan,

This letter is to confirm that H.G. Reynolds can hold the original unit pricing from the bid originally submitted to you for the Vance County Contract 1 Waterline project. This is contingent upon being able to write a sales order for materials within the next 30-45 days at maximum. H.G. Reynolds also will need to negotiate the original contract time duration on the project and will need to negotiate the starting time of this project. We sincerely hope that this letter will suffice as honoring our original bid pricing, and look forward to hopefully working with you, and Vance County on this project.

If you have any questions or concerns, please feel free to contact us.

Best Regards,

Matthew Beasley

Vance County
County Manager's Report to the Board
February 5, 2024

- A. Resolution – Black History Month.** February has been observed nationally as Black History Month. Vance County has traditionally encouraged its citizens to participate in related events that create a greater awareness and appreciation of contributions made by African-Americans. *Recommendation: Adopt the resolution in support of the designation of February as Black History Month in Vance County.*
- B. County Commissioners Goals for FY 24-25.** The following goals were prioritized during the retreat for FY 2024-2025.
1. Locate potential land sites for new EMS station and new EMS substation in northern part of county.
 2. Renovate existing jail or construct new jail and begin process for locating funding.
 3. Upon completion of fire study, determine next steps as recommended by the board of commissioners.
 4. Begin construction of Phase 1B of the county water system and offer public information/signup meetings with a goal of increasing signups 20% above the current level.
 5. Work with the City of Henderson to build better relationship for services offered.

Continuation Goals:

1. Begin planning and identifying opportunities for distributing and utilizing opioid settlement funds and support educational programs that seek to reduce drug dependency.
 2. Retain or assist in the creation of 150 new jobs and \$10 million in new investment.
Recommendation: Approve the FY 24/25 goals.
- C. Zoning Ordinance Text Amendment.** At the January 8, 2024 regular meeting, the Board held a public hearing to review proposed text amendments to the Zoning Ordinance to expand the current list of allowable Industrial land uses, focusing primarily on permitted uses within the Light Industrial (LI) and Office Institutional (OI) general use zoning districts. The intent of the amendments was to make Vance County more competitive with respect to economic development recruitment activities and expanding the local industrial tax base. During the meeting, Staff and the County Attorney identified additional modifications to the definitions sections designed to incorporate terms from State regulations associated with landfill operations. The amendment package has been updated as recommended by the Attorney and is presented for final action. *Recommendation: Adopt the revised/updated zoning ordinance text amendment as recommended by Staff and the County Attorney.*
- D. Board of E&R:** Manager will provide information as it relates to the Board of E&R and upcoming meetings.

RESOLUTION
by the
Vance County Board of Commissioners
in designation of
February 2024 as Black History Month in Vance County

WHEREAS, for 96 years in the United States, at least some part of the month of February has been observed in recognition of black history and the many accomplishments and contributions made to society by African-Americans; and

WHEREAS, the second week of February was selected by Carter Woodson, a noted Washington, D.C. author, editor, historian, and publisher, to defend black humanity and highlight the accomplishments of his ancestors; and

WHEREAS, in 1976 the entire month of February was included in the bicentennial celebration of the United States, and every single American President has since designated February as National Black History Month; and

WHEREAS, since 2006, the Vance County Board of Commissioners has annually established February as a special month to recognize and celebrate the essential roles of African-Americans throughout Vance County; and

WHEREAS, the Board of County Commissioners sincerely desires for all citizens to thoroughly understand and appreciate value added to the local economy and overall community by African-Americans of all socio-economic levels.

NOW THEREFORE BE IT RESOLVED, that the Vance County Board of Commissioners does officially designate February 2024 as Black History Month in Vance County, and in doing so, does recognize the accomplishments and countless significant contributions made to society by individuals of African heritage.

BE IT FURTHER RESOLVED, that the Vance County Board of Commissioners does encourage businesses, churches, civic organizations, schools, and citizens of all races and color to actively participate in the observance and celebration of Black History Month in Vance County during the month of February 2024.

This, the 5th day of February, 2024.

Staff Report – February 5, 2024: Zoning Ordinance Text Amendments concerning the Light Industrial (LI) and Office Institutional (OI) general use zoning districts

Vance County Board of County Commissioners

Case: Staff Generated Text Amendments to:

- Industrial Uses – Table of Permitted Land Uses
- Section 6 – Special Uses
- Section 12 - Definitions

Prepared by:

Michael D. Harvey – Interim Planning Director

Date of Legislative

Hearing: February 5, 2024

PURPOSE: To finalize review and take action on Zoning Ordinance text amendments to:

1. Table of Permitted Land Uses – Industrial Uses category;
2. Section 6 – Special Uses; and
3. Section 12 – Definitions

modifying allowable land uses within the Light Industrial (LI) and Office Institutional (OI) general use zoning districts.

BACKGROUND: At the January 8, 2024 regular meeting, the Board held a LEGISLATIVE HEARING to review proposed text amendments to the Zoning Ordinance to expand the current list of allowable Industrial land uses, focusing primarily on permitted uses within the Light Industrial (LI) and Office Institutional (OI) general use zoning districts. The intent of the amendments was to make Vance County more competitive with respect to economic development recruitment activities and expanding the local industrial tax base.

During the meeting, Staff and the County Attorney identified additional modifications to the definitions sections designed to incorporate terms from State regulations associated with landfill operations. The amendment package has been updated as recommended by the Attorney and is presented for final action.

LAND USE PLAN: The proposed amendment(s) are supported by several goals and policies of the adopted Vance County Land Use Plan, including:

1. GOAL 1: *To encourage development at a rate and in a pattern which can be efficiently and effectively served by existing and planned services and facilities.*
2. GOAL 2 Objective 2: *To encourage sustainable economic growth and development.*
 - a. *Study the feasibility of constructing additional industrial parks as needed.*
 - b. *Prepare Capital Improvements Plan needed to improve all county services, with emphasis on education.*
 - c. *Enhance entrance corridors by improving the visual image for potential corporate and residential clients.*
 - d. *Enhance tourism transportation routes.*
 - e. *Plan and complete the construction of the Vance County Triangle North Site.*

3. GOAL 4: *To promote, expand, and diversify the economic base in Vance County to maximize the use of human resources while protecting important natural features and community values.*
4. GOAL 4 Objective 1: *Encourage industrial and commercial development to increase the tax base and job supply in development communities or areas.*

PLANNING BOARD RECOMMENDATION: As previously indicated, the Planning Board reviewed this item at its October and November 2023 regular meetings. After making several recommendations, the Board voted unanimously to recommend approval indicating that:

- A. The request was reasonable and in the public interest as it expanded local economic development opportunities while imposing permit requirements to address secondary impacts of anticipated land use development activities; and
- B. The amendments were consistent with the adopted Land Use Plan.

ADMINISTRATION RECOMMENDATION: The Administration recommends the Board of County Commissioners adopt the revised/updated text amendment as recommended by Staff and the County Attorney.

¹ Staff recommended addition of the land use to address the need to support ready access to materials for roadway development and repair.

² There is an expanding need for chemical manufactured across the State. Staff created a distinction between chemical manufacturing operations associated with pharmaceutical operations, which has less secondary impacts, and other chemical operations that can have greater secondary impacts.

³ Consistent with the Planning Board recommendation, this land use will abide by the same standards as an Asphalt Plant. Staff has no concerns over the proposal.

⁴ A data center is a land use involving a building or group of buildings containing networked computer servers for the remote storage, processing, or distribution of large amounts of data

⁵ There do not appear to be specific standards in Section 6 addressing this specific land use.

SECTION 6 - SPECIAL USE PERMITS

6.1 OBJECTIVES AND PURPOSE

It is recognized that there are some land uses, which are basically in keeping with the intent, and purpose of the various zones created by this Ordinance, yet these uses may have a significant impact on those zones. These impacts are best determined following careful review of the specific proposal. In order to add flexibility to this Ordinance, certain uses are allowed by means of controls exercised through the Special Use Permit process.

6.2 PROCEDURES

Special Use Permits shall be granted by the Board of Adjustment as permitted by G.S. 160D-406 for all Special Uses enumerated in the Table of Permitted Uses. Special Uses may only be established by Board of Adjustment approval. The owner or owners of all the property included in the petition for a Special Use Permit shall submit required application information to the Planning and Development Department at least three (3) weeks prior to the Board of Adjustment meeting at which it is to be heard. Such application shall include all of the requirements pertaining to it in this Ordinance. Applications shall include a Site Plan as outlined in Section 2.2C of this Ordinance and be accompanied by a fee set according to the Planning and Development Department Fee Schedule. The Board of Adjustment shall review all requests for Special Use Permits within thirty (30) days from submittal.

6.3 BOARD OF ADJUSTMENT ACTION

The Planning and Development Director or his/her designee shall submit all applications for Special Use Permits to the Board of Adjustment. The Board of Adjustment shall set and advertise a date and time for a quasi-judicial hearing on the Special Use permit application. The applicant shall provide to the Planning and Development Department a list of the names and addresses of all adjacent property owners. A notice of the hearing shall be mailed by the Planning and Development Director or his/her designee, to each person on this list and the applicant and the owner of the subject property (if not the applicant) at least ten (10) days but not more than 25 days prior to the hearing. The person mailing such notice shall certify that such notices have been mailed. Additionally notice of the hearing must be posted on the affected property at least ten (10) days but not more than 25 days prior to the hearing. At the hearing all interested persons shall be permitted to testify in sworn testimony. A person who is interested in the matter but who does not have a personal stake in the outcome (such as a likely effect on his or her property value) may attend and observe the hearing, but they have no legal right to offer evidence, ask questions, or otherwise directly participate in the matter. The Board of Adjustment shall consider the application and comments at the hearing and may grant or deny the Special Use Permit. If the Special Use Permit is granted, the Board of Adjustment shall use as a guide, the specific conditions outlined in this Article for each use proposed. In addition, the Board of Adjustment shall find:

- A. That the use will not materially endanger the public health or safety if located according to the plan submitted and approved.
- B. That the use meets all required conditions and specifications.
- C. That the use will not substantially injure the value of adjoining or abutting property, or that the use is a public necessity.
- D. That the location and character of the use, if developed according to the plan as submitted and approved, will be in harmony with the area in which it is to be located and in general conformity with the Vance County Land Use Plan. In granting the Special Use Permit the Board of Adjustment may designate only those conditions, in addition to those stated herein, which, in its opinion, assure that the use in its proposed location will be harmonious with the area and with the spirit of this Ordinance and clearly in keeping with the public welfare. All such additional conditions shall be entered in the minutes of the meeting, at which the Special Use Permit is granted, on the Special Use Permit itself, and on the approved plans submitted therewith. All

2. The maximum number of machines/terminals/computers for any electronic gaming operations business is twenty (20).
 3. Minimum paved parking spaces:

 8. A straight-line drawing shall be prepared by a registered land surveyor depicting the property lines and the structures containing any existing electronic gaming businesses within two thousand (2,000) feet of the property; the property lines of any established religious institution/synagogue, school, daycare center/home; library, public park, recreation area or motion picture establishment where “G” or “PG” rated movies are shown to the general public on a regular basis that is within two thousand (2,000) feet of the property. For purposes of this Section, a use shall be considered existing or established if it is in existence at the time an application is submitted.
 9. Measurement of distance separation shall be in a straight line from the closest point of the buildings at which the internet café/sweepstakes business is located.
- F. Industrial Uses in Non-Industrial Zones
1. Dimensional Requirements: The zone dimensional requirements shall apply.
 2. Screening and Buffering: Outdoor storage must meet the requirements of Section 4.15. Screening and buffering must be provided in accordance with Section 4.16.
- G. Landfill (Demolition, Sanitary, Land Clearing Inert Debris) *(Amended 10/7/2019)*
1. Distance Requirements (Only applies to Demolition or Sanitary Landfills): The landfill or any structure must be a minimum of one thousand (1,000) feet from any residential structure on surrounding properties. An owner occupied residence on the property of the tract is allowed. All buildings, including accessory garages or storage buildings, shall be set back a minimum of one hundred (100) feet from all property lines and street rights-of-way.
 2. Screening, Buffering, and Fencing: Outdoor storage must meet the requirements of Section 4.15. Screening and buffering must be provided in accordance with Section 4.16.
 - a. Any gates allowing for access must meet the same height requirement and must be kept closed and locked after dark and at any time when not open for business.

- b. Screening is required which completely screens from view the stored items. Such screening shall be a durable wall or fence at least eight (8) feet high *in addition* to a minimum fifteen (15) foot wide vegetated strip around the entire perimeter of any outdoor storage area. This vegetated strip shall consist of a naturally wooded area or planted with a mixture of evergreen and deciduous trees and shrubs to simulate a naturally wooded area.

3. Licensing and Operating Requirements *(Amended 10/7/2019)*

- a. LCID (Land Clearing Inert Debris) ~~Landfills minor, uses~~ under two acres, require a copy of the Facility Plan approved by NCDEQ to be filed with the county planning department. ~~Landfills major, LCID (Land Clearing Inert Debris) uses~~ greater than two acres, require a copy of the licensing issued by the North Carolina Division of Waste Management to be filed with the county planning department.
- b. LCID (Land Clearing Inert Debris) landfill facilities may not operate prior to 7:00 a.m. or after 7:00 p.m. unless allowed by the county manager in responding to excess debris resulting from a natural disaster.

H. Mining and Quarrying or other Extraction Operations

1. Additional Site Plan Requirements:

- a. The names and addresses of property owner(s) or developers(s) and the designer or Registered Surveyor or Professional Engineer, if the plans are drawn other than by the property owner, operator or developer.
- b. Date, scale and approximate North arrow.
- c. Boundaries of the tract, parcel, plot or lot shown with bearing and distances.
- d. Buffers, ingress and egress, surrounding land usage and any other specific information pertinent to the parcel, plot or lot
- e. A vicinity map showing the location of the parcel, plot or lot.
- f. The names for each adjoining property owner, shown on the parcel, plot or lot they own.
- g. Land contours with vertical intervals of not less than ten (10) feet. U.S.G.S. 7.5 Minute Topographical Quadrangle Maps are acceptable.
- h. When an expansion is being requested, the size and location of any existing area that is being operated as a mine or mining operation.
- i. A letter or other certification of approval must be submitted from the North Carolina Department of Transportation, as to the safety and design of the access or entrance on to a State maintained street or road from the mine. In place of this requirement, the applicant may submit a completed application as required by the State of North Carolina for a Mining Permit.

- 2. Access: Access to a mine or mining operation must be from a road or street that is a State maintained road or a private road with a right-of-way width of not less than thirty (30) feet and a cleared or drivable area of not less than twenty (20) feet. Any ingress or

- d. A statement indicating the owner’s intent to allow shared use of the tower and how many other users can be accommodated.
- 7. *Co-Location.* To further encourage co-location, additional users and associated equipment that do not add to the tower’s height may be added without additional approval. However, additional building code regulations may apply. Site plans must show the locations for at least two equipment buildings, even if the tower is proposed for a single user.
- 8. *Collocation of small wireless facilities.*
 - A. Small wireless facilities that meet the height requirements of G.S. 160D-936(b)(2) shall only be subject to administrative review and approval under subsection (d) of this section if they are collocated outside of city rights-of-way on property other than single-family residential property.
 - B. In no instance in an area zoned single-family residential where the existing utilities are installed underground may a utility pole, public utility pole, or wireless support structure exceed 40 feet above ground level, unless the Board of Adjustment grants a waiver or variance approving a taller utility pole, public utility pole, or wireless support structure.
- 9. *Removal of Towers.* Towers that are not used for a period of six (6) months or more shall be removed by the owner within one hundred eighty (180) days after receiving notice from the County to remove the tower. To assure the removal of towers that do not meet requirements for use or maintenance, this section serves as notice that the County may remove said tower and may file a lien collectable as taxes against the property.
- 10. *Additional Requirements for Special Use Permits for Telecommunication Towers and Equipment:*
 - a. When considering a Special Use Permit request, the Board of Adjustment shall be required to make a determination of the electromagnetic field (EMF) effects of the tower on the health of the public.
 - b. All property owners within a 1,500 foot radius and/or adjoining the property where the tower is proposed shall be notified, in writing, of the hearings at which the application will be considered.
 - c. Special Use Permits for all towers shall expire unless documentation, including but not limited to an FCC license, is submitted each January to the Board of Adjustment indicating that the tower is being utilized.
 - d. The tower shall meet all other applicable supplementary requirements.

P. ASPHALT PLANTS AND CONCRETE PROCESSING PLANTS.

- 1. Access: Access to the use shall be from a State maintained roadway.
- 2. Screening and Buffering: An area of land, not less than 50 feet in width, shall be provided along all boundaries of the affected land apart from permitted ingress and egress to public roadways. This buffer area may be left in a natural vegetative state if sufficient visual buffering is provided otherwise the buffer, where practicable, must be planted with trees, shrubs or plants that create a visual screen.

Trees, plants, and ground covers to be planted must be native to the area and trees shall not be less than 10 feet in height when mature. Alternatively, an earthen berm (or berms) may be placed within the buffer for visual screening. Any berm must have a vegetative groundcover and side slopes sufficient to minimize erosion. If the berm(s) is (are) less than ten feet in height, trees not less than six (6) feet in height at the crown shall be planted on the berm(s) to supplement visual screening.
- 3. The boundary of the property shall be at least 1,000 feet from any residential use or zoning

district.

4. The use shall be totally enclosed by a security fence or wall at least 8 feet high.
 - a. For Asphalt Plants, this requirement may be waived if the use is completely enclosed within a fireproof building.
5. All plans shall be reviewed by Fire and Emergency staff prior to approval to determine that existing services provide adequate protection for citizens.
6. Applicant shall be required to demonstrate the facility has secured or can secure prior to the commencement of earth disturbing activities to commence construction, all require permits from the State of North Carolina to operate including, but not limited to, an Air Quality Permit.

Q. CHEMICAL MANUFACTURING AND PROCESSING.

1. Pharmaceuticals and Medicine:
 - a. All plans shall be reviewed by Fire and Emergency staff prior to approval to determine that existing services provide adequate protection for citizens.
 - b. The use shall be totally enclosed by a security fence or wall at least 8 feet high.
2. Other:
 - a. Access: Access shall be from a State maintained roadway.
 - b. The boundary of the property shall be at least 1,000 feet from any residential use or zoning district.
 - c. Screening and Buffering: An area of land, not less than 50 feet in width, shall be provided along all boundaries of the affected land apart from permitted ingress and egress to public roadways. This buffer area may be left in a natural vegetative state if sufficient visual buffering is provided otherwise the buffer, where practicable, must be planted with trees, shrubs or plants that create a visual screen.
 - d. All plans shall be reviewed by Fire and Emergency staff prior to approval to determine that existing services provide adequate protection for citizens.
 - e. The use shall be totally enclosed by a security fence or wall at least 8 feet high.

SECTION 12 - DEFINITIONS AND WORD INTERPRETATIONS

In the construction of this Ordinance, the word interpretations and definitions contained in this section shall be observed and applied, except when the context clearly indicates otherwise. In further amplification and for clarity of interpretation of the context, the following definitions of word usage shall apply:

- A. Words used in the present tense shall include the future; and words used in the singular number shall include the plural number, and the plural the singular.
- B. The word “shall” is mandatory and not discretionary.
- C. The word “may” is permissive.
- D. The word “person” includes a firm, association, organization, partnership, corporation, trust and company as well as an individual.
- E. The word “lot” shall include the words “piece”, “parcel”, “tract”, and “plot”.
- F. The word “building” includes all structures of every kind, except fences and walls, regardless of similarity to buildings.
- G. The phrase “used for” shall include the phrases “arranged for”, “designed for”, “intended for”, and “occupied for”.
- H. The word “map” or “zoning map” shall mean the official Zoning Map(s) of Vance County, North Carolina.
- I. The term “Board of Adjustment” shall mean the Zoning Board of Adjustment of Vance County, North Carolina.

Abutting: Having property or zone lines in common; i.e., two lots are abutting if they have property lines in common. Lots are also considered to be abutting if directly opposite each other and separated by a street, alley, railroad right-of-way, or stream.

Active Solar System: A solar energy system that transforms solar energy into another form of energy or transfers heat from a collector to another medium using mechanical, electrical, or chemical means.

Abandonment: That the use, structure, building, or sign is not used occupied or otherwise operating for the intended non-conforming activity for the period specified in Section 5 of this Ordinance. Periods of active re-modeling during which the use is closed for repairs should not be considered in determining abandonment, provided the remodeling is completed within a reasonable time period as indicated on the zoning permit issued for re-modeling the nonconforming use. Abandonment of signs shall mean having electricity disconnected for lighted signs, no message, or the failure to repair damaged signs.

Access: A way of approaching or entering a property. Access also includes ingress, the right to enter, and egress, and the right to leave.

Accessory Building, Structure, or Use: A building, structure, or use, not including signs, which is:

- A. Conducted or located on the same zoning lot as the principal building, structure, or use, except as may be specifically provided elsewhere in the Ordinance;
- B. Clearly incidental to, subordinate in area and purpose to, and serves the principal use; and,
- C. Either in the same ownership as the principal uses or is clearly operated and maintained solely for the comfort, convenience, necessity, or benefit of the occupants, employees, customers, or visitors of or to the principal use.

Adult Entertainment Establishment: Includes clubs and eating and drinking establishments with nude or seminude entertainment or dancing; physical culture establishments, such as but not limited to massage parlors, etc.; and establishments that include adult bookstores, adult motion picture theaters, adult motels and hotels, and similar establishments depicting/emphasizing sexual activities and/or nudity.

Advertising Signs (Billboards or Outdoor Advertising Signs): A sign which publicizes and directs attention to a business, profession, commodity, activity, product, service or entertainment not conducted, sold or offered upon the premises where such sign is located.

Affected land (relating to mining): The surface area of land that is mined, the surface area of land associated with a mining activity so that soil is exposed to accelerated erosion, the surface area of land on which overburden and waste is deposited, and the surface area of land used for processing or treatment plant, stockpiles, nonpublic roads, and selling ponds.

Agriculture: The practice of cultivating the soil, producing crops, and raising livestock; such as but not limited to dairying, pasturage, viticulture, horticulture, hydroponics, floriculture, aquaculture, truck farming, orchards, forestry, and animal and poultry husbandry. However, the operation of any accessory uses shall be secondary to that of the normal agricultural activities. See definition of Bona Fide Farm for complete listing of activities included within the definition of Agriculture.

Agriculture Support and Services (Agri-business): Any support or service (agri-business) store or any such use where the primary activity is supplying farm hardware, seed, fertilizer, and/or that provides tractor or other agricultural equipment sales/service.

Agri-tourism: A type of tourism, as a commercial practice, in which farmers provide their farms as a venue for tours of the farming operations and/or making the operation available to overnight guests. This type of commercial venture allows visitors and guests the opportunity to experience “what it's like to live on a farm, to see how food is produced and gain an appreciation for natural ecosystems.” This practice also provides farmers with additional operating income to assist in preserving their respective farms operations as well as preserving such farmlands and their native ecosystems.

Airport: A use that includes facilities for the flying of aircraft and their maintenance for the private use of an individual and those used by ultra-light aircraft. This definition includes flight schools.

Alley: A public or private right-of-way primarily designed to serve as secondary access to the side or rear of those properties whose principal frontage is on a street and is not intended for general traffic.

Alter: To make any structural changes in the supporting or load-bearing members of a building, such as bearing walls, columns, beams, girders, or floor joists.

Animated Sign: Any sign which flashes, revolves, rotates or swings by mechanical means, or which uses a change of lighting to depict action, or to create a special effect or scene.

Antenna: Any exterior transmitting or receiving device that radiates or captures electromagnetic waves (excluding radar signals).

Apartment: A room or suite of rooms intended for use as a residence by a single household or family. Such a dwelling unit may be located in an apartment house, duplex, or as an accessory use in a single family home or a commercial building.

Apartment House: A building containing three (3) or more dwelling units, except where permitted as an accessory use.

Apartment Hotel: A hotel in which at least ninety (90) percent of the hotel accommodations are occupied by permanent guests.

Asphalt Plant: Involves the manufacture of asphalt by heating and drying aggregate and/or bitumen and other additives for application in roadway or pathway surfacing, patching, development of roofing materials, and other similar applications. Use includes any combination of dryers, systems for screening, handling, storing, and weighing dried aggregate, systems for loading, transferring, and storing mineral filler, systems for mixing, transferring, and storing asphalt, and emission control systems within the stationary source.¹¹

Assembly: A joining together of completely fabricated parts creating a finished product.

Automobile Service Station (Gas Station): Any building or land used for the dispensing, sale, or offering

¹¹ Staff is adding a definition of the term Asphalt Plant to the Zoning Ordinance as part of this amendment package.

Building Marker: A sign indicating the name of a building and date and incidental information about its construction, which sign is cut into a masonry surface, or made of bronze or other permanent material.

Building, Principal (Main): A building in which is conducted the principal use of the plot on which it is situated.

Building Setbacks: The minimum distance from the property line, right-of-ways, and / or easements to closest projection of the exterior face of buildings, walls, or other form of construction (i.e. decks, landings, terraces, porches, and patios on grade).

Building Setback Line: The line on the front, rear, and sides of a lot, set according to the zone regulations, which delineates the areas upon which a structure may be built or maintained. At the time of application, all yard setbacks are determined from the most recent Vance County Official Tax Map.

- A. Front yard setback - shall be measured from the roadway right-of-way as shown on tax maps.
- B. Side and Rear yard setbacks - shall be measured from the property lines as shown on tax maps.
- C. Corner lot setbacks - shall be measured from the roadway right-of-ways it is adjacent to as on a flag lot, the “building setback line” runs parallel to the street and is measured from the point in the main portion of the lot (i.e. the “flag” part of the lot, not the “pole” part), which is closest to the street (minimum lot width must be met in this area, as well; if the point closest to the street is a corner rather than a line, the setback will have to extend as far as necessary to meet the required minimum lot width)

Built-Upon Area: Built-upon areas shall include that portion of a development project that is covered by impervious or partially impervious surfaces, including buildings, pavement, gravel roads, recreation facilities (e.g. tennis courts), etc. (Note: Wooded slatted decks, golf courses, and the water area of a swimming pool are not considered built-upon area).

C&D Waste: Means solid waste generated solely from the construction, remodeling, repair, or demolition operations on pavement and buildings or structures. C&D waste includes municipal and industrial solid wastes that are identical to materials generated from the construction, remodeling, repair, or demolition operations on pavement and buildings or structures.

Camp or Care Center: A facility licensed by the State of North Carolina, which consists of one or more buildings, located on at least twenty (20) acres of land, which provides accommodations for more than nine (9) individuals and where the activities of those individuals predominantly occur in supervised groups.

Camper: A structure manufactured of metal, wood, canvas, plastic, or other materials, or any combination thereof, mounted on wheels, which includes a living area and is designed for travel, recreation or vacation use. A camper is not designed or intended to be used as a permanent dwelling and is synonymous with recreational vehicles. (See also recreational vehicle definition)

Campground: Land upon which shelters (such as tents, travel trailers, campers and recreational vehicles) are erected or located for occupation by transients and/or vacationers. They may include such permanent structures and facilities as are normally associated with the operation of a campground.

Canopy, Marquee, or Awning: A roof-like cover extending over a sidewalk, walkway, driveway, or other outdoor improvement for the purpose of sheltering individuals or equipment from the weather. An awning is made of fabric or some flexible fabric-like substance. Canopies and marquees are rigid structures of a permanent nature.

Canopy Sign: Any sign which is a part of or attached to an awning, canopy or other fabric-like or plastic protective structure which is extended over a door, window, or entranceway. A marquee is not a canopy.

Car Wash: A building, or portion thereof, containing facilities for washing automobiles or other vehicles, using production line methods with a chain conveyor, blower, or other mechanical devices; or providing space, water, equipment, or soap for the complete or partial hand washing of automobiles, whether washing is performed by the operator or by the customer.

Cemetery, Church: All graves and crypts shall be set back at least thirty (30) feet from all exterior

property lines, and provided that no burial lots are sold on a commercial basis.

Cemetery, Commercial: All graves and crypts shall be set back at least thirty (30) feet from all exterior property lines, and provided that no burial lots are sold on a commercial basis.

Cemetery, Family: All graves and crypts shall be set back at least thirty (30) feet from all exterior property lines, and provided that no burial lots are sold on a commercial basis.

Certificate of Occupancy. An official certification that a premise conforms to provisions of the State Building Code and may be used or occupied. Such a certificate is granted for new construction or for alterations or additions to existing structures or a change in use. Unless such a certificate is issued, a structure cannot be occupied, but a certificate may be issued for a portion of a structure ready for occupancy, such as separate dwelling or commercial units in a structure with multiple units.

Chemical Manufacturing and Processing – Pharmaceutical and Medicine. A land use involved with the transformation of organic and inorganic raw materials by various processes for the formulation of pharmaceutical and medical products for eventual distribution and sale off-site.

Chemical Manufacturing and Processing – Other than Pharmaceutical and Medicine. A land use involved with the transformation of organic and inorganic raw materials by various processes for the formulation of non-pharmaceutical and non-medical products including the creation of base chemicals, dyes, gasses, resins, etc.¹²

Club or Lodge (Private, Nonprofit, Civic, or Fraternal). A nonprofit association of persons, who are bona fide members paying dues, which owns, hires, or leases a building, or portion thereof, the use of such premises being restricted to members and their guests. A Board of Directors, executive committee, or similar body chosen by the members conducts the affairs and management of such “private club or lodge”. It shall be permissible to serve food and meals on such premises, providing adequate dining room space and kitchen facilities are available. The sale of alcoholic beverages to members and their guests shall be allowed, provided it is secondary and incidental to the promotion of some other common objective of the organization, and further provided that such sale of alcoholic beverages is in compliance with the applicable federal, state, and local laws.

Cluster Development. A development process that keeps land in agriculture or open space, and protects natural resources, by requiring buildings to be concentrated on a specified, proportional area of a total acreage. For this definition (and as relates to Planned Unit Development - PUD) for zero (0) side and/or rear yard setbacks (townhouse and/or condominium development), a zero (0) side and/or rear yard setback is within the development only and does not refer to the setbacks that abut adjoining properties (relates to the sides of dwelling units that face open spaces).

Commercial Message: Any sign wording, logo, or other representation that directly or indirectly, names, advertises, or calls attention to a business, product, service, or other commercial activity. This definition does not include company nameplates or logos on instructional signs.

Common Open Space. A parcel or parcels of land, or an area of water, or a combination of both land and water, within the site designated for development and designed and intended for the use and enjoyment of residents of the development or for the general public, not including streets or off-street parking areas. Common Open Space shall be substantially free of structures, but may contain such improvements as are in the plan as finally approved and are appropriate for the benefit of residents of the development.

Concrete Processing, Preparation, and Distribution. A land use primarily engaged in the following:

- (a) Manufacturing Portland, natural, masonry, pozzolanic, and other hydraulic cements;
- (b) Batch or mixing plants;
- (c) Manufacturing of concrete pipe, brick, and block; or
- (d) Manufacturing other concrete products.

¹² Again, staff is adding new definitions for these new land uses to Article 12 of the Ordinance.

Condominium. A dwelling unit in which the ownership of the occupancy rights to the dwelling unit is individually owned or for sale to an individual, and such ownership is not inclusive of any land.

Construction Sign: A sign on a construction site during the period of construction on which is printed or written the name of the owner, developer, contractor, architect, planner, engineer, or development title.

Construction and Demolition Debris Landfill (C&DLF): [A sanitary landfill unit established in accordance with Rules .0531 through .0546 of 15A NCAC 13B .0101 for the land disposal of C&D waste.](#)

Contractor. One who accomplishes work or provides facilities under contract to another. The major portion of a contractor's work normally occurs outside and away from his business location. As used in this Ordinance, the term "contractor" does not include general assembly, fabrication, or manufacture at his business location.

Controlled-Access Highway. A roadway which, in accordance with State and Federal guidelines, is designed to give preference to through traffic by providing access connections at interchanges or selected public roads only, with no direct access from private roads or driveways and with no crossing at grade, including any interstate, State, or U.S. Route.

Convalescent Home (Nursing Home). An institution, which is advertised, announced, or maintained for the express or implied purpose of providing nursing or convalescent care for persons unrelated to the licensee. A convalescent home is a home for chronic or nursing patients who, on admission, are not as a rule acutely ill and who do not usually require special facilities such as an operating room, X-ray facilities, laboratory facilities, and obstetrical facilities. A convalescent home provides care for persons who have remedial ailments or other ailments for which continuing medical and skilled nursing care is indicated; who, however, are not sick enough to require general hospital care. Nursing care is their primary need, but they will require continuing medical supervision. A major factor that distinguishes convalescent homes is that the residents will require the individualization of medical care.

Convenience Store. A commercial building where a variety of items are sold, which may include food, magazines, automobile accessories and maintenance supplies, and other such items. In addition to the commercial building, other services on the premises may include gasoline sales, and a coin operated (automated) car wash.

Convenience Center. A county owned, operated and maintained or privately owned, but county operated and maintained site for the collection of residential waste and recycling. *(Amended 3/11/2019)*

Conversion. Changing the original purpose of the building to the different use.

Covenant. A private legal restriction on the use of land, which is contained in the deed to the property or otherwise formally recorded. There may be certain legal requirements for formal establishment of a covenant such as a written document, a mutual interest in the property, that the covenant be concerned with the use of the land rather than individual characteristics of ownership, etc.

Data Center. [A building or group of buildings containing networked computer servers for the remote storage, processing, or distribution of large amounts of data.](#)

Day Care Facility (Adults and Children). A place other than an occupied dwelling, which provides for the care of children or adults. Those receiving care are not all related to each other by blood or marriage and are not legal wards or foster children of the attendant adults, and for which care a payment, fee, or grant is made. All State registration requirements and inspections shall be met. If children are the primary clients of the day care home the following shall apply: Any child care arrangement where three (3) or more children under thirteen (13) years of age receive care away from their own home by persons other than relatives, guardians, or full-time custodians, or in the child's own home where other unrelated children are in care. Child day care does not include seasonal recreational programs operated for less than four (4) consecutive months. Child day care also does not include arrangements that provide only drop-in or short-term child care for parents participating in activities that are not employment related and where the

on the premises, but the amount of floor area used and the type of equipment used may be different than the standard home occupation and more than one person not a resident of the dwelling may be employed. Such home occupations may include commercial or industrial uses listed in the Table of Uses.

Horse Farm. A bona fide farm that, as a primary activity, conducts business by engaging in any one or more of the activities of breeding, training, buying, selling, showing, racing, and boarding of horses, including associated accessory activities.

Hotel. A building or other structure kept, maintained, advertised as, or held out to the public to be a place where sleeping accommodations are supplied for pay to transient or permanent guests or tenants. Rooms are furnished for the accommodation of such guests, and the hotel may or may not have one or more dining rooms, restaurants, or cafes where meals are served. Such sleeping accommodations and dining rooms, restaurants, or cafes, if existing, are located in the same building. Entry to sleeping rooms shall be from the interior of the building.

Identification Sign: A permanent sign announcing the name of a subdivision, manufactured home park, campground/RV park, multifamily or townhouse development, planned unit development, church, school, park or quasi-public structure or facility.

Impervious Surface Area. That portion of the land area that allows little or no infiltration of precipitation into the soil. Impervious areas include, but are not limited to, that portion of a development project covered by buildings, areas paved with concrete, asphalt, or brick, gravel roads, patios, driveways, streets, and recreation facilities such as tennis courts (wooden slatted decks and the water area of a swimming pool are considered pervious). See example illustration:

Impervious Surface Ratio: The algebraic ratio calculated to determine the percentage of open land versus built-upon area on any tract(s) of land used for the purpose of actual or anticipated residential or nonresidential development.

Incidental Sign: A sign that provides only information for the convenience and necessity of the public. Company logos may be displayed on such signs but must not occupy more than 25% of the sign area. Incidental signs include directories, entrance, exit and other necessary directional signs.

Incompatible Use. A use or service that is unsuitable for direct association and/or contiguity with certain other uses because it is contradictory, incongruous, or discordant.

Industrial Park. A special or exclusive type of planned industrial area designed and equipped to accommodate a community of industries, providing them with all necessary facilities and services in attractive surroundings among compatible neighbors. Industrial parks may be promoted or sponsored by private developers, community organizations, or government organizations.

Inert debris waste: Means inert debris that consists solely of asphalt, cured concrete, brick, concrete block, gravel, and rock. Inert debris waste shall not contain chemical adhesives or sealants, or lead-based paint.

Inn (shall also refer to what is termed a Country Inn). An establishment meeting the definition of “hotel” except that it is designed for a more leisurely paced lifestyle with no more than twenty-five (25) guestrooms, and with a maximum of ten (10) percent of the total floor area (excluding guestrooms and

hallways) in use as accessory commercial uses, such as gift shops, newsstands, or restaurants.

Inoperative Vehicle. Any vehicle, designed to be self-propelled, which by virtue of broken or missing component parts, is no longer capable of self-propulsion. For the purpose of this Ordinance, any vehicle that is registered with the North Carolina Division of Motor Vehicles with a current North Carolina motor vehicle registration license affixed to it shall not be considered inoperative.

Interested Persons and/or Parties. In reference to filing for a variance, rezoning, and/or Special Use permit (definition shall also apply to the quasi - judicial process of hearings held by the Board of Adjustments-G.S.160D-406), unless otherwise specified in this Ordinance, applications for review and approval may be initiated by an interested person/party who is:

- A. The owner of the property that is the subject of the application;
- B. The owner’s authorized agents; or
- C. Any review or decision-making body (inclusive of the Board of Commissioners, Board of Adjustments, and Planning Board) as specified in this Ordinance.

When an authorized agent files an application under this section on behalf of a property owner, the agent shall provide the County with written documentation that the owner of the property has authorized the filing of the application. When review or a decision-making body initiates action under this Ordinance, it does so without prejudice toward the outcome.

Junk Yard. Any area, in whole or in part, where waste or scrap materials are bought, sold, exchanged, stored, baled, packed, disassembled, or handled, including but not limited to scrap iron and other metals, paper, rags, vehicles, rubber tires, and bottles. A “junk yard” includes an auto-wrecking yard, but does not include uses established entirely within enclosed buildings. A “junk yard” for vehicles is defined as four or more junk, inoperable or unlicensed vehicles stored on the property. See definition of commercial garage for exception.

Kennel: Any facility used for the purpose of boarding animals, not including horses, cattle, swine, sheep, goats, geese or peafowl. Kennels may conduct other such incidental activities, such as the sale of animals, treatment of the animals, grooming or cleaning, and the sale of pet supplies. This definition shall include any establishment wherein any person engages in business or practice, for fee, of boarding, breeding, grooming, letting for hire, or training of more than three domesticated animals at any one time; or an establishment wherein any person engages in the business or practice, for a fee, of selling more than one litter of domesticated animals at any one time or the selling of any three individual domesticated animals (not defined as litter herein) at any one time. Domesticated animals, for the purpose of this ordinance, shall be defined as dogs, cats, and other generally accepted household pets. Litter, for the purpose of this Ordinance, shall be defined as the offspring resulting from the breeding of two domesticated animals. The following shall not constitute the operation of a kennel as defined above and in no way shall this provision regulate the following (for personal use):

- (a) The ownership of domesticated animals as household pets;
- (b) The ownership of domesticated animals for hunting or tracking purposes;
- (c) The ownership of domesticated animals for the purpose of exhibiting at shows, obedience or field trials; and
- (d) The ownership of domesticated animals for the purpose of protection or guarding of residences or commercial establishments.

Landfill, Demolition. A landfill facility for stumps, limbs, leaves, concrete, brick, wood, uncontaminated earth and other solid wastes resulting from construction, demolition or land clearing.

Land clearing and Inert Debris Landfill (LCIDLF): ~~A landfill unit established in accordance with Rules .0563 through .0567 of 15A NCAC 13B .0101 for the disposal of yard waste and inert debris waste.~~

~~Landfill, Land Clearing Inert Debris, (LCID), major. A landfill facility, greater than two acres, for the land disposal of land clearing waste, concrete, brick, concrete block, uncontaminated soil, gravel and rock, untreated and unpainted wood, and yard trash, as defined in 15A NCAC 13B.0101. (Amended 10/7/2019)~~

~~Landfill, Land Clearing Inert Debris, (LCID), minor. A landfill facility, less than two acres, for the land disposal of land clearing waste, concrete, brick, concrete block, uncontaminated soil, gravel and rock, untreated and unpainted wood, and yard trash as defined in 15A NCAC 13B.0101. (Amended 10/7/2019)~~

Land Clearing Waste: Means land-clearing debris that consists solely of stumps, trees, limbs, brush, grass, and other naturally occurring vegetative material.

Landfill, Sanitary. A facility where waste material and refuse is placed in the ground in layers and covered with earth or some other suitable material each work day. Sanitary landfills shall also conform to requirements of 15A NCAC 13B regarding solid waste management.

Landscaped Area. A portion of the site or property containing vegetation to exist after construction is completed. Landscaped areas can include, but are not limited to, natural areas, buffers, lawns, and plantings.

Lattice/Cage Tower. A structure consisting of connected sections of metal supports. Towers of this type typically are 250-300 feet in height and require no supporting guy-wires.

Life Care Center: A facility which combines the functions of any combination of a retirement community, rest home, nursing home, and convalescent home, providing residential facilities for independent living, assisted care, and, possibly, nursing care.

Loading Area or Space, Off-Street: An area logically and conveniently located for bulk pickups and deliveries, scaled to delivery vehicles expected to be used, and accessible to such vehicles. Required off-street loading space is not to be included as off-street parking space in computing required off-street parking space.

Lot. A parcel of land in undivided ownership occupied, or intended for occupancy, by a main building or group of main buildings together with any accessory buildings, including such yards, open spaces, width, and area as are required by this Ordinance, either shown on a plat of record or described by metes and bounds and recorded with the Register of Deeds. For the purpose of this Ordinance, the word “lot” shall be taken to mean any number of contiguous lots or portions thereof, upon which one or more main structures for a single use are erected or are to be erected and their accessory buildings.

Lot, Corner. A lot abutting the intersection of two (2) or more streets or a lot abutting on a curved street or streets shall be considered a corner lot if straight lines drawn from the foremost points of the side lot lines to the foremost point of the lot at the apex meet at any angle of less than one hundred thirty-five (135) degrees. In such a case the apex of the curve forming the corner lot shall be considered as the intersection of street lines for the purpose of this Ordinance, such as in corner visibility requirements.

Lot, Depth. The depth of a lot is the average distance between the front and back lot lines measured at right angles to its frontage and from corner to corner.

Lot, Interior. A lot other than a corner lot.

Lot Lines. The lines bounding a lot. Where a lot of record includes a right-of-way, the lot lines are presumed not to extend into the right-of-way.

Lot, Through. An interior lot having frontage on two streets.

Lot, Width. The straight line distance between the points where the building setback line intersects the two side lot lines.

Lot of Record. A lot which is a part of a subdivision, a plat of which has been recorded in the office of the Vance County Register of Deeds, or a lot described by metes and bounds, the description of which has been recorded in the office of the Register of Deeds by the owner or predecessor in title thereto.

Machine and Welding Shop: This industry comprises establishments known as machine shops primarily engaged in machining metal parts on a job or order basis. Generally machine shop jobs are low volume using machine tools such as lathes (including computer numerically controlled); automatic screw machines; and machines for boring, grinding, and milling. This industry also comprises establishments

fenced compound that contains varying sizes of individual, compartmentalized and controlled access stalls or lockers for the dead storage of a customer's goods or wares. No sales, service, or repair activities other than the rental of storage (see definition in this section) units are permitted on the premises.

Mobile Home: A transportable, factory-built home designed to be used as a year-round residential dwelling and built prior to enactment of the National Manufactured Home Construction and Safety Standards Act, which became effective June 15, 1976. A mobile home does not meet the criteria for a manufactured home. A recreational vehicle or travel trailer is not a mobile home.

Mobile Office. A structure identical to a mobile home (as defined in this section) or a modular home (as defined in this section), that has been converted to, or originally designed and constructed for, commercial or office use.

Modular Home: A factory-built home certified as meeting the North Carolina Building Codes and associated codes as applicable to modular housing. Once certified by the State, modular homes shall be subject to the same standards as a site-built home.

Monopole Tower. A single pole structure that supports telecommunication equipment. These towers are typically less than 200 feet in height. Said towers have been shown to be resistant to wind and ice conditions that could cause tower collapse.

Motel. A building or other structure kept, maintained, advertised as, or held out to the public to be, a place where sleeping accommodations are supplied for pay to transient or permanent guests or tenants and where rooms are furnished for the accommodation of such guests. Entry to sleeping rooms may be from the interior or exterior of the building. Food may be served in dining rooms, restaurants, or cafes, which may be located in the same building as the sleeping rooms or may be in one or more separate buildings.

Municipal Solid Waste Landfill (MSWLF): A sanitary landfill unit established in accordance with Section .1600 of 15A NCAC 13B .0101 for the disposal of municipal solid waste.

Nonconforming Lot. A lot existing at the effective date of this Ordinance or any amendment to it (and not created for the purpose of evading the restrictions of this Ordinance) that cannot meet the minimum area or lot width or depth requirements of the zone in which the lot is located.

Nonconforming Sign: Any sign that does not conform to size, height, location, design, construction, or other requirements of this Section. The nonconformity may result from adoption of this Article or any subsequent amendment.

Nonconforming Use. The use of a building, mobile home, or land which does not conform to the use regulation of this Ordinance for the zone in which it is located, either at the effective date of this Ordinance or as a result of subsequent amendments which may be incorporated.

Nonconformity, Dimensional. A nonconforming situation that occurs when the height, size, or minimum floor space of a structure, or the relationship between an existing building or buildings and other buildings or lot lines (i.e. setbacks), does not conform to the regulations applicable to the zone in which the property is located.

Nuisance. Anything that interferes with the use or enjoyment of property, endangers personal health or safety, or is offensive to the senses (sight, smell, touch, hearing, and taste).

Ordinance. This, the Zoning Ordinance, including any amendments. Whenever the effective date of the Ordinance is referred to, the reference includes the effective date of any amendment to it.

Off-grid Solar System. A photovoltaic solar system in which the circuits energized by the solar system are not electrically connected in any way to electric circuits that are served by an electric utility company.

Off-Premise Outdoor Advertising. any outdoor sign, display, light, device, figure, painting, drawing, message, plaque, poster, billboard, or any other thing which is designed, intended or used to advertise or inform, any part of the advertising or information contents of which is visible from any place on the main-traveled way of the interstate or primary system or other public right of way, whether the same be

permanent or portable installation.

On-Premises Sign: A sign that publicizes and directs attention to a profession, commodity, activity, product, service or entertainment conducted, sold or offered upon the premises where such sign is located. On-premises signs include pole and ground mounted signs.

Opaque. In reference to screening, buffering, and fencing, this term shall mean “not able to be seen through from one side to the other.

Outdoor Display. The placement of merchandise normally associated with the commercial or industrial use outside for public display.

Outdoor Storage. The placement /storage of goods, equipment, or material, such as junk vehicles, junk appliances and other such items, trash, and other debris outside of an enclosed building for a period of more than forty-eight (48) consecutive hours shall be considered outdoor storage. Outdoor storage does not refer to licensed vehicles in use by the person occupying the property, or other minor/incidental storage, such as items specifically designed for outdoor use including; lawn furniture, outdoor grill, swing set, lawn care equipment, which would not have a negative impact on the health, safety and general welfare of adjacent property owners and land uses.

Paperboard Containers and Box Manufacturing, Assembly, and Processing. A land use engaged in converting previously manufactured paperboard into containers. Does not include the actual manufacturing of the paperboard product. Please refer to Pulp, Paper, and Paperboard Mills as defined herein.

Parking Lot or Area: An area or plot of land used for, or designated for, the parking or storage of vehicles, either as a principal use or as an accessory use.

Parking Space: A storage space of not less than one hundred sixty (160) square feet for one automobile, plus the necessary access space.

Parking Space, Off-Street. A parking space located outside of a dedicated street right-of-way.

Person: An individual, firm, partnership, corporation, company, association, joint stock association or government entity; includes a trustee, a receiver, an assignee, or a similar representative of any of them.

January Cooperative Extension Vance County Center Updates

- Dr. Wykia Macon, CED and Wayne Rowland (Small Farms Technician), will be attending a Grassroots Leadership Academy series, starting on January 30 – 31st hosted by Cooperative Extension at N.C. A&T. It will serve as an in-service workshop series for Extension staff and stakeholder groups (e.g., community and organizational leaders, volunteers, and community residents) who are interested in receiving more intensive training in different capacity building topics that will help achieve personal/professional goals and/or facilitate decision-making to help improve our community.

The series will be focus on (1) civic engagement, (2) organizational development & planning, and (3) emergency preparedness. Each workshop event will be held in-person over a day and a half to allow time for people to travel but long enough to take a deeper dive into content and skill building. The three sessions are: Civic/Community Engagement (Session Location: Greensboro, NC, January 30-31, 2024; Organizational Development and Planning (Location: Charlotte, NC, February 21-22, 2024; and Emergency Preparedness (Location: Beaufort, NC, March 12-13, 2024

Agriculture

- The 2024 regional tobacco meeting (including GAP updates) was held on January 22nd at the Granville Expo Center. Attendees were able to register both online and by phone. A fumigant recertification was done after meeting for anyone that needed it. Auxin training and pesticide recertification information was shared.
- A reminder was sent out via email about pesticide certification renewal period ending in 2024. Farmers have until Sept 30, 2024, to get needed credits. Private Applicators need Category X credits (2) PLUS the Category V class. A list of upcoming credit opportunities can be found at <http://go.ncsu.edu/grow2024>. Farmers can call us if they want to check on your credits.
- A grain production meeting will be held on Tuesday, February 20th at the Vance County Regional Farmers Market. Keynote speakers will be: Dr. Rachel Vann, Soybean Agronomic Management; Dr. LeAnn Lux, Soybean Disease Management; Austin Menker, Overview of NC Carbon Credit Markets; and local Extension Agents. There will be NCD&CS Pesticide Credits available. Lunch will be provided at this meeting. This event is made possible with the support of the NC Soybean Producers Association. If you have any questions about this event, please contact Paul McKenzie at 252-438-8188 or paul_mckenzie@ncsu.edu.

- Paul McKenzie and Wayne Rowland continue to update the community on local agricultural issues and more Live on the Home and Garden Show on WIZS radio each Wednesday at 11:30.

Small Farms/Beekeepers

- The regular meeting of the Vance and Warren Counties Beekeepers Association was held Monday, January 8, at 7:00 p.m., at the Vance County Regional Farmers Market. This month it was preceded by another “So You Want to Be a Beekeeper” session at 6:00.

This event was very beneficial for anyone who was thinking about beekeeping as a new hobby and needs some insight. This was an introduction to the Granville-Vance-Warren Beginning Beekeepers Academy 2024! It was free to attend, and it provided answers to questions before paying for the classes.

At their regular meeting at 7:00pm, attendees went over updates on their current projects, a report on some new equipment the club had received and had a presentation from Double-Bee Apiaries of Warrenton and Wake Forest. You do not have to have bees to attend these monthly meetings, just an interest in beekeeping!

- Each year, Small Farms Week highlights programs and activities conducted by Cooperative Extension at North Carolina Agricultural and Technical State University that support limited resource, small-scale, part-time, and alternative-enterprise farmers.

Small Farms Week 2024 (March 24-30, 2024) will include educational programs, panel discussions, tours, and the unveiling of a new Small Farmer of the Year. All events will be in-person, with most taking place at the N.C. A&T University Farm Pavilion, 3020 McConnell Road in Greensboro.

The North Carolina Cooperative Extension, Vance County Center will be hosting a food and toiletry drive from February 1st – March 1st, 2024, in honor of our local farmers in conjunction with Small Farms Week. All food collected through the food drive will be donated to ACTS (Area Christians Together in Service). Anyone interested in donating to this food drive can bring items to the N.C. Cooperative Extension, Vance County Center office at 305 Young Street in Henderson.

For more information, please contact Wayne Rowland, Small Farms Technician (dwrowland@ncat.edu) or Nitasha Kearney, EFNEP Educator at (ndkearney@ncat.edu) or call 252-438-8188.

Family and Consumer Sciences

- The Vance County Center was awarded \$700 in supplies for cooking and gardening from the Steps to Health program at NCSU. Currently in the garden we have kale, broccoli, collard greens, and more! We will be receiving an air fryer, pots and pans, seed starting soil, and other items to help us grow and cook our food. Steps to Health offers \$700 in funding per garden site and an additional \$300 in garden education materials. If anyone is interested in obtaining funding

to start or sustain a garden, please reach out to Dr. Wykia Macon at wsmacon@ncsu.edu.

- Nitasha Kearney, EFNEP Educator (Extended Food and Nutrition Educational Program) shared her expertise and knowledge on food nutrition at Vance County High School in Ms. Yarborough's class on Food and Nutrition on January 24th. Nitasha is very passionate about educating the youth in the community about food nutrition.
- On Tuesday, February 13th from 12pm - 1pm a virtual workshop on “Happy Heart Habits: Steps to Better Cardio Health” is being offered. Keeping your heart healthy” is something we can all work on every day. Discussion on how habits are formed and how we can change our habits to support heart health. You can also learn about strategies for developing healthy habits and common pitfalls and wrap up with a review of healthy lifestyle behaviors that support heart health to get anyone started with changing their habits.

This workshop is part of the 2024 “Extension at Home” series, brought to participants by a collaboration of N.C. Cooperative Extension Agents. This series will feature a new topic each month related to Family and Consumer Sciences.

The courses will be offered at no cost to participants and anyone in the community is welcome to join via Zoom. If anyone would like to find out more about the workshops they can contact our local N.C. Cooperative Extension FCS Agent, Dr. Wykia Macon at wsmacon@ncsu.edu.

4-H

- During the month of January, Mr. Sharpe, along with the youth of Vance County hosted several presentation viewings on the topics of STEM, Computer Science and Space & Aviation.
- With the year off to a great start, students involved in the TEEN LEADS program meet weekly at the YMCA and engage in various STEM related activities. Mr. Sharpe, along with Nitasha Kearney (EFNEP), lead weekly visits at Vance County High School for their six-week program providing insights into food safety and healthy lifestyles for students.
- Vance County youth are training for The Dinah Gore Healthy Food Challenge, which is an exciting new cooking contest offered by 4-H. The event challenges a team of three to four 4-H members to create a dish that will serve three people using a mystery ingredient, food category and items from a locally sourced pantry. Once the ingredient is revealed, teams have 40 minutes to prepare a dish highlighting that ingredient, clean up their kitchen space and prepare a presentation for the judges. Teams will prepare their dish, health benefits and the nutritional value of the dish to the panel. During these sessions, students are taught safety practices and how to create gourmet dishes. If you are between the ages of 8 -18, have a keen interest in cooking, and interested in the opportunity

to travel to Texas, please join Mr. Sharpe and Ms. Kearney at the Cooperative Extension office every other Thursday (next session – February 8th) for Dinah Gore from 5:30 PM- 7:00 PM.

- On January 24-25, Mr. Sharpe traveled to Raleigh to attend the North Carolina Association of Extension 4-H Youth Development Professionals winter meeting. This conference serves as a means for youth development professionals across the state to gather, learn, grow, and connect. While attending this meeting, Mr. Sharpe volunteered to serve on the Programs & Diversity Committee. Micah strives to make an impact by being an advocate for the youth to ensure that all are included in 4-H, regardless of their background. For more information, please contact Mr. Sharpe at mosharpe@ncsu.edu.

STEM (Science, Technology, Engineering, and Math Education)

- The STEM team at North Carolina Agricultural & Technical State University has been working hard this month to kick off two great STEM programs, NC Teen LEADS (Learning to Educate others About STEM) and Game of Drones. I am pleased to work with each of these programs.
- Five counties are participating in Teen LEADS, including Vance County. 4-H'ers in this program will provide STEM & computer science programming for students while also building confidence, developing leadership skills, and improving public speaking skills. This program is supported by the National 4-H Council and Google.
- Eleven teams will compete in the Game of Drones competition in April of this year. Middle and high school teams compete separately and consist of 3 team members, up to 2 alternates, and a coach.

The competition includes using coding to program Tello Drones and DataBots to complete missions. This year, 4H-er's will also have to work through enrichment activities and monthly challenges.

The Game of Drones is a 4-H competition hosted by the 4-H STEM team at North Carolina A&T State University and STEMerald City LLC.

Farmers Market

- The Midnight Blue Martial Arts Academy rented the Farmers Market on Friday, January 26th for their 25th Anniversary Dinner and Promotions event. They had 130 plus in attendance for their event.
- The USDA Farm Service Agency and Natural Resources Conservation Service will be meeting at the Farmers Market on Thursday, February 1 for an informational meeting with local farmers/landowners and ranchers. There will be 50 plus attendees for this event.

Board/Commission/Committee Applying For (list only one per form) GVPH BOH physician

Why are you interested in serving on this Board/Commission/Committee? I enjoy educating the public in family medicine and encouraging today's youth to join healthcare. I want to help people improve their health by spreading awareness and healthy tips.

Generally, the Board desires to broaden participation on Boards/Commissions/Committees for as much citizen involvement as possible; therefore, a goal is to limit appointees to no more than 3 Boards/Commissions/Committees. Therefore, please list any other Boards/Commissions/Committees on which you currently serve:

mana parham health, henderson collegiate,

Affirmation of Eligibility:

Has any formal charge of professional misconduct, criminal misdemeanor or felony ever been filed against you?

Yes _____ No If yes, please explain disposition: _____

Is there any conflict of interest or other matter that would create problems or prevent you from fairly and impartially discharging your duties as an appointee of the Board of Commissioners? Yes _____ No If yes, please explain: _____

I understand that any situation which may arise to cause conflict of interest may create serious ethical or legal implications if appropriate discretion is not exercised or responsible action is not taken.

I understand this application is public record and I certify that the facts contained in this application are true and correct to the best of my knowledge. I authorize and consent to background checks and to the investigation and verification of all statements contained herein as deemed appropriate. I further authorize all information concerning my qualifications to be investigated and release all parties from all liability for any damages that may result from this investigation. I understand and agree that any misstatement may be cause for my removal from any Board/Commission/Committee. I understand regular attendance to any Board/Commission/Committee is important and, accordingly, I further understand that if my attendance is less than the standards established for any such body that this is cause for removal. Lacking any written standards for attendance by any Board/Commission/Committee it is expected that I will attend at least 75% of all meetings during any one calendar year to maintain my seat on any Board/Commission/Committee to which I may be appointed. This form will remain on file in the Office of the Clerk and requests for updates will be sought prior to any consideration for reappointment (or future appointment) to any Board/Commission/Committee.
